*An angel came down from heaven and sat by your bedside.  
He told you stories from heaven just before your bedtime.  
He pushed the covers up to your neck and placed his hand lightly  
to your head,  
and while you laid there sleeping, this is what he said;  
Never feel lonely or scared because God is always with you  
and he is aware of your sickness and that he will never leave you.  
Heaven is a beautiful place with no worries whatsoever  
and I will take you there to live in harmony now and forever.*

*Your loving granddaughter,*
