DECATUR, ALA. July 27th, 1920.

Mr. R. H. Walker,
Denver, Col.

Dear Sir:-

Your favor of the 21st instant duly received. We note price and amount of commission on the Dr. Woodward land at Harris, Ala., and will show it to some parties and try to find buyer.

In regard to the Brock and Spight building, will say that your offer of \$1,000.00 commission is satisfactory to me, and I will get busy and try to sell it for you. Will say however, that if we are successful in finding a buyer, and you should see proper to accept an offer of some less than \$30,000.00 for the property, we would expect you to protect us in our commission.

Hoping to have something definite to write you at an early date, I am

Very truly yours,

T. L. Baker
