T. A. GOODWIN, SENATOR  
17TH DISTRICT--BUTLER, CONECUH  
AND COVINGTON  
FLORALA

## SENATE CHAMBER

MONTGOMERY

October 19th 1934.

Hon. R. H. Walker.  
Athens, Alabama.

Dear Harry:

Mr Hendley our member of the legislature let ~~me~~ read your letter it had a good ring to it and it caught his eye and he said you stood for the same things that he did, I fully believe he will support <sup>you</sup> for ~~for~~ Speaker, I am keeping your name before him and have urged him all along to support you.

I suggest that you get your Pastor Dr Gardner to write Prof Hendley Gardner went to school to Hendley years ago and Hendley thinks lots of him and a letter from him would not hurt.

Hon Chas. E. Segrest of Slocomb is a big methodist layman in the Ala conference, if you have any good methodist preachers or friends it would not hurt to have them write Mr Segrest. I am also working on him for you and believe you will get him at the proper time.

I certainly hope you win this fight.

With kindest personal regards. I am.

Your friend.

*Tully A. Goodwin*
