Mrs. Walker Richardson,  
668 South McLane St.,  
Memphis, Tennessee.

Dear Nance:

I am enclosing herewith check of Walker-Glaze-Grisham for \$200.00, interest in full on the balance due on your E. B. Clarke \$2,500.00 loan.

This pays the interest in full to January 21, and leaves the balance due on the principal \$1,666.67. I have not an interest book handy and cannot compute the exact interest, but I am sure the \$200.00 will a little more than pay the amount due on interest.

I hope that I will be able to send you the Sandifer interest at an early date.

I would have sent this several days ago, but I have been confined to my bed with an attack of the flu.

As ever
