Granddaddy

My Granddaddy is very special
he really means a lot to me
He has a gentle face and patient
smile.

There's some sadness I do recall
But there is always a kind word
So I know he's loved by all.

Believing this is very difficult
. Still somehow we must try
The saddest word mankind knows
will always be Good-Bye.

Granddaddy always says "Keep your
head up, you'll make it".

And today, granddaddy I'm saying
to you Keep your head up; We'll
make it.

I Love You, Granddaddy
