A Tribute to Mother

IF NOT FOR YOU
By Andrea Mills

Momma, we want to say thank you
For the many things you've done.
And for always being supportive
Because your love compares to none.

Growing up wasn't always easy,
But you made it better by being there.
You have always given us the best of you
And we know how much you care.

You were a wonderful mother,
And a special lady too.
And it's a blessing to know for us
There is nothing you wouldn't do.

You never failed to show your love,
And help us find our way.
You told us to always believe in God,
And you taught us how to pray.

Thank you Momma, for believing in us
And helping to make our dreams come true.
We have no idea where we would be today,
If it had not been for you.

Love,
Billy and Marie

Family Tribute

"We will remember the special times,
The special days, your special smile;
We will remember your special ways,
And see again those laughing eyes.
We will think again of little scenes,
When you were here and we shared our
dreams,
Your days with us were far too few,
But remembering special times...
Will keep us near to you!"

Kind Shepherd

Speak loudly, Kind Shepherd
And clearly lead the way
For this once wandering sheep,
Does not wish to stray.
Stay near, Oh so near to me.

So most surely I'll know that the path
I'm walking is where I should go.
Give deliverance, Kind shepherd
From the course of the foe.

To this we clinging sheep
who does love you so.
With your constant directions,
Guiding all of my days.
I shall safely abide,
In the path of your ways.
