SELMA, ALA.

Nov. 28th, 1931.

Hon. R. H. Walker,  
Athens, Alabama.

My dear Senator:

I have just received the Limestone Democrat.  
It is useless for me to tell you just how much Mrs. Knight  
and I appreciate your fine endorsement of my appointment.  
Mrs. Knight said when she read it, "I told you so".

You have always been so kind to us, and generous in  
your expressions, from time to time in the Democrat, that I  
feel I can never sufficiently thank you.

You were, and are, entirely within the record, when you  
refer to the lasting friendship that existed between your  
brother and myself. I often think of him. He was one man,  
who had the courage of his conviction, and was never afraid  
to express himself on public questions, or legal propositions.  
Besides, he was, at the time of his death, with but few equals  
at the Bar in this State.

For your renewed expression of friendship, I am  
most grateful. I did not apply for, nor seek in any way  
the appointment. I rather dreaded the change from the Circuit  
to the Supreme Court. Again thanking you, I am,

Sincerely,

Thomas E. Knight

*Mrs Knight sends her warmest  
regards to yourself & wife*
