

Supreme Court of Alabama  
Montgomery

May 21, 1921.

Hon. R. H. Walker,  
Athens, Alabama.

Dear Harry:

I enclose agreement, in triplicate, giving effect to our recent correspondence. If it is satisfactory, you and Memory and Mother should sign it and return one copy to me. If the agreement is not properly phrased, I will be glad to amend it so as to express our purpose. When the paper is signed, you can send me, by registered mail, the notes and securities representing the one-half of the fund being turned over by you. I think this is the wise provision for all-around; and you or Memory is authorized to advise Mother to agree to the arrangement.

With best wishes, I am

Yours very truly,

*W. B. Keenan*
