### Beloved Brother

We did not know that morning that God would call you home  
In life we loved you dearly, in death we'll do the same  
It breaks our hearts to lose you, but you do not go alone  
For part of us goes with you, now that He has called you home  
You've left us beautiful memories; your love has been our guide  
And though we may not see you there, you're forever by our sides  
The family chains are broken again and nothing seems the same  
But as He calls one by one, the chain will link together again.

We Love You; We Miss You; We'll See You Again  
Your Sisters and Brothers
