## Obituary of Mrs. Fannie Mae Green

**F**annie Mae Holt Green was one of eleven children born to the late Rev. John Holt, Sr. and Emma Flannagan Holt of Athens, Alabama on November 25, 1921.

She accepted Christ at an early age and united with Little Ezekiel M. B. Church under the pastorate of Rev. Lenear.

On September 16, 2001, she united with New Life Baptist Church of Athens, Alabama under the pastorate of her grandson, Minister Antoyne L. Green where she served faithfully. She was a member of the Fellowship Choir until her health prevented her from participating. Fannie Mae or known to many as "Mother Green" and "Granny Green" was certain of her belief and salvation. She loved all members of her church family. She was a witness to her faith and didn't mind letting everyone know where she stood with the Lord.

On May 1, 1939, she united in marriage to John Friend Green who preceded her death. Born to this union were six children, Johnny, Rev. Joe E., George, Larry, Kathryn and Gloria, who preceded her death.

Fannie was a domestic caregiver for many years to the Stone family. She has been a surrogate mother to many, sharing advice and touching the hearts of many throughout her years. Her loving spirit will be cherished and missed by many throughout Limestone County, surrounding communities and Louisville, Kentucky.

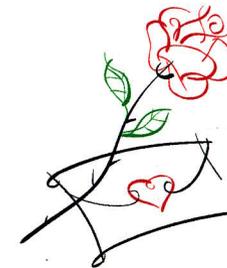

Her sweet memories will be cherished by **her devoted and loving children**, Rev. Joe E. (Nellie) Green of Louisville, KY, Johnny (Bobbie) Green, George (Deloris) Green, Larry (Masheldia) Green, Kathryn Cosby, **one son-in-law**, Frank Peoples, all of Athens, Alabama;

**nine grandchildren**, Vincent (LeKinnia) Cosby, Kemah (Jason) Gordon, Anthony Green, Antoyne (Felicia) Green, Sabrina (William) Hayes, Antonia (Brandon) Lucas, Ferlandus Peoples, Justin Turner, Andrea (Carl) Willis, one grandson, Joey Green, preceded her death;

**14 great-grandchildren;**  
**three sisters**, Omelia (James) Cosby, Catherine Johnson, and Pauline French, all of Louisville, Kentucky,

And a host of nieces, nephews and other loving relatives and friends.

Dear Granny Green,

I hope your doing all right in heaven. If you see my grandfather tell him I said hey there, and tell him I said I love you and you too Granny Green.

To my great grandparents
