Mr R. H. Walker

Atkins Co.

Dear Mr. Walker

Mr Wood came in & handed me the \$45.14 he was due you on interest & I'm enclosing you my check for same.

I've just read your letter of 11th inst & note what you have to say regarding the payment of either Mr Perry's mortgage or yours. I'm under the impression that Mr Mayer wishes to postpone payment on acct of his two associates who are not in position just at this time to pay their part, possibly as money is so tight with every body here.

Thanking you again for past favors & with regards I am

Yours truly
U. G. Staton
