~ Obituary ~

Terence Turneal Gilbert was born March 19, 1987 to Turneal Gilbert and the late Selina Kaye Gilbert. He departed his life July 11, 2010. Terence was joined in Holy Matrimony to Jessica Lee Myrick, and to that union one child was born, Kayden Jade Gilbert. His mother: Selina Kaye Gilbert, sister: Tiara Gilbert, and grandmother: Ida Gilbert, all preceded him in death.

Terence leaves to cherish his memory: his wife: Jessica Lee Myrick, father: Turneal Gilbert, one daughter: Kayden Jade Gilbert, one step-daughter: Alyssa Donna Rogers, one sister: Tarika (Zach) Gilbert, grandmother: Shirley Cowan, a host of aunts, uncles, cousins, relatives and other friends.

There are so many words I could use to describe Terence but nothing or no one can describe how we feel about him. He was a loving father to Kayden and Alyssa. Kayden was the biggest part of his life. She adored him, and no one will ever take his place in her little heart. She was definitely Daddy's Little Girl.

Terence was a great person to have around. If he was your friend he was most likely your BEST friend. He was honest and well respected. If you needed him he was there doing whatever he could to help you make things better. Terence was very funny. He loved to make people laugh, or at least see them smile. He was very outgoing and adventurous. I remember as kids we'd all get together and play in the back yard, but if Terence was there, he'd have us deep in the woods or a mile from home playing somewhere in the creek. Terence was a great brother. He loved his sisters! He wanted so much more for you Rika, but he just couldn't give it to you. He wants you to have Faith, Love, Strength & Happiness. Most importantly, he just wanted you to be yourself.

He was a good and respectful son. He thought alot of his mama and daddy. But while we're here mourning the loss of him, we should know Terence is in a better place reunited with his mom, Selina and Tiara, his sister and meeting his nephew for the first time. We love you Terence and will forever miss you.

Til we meet again...April Patterson
