

June 27, 1935.

Mrs. Sophia W. Asberry,
Star Route 5,
Florence, Alabama.

Dear Mrs. Asberry:

I have your letter of June 20 and appreciate your situation.

I know of no law which will prevent your planting trees and erecting fences as you suggest in your letter.

Of course, any disorders can be suppressed by the proper Peace Officers.

Sincerely yours,

R. H. WALKER
