

THE ALABAMA LEAGUE OF MUNICIPALITIES  
FOURTEEN SOUTH HULL STREET  
MONTGOMERY, ALABAMA

OFFICE OF  
THE EXECUTIVE DIRECTOR

Sunday

Dear Mr. Walker:

I have been meaning to write you for several days but municipal elections around the state have been keeping me hopping since getting back from a five-day vacation.

I was certainly sorry about Bob Henry's misfortune. That boy has had a hell of a hard time, and I hope it won't get his spirits down. Tell him to keep plugging. All of us are for him. He's a fine boy and will come through O.K. I know the accident upset you, Mrs. Walker and Mrs. Bob Henry.

I have just a minute to write this note as I am getting up some election information for some of the small towns that has to be sent out today -- even if it is Sunday.

I am enclosing a check for \$25 which I would like you to use in carrying that much advertising space for Ros in your next issue. Make him furnish you with the facts for a nice ad pointing out his achievements as Mayor. Don't let him be too damn modest. Help him prepare it so that it will make good reading. Credit the ad to "Friends of Mayor R.H. Richardson."

I shall write you more later.

Kindest regards,

*Q. H. S.*

*Tell Bob to take everything very  
easy and let his injury completely  
heal.*
