Mr. R. H. Walker

Dear Harry:

I have put off paying the Western Union as long as I can, and the amount each of us is due to pay is \$18.67. If you will let me have your check for the above amount and return the enclosed papers so I can send them to Tom Wert I will appreciate it.

If you will send me bill for what I owe you I will take pleasure in sending you my check. I have heard good things about you in the district. It seems that you are giving the honorable C. quite a lot of trouble.

Adding kindest regards and all good wishes, I am,

Sincerely yours,
