Ala.

Dear Mr. Walker:

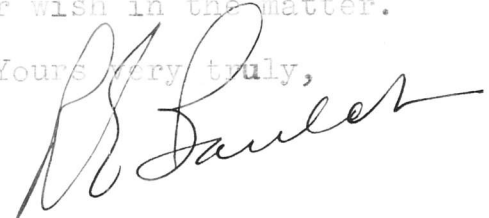

We have your letter of September 27 asking for statement of rents paid since February 1, 1932, on your building in Athens.

On February 5, 1932 we paid \$200.00 to Mrs. J. E. Horton, in accordance with your instructions; on March 4, 1932 we paid \$100.00 to W. B. Vaughn - we continued these \$100.00 monthly payments through August 1933; on Sept. 1, 1933 we paid \$125.00 and continued the \$125.00 monthly payments through December 1933; on January 9, 1934 we made payment of \$137.50 and like \$137.50 payments continued through December 1934; on January 1, 1935 we paid \$200.00 and have continued these \$200.00 monthly payments to date.

Of course, all of the payments with the exception of the first one of \$200.00 were made payable to W. B. Vaughn.

If there is any further information you would like to have in this connection, we shall be very glad to comply upon your making known your wish in the matter.

Yours very truly,
