Mr. A. L. Attwood,
Stevenson, Alabama.

Dear Mr. Attwood:

I am in receipt of your letter of January 26th.

I recall our meeting some years ago and wish to assure you that I am very much interested in the two subjects you mentioned in your letter: namely, the completion of the Lee Highway at Stevenson to the Dixie Highway at Sewanee, Tennessee; also the passage of the Stock Bill to which you referred. I will talk to Mr. Kirby and see what can be done about these matters.

Sincerely yours,

R. H. Walker.
