

March 3rd/26

Memor:

I have mailed Mr
Richardson Check to pay
Mother's bill. The George
Wood check does not ap-
pear to be her (Mother's) check.

In regard to matters of-
ficial (personal or otherwise),
which in most general
terms did she leave that
had not been already given
to you? If she left any
promises, negs or other furnish-
ings, I do not want any

y that character of articles:
so you are welcome to all
y that, if the hot note
already given such things
to you. I would like, if

you agree, some of her books
and some of my other
personal effects she left
undisposed of. You might
let me know about this.
Did you let Mollie Mc.
Cullen have the next
piece (She loaned Walter)
about which I wrote you
or Horny some weeks ago?

Yours
Thos. Cullen
