Hon. R/H. Walker, Speaker,
House of Representatives,
State of Alabama,
Montgomery, Ala.

Dear Mr. Walker:-

It is my pleasure to advise you of a testimonial dinner held in Flomaton on last evening in honor of your secretary, Mr. Ed E. Reid, who is, as you know, publisher of our local newspaper. While Mr. Reid was the guest of honor, the banquet served to pay a tribute to you as Speaker of the House of Representatives.

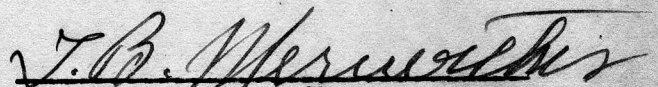

It was my pleasure to present you with a desk fountain pen set as a token of esteem and appreciation for your recognition of our town by the selection of our citizen as your secretary. We are also deeply grateful to you for the showing allowed our Mr. J.B. Goolsby member of the House from this county. Flomaton feels that by your assistance to these two men you have distinguished our town and county in no uncertain manner.

We shall always hold a warm feeling in our hearts for you and watch your work in the Legislature with a great deal of enthusiasm and interest. We want you to know that Flomaton welcomes you at any time to visit with us and allow us the opportunity to personally extend to you our felicitations and expressions of appreciation.

I presented the little gift to Mr. Reid to be handed to you. We also presented Mr. Reid with a token of appreciation for his work as a citizen and a booster of our little city.

Hoping to have the pleasure of meeting you in Montgomery soon, I am,

Respectfully yours,

T.B. Merriwether, Mayor
