" My Country -- May She Ever Be Right, but, Right or Wrong, My Country ! "

DECATUR, ALABAMA

Friday.

Dear Harry:

I was deeply distressed by the news of the injury to Bob Henry.

It has not been my pleasure to know him ~~As~~ well as I have known his "pops" for whom I have always had the warmest affection, but my deepest sympathy goes out to all of you.

I trust that further information will reveal Bob Henry's injuries are not so serious as at first reported and that he will have a speedy recovery.

If there is anything we can do, please call.

Yours sincerely,

*Ben*
