## HOUSE OF REPRESENTATIVES

MONTGOMERY

Cullman, Alabama  
March 3, 1937

Hon. R. H. Walker  
Athens, Alabama

My dear Sir:

I noted in yesterday's paper with a great deal of pleasure that you have so far recovered your health as to be able to get out of doors and walk around, and I am sure that it is a great pleasure to you to be out again after being kept in for so long a time.

I am breathing a sense of relief now that the legislative session has ended, and of course you and I cannot indulge in any felicitations over the outcome and can only take it as it is.

Almost daily one or more of your friends in the House asked me about you, and I am sure you received copy of the resolution referring to you which was adopted on the last day of the session.

I wish to assure you of my very best wishes for your early restoration to perfect health, and after I get my work in a little better shape I hope to get up to see you.

Always with best wishes, I am

Yours very truly,

Representative Cullman County
