Clondale,

Montgomery,

Ala.

Dear Grand mother:-

This is just a little  
remembrance I brought you from  
Europe. It is very simple and  
came from Interlaken, Switzerland.  
I got home Saturday  
and was installed in the  
lovely new house. I'm  
crazy about it and it  
seems so good to be home.

The weather is very  
hot now, so much worse  
than any we had this  
summer that I feel it  
a good deal and will be  
very glad when it turns  
cooler. This is just a  
little note so I will  
write you again soon.

With love to all and  
especially yourself.

Ruth
