Hon. Harry Walker

Montgomery, Alabama

Dear Mr. Walker,

I suppose you remember my
calling on you in Athens in regard
to getting a recommendation for
a job as Rodman with the
Surreys of the Highway Department.

As you remember I told you
I was a nephew of J. D. L. Byars
representative from Lawrence County.
and I would appreciate anything you all
could do for me.

I wish you would write me at
once and tell me how I should go
about putting in my application.
They claim that everybody is
hired from the Montgomery office.
This job isn't a set up or anything
of the kind they pay around \$60
a month.

I don't know whether a
recommendation from you all should

Come to the manager of the Decatur
office or where. As you see I don't know
hardly how to go about it, and I would
appreciate any advice or help you
could give me.

Expecting to hear from you
and thanking you in advance I
Close

respectfully yours,
Harold Focht

P.S.

Am enclosing envelope to answer.
