A Million Times

A million times we've needed you,
A million times we've cried,
If love could have saved you,
You never would have died.
If tears could build a staircase
and heartaches pave a lane,
We would walk the path to Heaven
and bring you home again.
It's been just a few days since you went away,
We miss you and love you each and every day.
We love you always Harvell.
