ALABAMA

R. H. WALKER, SENATOR
1ST DISTRICT—LAUDERDALE AND LIMESTONE
ATHENS, ALA.

SENATE CHAMBER

MONTGOMERY

Feb. 4, 1931.

My dear Memory:

I received your sweet note this morning and my heart was made glad. However, you would have heard from me by tomorrow morning's mail had you not written. I am expecting you to come down with me next week and want you to do so.

We made the trip down without accident or incident. We left home at 7:10 and reached here at 12:40. Tom, Shelby and I were the only ones along, the Decatur representatives having gone down in other conveyances. We had a real scrap on the floor of the senateyesterday afternoon, when the vote resulted in a ~~xxxx~~ tie twice, Merrill voting both times with the administration. I did the same thing. Bonner of Wilcox, the governor's home county, "ducked" and didn't vote.

Mrs. Henry McDaniel of Demopolis (Finnell Crawford of Tuscaloosa, whom you'll probably remember) was here yesterday. He sits just in front of me and I met her. She is still very happy looking. He's an excellent fellow, I think.

We adjourned from yesterday to Friday, for what reason I don't know except Alf Tunstall told me beforehand that he thought we had better do that so we could "know what we are doing." Nobody seems to know all of Miller's mind.

Assuring you of my continued love, ~~xxxx
