MOTHER

You gave me life; you loved me each day
You protected me from danger; you guided me on my way.
You cared for me as I grew; you taught me right from wrong.
You knew what was best for me; you kept me till I was strong.
I didn't know to be grateful; I thought I knew best.
I gave you heartaches, tears and sleepless nights.
Today, as time has passed, I've become older - wiser too.
The lessons I learned were hard; But, of course, they were overdue.
I'm sorry for all the pain; for all the unhappy times gone by.
For all the worry I caused; for when I made you cry.
In the days that we had together; I'm glad that we shared
companionship and joy, happiness and loving care.
As my life continues onward; I wish to pause and say,
I thank you, My Dear Mother, for all I am today.
