

Denver, Colo., Aug. 30th. 1919

Dear Harry:

I am enclosing a statement from the City Clerk's office that will explain itself. I guess this must be on the property I bought from Noblett, on Coleman hill and wish you would settle for me if I have enough money in bank to pay it, if I have't enough, let me know by return mail and will send check. Please get the city clerk to hold off until I can hear from you if I have'nt enough money there to pay it.

Can't you sell my two houses for me, think now would be a good time as everything in the way of property seems to be in demand. Would rather sell cheap than to hold as can use the money to better advantage here than in that property.

You don't know how much I enjoyed the childrens visit and it just broke me all up when they left. I think they had a pretty good + time, hope they did at any rate. "Baby" seemed to have something drawing her home, of course I could'nt guess what it was, otherwise, Sarah would have stayed several days longer.

Hope you enjoyed your trip to Ashville and rec'd a lot of benefit from it. You should have come to Denver, know it would have done you lots of good. I have just gotten a phone message from Woody Simmons inviting me out to take dinner this eve. with Col. Sanders, know I will enjoy it. Took dinner with Tom a few nights ago at Mrs. Blakes and certainly enjoyed seeing him.

Give my love to Memory and the kids and all at home and at El-lies,

Your devoted bro.

Under Improved Ordinance No. 4 Bonds were issued to pay the assessment for sidewalk improvement on your abutting property on West Street. These bonds are payable in installments, and there will be ^{was} due on 12/1/18 an installment, including interest, amounting to 41.75 dollars.

This is to notify you that you must, on or before the First day of Sept, 1919, pay at the Mayor's Office in the City of Athens, Alabama, the sum of 41.75 dollars. Unless same is paid as above suggested, the necessary Court proceedings will be taken to enforce the lien and payment of said installment against your property.

Respectfully,

~~E. B. Spencer~~, City Clerk.

Roy Rogers

N. B.

If Court proceedings are necessary for the collection of one payment all payments became Due and Suit will cover the entire balance.
