Dear Dad,

Am having a good time
up here, they dance every
night and I bowl and am
going swimming I think.

Just had two glasses of
red sulphur water, and oh
my! Saw Ben Fowler and
Dwaine Phillips here. They
have fires but don't think
it's all that cold.

(Note) We went to Lafatte
for supper and there was a
wild crowd from here then
to and they danced and sang
but a lady at the table
said to our man, "you've
eaten more desert," and he
said "why to sit by you
is ~~enough~~ enough desert for
me."

all married but they
carried on with other men
and women. I saw to who
were not married to each
other together a lot.
I'd better sign off.
