My dear Harry,

I am most delighted
to hear that you
will be able to get
the bus for me.
I must about the
six dollars for the
sleep and meals
twenty-five for
railroad fare from
a letter from Mr

~~MR~~ Sumner that
one of the girls
has received. Papa
sent the six dollars
to Mr Sumner
to night. I take
you granted from
your saying that
"we would have
peace &c" that
you have decided
to go. I am you.

You just must do it for
we have all planned a glorious
time together. I hope you did
not think it impudent on my
part asking you for the pass
after you had said it was
impossible to go but you do
not know how I had set my
heart on the trip. I cannot
thank you enough for the
glorious time you are going
to give me. Let me know
if you and Jen are going
In great haste

Truly
Yours
Barney
