Dear Dad -

I sure do miss you and
think you ought to come home I
knocked to home in 'gore'
I hope we have not been sleeping
and mother got along fine
with the papers as you said

I would give \$10.00 for a kiss
from you. Mr. Coffinon and
Miss Jones married I s. I know
them is the Glasgow Co.

Give my love to the brother
and sister. A million kisses from
yours - Buddy -
