

ROBERT JEMISON, JR.
BIRMINGHAM, ALA.

September 23, 1952

Dear Mrs. Walker:

Members of our family join me in sympathy to you and your family in your loss and sorrow. I always enjoyed my visits with Mr. Walker, and sorry our "paths have not crossed" oftener in recent years.

I recall his interesting references to association many years ago with my Uncle, the late William C. Jemison, of Tuscaloosa.

May God bless you and give you comfort in your bereavement.

Sincerely yours,

Robt. Jemison, Jr.

Mrs. R. H. Walker,
