Hon. Aubrey Dominick,

Dear Aubrey:

I genuinely appreciated your very kind letter of the 18th. You were more than partial in your expressions and I certainly shall not soon forget them.

It was a real pleasure to have served with you and to have known you intimately. I am sure I made no mistake in any special honor shown you. I regret that I could not do more; you were entitled to much consideration.

I am very much interested in the measure you have to introduce at the special session relative to "loan sharks." I knew you had the bill, but think it was wise to leave it off until the special session. I want to discuss the matter with you when we meet in January.

With kindest personal regards and assurances of my appreciation of your fine letter of the 18th, I remain

Sincerely yours,
