

WILLIAM C. FITTS
COUNSELLOR AT LAW
AMERICAN-TRADERS BUILDING
BIRMINGHAM, ALA.

July 13, 1932.

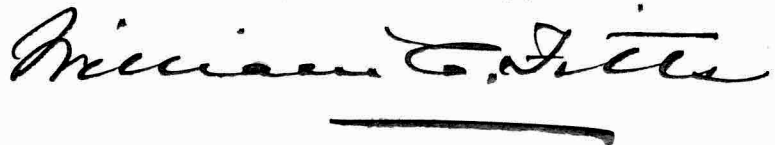

Hon. R. H. Walker,
c/o Limestone Democrat,
Athens, Alabama.

Dear Senator:

I am not attempting to answer the thousands of letters and telegrams which have come from all over the United States. In fact, my secretary has been prostrated in the attempt to write for me replies, but I take your letter and will say that I appreciate it. I am sure that our mutual friend, Col. Rawls, would not knowingly do me a wrong. Of course, he is entirely mistaken when he assumes that my presentation of the minority report evidenced any break with or disloyalty to Gov. Roosevelt. As a matter of fact, what became the minority report was prepared by the Roosevelt sub-committee of the Committee on Platform, and was displaced by those who in extreme eagerness went beyond what had been planned. However, both the ticket and platform are now ours and we must all pull together for a grand and glorious victory, which can be accomplished.

Hoping to see you before long, and in the meantime, with very best wishes, I am

Yours cordially and sincerely,

William C. Fitts
