HOUSE OF REPRESENTATIVES,
COMMITTEE ON PENSIONS,

WASHINGTON, D. C.

January 15, 1912.

Honorable R. H. Walker,
Athens, Alabama.

My dear Harry:

I have read the splendid editorial in the last print of your paper, in which you speak so kindly of me and my return to Congress. That editorial will be invaluable to me in Athens and Limestone County and the other counties of the District as well. I hope that you will use your personal influence with your patrons, and sound them when you have the opportunity, and do whatever you can for me throughout the county, in your own good way. I am very anxious to poll as large a vote in Limestone as I can, and I think I ought to get a good vote there. Limestone County has been very kind to me in that respect heretofore and I am counting on my friends there, for I may need that to make up in other quarters.

I would be glad to hear from you with any suggestions that you see proper to make to me about my campaign in Limestone County. I will necessarily have to depend upon my friends for the legislation of the present Session of Congress is so important to our party and the Presidential race, and I will have to remain here for that reason.

Many thanks to you for your kindness in helping me.

LET ME HEAR FROM YOU.

Sincerely your friend,

William Richardson
