

Pickens S.C.

Jan. 13, 1925

Dear Harry,

I wrote you some  
time ago that I'd  
like for you to get  
my \$500 for me  
whenever it come  
due. If you can  
collect it or borrow  
it on collateral please  
get it for me at  
once as I have  
a chance to buy

a house cheap, with  
the \$500 and money  
I have saved teaching  
I'll be able to make  
a good payment on  
it and Harry La-  
can arrange the  
other payments very  
satisfactorily. It is  
impossible to rent  
a house here that  
is fit to live in.  
This house with  
a small amount

spent on it can be made  
into a lovely place.

Please let me hear from  
you as soon as possible  
and get the money for  
me if you possibly can.

We are having  
some muddy, rainy weather  
but so far it hasn't been  
very cold, a very mild  
winter indeed for Pickens.

Wish we could  
have all been in Athens  
Christmas, we spent a  
very quiet time here. We  
enjoyed the baby and her  
Christmas things of course.  
She was too small to  
notice last year.

In love sends

Love to all.

Love to Jimmy, Bob Henry  
and yourself. Sarah.
