April 5 1933.

Judge James E. Horton.

Honorable Sir

as I saw your name in  
the paper of this City  
relative to the Scotsboro  
Case I wonder if you are  
the son of former Judge Horton  
of Athens Ala. I'm very  
much interested in this  
Case and if you are the  
Judge Horton I have in  
mind I feel that Justice

will have full sway  
now maybe my indenture  
will interest you. I'm the  
daughter of Harriet Thatch  
who was a servant in  
your family for many  
years ago. So if you are  
the son of said Judge Horton  
I'm sure you recognize the  
name. I often think of  
the family so much  
like very much to hear  
from your mother she  
knows me well I was the  
baby when my mother work  
for the family

also I commend you  
on your stand for justice  
because your father was  
a wonderful man.

Hoping to hear from  
you at your convenience

I'm respectfully  
Carrie Thatch,
