

Five dollars had to
 let him have that
 so I was worried to
 death.

About the roof the
 Athens Lumber Co.
 patched. Miss Mann
 said it leaked as
 bad as ever so had
 to get the J.V. Construc
 tion Co to fix it over.
~~The~~ roof had leaked
 'till the Electric wire
 was worn in two &
 the Insurance Agent
 said it had to be

he fixed or he would
cancel the bus.

There is some moving
on it any way - I had
to give up my rent on
Sarah's Apt. for 4 months
to pay Ted as he paid
the taxes on the house.
I only got \$38. this
month from Miss
Mann because she
paid for the work on
the wires - the up-
stairs Apt. is not
rented before that I
had to pay her for the
work she had done.
I am really in quite

a financial crisis & last but by no means least can't see to read a letter or a newspaper or book.

I certainly can sympathize with Mary & Bob Henry I carried a terrible burden for a long time never knew what it was to get a real nights rest.

I choke you while you were sick & thought of you both day and night & I earnestly hope you are now on the road to recovery.

Will there be any
 money left after the
 taxes and other debts
 are paid. Business here
 is "bum" there are 10
 or 12 Auto places where
 they used to be 2 or three

I don't know that
 you can get head or
 tail of this letter
 I have heard that
 blind children before
 the Braille system
 was invented or begun
 developed into idiots
 I can readily believe
 it I feel like I have
 struck bottom good &

that she felt like was
a shame to put any
more responsibility on
him at his age.

As you know I am
no good as a letter writer
don't know whether
you can understand
this epistle.

Love to all.

Respectfully
Add.

P. S.

This letter from the
Ins. Co. was forwarded to
me from Athens. It was
the same Co. that burn-
ed the store & condemn-
ed - said the fire must

hard. It take weeks
to take the Cataracts
from one eye - & you
can't take an Anesthetic
because it weakens
the muscles of the eye but
you don't lose the sight
of both eyes at the
same time.

I am sending a letter
from the Irish Co.

I feel like you ought
not to be bothered with
all this hope it will
not be too much for
you. Sarah said when
she wrote to Bob Henry

10
be attended to.

It came from The Federal
Utilities & Farm Equip-
ment Co. Healey Bldg
Atlanta Ga.

There was \$13.58 in-
due. I had no money
so I didn't know
what to do about it.
Ada,
