Honorable R. H. Walker
Athens, Alabama

Dear Mr. Walker:

How are you feeling? Someone told me that, although your health was still improving, you would not be able to preside over the House during the first part of this extra session. Is that true? I suppose that I expected you to perform a miracle by getting well over night. Anyway, if you can't be here at the beginning of the session, you must take care of yourself so that you can come down later.

Are you hiring any clerks for the House of Representatives? As yet, I have had no reply to my letter regarding a clerkship during this extra session, and I am wondering whether or not you see fit to give me the place. At your earliest convenience, won't you relieve me of that suspense by saying "yes" or "no" to my application?

This is with my best wishes for your speedy recovery.

Sincerely,

Almeda Ingram Starkey
