Dear Harry:-

Have been intending
to write you, seems a hard thing
to settle long enough to get my
note together. I lead such a busy
life, as we are short on staff,
and there has been so much
going on we are taxed to the limit.
However it is better. I do sincerely
hope you are improving, and will
get your strength back. Mary
tells me you have never cashed
that check I sent you, I want
you to spend it for something you
really want for yourself, and
would not otherwise get, and
do it - right away, may help you
to enjoy something that you feel
you need, & would not get.
Tell Mary will answer her

most-enjoyable letter read soon-
I enjoyed the article so very
much you wrote in ^{Edward} Windsor &
Wm. Simpson so much, took it-
over for Wm. Parker & his sister to
read, Wm. Parker thought it- so
very well written, & her own sister,
she asked you to send her a
copy of the paper, think she has
a scrap book, and if you have
two extra send me one, will ap-
preciate it very much, they are
your most ardent admirers, so
I know she will appreciate the
kindness very much.

Was with Mom & Wannie for dinner
two weeks ago, enjoyed it- thoroughly,
wish you could have been with-
us. ^(P. 11. D) They are giving away \$1500.00
next week, & did tonight, I go reg-
ularly, no luck, gave a \$1000.00
three nights last week.

Be sure to cash that check.
Love to Wm. & Bob & you -
H. H. Pen-
