

Dear Mrs. Walker,

Mrs. J. H. Lane, past

History of your Chapter compiled
in about 1923. Please have this
rewritten and typed to conform
with the History Outline and
return to me soon with the
Questionnaire. The Historian
General is urging me to
hurry and I feel sure that
you will help. Hoping that
I may hear from you soon
and with best wishes,

I am,

very cordially yours,

Dear Madam Regent,-

An enclosing Card of Excellence for the year 1928-29, which I feel sure that your chapter will have no difficulty in attaining, and I am counting on you.

At the 37th Continental Congress in Washington last April, a resolution was passed, asking that ten cents per capita be subscribed by all chapters for support of the work of the National Defense Committee; ten cents per capita for the Immigrants Manual; and five cents per capita for Ellis Island. If the chapters will meet this request, it will make a splendid showing for our State, and at the same time, will be supporting some of the most important endeavors of our National Society.

Wishing you unbounded success, I am,

Cordially yours,

Lila Inger Brown.

State Regent, A.S.D.A.R.
