Mr. R. H. Walker;

Dear Sir -

Your letter received today.
In regard to this business
matter between us. Sometime
ago I placed it in Mr.
Woodroff's hands and of course
I will not interfere -
However, I have written to
him and told him that
I would leave the matter in
his hands and will be satis-
fied with whatever he does.
I hope you are improving and
will soon be well
Respt (Mrs) M. M. Kittrell
