

I'M Free

Don't grieve for me for now I'm free, I'm following the path God laid for me. I took His hand when I heard Him call; I turned my back and left it all. I could not stay another day, to laugh, to love, to work or play. Task left undone must stay that way; I found that peace at the close of the day. If my parting has left a void, then fill it with remembered joy. A friendship shared a laugh, a kiss, ah yes, these things I too will miss. Be not burdened with times of sorrow, I wish you the sunshine of tomorrow. My life been full, I savored much, good friends, good times, a loved one's touch. Perhaps my time seemed all too brief; don't lengthen it now with undue grief. Lift up your heart and share with me, God wanted me now, He set me free.

Psalm 23

*The Lord is my shepherd, I shall not want.
He maketh me to lie down in green pastures:
He leadeth me beside the still waters.
He restore my soul:
He leadeth me in the paths of righteousness for
his name's sake.
Yea, though I walk through the valley of the
Shadow of death,
I will fear no evil; for thou art with me;
Thy rod and thy staff they comfort me.
Thou preparest a table before me in
The presence of mine enemies:
Thou anointest my head with oil;
My cup runneth over.
Surely goodness and mercy shall follow me
All the days of my life:
I will dwell in the house of the Lord forever.*

Hello, sister this poem is for you;

The Best

*God saw you getting tired and a
cure was not to be; so he put his
arms around you with tearful eyes
watched you and saw you pass
away.*

*And although we loved you dearly,
we could not make you*

*A golden heart stopped beating,
Hardworking hands at rest, God
broke our hearts prove to us he only
takes the best*

Love your best friend and sister,

Barbara

My Grandmother

*In my Rose Garden of memories
I see you standing there
An angel in disguise
Who taught me how to care
I long to hear your voice
for real not in my dreams
I am missing you so much these days
how empty my world seems
People say time heals all wounds
that someday the pain will subside
But Grandma I can tell you
I think they must have lied
The emptiness I am feeling now
is strong and I am weak
These days go by without you
so dreary and so bleak
In my Rose Garden of memories
I know you'll always be
for though you're gone
from this mortal world
In my heart you'll always be*

*Love, your granddaughter

And mother, which is the first commandment with promise.*
