

Mr or the vice not
the one - tell
you - your wife
her a letter
about the elec-
tion - he
noticed
approach
so much

August 15 - 1930 -

Dear Mary -
I watched the
papers to see about the
election, eagerly - This morning
in interest she on oil on
before he got to our box, and
he gave me your letter -
I rejoice greatly in Harry's
splendid victory - There is life
in the old crowd yet - and
the "survival of the fittest"
still prevails - Mother wrote
me to let her know the minute
I heard from Harry, & she
of course, every thing will
also as he will say about an
contest by his opponent -
The best way is to say some of
all - Your husband & his young
wife had a fellow feeling

John's sister next morning
after the election, she was
the happiest woman on earth
that Mrs Horton, Hull, or Homer
had any thing over her that
they could not be 'any
happier - it is the best
paying office in the County
and, is County Court Clerk -
The Probate Judge here, is
called County Judge - it does
not pay as much as the
other - There was much
more interest in that race
than any other - Carl has one
son, lost his arm two years
ago, by infection, and every body
did all they could for him
while he suffered so long, and
he got to lose his arm -
I was interested in Mrs
Horton, letters - I have the
picture of the house your
mother was living in where
she suggested the Golden Rule
as the position of flowers and

some clippings which I
will look up -

I have all the letters
and correspondence of Tommie
both private, and public
I have on my I are
in the long letters from most
disturbances here Mrs
Owen, Mrs
never get them -

I don't know about Sherry
the one Mrs Davis's letter - They
will think I have on my
others of one one

and come down she at I have
and they will think I read that
32 place there - I will see two
letter of his over for my two

at the letter or is for my not
copy all to the Union, with know
for reverses at all, you
I am sorry Bob Henry did not get
to new York - This letter is to extend
Harry my interest he or that I may & str-
lation. I hope his success, and to assure
we all feel he over and for end of
him - I will write again - no time right
now - with love for you all
Hunt. Kelly
