MINUTES, LIMESTONE COUNTY COMMISSION, DECEMBER 6, 1976

LOAN RESOLUTION

A RESOLUTION OF THE Limestone County Commission, Governing Body of Limestone County, Alabama AUTHORIZING AND PROVIDING FOR THE INCURRENCE OF INDEBTEDNESS FOR THE PURPOSE OF PROVIDING A PORTION OF THE COST OF ACQUIRING, CONSTRUCTING, ENLARGING, IMPROVING, AND/OR EXTENDING ITS WATER FACILITY TO SERVE AN AREA LAWFULLY WITHIN ITS JURISDICTION TO SERVE.

WHEREAS, it is necessary for Limestone County, Alabama (herein after called association) to raise a portion of the cost of such undertaking by issuance of its bonds in the principal amount of One Million, One Hundred Eighteen Thousand Six Hundred (\$1,118,600.00) Dollars pursuant to the provisions of Title 37, Section 312 of the 1958 Code of Alabama as amended.

WHEREAS, the association intends to obtain assistance from the Farmers Home Administration, United States Department of Agriculture (herein called the Government) acting under the provisions of the Consolidated Farm and Rural Development Act (7 U.S.C. 1921 et seq.) in the planning, financing, and supervision of such undertaking and to purchasing of bonds lawfully issued, in the event that no other acceptable purchaser for such bonds is found by the association:

NOW THEREFORE, in consideration of the premises the association hereby resolves:

1. To have prepared on its behalf and to adopt an ordinance or resolution for the issuance of its bonds and containing such items and in such forms as are required by STATE statutes and as are agreeable and acceptable to the Government.
2. To refinance the unpaid balance, in whole or in part, of its bonds upon the request of the Government if at any time it shall appear to the Government that the association is able to refinance its bonds by obtaining a loan for such purposes from responsible cooperative or private sources at reasonable rates and terms for loans for similar purposes and periods of time as required by section 333(c) of said Consolidated Farm and Rural Development Act (7 U.S.C. 1983(c)).
3. To provide for, execute, and comply with Form FmHA 400-4, "Nondiscrimination Agreement"; and Form FmHA 400-1, "Equal Opportunity Agreement", including an "Equal Opportunity Clause", which clause is to be incorporated in, or attached as a rider to, each construction contract and subcontract involving in excess of \$10,000.
4. To indemnify the Government for any payments made or losses suffered by the Government on behalf of the association. Such indemnification shall be payable from the same source of funds pledged to pay the bonds or any other legally permissible source.
5. That upon default in the payments of any principal and accrued interest on the bonds or in the performance of any covenant or agreement contained herein or in the instruments incident to making or insuring the loan, the Government, at its option may (a) declare the entire principal amount then outstanding and accrued interest immediately due and payable, (b) for the account of the association (payable from the source of funds pledged to pay the bonds or any other legally permissible source) incur and pay reasonable expenses for repair, maintenance, and operation of the facility and such other reasonable expenses as may be necessary to cure the cause of default, and/or (c) take possession of the facility, repair, maintain, and operate or rent it. Default under the provisions of this Resolution or any instrument incident to the making or insuring of the loan may be construed by the Government to constitute default under any other instrument held by the Government and executed or assumed by the association, and default under any such instrument may be construed by the Government to constitute default hereunder.
6. Not to sell, transfer, lease, or otherwise encumber the facility or any portion thereof, or interest therein, not permit others to do so, without the prior written consent of the Government.
7. Not to borrow any money from any source, enter into any contract or agreement, or incur any other liabilities in connection with making enlargements, improvements or extensions to, or for any other purpose in connection with the facility (exclusive of normal maintenance) without the prior written consent of the Government if such undertaking would involve the source of funds pledged to pay the bonds.
8. To place the proceeds of the bonds on deposit in an account, in a bank, and in a manner approved by the Government.
9. To comply with all applicable State and Federal laws and regulations and to continually operate and maintain the facility in good condition.
10. To provide for the receipt of adequate revenues to meet the requirements of debt service, operation and maintenance, and the establishment of adequate reserves. No free service or use of the facility will be permitted.
11. To acquire and maintain such insurance coverage including fidelity bonds as may be required by the Government.
12. To establish and maintain such books and records relating to the operation of the facility and its financial affairs and to provide for required audit thereof in such a manner as may be required by the Government, to provide the Government without its request, a copy of each such audit, and to make and forward to the Government such additional information and reports as it may from time to time require.

MINUTES, LIMESTONE COUNTY COMMISSION, DECEMBER 6, 1976

13. To provide the Government at all reasonable times access to all books and records relating to the facility and access to the property of the system so that the Government may ascertain that the association is complying with the provisions hereof and of the instruments incident to the making or insuring of the loan.

14. To serve any applicant within the service area who desires service and can be feasibly and legally served, and to obtain the concurrence of the Farmers Home Administration prior to refusing service to such applicant. Upon the failure to provide such service which is feasible and legal such applicant shall have a direct right of action against the association under this agreement.

The provisions hereof and the provisions of all instruments incident to the making or the insuring of the loan, unless otherwise specifically provided by the terms of such instruments, shall be binding upon the association as long as the bonds are held or insured by the Government. The provisions of sections 6 through 13 hereof may be provided for in more specific detail in the bond resolution or ordinance; to the extent that the provisions contained in such bond resolution or ordinance should be found to be inconsistent with the provisions hereof, these provisions shall be construed as controlling as between the association and the Government.

The vote was: Yeas 5; Nays 0; Absent 0.

IN WITNESS WHEREOF, the Limestone County Commission of Limestone County, Alabama has duly adopted this Resolution and caused it to be executed by the officers below in duplicate on this 6th day of December, 1976.

MOTION was made by Elam B. Hamilton and seconded by Dave E. Davis to adopt the following Citizens Participation Plan for Community Development Block Grant. All members voted for motion.

CITIZEN PARTICIPATION PLANLIMESTONE COUNTY, ALABAMA

1976

To satisfy Vol. 40, No. 11, Part V, CFR

Introduction

The Citizen Participation Plan developed by Limestone County will afford the citizens the opportunity to:

- a) Be able to assist in the initiation of community development proposals and an opportunity to react to proposals formulated by the local government;
- b) Have access to the decision-making process, from the time of preliminary discussions of local community development priorities to the final selection of projects intended to be implemented. This access is not to be construed as removing the authority of the government from determination of final selection of the project;
- c) Information provided in a timely fashion to citizens in advance of community development decision-making so that the citizenry may be able to articulate their views as per local community development decisionmaking activities in an adequate manner.

1. The Planning Process

i) The public shall be informed via public notices in the newspapers of regular local circulation the availability of federal funds for community development activities, including the amount of funds, and that two public hearings at the public meeting room of the applicant shall be held on the aforesaid subjects as well as pertinent program requirements (equal opportunity, environmental, housing assistance, etc.). To augment newspaper notices, radio and/or television announcements will be utilized if available for use on a timely basis. In order to provide adequate and timely information on the aforementioned subjects to low and moderate income citizens, especially those in proposed CDBG Target Areas, hearings will be held in these areas in addition to the federally required minimum of two (2) hearings mentioned above.

(ii) and (iii)

The two (2) public hearings mentioned above and the optional CDBG Target Area hearing or hearings will be held, after newspaper notices and other means of notification, before the submission of the pre-application for federal funds. Upon notification by HUD of the approval of the preapplication, the aforementioned process will be repeated before submission of the application and HAP to HUD..

iv) Upon notification of funding approval, public meetings will be scheduled, as needed, in the project area regarding relocation needs (if such be planned, or, in fact, carried out), and environmental requirements if an EIS is required under CFR Section 58. All citizens will be advised that equal opportunity requirements are enforced relative to the CDBG Program and HAP activities.

MINUTES, LIMESTONE COUNTY COMMISSION, DECEMBER 6, 1976

v) Before any amendments or reallocation of funds are made in the CDBG Program, the process mentioned in (ii) and (iii) will be reinstituted to apprise the public of the reasons for such action and to allow the public the opportunity to comment thereon.

2. In addition to the above procedure for affording citizens of an opportunity to participate in the CDBG Program process, the local government has appointed two CDBG Program officers to provide information, on request, to citizens during normal office working hours, Monday through Friday. The Grantee Performance Report is submitted with proper, required evidence of participation, and is available for public inspection and discussion by the CDBG Program officers. Public notice of the abovementioned report has been made in a local newspaper of general, regular circulation, and is available for examination by the public, and is also available in reproduced copies, at no charge, to the public. Records of meetings are reflected in the above report.

Chairman, Limestone County Commission
Chief Executive Officer, Recipient Government

ATTEST:

/s/ Bonnie J. Strain
County Clerk

date: 12-6-76

MR. CHRISTOPHER asked Commissioner Elam B. Hamilton if he will accept a road in the Blue Springs Sub-division, approximately 1- $\frac{1}{2}$ miles, 40 feet wide, owned by Carl H. Jones and Margaret L. Jones. Elam B. Hamilton stated he will not accept it until Limestone County Sub-Division Regulations are met.

MOTION was made by Dave E. Davis and seconded by Elam B. Hamilton to allow Grady Holland to purchase the tool shed on his property for the sum of \$10.00. All members voted for motion.

MOTION was made by Grady Holland and seconded by Terry Bottom to adjourn at 11:20 a.m. All members voted for motion.

BILLING AND SERVICE CONTRACT
BETWEEN
CENTRAL SERVICE ASSOCIATION
and
Limestone County Water Department

This contract made and entered into by and between Central Service Association, a non-profit Mississippi Corporation, hereinafter called "ASSOCIATION" and Limestone County Water Department, a municipal corporation, department of a municipal corporation, a corporation or a cooperative, under the laws of Alabama, hereinafter called "CONTRACTOR."

WITNESSETH:

CONTRACTOR agrees to purchase from ASSOCIATION and ASSOCIATION agrees to furnish to CONTRACTOR all customer billing and customer file services and all other such related service as may be required or used in the operation of CONTRACTOR'S utility distribution system or systems. This contract, however, is subject to the following terms and conditions, to wit:

1. TERM: This contract is for a term of one year from the date of its execution and, without any further action on the part of the parties hereto, it shall renew and extend itself successively for an additional one year period beyond the initial one year term and beyond any one year extension of said initial term unless one of the parties shall notify the other in writing of its termination not less than ninety days prior to the anniversary hereof upon which said termination is to become effective. In the event such notice of termination is so given then this contract shall terminate upon the anniversary so specified.

2. RATES AND CHARGES: It is mutually agreed and understood that all rates and charges shall be based upon actual cost to ASSOCIATION in providing CONTRACTOR the services required and that the schedule of rates and charges included in this contract may be revised from time to time by ASSOCIATION. If it becomes necessary to increase said rates and charges CONTRACTOR may immediately terminate this contract at its option.

a) ELECTRIC, GAS AND WATER BILLING: Base rate for single charge billing services according to standard rate schedules, including cost of bills and register sheets shall be 10.75 cents per line of metered billing. Unmetered computed billing shall be 5.15 cents per line and unmetered flat rate billing shall be 3.80 cents per line Minimum Bill 1/500 ACCTS. \$72.00 MO. MINIMUM BILL 501/999 ACCTS. \$105.00 MO.

b) STATISTICAL REPORT: No charge will be made to CONTRACTOR for compilation by ASSOCIATION of the present form of statistical report which is required by the Tennessee Valley Authority.

c) RATES IN METER BOOKS: Rates will be placed in meter recording books at the request of CONTRACTOR at an additional charge of 6.6 mills per account.

d) DUPLICATE REGISTER SHEETS: Duplicate register sheets or strip sheets will be provided at the request of CONTRACTOR at an additional charge of ELEVEN mills per customer.

e) CUSTOMER FILE SERVICES: A charge of TEN cents will be made for preparing or changing a customer name or address file.

f) OTHER SERVICES: Special type billing or services other than those above listed will be provided CONTRACTOR by ASSOCIATION at rates and charges based upon actual cost, to be separately agreed upon.

3. PAYMENT FOR SERVICES: CONTRACTOR will pay for services rendered within 30 days after being invoiced by ASSOCIATION.

4. STOCK: CONTRACTOR agrees to purchase concurrently with the execution of this contract one share of stock in ASSOCIATION at its par value of one dollar (\$1.00) which said value it is agreed is nominal. Said share of stock will entitle CONTRACTOR to at least one vote in all stockholders' meetings and will be surrendered by CONTRACTOR when it ceases to use the services of ASSOCIATION. No dividends may be paid on said stock.

5. AMORTIZATION: CONTRACTOR shall be required by ASSOCIATION to deposit with ASSOCIATION as a capital contribution a sum equal to 30 cents per customer billed by

ASSOCIATION for CONTRACTOR, to provide funds with which ASSOCIATION may purchase machines or equipment or reduce indebtedness incurred in the purchase of machines or equipment. Said deposit shall be payable in installments by CONTRACTOR at the rate of 5 mills per month per account billed in such month, and excess collections owed by ASSOCIATION to CONTRACTOR under the provisions of Paragraph 6 hereof may be credited to CONTRACTOR'S account for such deposit. Said deposit will be carried as a liability on the books of ASSOCIATION to CONTRACTOR in CONTRACTOR'S amortization account and shall not bear interest. Upon termination of this contract a certificate will be given by ASSOCIATION to withdrawing CONTRACTOR showing the amount standing to the credit of CONTRACTOR. Such amount (without interest) shall be repaid to CONTRACTOR at such times and in such amounts as the financial condition of ASSOCIATION permits, except that ASSOCIATION shall not be required to repay such amount at a greater rate or in greater amounts than the rate and amounts by which such deposit was created by payments from CONTRACTOR to ASSOCIATION. In the event that CONTRACTOR'S amortization account shall exceed thirty cents per customer billed, the excess over thirty cents shall be refunded to CONTRACTOR upon its written request.

6. EXCESS COLLECTIONS: Actual cost of furnishing the services contemplated by this contract during any fiscal year of ASSOCIATION will be determined by ASSOCIATION upon the basis of the entire volume of service furnished by it during such fiscal year. Collections in excess of actual cost shall be credited to CONTRACTOR, and such excess shall be carried on the books of ASSOCIATION as a liability to CONTRACTOR until paid to CONTRACTOR or applied to CONTRACTOR'S amortization account. Such excess shall be determined upon the basis of the ratio of amounts billed to CONTRACTOR for services furnished during the fiscal year of ASSOCIATION to total amounts billed to all contractors for services furnished during such fiscal year. In the absence of a resolution by the Board of Directors of ASSOCIATION directing the payment of such liability for excess collections to CONTRACTOR, the amount of such liability shall be credited to CONTRACTOR'S amortization account until such account reaches the maximum amount provided by Paragraph 5 hereof and any additional amounts shall be carried on the books of ASSOCIATION as a liability to CONTRACTOR until paid under an appropriate resolution of the Board of Directors with the excess collections represented by such amounts available for use by ASSOCIATION to purchase machines or equipment, to reduce indebtedness, to provide working capital, and to maintain necessary reserves.

CONTRACTOR shall be advised in writing after the close of each fiscal year of ASSOCIATION of the amount of excess collections from CONTRACTOR, the portion if any, of such excess collections to be repaid in cash and the accounts of CONTRACTOR to which excess collections not paid in cash have been credited. Upon termination of this contract a certificate will be given by ASSOCIATION to withdrawing CONTRACTOR showing the amount of excess collections standing to the credit of CONTRACTOR (other than amounts included in CONTRACTOR'S amortization account provided by Paragraph 5 hereof). Such amount shall bear no interest and shall be paid to CONTRACTOR at such times and in such amounts as the financial condition of ASSOCIATION permits, as determined by the Board of Directors, but in no event more than five years after termination of this contract.

Commissioner Charles R. Christopher introduced the following resolution and order in writing:

BE IT RESOLVED and ORDERED by the LIMESTONE COUNTY COMMISSION (herein called "the Commission") as follows:

Section 1. The Commission, which is the governing body of Limestone County, Alabama (herein called "the County"), has ascertained and found and does hereby declare that there is not water works system furnishing water service to the public in the so-called "North Limestone County" area of the County; that it is necessary and desirable and in the public interest for the County to acquire and construct a water works system in the said "North Limestone County" area of the County; that the total cost of acquiring and constructing the said water works system (which is herein called "the North Limestone Water System") will be not less than \$1,438,600; that the Authority expects to receive, for the purpose of paying a portion of the said total cost of acquiring and constructing the North Limestone Water System, a grant from Farmers Home Administration in the amount of \$320,000; that in order to finance the balance of the costs of acquiring and constructing the North Limestone Water System, it will be necessary for the County to borrow the sum of \$1,118,600 and in evidence thereof to

MINUTES, LIMESTONE COUNTY COMMISSION, DECEMBER 20, 1976

issue \$1,118,600 principal amount of Water Revenue Bonds (herein called "the Bonds"), payable serially in installments over a period of years, solely out of revenues to be derived from the operation of the North Limestone Water System; that the County is not now, and will not be for some months, in a position to proceed with the issuance and sale of the Bonds; that the County does not now have, and will not have prior to the completion of said acquisition and construction, funds sufficient to pay all the costs thereof; and that to provide for payment of said costs, it will be necessary for the County to borrow the principal sum of not exceeding \$1,118,600 temporarily, in anticipation of the sale of the Bonds, and in evidence of such borrowing to issue the Water Revenue Bond Anticipation Notes hereinafter authorized.

Section 2. Pursuant to the applicable provisions of Act No. 96 enacted at the 1963 Second Special Session of the Legislature of Alabama, as amended, and for the purpose of paying a portion of the costs to be incurred in acquiring and constructing the North Limestone Water System, the County is hereby authorized to borrow from Central Bank of Alabama, N. A., a national banking association having its principal office in the City of Decatur, Alabama (herein sometimes called "the Bank"), the aggregate principal amount of not exceeding \$1,118,600 and, in evidence of the money so borrowed, is authorized to issue and deliver to the Bank, at any time and from time to time, one or more Water Revenue Bond Anticipation Notes (herein called "the Notes"), totaling \$1,118,600 in the aggregate. Each such Note shall be in the principal amount of the respective loan which it evidences, shall be dated on the date of its issuance (which shall be the date on which the loan evidenced thereby is made), shall be payable to the Bank or order, shall mature and come due on March 1, 1978, shall bear interest from its date until its maturity at the rate of 5.91% per annum, payable at the maturity thereof, and shall be payable (as to both principal and interest) at the branch office of the Bank that is located in the City of Athens, Alabama. The Notes shall be numbered from 1 up, in the order in which issued. The principal of and the interest on the Notes shall bear interest after the respective due dates of such principal and interest until paid at the rate of 8% per annum.

Section 3. The County reserves and shall have the privilege of prepaying all or any part of the principal of each of the Notes at any time and from time to time, without penalty or premium and without any prior notice, provided that at the time of each such prepayment, the County pays the interest which shall have accrued, to the date of such prepayment, on the principal to be so prepaid with respect to such Note.

Section 4. Each of the Notes shall be executed on behalf of the County by the Chairman of the Commission and by one other member of the Commission. Said officers are hereby authorized and directed so to execute the Notes, all in accordance with the provisions of this section and Section 8 hereof.

Section 5. The principal of and the interest on the Notes shall be payable solely out of revenues derived from the operation of the North Limestone Water System as it may at any time and from time to time exist. Neither the Notes nor any of the agreements herein contained shall constitute an indebtedness of the County within the meaning of any state constitutional or statutory provision or limitation, and the general faith and credit of the County are not pledged for payment of the Notes, which shall not be general obligations of the County. Neither this resolution nor any of the Notes issued hereunder shall be deemed to impose upon the County any obligation to pay the principal of or the interest on the Notes, or any other sum, except with revenues derived from the operation of the North Limestone Water System. None of the agreements, representations or warranties made or implied in this resolution, or in the issuance of the Notes, shall ever impose any personal or pecuniary liability or charge upon the County, whether before or after any breach by the County of any such agreement, representation or warranty, except with respect to the revenues derived from the operation of the North Limestone Water System. Nothing contained in this section shall, however, relieve the County from the performance of the several agreements and representations on its part herein contained so long as such performance does not impose a personal, pecuniary or general liability or charge upon the County.

Section 6. The revenues derived from the operation of the North Limestone Water System are hereby irrevocably pledged for payment of the principal of and the interest on the Notes, pro rata and without preference or priority of one Note over another. The County represents that the pledge and agreements made herein constitute the only outstanding pledge and agreement made by it with respect to the revenues derived from the operation of the North Limestone Water System, and it agrees that it will not issue any bonds, warrants, notes or other securities (except for the Notes) for which the revenues from the North Limestone Water System or any part thereof are pledged without recognizing the priority of the pledge hereinabove made for the benefit of the Notes. In order to safeguard the pledge and agreements on the part of the County herein contained, the County does hereby declare that it is the intention hereof that the revenues from the North Limestone Water System shall be and the same hereby are severed from the physical properties comprising the North Limestone Water System to such extent as shall be necessary to fulfill and preserve inviolate the pledge and agreements on the part of the County herein contained.

Section 7. Each such Note shall be in substantially the following form, with appropriate insertions, omissions and other changes to comply with the provisions hereof and to reflect the appropriate date, number and principal amount:

MINUTES, LIMESTONE COUNTY COMMISSION, DECEMBER 20, 1976

WATER REVENUE BOND ANTICIPATION NOTE
(NORTH LIMESTONE WATER SYSTEM)

On the 1st day of March, 1978, for value received, LIMESTONE COUNTY, ALABAMA (herein called "the County"), will pay to Central Bank of Alabama, N.A., or order, solely out of the revenues hereinafter referred to, the sum of

D O L L A R S

with interest thereon from the date hereof until the maturity hereof at the rate of 5.91 % per annum, payable at the maturity hereof. Both the principal hereof and the interest hereon are payable in lawful money of the United States of America at the branch office of said Central Bank of Alabama, N.A. that is located in the City of Athens, Alabama, and both said principal and interest shall bear interest after their respective due dates until paid at the rate of 8% per annum. The County reserves the privilege of prepaying all or any part of the principal of this note at any time or from time to time without premium or penalty and without any prior notice, provided that at the time of each such prepayment the County pays the interest which shall have accrued, to the date of such prepayment, on the principal to be so prepaid with respect to this note.

This note is one of a series of notes authorized to be issued in the aggregate principal amount of not exceeding \$1,118,600 (herein called "the Notes"). The principal of and the interest on the Notes are payable solely out of revenues of the County derived from that certain water works system of the County that is to be located in the so-called North Limestone County area of the County, as said system may at any time exist (said system, as presently or hereinafter constituted, being herein called "the North Limestone Water System") and are secured, pro rata and without priority of one note over another, by a valid pledge of the said revenues out of which they are payable.

The Notes are authorized to be issued for the purpose of providing funds with which to pay the costs to be incurred in acquiring and constructing the North Limestone Water System. The covenants and representations herein contained or contained in the proceedings authorizing the Notes do not and shall never constitute a personal or pecuniary liability or charge against the general credit of the County, and in the event of breach of any such covenant or representation no personal or pecuniary liability or charge payable directly or indirectly from the general revenues of the County shall arise therefrom. No holder of any of the Notes shall ever have the right to compel the exercise of the taxing power of the County for payment of the principal of or the interest on the Notes, and this note does not constitute a debt of the County within any state constitutional provision or statutory limitation.

It is hereby certified that all conditions, actions and things required by the constitution and laws of Alabama to exist, be performed or happen precedent to or in the issuance of this note exist, have been performed and have happened in due and legal form.

IN WITNESS WHEREOF, the County has caused this note to be executed in its name and behalf by the Chairman of the Limestone County Commission (which is the governing body of the County) and by one other member of said County Commission, both of said officers being hereunto duly authorized, and has caused this note to be dated

Commission

Section 8. The Chairman of the Commission is hereby authorized to effect the borrowing authorized in this resolution and order, at any time and from time to time, in such amounts as he in his sole discretion deems advisable, for the purpose for which such borrowing is herein authorized and, at the time of each such borrowing, to deliver to the Bank a Note in the principal amount of such loan, when such Note is executed as herein specified; provided however, that the total amount of money borrowed and the total principal amount of Notes issued hereunder shall not exceed \$1,118,600. The proceeds derived from each loan evidenced by a Note shall be used solely for the purpose for which said money was borrowed and the Notes authorized to be issued. The County will promptly proceed with, and will complete as soon as practicable, the acquisition and construction of the North Limestone Water System and will proceed with the issuance of the Bonds (in anticipation of the issuance and sale of which the Notes are being issued) as promptly as practicable.

Section 9. The County shall establish and maintain a special account at the Bank, into which the entire proceeds derived from each loan evidenced by any of the Notes shall be deposited. All funds on deposit in said special account shall be applied solely for payment of the costs of acquiring and constructing the North Limestone Water System and shall be disbursed from said account on checks, vouchers or drafts signed in the name of the County by its Treasurer; provided, that before the said Treasurer disburses any such moneys, the bill or estimate to be so paid thereby shall have been approved in writing by the County Supervisor of Farmers Home Administration for Limestone County, Alabama.

MINUTES, LIMESTONE COUNTY COMMISSION, DECEMBER 20, 1976

Section 10. On October 25, 1976, the Commission adopted a resolution and order which authorized the borrowing of the sum of \$903,600 by the County for the purpose of paying a portion of the costs of acquiring and constructing the North Limestone Water System. No part of the borrowing authorized by said resolution and order has been made, and no notes or other evidences of indebtedness of the County have been issued thereunder. In the opinion of the Commission, it is in the best interest of the County and its inhabitants that said resolution and order (with the exception of Section 10 thereof, which provides for the repeal of a resolution and order adopted by the Commission on February 16, 1976) be repealed. Said resolution and order is, therefore, hereby repealed and revoked in all respects, except that Section 10 of said resolution and order shall remain in full force and effect.

ADOPTED and APPROVED this 20th day of December, 1976.

MINUTES, LIMESTONE COUNTY COMMISSION, JANUARY 3, 1977

The Limestone County Commission met in a regular session on Monday, January 3, 1977, at the Limestone County Courthouse Annex, South Jefferson Street, Athens, Alabama. Present were members, Grady Holland, Elam B. Hamilton, Dave E. Davis and Terry Bottom. Mark Barnes, Commissioner-Elect for District II was also present. Absent: None. Charles R. Christopher, Chairman presided. The minutes from the preceding meeting were read and approved.

MOTION was made by Dave E. Davis and seconded by Elam B. Hamilton to apply for 95% LEPA Training Grant for Circuit Judge's secretary, Sherry Lambert, in the amount of \$2250.00. All members voted for motion.

MR. CHRISTOPHER read a letter from the Association of County Commissions outlining a safety program that can be worked out by Auburn University under a federal grant through the National Science Foundation. He advised the Commissioners they should consider gradually adopting a safety program for county employees.

THE CHAIRMAN read a letter from J. E. Mitchell, Director of the Jet Port requesting assistance in upgrading County Line Road and Intersections in order to take care of additional traffic created by the new Westclox Plant. The amount of money involved in this total project is \$187,000.00. Limestone County's share will be approximately \$11,000.00 in addition to use of machinery and labor. MOTION was made by Grady Holland and seconded by Dave E. Davis to cooperate with Madison County and the City of Huntsville to go ahead with this project. All members voted for motion.

MR. CHRISTOPHER advised the Commission the water department must have some additional equipment. The new water systems will require another pick-up truck and a trenching machine.

MOTION was made by Elam B. Hamilton and seconded by Terry Bottom to authorize the Chairman to sign a contract with Robert Pittman for solid waste pickup. All members voted for motion.

THE CHAIRMAN recognized the exceptional work that Grady Holland has done for District II and for Limestone County during the 20 years he has served as a member of the Limestone County Commission.

MINUTES, LIMESTONE COUNTY COMMISSION, JANUARY 17, 1977

The Limestone County Commission met in a regular session on Monday, January 24, 1977 at the Limestone County Courthouse Annex, South Jefferson Street, Athens, Alabama. Present were members, Elam B. Hamilton, Dave E. Davis, Terry Bottom, and Mark Barnes. Absent: None. Charles R. Christopher, Chairman presided. The minutes from the preceding meeting were read and approved.

THE CHAIRMAN welcomed Mark Barnes as Commissioner of District II and stated the Commission looks forward to working with him.

MR. OSCAR LAMBE of the State Department of Pensions and Security Child Support Unit and Mrs. Betty Evans appeared before the Commission. Mr. Lambe distributed and Agreement for consideration of the Commission to make the D. A. our legal Attorney in child support cases to establish paternity of children on welfare and try to get support for these children through the Courts.

MOTION was made by Dave E. Davis and seconded by Mark Barnes to authorize the Chairman to sign the Agreement with Pensions & Security. All members voted for motion.

A G R E E M E N T

This Agreement entered into on this, the _____ day of _____, 1977, by and between the Limestone County Commission (hereinafter referred to as the County Commission); the office of the District Attorney of the 8th Judicial Circuit, State of Alabama (hereinafter referred to as the Law Enforcement Agency or as the District Attorney); and the Register in Equity of Limestone County, Alabama and the Clerk of the Circuit Court of Limestone County, Alabama (hereinafter referred to as the Clerk of the Court); and the Limestone County Department of Pensions and Security (hereinafter referred to as the County Department) and the Department of Pensions and Security of the State of Alabama (hereinafter referred to as the Department).

A. The purpose of this Agreement is to implement the child support enforcement provisions of Title IV-D of the Social Security Act (PL 93-647, 42 USC 651 et seq.), corresponding federal regulations, and the Alabama State Title IV-D Plan (hereinafter referred to as the Child Support Enforcement Program).

To effect this purpose, the above-mentioned parties, in consideration of the mutual covenants and promises hereinafter contained, hereby agree to the following duties.

I. The County Department of Pensions and Security agrees:

- A. To provide the District Attorney with pertinent information needed in establishing paternity and security support.
- B. To assist the court and the District Attorney in carrying out programs with respect to children receiving Aid to Families with Dependent Children (hereinafter referred to as ADC); to establishing paternity and securing support for children born out of wedlock; and securing support for children deserted or abandoned by their parents from such parents and from any other legally liable persons.
- C. To refer to the District Attorney all cases in which:
 - (1) legal action is necessary to establish paternity;
 - (2) an absent parent is failing to make child support payments as required;
 - (3) legal action is necessary to establish child support;
 - (4) legal action is needed to have a divorce order amended in regard to child support.
- D. To conduct investigations to determine whether or not a responsible parent is able to support a dependent child.

II. The County Commission agrees to, through the District Attorney as its legal representative,:

- A. Assist the Department in providing the services necessary to establish paternity and secure support for children receiving ADC benefits under Title IV-A of the Social Security Act or not receiving ADC, within the meaning of federal regulations pertaining thereto, and in accord with the manual published and provided by the Department.
- B. Transmit to the Department such records as are prepared by other parties to this contract.
- C. Make financial, program progress, and other reports as requested by the Department.
- D. Deposit in a bank account designated as the "child support enforcement fund" an amount equal to all Federal funds received by the County Commission as payments pursuant to Title IV-D of the Social Security Act, less the amount of any expenses the County Commission may incur as a result of this contract. For withdrawal purposes said child support enforcement fund shall be under the control of the District Attorney.
- E. The designation of the District Attorney as the administrator of the child support enforcement program.

MINUTES, LIMESTONE COUNTY COMMISSION, JANUARY 17, 1977

- F. The designation of the District Attorney as the legal representative of the County Commission in the administration of the child support enforcement program.

III.

The District Attorney agrees to:

- A. Undertake efforts which will lead to the legal determination of paternity for children born out of wedlock and for the securing of child support in cases referred by the County Department.
- B. Make attempts to collect support which may include the institution of the following procedures as applicable and necessary:
 - (1) Contempt proceedings to enforce court order;
 - (2) Garnishment of obligor's wages;
 - (3) Institution of action under the Uniform Reciprocal Enforcement of Support Act;
 - (4) Institution of appropriate civil and criminal actions to enforce and collect support obligations.
- C. Provide assistance to the local county office of the Department for training IV-D staff.
- D. Conduct a review of any case upon the request of the County Department of Pensions and Security.
- E. Provide consultation to the local county department.
- F. Submit to the Department through the County Commission such financial, program progress, and other reports as are necessary to comply with the requirements of the Child Support Enforcement Program.
- G. Maintain such records as mutually agreed upon between the parties to be necessary to assure a proper accounting for all costs.
- H. Conduct investigation and prosecution of fraud directly related to paternity and child support.
- I. It is further understood and agreed that the District Attorney shall not be required to provide any service which is prohibited by or inconsistent with the existing laws of the State of Alabama or take any legal action which in his discretion is unnecessary or unwise.
- J. If and when appropriate legislation is passed, the office of the District Attorney agrees to replace the Limestone County Commission as one of the parties to this contract and agrees further that in so doing, that office will undertake and provide all the services as are required by this contract of this County Commission.
- K. Use all funds received by the District Attorney under Paragraph II.D. hereof for child support enforcement purposes only.

IV.

The Clerk of the Court agrees to:

- A. Maintain such records as are mutually agreed upon between the parties to be necessary to assure a proper accounting for all costs.
- B. Make collections for the Department of child support assigned to the Department by ADC recipients and by non-ADC recipients.
- C. The Clerk of the Court may continue to use the procedures established in his circuit to collect child support for the Department.
- D. The Clerk of the Court will submit weekly (monthly or daily if preferred by the Clerk) transmittal summary (DPS-CS-24) to the Department.
- E. The Clerk of the Court will transmit to the Department the entire child support collection of each case.

V.

The Department agrees, in accordance with the State Plan filed by the Department with the United States Department of Health, Education, and Welfare pursuant to Title IV-D of the Social Security Act, that the field staff of the Division of Child Support Activities, Bureau of Public Assistance of the Department shall be the liaison between the County Commission, the Law Enforcement Agency(ies), the Clerk of the Court, and the Department. Furthermore, the Department agrees that the Division of Child Support Activities shall lend technical assistance and advice to the County Commission, Law Enforcement Agency(ies), and the Clerk of the Court.

VI.

It is further agreed that:

MINUTES, LIMESTONE COUNTY COMMISSION, JANUARY 17, 1977

- A. The District Attorney shall submit monthly requests to the Department for reimbursement of expenses approved by the Department, on forms approved by the Department, for services provided by the Law Enforcement Agency(ies) and the Clerk of the Court.
- B. The District Attorney will be a fiscal agent for the reimbursement of expenses approved by the Department. The Department agrees to reimburse the District Attorney at the rate of seventy-five per centum (75%) of approved expenses submitted to the Department for services rendered by the County Commission, the Law Enforcement Agency(ies) and the Clerk of the Court under this agreement.
- C. In accordance with Section 458 of Title IV-D of the Social Security Act, the Department will make incentive payments to the County Commission for the enforcement and collections of the support rights assigned to the Department or another state, in an amount equal to twenty-five per centum (25%) of any amount collected less any amount properly payable to ADC recipients under appropriate federal regulations which is attributable to the amount represented by twelve (12) months' support obligation, and in an amount equal to ten per centum (10%) of any amount collected which is attributable to the support obligation owed any month after the amount represented by twelve (12) months' support obligation has been collected; all amounts so collected shall be distributed in accordance with Section 457 of Title IV-D of the Social Security Act.
- D. The Department will reimburse the Law Enforcement Agency(ies) at the rate specified in Paragraph VI-B hereinabove for his costs in attending training sessions which are approved by the Department.
- E. The Department shall provide to the District Attorney pertinent information needed in establishing paternity and securing support, including immediate transfer of information obtained under 45 CFR 235.70 to the extent that such information is relevant to the duties to be performed pursuant to this agreement.
- F. All parties in the performance of their duties under this agreement shall comply with the provisions of the Civil Rights Act of 1964.
- G. Any modification of this agreement must be made by written amendments thereto.
- H. This agreement may be terminated by either party upon thirty (30) days written notice to the other party(ies).
- I. Nothing in this contract shall be construed so as to reduce or eliminate any fees presently received by the District Attorney for URESA cases.
- J. It is further understood and agreed that no additional personnel are to be employed by the District Attorney or Clerk of the Court for this program until funds are available for such employment without additional expense to the County Commission. Thereafter, additional personnel needed and for whom funds are available, may be authorized by letter by the Department.
- K. Records required to be kept by the parties to this contract shall be made available to the Department, or any authorized representative of the Department for audit and shall be retained for ten (10) calendar years after the expiration of this contract unless permission to destroy them is granted by the Department.
- L. The District Attorney shall certify to the Department that in addition to the seventy-five per centum (75%) of approved expenses submitted for reimbursement that twenty-five per centum (25%) of the authorized billed expenses have been paid from matchable public funds. Such certification shall be on a monthly basis to be consistent with the request for reimbursement.
- B. This agreement shall be effective on and after the date of execution by all parties.

The Department, the County Commission, the Law Enforcement Agency, the Clerk of the Court, and the County Department of Pensions and Security have caused this Agreement to be executed by their duly authorized representatives as follows:

THE CHAIRMAN advised the Commission the rent for District II toolshed will be taken up at the next meeting.

MOTION was made by Dave E. Davis and seconded by Terry Bottom to appropriate \$150.00 from the Contingent Fund for payment of dues to the Alabama Judge of Probate Association. All members voted for motion.

MOTION was made by Elam B. Hamilton and seconded by Terry Bottom to pay a bill in the amount of \$220.00 to Dr. E. J. Phillips for examination of William Daniel Pepper. All members voted for motion.

MOTION was made by Dave E. Davis and seconded by Elam B. Hamilton to pay 1/3 of the cost for Limestone County Brochures for the Welcome Station. Total cost of the Brochures are not to exceed \$2500.00. All members voted for motion.

THE CHAIRMAN advised the Commission that the Supreme Court of Alabama has ruled and ordered that Counties will be required to pay for supplies in the Circuit Clerks and Judges' Offices until September 30, 1977. This cost has not been included in our 1976-1977 budget and will work a financial hardship on Limestone County. David U. Patton, County Attorney has advised we must comply with this order or be held in contempt. He is going to get in touch with County Attorneys in Jefferson County to discuss this problem with them.

HE ALSO advised that Juveniles (under 17 years) cannot be incarcerated in the County Jail but will have to be sent to Morgan County Detention Home at a cost of \$15.00 per day or the Madison County Detention Home at a cost of \$30.00 per day at the county's expense. Also, a legal advisor must be provided at county expense if the Juvenile cannot afford a legal attorney.

MR. CHRISTOPHER suggested the Legislators be contacted for a meeting with the Commission to see if any relief can be given to the counties by the Legislature on the financial burden imposed by the Judicial Article.

MOTION was made by Dave E. Davis and seconded by Elam B. Hamilton to authorize payment to the Detention Homes for Juveniles under arrest and also to provide a legal advisor as required. All members voted for motion.

MACK FRIERSON OF ALABAMA SUPPLY advised the Commission of a product for melting ice on roads and bridges available in two ton lots at a cost of \$13.50 per 100 lb. There is a shortage of this product and he would like to know if the Commission is interested in an order. The Commission directed the Chairman to order two tons to be distributed between the four districts.

SPENCER BLACK requested consideration of an appropriation for his expenses to Russia with a group of Civil Defense Personnel for a study of foreign fallout shelters. No action was taken.

MOTION was made by Mark Barnes and seconded by Terry Bottom to adopt the following Resolution with a copy to be sent to Mr. Grady Holland. All members voted for motion.

RESOLUTION

WHEREAS Grady Holland has diligently served the Citizens of Limestone County for twenty years as Commissioner of District II and

WHEREAS Mr. Holland chose to retire from Public Office with the termination of his term of office

MINUTES, LIMESTONE COUNTY COMMISSION, JANUARY 17, 1977

NOW THEREFORE the Limestone County Commission expresses their appreciation to Grady Holland for his untiring efforts on behalf of Limestone County and wish him good luck with his future endeavors.

Done this 17th day of January, 1977.

THE COMMISSION directed the Chairman to have the Xerox Machine removed from the Circuit Clerk's Office.

MOTION was made by Dave E. Davis and seconded by Elam B. Hamilton to adjourn at 12:00 noon. All members voted for motion.

MINUTES, LIMESTONE COUNTY COMMISSION, FEBRUARY 7, 1977

The Limestone County Commission met in a regular session on Monday, February 7, 1977 at the Limestone County Courthouse Annex, South Jefferson Street, Athens, Alabama. Present were members, Mark Barnes, Terry Bottom, and Elam B. Hamilton. Absent: Dave E. Davis. Charles R. Christopher, Chairman presided. The minutes of the preceding meeting were read and approved.

MOTION was made by Mark Barnes and seconded by Elam B. Hamilton to approve the minutes as read. All members present voted for motion.

MR. JOHN NELSON appeared before the Commission to state that he would like to be retained by the County in the Engineering Department at the same salary he was making as Manager of the Water Department but he would not take a cut in salary. No action was taken.

CHARLES R. CHRISTOPHER, Chairman asked the Commissioners for their observations on the proposed Employee Regulations. Mark Barnes noted that additional annual leave should be given to employees who have been employed by the Limestone County Commission for a long period of time.

MOTION was made by Elam B. Hamilton and seconded by Terry Bottom to adopt the Employee Regulations as follows. Elam B. Hamilton and Terry Bottom voted Aye. Mark Barnes voted nay. He stated he wanted the annual leave updated for older employees.

THE CHAIRMAN advised Mark Barnes these regulations can be revised at any time.

THE MOTION carried and was approved.

LIMESTONE COUNTY EMPLOYEE REGULATIONS

Working Test Period

Every new employee and each employee that is hired or promoted must serve a working test period of three months. This test period may show that the employee is unable or unwilling to perform his duties well or that his habits do not justify keeping him or the promotion that he has been given. An employee may be removed or returned to his former position any time during this test period.

Classification on Jobs

All jobs under the Limestone County Commission are classified according to a plan. Each classification requires certain skills and knowledge. The classification is based upon the kind of duties required of one in that classification. A list of these classifications is on file in the Commission Office and is available for your inspection.

It is necessary on occasions that one perform work in a classification other than the one to which he has been assigned. When this occurs, except in unusual cases, the rate of pay for the employee will continue to be that by which he is paid in the classification in which he normally works.

Pay Plan

The pay plan includes a minimum, maximum and intermediate pay rate for each classification. A copy of this pay plan is on file in the County Commission Office and is available for your inspection.

New employees, that are inexperienced, normally begin at the minimum rate for their classification.

When an employee is promoted, his salary must be raised to at least the minimum rate of pay for his new classification.

If an employee is demoted, his salary must be reduced to at least the maximum rate for his new class.

Step raises will be given at employee's anniversary date of employment upon recommendation by their supervisor.

General salary raises for all employees may be made by the Commission when it is reasonable and possible to do so in keeping with the other responsibilities that the Commission has to other functions of County Government.

Appointment and Promotions

Appointments and promotions to all classified positions shall be solely on the basis of merit, which shall be determined by evaluation of the applicant's (1) training, education, experience and physical fitness, (2) oral interview and (3) whenever practical, an examination or demonstration performance test.

RESIDENCE

Applicants for positions in the classified service need not reside within the local government at the time of application, but the individual must reside within the local government jurisdiction prior to appointment as a permanent employee.

PROMOTION POLICY

All vacancies occurring in the classified service shall, whenever possible, be filled

MINUTES, LIMESTONE COUNTY COMMISSION, FEBRUARY 7, 1977

by promotion of a qualified employee within the public service. However, the department head may recruit applicants from outside the public service whenever he has reason to believe that better qualified applicants are available than within the public service.

CONDUCT, WORK HABITS, ATTITUDE

It shall be the duty of each employee to maintain high standards of conduct, cooperation, efficiency and economy in their work for Limestone County. Whenever work habits, attitude, production or personal conduct of any employee falls below the established standard, supervisors should point out the deficiencies at the time they are observed. Corrections and suggestions should be presented in a constructive and helpful manner in an effort to elicit the cooperation and goodwill of the employee. Whenever possible, oral and/or written warnings with sufficient time for improvement shall precede formal discipline.

POLITICAL ACTIVITIES

Employees of Limestone County shall not be appointed or retained on the basis of their political activity. Limestone County employees shall not be coerced to take part in political campaigns, to solicit votes, to levy, contribute or solicit funds or support for the purpose of supporting or opposing the appointment or election of candidates for any Limestone County Office.

No employee shall actively advocate or oppose the candidacy of any individual for nomination or election to any Limestone County Office, but an employee may participate in political affairs at other levels of government, provided such participation does not adversely affect his performance as a public employee. Employees are expected to exercise their right to vote in county elections, but shall not engage in, or participate in any other way in the county elections.

GRIEVANCE POLICY

Section 1 PURPOSE: The most effective accomplishment of the work of the county requires prompt consideration and equitable adjustment of the employee grievances. It is the desire of the county to adjust the causes of grievance informally, and both supervisors and employees are expected to make every effort to resolve problems as they arise.

Section 2 POLICY: An employee must submit his grievance to his immediate supervisor for initial settlement. That submission may be either oral or written. If, within five (5) working days, a satisfactory solution has not been obtained, the employee may appeal his grievance to his department head or the next highest level of supervision. This appeal shall be in writing. Upon receipt of the request for appeal the supervisor will be requested to provide a written statement of his findings and actions. The supervisor must provide information within five (5) working days after the notification of appeal. If satisfaction is not obtained by ten (10) working days following the day of the filing of the request for appeal, the employee may appeal to the Limestone County Commission, who shall request that the record, which shall include the recommendation of the next lowest level of supervision and the record of all previous recommendations dealing with this grievance, be forwarded. The action of the Limestone County Commission shall be final.

The employee may request and shall be granted the right to representation by an individual or individuals of his choice to all proceedings above the supervisor of consideration. The employee or the supervisor shall have the right to request information either orally or in writing from any interested party.

Section 3 PROTECTIONS: No employee shall be disciplined or discriminated against in any way because of his proper use of the grievance procedure.

Annual Leave

After 1 year's service a permanent full-time employee shall be eligible for 5 days annual leave and after 2 years service shall be eligible for 10 days annual leave.

Part-time employees shall be eligible for 3 days annual leave after 1 years service and 5 days annual leave after 2 years service.

If an employee is separated from service, he will be paid for annual leave accumulated at the rate of one day per month from his employment anniversary date, not to exceed 10 days.

Annual leave cannot be carried over from one year to the next.

Employees who leave the service of Limestone County and return within 90 days may receive annual leave within interruption as if he had continuous service.

Sick Leave

Permanent full-time employees shall have an allowance of one day for each month of work for sick leave. Unused sick leave may accumulate to a maximum of sixty days for employees who have been with the county less than ten years and ninety days for those who have worked for the county for more than ten years.

Part time employees may earn 1/2 day per month to be accumulated to a maximum of 30 days.

Sick leave is defined as the absence from duty because of:

MINUTES, LIMESTONE COUNTY COMMISSION, FEBRUARY 7, 1977

1. The employee's personal illness, including disability caused or contributed by pregnancy, miscarriage, abortion, childbirth and recovery therein.
2. Bodily injury not incurred in line of duty, or bodily injury or occupational illness incurred in line of duty, but for which special leave is not granted.
3. Attendance on members of the immediate family whose illness requires the care of such employee.
4. Death in the immediate family of the employee.

Immediate family includes wife, husband, children, parents, grandparents, sister or brother, mother-in-law and father-in-law. Where unusual personal ties exist, this relationship may be recognized for leave purposes.

The supervisor may require a certificate from a doctor at his discretion as evidence of need for sick leave.

Employees are required to notify their appropriate supervisor of their absence by the start of their work day or as soon as possible. Failure to notify the supervisor promptly may result in denial of sick leave. Three unexcused absences may result in dismissal.

Upon separation from service, all sick leave is cancelled. No payment will be made for accumulated sick leave.

Employees who leave the service of Limestone County and return within 90 days will be allowed to retain his sick leave as if he had continuous service.

A doctor's release shall be required on the day an employee reports back to work after a serious illness, surgery, heart condition, etc.

Holidays

In order to receive pay for an observed holiday, an employee must not have been absent without leave either on the work day before or after the holidays.

Observed holidays shall be determined by the Limestone County Commission and they may at any time add, delete or change holidays as may be in the best interest of Limestone County.

Court Attendance

Permanent employees who are required to attend court as a witness or a juror are granted special leave with pay to attend court. In such cases witnesses or jury fees received by the employee must be turned over to the County.

Workmen's Compensation

IMPORTANT

All accidents, bodily injury or occupational illness, must be reported to the Limestone County Commission Office within 24 hours after occurrence.

When an employee is unable to work because of bodily injury or occupational illness incurred in the line of duty, the employee will collect workmen's compensation and the Limestone County Commission will remove him from the payroll on the day of the accident. The employee will collect workmen's compensation until he is able to return to his job.

NOTE: Unless accidents, bodily injuries or occupational illnesses are reported on time, our workmen's compensation policy insurance carrier will not be liable.

It is particularly important that foremen see that all such accidents, injuries and illnesses are reported promptly.

MR. CHRISTOPHER advised the Commission that Sheriff Evans has been directed by the Board of Corrections to accept 10 state prisoners from Madison County. Failure of the Commission to accept them could cause the Commission to be guilty of a misdemeanor. David U. Patton, County Attorney, advised the Commission to direct Sheriff Evans not to accept ill or injured state prisoners now or in the future.

MOTION was made by Elam B. Hamilton and seconded by Terry Bottom to direct the Chairman to advise Sheriff Evans to refuse acceptance of ill or injured state transferred prisoners now and in the future. All members voted for motion.

MOTION was made by Mark Barnes and seconded by Terry Bottom to adopt the following Resolution to be mailed to Tommy Carter, Representative. All members voted Aye. MOTION carried.

RESOLUTION

WHEREAS, Limestone County Citizens are in dire need of spreading creek gravel on driveways and,

WHEREAS, the Limestone County Commission wishes to alleviate our citizens of this problem:

MINUTES, LIMESTONE COUNTY COMMISSION, FEBRUARY 7, 1977

NOW THEREFORE, the Commission directs Tommy Carter, Representative, to submit a local bill to the Legislature as follows:

The County Governing Body of Limestone County is hereby authorized and empowered to maintain any road or driveway, exclusive of bridges, leading from a public road to a residence or home on the property of an abutting landowner for a reasonable distance as determined by said governing body. The County shall not, however, spread more than twenty (20) yards of creek gravel on any one road or driveway annually.

THE CHAIRMAN advised Martin Industries has requested the Commission do site work for an expansion consisting of motor grader work and drainage. The cost will be compiled by the County Engineer and this item reviewed at a later date.

MR. CHRISTOPHER advised the Commission he will attend a Public Hearing in Montgomery on the "lid" law and would like the Commissioners to attend if possible on Wednesday, February 8, 1977.

MOTION was made by Elam B. Hamilton and seconded by Mark Barnes to pay expenses of the Commission to a Seminar on County Government held February 16 through 18 at Auburn, Alabama. All members voted for motion.

MOTION was made by Elam B. Hamilton and seconded by Mark Barnes to increase the County Attorney Fee to \$400.00 per month, effective February 1, 1977. All members voted for motion.

MOTION was made by Terry Bottom and seconded by Elam B. Hamilton to permit District Two to rent the toolshed from Grady Holland on a monthly basis at a cost of \$200.00 per month until he can locate land to build a county-owned tool shed. All members voted for motion.

MOTION was made by Elam B. Hamilton and seconded by Terry Bottom to direct Tommy Carter, Representative, to submit and back a bill to the Legislature to require Court Management to pay operating expenses for the Limestone County Court System, created under the Judicial Article, from January 16, 1977 through September 30, 1977. All members voted for motion.

MOTION was made by Dave E. Davis and seconded by Elam B. Hamilton to re-levy all millage on County Property for 1977-1978 in the amount of 16½ mills. All members voted for motion.

5 Mill General Purposes
2 Mill Hospital

4 Mill School
3 Mill District 1 & 3 School

There is hereby levied a 2½ Mill tax for the purpose of paying any debt of liability now existing against the county incurred for the erection, construction or maintenance of the necessary roads, bridges, or public buildings owned and operated by the county governing body or that may hereafter be created for the erection, repairing, furnishing or maintenance of public buildings owned and operated by the governing body (this also includes bridges or roads.)

Motion was made by Mark Barnes and seconded by Terry Bottom to adjourn at 10:50 a.m. All members voted for motion.

RESOLUTION

PROJECT AGREEMENT

FEDERAL AID SAFER ROAD DEMONSTRATION PROGRAM

230 FUNDS

This Agreement made and entered into this 21st day of February 1977, by and between the State of Alabama acting by and through the State of Alabama Highway Department, party of the first part (hereinafter referred to as the State), and Limestone County Commission, part of the second part (hereinafter referred to as the County).

WITNESSETH:

WHEREAS, the County is desirous of up-grading traffic control signing on all off-system county roads within its jurisdiction with County forces,

WHEREAS, the State has approved the final recommendations made in a survey of such up-grading of traffic control signs,

WHEREAS, the County wishes to implement the recommendations made in the above survey and requests that work be done with county forces and equipment in accordance with the agreed upon unit prices shown herein, which request has been approved by the State, and,

WHEREAS, there are Federal 230 Funds which will assist the County in 90 percent of the expenses incurred in implementation of these recommendations at locations off the Federal Aid System. Local government funds in the amount of 10 percent of the total expenses will be required,

AND WHEREAS, the State is desirous of assisting the County in up-grading traffic control signs,

NOW THEREFORE, be it resolved by the County, that the County agrees to install, remove, upgrade and/or modify traffic control signs in accordance with the Alabama and National Manuals on Uniform Traffic Control Devices and/or the attached plans and cost estimates. The parties hereto agree as follows:

1. The County will complete the plans, and furnish all preliminary engineering for the project without cost to the State.
2. The State will furnish a project engineer to supervise and oversee the construction of the project. The County will furnish the other construction engineering required for the project. The County's construction engineering cost are included in the unit cost prices per item indicated in paragraph #4. The State's construction engineering cost will be properly charged directly to the project.
3. Any Utility costs or Right-of-way for the project will be borne entirely by the County.
4. The County and State mutually agree that the work described herein be performed by County Forces at the unit cost prices shown in Exhibit A, attached hereto and made a part of this agreement. These unit cost prices include construction engineering services costs.
5. The County agrees that the State Standard specifications for Highways, Bridges and Materials 1975 and any supplement, or Special Provision thereof shall be complied with on this project.

MINUTES, LIMESTONE COUNTY COMMISSION, FEBRUARY 21, 1977

6. The cost of construction of this project shall be provided for from funds as outlined below:

Federal Funds Section 230	267,906.87
Local Government Funds	29,767.43
Total	297,674.30

7. It is agreed that the State will not be liable for any funds shown in Item 6 above. Any deficiency in construction costs will be borne by Federal Aid Funds and Local Government Funds in the ratio of 90% Federal and 10% Local.

8. After project is completed and final payment received from the Federal Government, the State and County will make adjustment payment necessary to accomplish the provisions of paragraphs 6 and 7 of this agreement.

9. The County agrees to complete the entire project within 180 working days (See Section 108 of the Standard Specifications).

10. The County further agrees to begin the construction work on the project within 20 days of the issuance of the Notice to Proceed (Work Authorization) by the State.

11. All work accomplished under the terms of this agreement shall be subject to inspection at all times by the State and the Federal Highway Administration to assure compliance with all Federal and State rules and regulations. The costs of periodic inspections and a final inspection by the State are properly chargeable as project cost.

12. The County agrees to keep all records and documents pertaining to the project in suitable manner for audit in accordance with Federal Highway Administration Policies and Procedures.

13. The County further agrees that all future actions affecting traffic control devices will be in accordance with any approved and active Manual on Uniform Traffic Control Devices.

14. The County hereby agrees that upon completion and acceptance of this project that it will maintain the project in satisfactory condition in accordance with the rules and regulations of the State. These rules and regulations include the requirement that adequate pavement markings be maintained at all times.

IN WITNESS WHEREOF, the State of Alabama acting by and through the State of Alabama Highway Department has caused these presents to be executed by the Highway Director, and Limestone County Commission by proper resolution has caused these presents to be executed by Charles R. Christopher, Chairman, on the day and year above written.

A RESOLUTION AND ORDER REQUESTING FEDERAL AID
FUNDS FOR NEEDED IMPROVEMENTS AND AUTHORIZING
THE ADOPTION OF AN AGREEMENT WITH THE STATE FOR
SUCH PURPOSES

WHEREAS, the Limestone County Commission has been advised by the Alabama State Highway Department that certain Federal Funds have tentatively allocated for assistance to Limestone County of the State of Alabama in the improvement of up-grading traffic signing on all off-system county roads.

WHEREAS, it is hereby found and determined by this body that these traffic signs are necessary, and

WHEREAS, the Limestone County Commission desires to agree with the State on the basis for the construction of such improvements with Federal assistance:

NOW THEREFORE BE IT RESOLVED, ORDERED, AND DECREED by the County Commission of Limestone County as follows:

(a) That the County shall enter into an agreement with the State of Alabama in substantial accordance with the form of agreement as set out and attached hereto as Exhibit "A".

(b) That said agreement be executed for and in the name of the Limestone County Commission by Charles R. Christopher, Chairman, and the Limestone County Commission Seal be placed thereon and attested by the Clerk.

I, the undersigned duly elected, qualified and acting clerk of the Limestone County Commission of Limestone County do hereby certify that the above and foregoing resolution and order is a complete, verbatim and compared copy of such resolution and order as adopted at a regular meeting on the 21st day of February, 1977, and on file and of record in the minute book of Limestone County, Alabama at page 32, Volume 10.

IN WITNESS WHEREOF I have hereto set my hand and affixed the official seal of Limestone County.

MOTION was made by Elam B. Hamilton and seconded by Mark Barnes to adopt an Affirmative Action Plan. All members voted for motion.

R E S O L U T I O N

A resolution assuring fair hiring practices by the County of Limestone through an affirmative action policy for the hiring and promotion of blacks and other minorities in the various department and agencies dealing with its participation in the Limestone County Community Development Program.

Be it resolved by the Commission of the County of Limestone, Alabama as follows:

WHEREAS, The County of Limestone, Alabama, is committed to the policy of offering equal employment opportunities to all citizens, regardless of race, color, creed, sex, or national origin; and

WHEREAS, the County of Limestone, Alabama desires to affirm its commitment to equal employment opportunity as specifically concerns its participation in community development programs; and

WHEREAS, equal employment opportunity for community development shall be guaranteed through the broad public advertisement of job opportunities, by efforts to recruit and attract qualified persons, by the establishment of schedules of compensation and benefits, and by the adoption of guidelines for appointment, employment, dismissal, and other matters.

WHEREAS, hereafter, the County of Limestone's Chairman of the Commission shall be known as the County of Limestone, Alabama, "Equal Employment Opportunity Officer", Address: Limestone County Courthouse Annex, Athens, Alabama 35611. Telephone (205) 232-1320.

MINUTES, LIMESTONE COUNTY COMMISSION, FEBRUARY 21, 1977

NOW, THEREFORE, THE COUNTY COMMISSION of the County of Limestone, Alabama, for the duration of a community development project or activity, that the County of Limestone, Alabama, will accord equal opportunities to all persons regardless of race, color, creed, sex, or national origin, seeking such employment.

LIMESTONE COUNTY COMMISSION

Charles R. Christopher, Chairman

Terry Bottom, District I

Mark Barnes, District II

Elam B. Hamilton, District 3

Dave E. Davis, District 4

AFFIRMATIVE ACTION PLAN

Limestone County has established a formal policy regarding non-discrimination in employment. The policy of the Limestone County Commission, considered to be an equal employment affirmative policy, is to hire the best qualified people available regardless of race, color, creed, sex, political beliefs, or national origin. The County Commission has adopted a resolution prohibiting discrimination in the hiring of personnel. The County has emphasized such policy to department heads under its jurisdiction. The County Commission and Equal Employment Opportunity Officer are committed to the principle that the County will extend equal opportunity for employment to all citizens, regardless of race, color, sex, or creed seeking employment with the County, including seasonal employment.

The Limestone County Commission does hereby direct all department heads serving under the Commission to follow and observe policy in recommending to the Commission, persons for employment, including seasonal employment, by the County, and to report from time to time to the Equal Employment Opportunity Officer, and the County Commission as to the actions he, or she has taken in furtherance of said policy, to the end that equal opportunity for employment shall be accorded all citizens, regardless of race, color, sex, or creed.

The standing policy established by an approved resolution and the procedures contained herein are to be followed to ensure that equal employment opportunity practices are extended to all Limestone County Community Development Programs. These requirements are to be complied with by County Government, contractors, subcontractors, who engage in any projects or activities funded in whole or in part with federal assistance made available pursuant to the Housing and Community Development Act of 1974. (P.L. 93-383).

By conforming to these policies and procedures, all parties will be in compliance with the non-discrimination provisions made in Title VI of the Civil Rights Act of 1964 (P.L. 88-352), the equal employment opportunity provisions of Executive Order 11246, as amended, and Department of Housing and Urban Development regulations issued pursuant to P.L. 93-383- at 24 CFR 570.

It was felt the appointment of Limestone County Commission Chairman, as the Equal Employment Opportunity Officer, was a logical choice, since the County had no full time planning and community development department. The Equal Employment Opportunity Officer, it was felt he could utilize his personnel department staff to do an effective job. As the Equal Employment Opportunity Officer, with such staff support as he may require, shall be directly responsible to the Limestone County Commission for ensuring that the Equal Employment Opportunity and non-discrimination provisions are followed by all concerned parties. The EEO's requirement responsibilities will include, but not be limited to:

- (1) Actions to develop and maintain subsequent changes and additions to these policies and procedures,
- (2) Ensure compliance on the part of all parties and organizations concerning the equal employment opportunity requirements hereby imposed,
- (3) Ensure that all concerned parties and organizations are adequately informed of all regulations and requirements pertaining hereto,
- (4) Monitor the program's activities to identify violations and initiate corrective actions or take steps to employ sanctions,
- (5) Keep or cause to keep, all necessary records, and
- (6) Perform as general coordinator of all equal employment opportunity and non-discriminatory activities as they relate to Community Development projects.

In general, the main thrust of Limestone County's Affirmative Action Policy may be judged along with the following points or order:

MINUTES, LIMESTONE COUNTY COMMISSION, FEBRUARY 21, 1977

(1) That provisions are made for public advertisements and notifications pertaining to employment, services or products to state that Limestone County or its contractor, subcontractors in Community Development Projects are "equal opportunity employers", and that a public notice similar to the one displayed within the contents of this document, be posted at the organizations centers of employment, at each project location and at other conspicuous places in its jurisdiction and as appropriate throughout Limestone County.

(2) That every provision is made to notify employees of each affected organization that it is committed to equal employment opportunity treatment of its employees, and they will be informed of their rights and the organization's goal concerning those commitments.

(3) That the keeping of complete and accurate records documenting the organization's efforts to employ the best qualified individual is required.

(4) That special emphasis is provided, to improve the utilization of minority and female persons through recruitment, employee selection, career opportunities, and other such means, and

(5) That merit principles shall become a matter of routine administration to ensure that equal employment opportunity and non-discriminatory policies are diligently pursued.

GENERAL REQUIREMENTS:

Limestone County Commission shall inform the EEO when it has selected contractors or subcontractors whom they wish to employ in connection with a community development project or subcontract. Such notifications will be made prior to executing any such contracts or subcontracts. The EEO will then determine whether said contractors have been barred from participating in federally assisted contracts.

Procedurally, construction firms who anticipate performing under a community development contract or subcontract shall, together with submission of a sealed bid, submit an executed certification as required.

PERSONNEL RULES & REGULATIONS

The Limestone County Commission has adopted, by resolution, rules and regulations that ensure a doctrine of fairness and equal opportunity for all. The State of Alabama Department of Personnel did a study and set up job classifications and wage scales. Grievance procedures are included in this resolution.

THE CHAIRMAN advised the Commission the Supreme Court will hold a hearing on Rule No. 44 at 2:00 P.M. in Montgomery February 22, 1977. He stated he will attend this hearing and would be glad for the Commissioners to go with him.

HE ALSO advised the Commissioners of a meeting in Montgomery on Thursday, February 24 on the Retirement System's financial condition and would like for the Commission to attend.

THERE WILL be a NACO Conference in Washington on "Counties, Congress and New Administration" on March 21, 1977 to deal with Legislation in Congress and how it affects Counties. The Chairman will discuss this meeting with State Association Director as to the importance of attending this meeting.

MOTION was made by Mark Barnes and seconded by Terry Bottom to adopt the following Resolution creating Limestone County Utility Board. All members voted for motion.

STATE OF ALABAMA,

LIMESTONE COUNTY.

RESOLUTION

WHEREAS, Limestone County, Alabama, a political subdivision of the State of Alabama, acting by the Limestone County Commission, now operates and maintains Water and Sewer Systems throughout Limestone County, Alabama, and anticipates

MINUTES, LIMESTONE COUNTY COMMISSION, FEBRUARY 21, 1977

further expansion of water and sewer systems, including the creation of new systems together with the expansion of existing systems, and,

WHEREAS, the operation, supervision, maintenance and planning for such systems have reached a magnitude and complexity that require the establishment of a supervisory board to oversee the affairs of such systems in order that their operation and maintenance might best serve the citizens of Limestone County, Alabama, and,

WHEREAS, the Limestone County Commission, after due consideration, has determined that a utility board for Limestone County would be the best means for assuring the proper operation and maintenance of said systems, which said utility board would act in an advisory capacity to the Limestone County Commission, NOW, THEREFORE,

BE IT RESOLVED BY THE LIMESTONE COUNTY COMMISSION that there be, and hereby is, created for Limestone County, Alabama, a Board to be known as The Limestone County Utility Board for the purposes contained herein, which said Board shall be as follows:

1. The name of the Board shall be Limestone County Utility Board.
2. The Board shall be composed of five members appointed by the Limestone County Commission who shall be appointed for terms as hereinafter contained but who may be removed, without cause, at any time by the Limestone County Commission.
3. Appointments to the Board shall be designated as Place 1, Place 2, Place 3, Place 4 and Place 5. All appointments shall be for a term of four years except that the initial appointments for Place 1 and Place 2 shall be for a term of two years.
4. With the exception of any board member who shall be terminated by the Limestone County Commission, each board member shall serve for the duration of his term or until appointment of his successor, whichever shall last occur.
5. The function of the board shall be advisory to the Limestone County Commission, and the Board shall have no authority whatsoever to bind the Limestone County Commission, or Limestone County, Alabama, and no act of the Board, or any member thereof, shall be effective until approved by the Limestone County Commission.
6. The Board shall observe, analyze, inspect, plan, and consider the entire operation, maintenance and function of all county utility systems, and shall make recommendations to the Limestone County Commission concerning same, and shall present justification to the Limestone County Commission for each recommendation so made.
7. The recommendations and justifications to the Limestone County Commission by the Board shall encompass all areas pertaining to the utility systems in Limestone County, Alabama, including, but not limited to, purchases, maintenance, employees, operating expenses, rates and charges, billing, collection, expansion, financing, customer relations, and service.
8. The Board shall determine when it shall meet and upon what notice.
9. The Board shall elect from among its members a Chairman who shall preside at the Board meetings, and all actions of the Board shall be by majority of those members voting, three members of the Board constituting a quorum for the conduct of Board business.
10. There shall be paid to each member of the Board from the General Funds of Limestone County the sum of \$.12 cents per mile for each and every mile traveled by any Board member at his own expense in the conduct of Board affairs. Additionally, there shall be paid to each Board member from the General Funds of Limestone County the sum of \$20.00 dollars for each meeting of the Board actually attended by the Board member, but limited to a maximum payment for meeting attendance of \$40.00 dollars per month per member.
11. The Board shall act as liaison between the manager, and other employees of the Limestone County Utility Systems, and the Limestone County Commission, and such manager and employees shall report and communicate directly to the Board.
12. The Board shall at all times consider and respect the provisions of trust indentures, and other agreements heretofore or hereafter made in connection with financing of utility systems.
13. This Resolution shall not be interpreted to offend the provisions of any trust indenture, or other agreement, heretofore or hereafter made in connection with utility system financing.

RESOLUTION NO. 76-77-23

WHEREAS, it is necessary for North Limestone County Water System to pass through the Town of Elkmont, Alabama, and

WHEREAS, it will be necessary for an eight inch (8) water main to be laid across or along portions of the following streets: Horton Avenue, Oak Street, Railroad Street, Church Street, Children Street, Morris Street, Cedar Street, and Fort Hampton Road, and

WHEREAS, the North Limestone County Water System will be tied onto Elkmont Waterworks System, in order to give the Town of Elkmont a second source of water, and

WHEREAS, Limestone County Commission has contracted with Tucker Brothers Contracting Company, Pell City, to install said water system and has entered into a performance bond with Limestone County Commission to satisfactorily complete said contract and to repair any temporary damage to Elkmont Waterwork Mains, roads, telephone cables, etc. during the construction of said work.

WHEREAS, it will be necessary for the contractor to cut across the pavement of some of the afore mentioned streets, and along the side of the pavements of others, and

WHEREAS, they no doubt, will come in contact with Elkmont Waterwork Mains and Ardmore Telephone cables and in so doing may damage said water mains or telephone cables, and

WHEREAS, the contractor, Tucker Brothers Contracting Company, will be required to repair the streets, Elkmont water works mains and telephone cables damaged during this construction, placing them back in as near their original condition as possible, and

THEREFORE, BE IT RESOLVED that the Town Council of the Town of Elkmont, Alabama, do hereby grant to the Limestone County Commission or to their contractors, an easement over the said streets of the Town of Elkmont, Alabama, for the purpose of installing the mains of the North Limestone County Water System.

Adopted this the 22nd day of February, 1977.

SOUTH LIMESTONE SEWER FHA RESOLUTION AS REFERRED ON PAGES 46 & 47.

RESOLUTION

Whereas the Limestone County Commission (hereinafter called public body) desires to obtain financial assistance from the Farmers Home Administration, United States Department of Agriculture, pursuant to Section 310 B of the Consolidated Farm and Rural Development Act, for the purpose of providing

South Limestone Sewer

(describe briefly the nature of the project)

(herein referred to as the facility) and as a condition to and in consideration of receiving financial assistance from the Farmers Home Administration this resolution is being adopted.

Therefore, in consideration of the premises the public body agrees as follows:

1. No private business enterprises shall be allowed to use or occupy the facilities if such use or occupancy would be calculated to or is likely to result in the transfer from one area to another of any employment or business activity provided by operations of the private business enterprises but this limitation shall not be construed to prohibit use and enjoyment of the facility by such private business enterprises in the case of an expansion of existing business entity through the establishment of a new branch, affiliate, or subsidiary if the establishment of such branch, affiliate, or subsidiary will not result in the increase in unemployment in the area of original location or in any other area where such entity conducts business operations unless there is reason to believe that such branch, affiliate or subsidiary is being established with the intention of closing down the operations of the existing business entity in the area of its original location or in any other area where it conducts such operations.

2. No private business enterprises shall be allowed to use or occupy the facilities if such use or occupancy would be calculated to or is likely to result in an increase in the production of goods, materials, or commodities, or the availability of services or facilities in the area, where there is not sufficient demand for such goods, materials, commodities, services, or facilities, to employ the efficient capacity of existing competitive commercial or industrial enterprises, unless such financial or other assistance will not have an adverse affect upon existing competitive enterprises in the area.

3. Prior to allowing the use or occupancy of the facilities by any private business enterprise, the public body shall clear such use or occupancy with the Manpower Administration, Department of Labor, Washington, D. C., by submitting information required by the Department of Labor for certification under the Act. The public body agrees to make no final commitment with any private business enterprise regarding such use or occupancy if the Department of Labor issues a negative certification under the Act. The public body shall obtain prior clearance in this matter for a period of three years after the date of an affirmative certification by the Department of Labor on the application for financial assistance now pending before the Farmers Home Administration.

This resolution shall be in force and effect immediately.

MINUTES, LIMESTONE COUNTY COMMISSION, CALLED MEETING MARCH 23, 1977

The Limestone County Commission was called for a special session by the following letter:

Members
Limestone County Commission
Athens, Alabama 35611

Gentlemen:

There will be a called meeting on Wednesday, March 23, 1977 at 1:00 p.m. to take care of necessary county business concerning Proposal No. 485 and other business which needs attention at that time.

Charles R. Christopher

Present were members, Terry Bottom, Mark Barnes, Elam B. Hamilton, and Dave E. Davis. Absent: None. Charles R. Christopher, Chairman presided.

MOTION was made by Terry Bottoms and seconded by Elam B. Hamilton to adopt the following Resolution. All members voted for motion.

RESOLUTION

COUNTY OF LIMESTONE
STATE OF ALABAMA

Project No. LCP 42-17-77
FAS Rt. No. 4214

WHEREAS, the County Commission of Limestone County, Alabama, is desirous of constructing or improving, by force account, by contract or both, a section of road included in the F.A.S. County Road System and described as follows:

Beginning at Alabama 99 Highway at Mt. Rozell and run North on F.A.S. Route 4214 a distance of 2.96 miles to be resurfaced using 150 lbs. plant mix per sq. yd.

WHEREAS, the County agrees to all of the provisions of the County-wide agreement executed between the State and the County covering preliminary engineering by State forces and equipment on the project, and

WHEREAS, the County agrees to all of the provisions of any agreement which has been executed or will be executed covering the construction of the project.

Done at the special session of the County Commission of Limestone County, this day of March 23, 1977.

MOTION was made by Terry Bottom and seconded by Dave E. Davis to award Proposal No. 485 to Soland Tractor Company. The motion also set forth that the Alternate bid of \$52,236.00 was the bid to accept. All members voted for motion.

IT IS HEREBY ORDERED THAT the following Resolution be adopted:

RESOLUTION

WHEREAS, Limestone County is in dire need of two cars to replace two which have been wrecked; and

WHEREAS, replacement time will be approximately eight weeks if they have to be ordered; and

WHEREAS, Limestone County Commission has requested the Jefferson County Commission to transfer two Lemans Pontiac Police Enforcers from recently purchased inventory, not yet in service; and

WHEREAS, Limestone County has requested that this transfer be made and billed at Jefferson County's invoice price.

NOW, THEREFORE, BE IT RESOLVED that Jefferson County agrees to transfer two 1977 Lemans Pontiac Police Enforcers to Limestone County, Alabama to be billed at the invoice price, but with the understanding that if replacement cars are ordered by Jefferson County at an increased price that Limestone County will reimburse Jefferson County, Alabama for any and all cost over and above the original invoice price of those transferred.

MINUTES, LIMESTONE COUNTY COMMISSION, APRIL 4, 1977

The Limestone County Commission met in a regular session on Monday, April 4, 1977 at the Limestone County Courthouse Annex, South Jefferson Street, Athens, Alabama. Present were members Mark Barnes, Terry Bottom, Dave E. Davis, and Elam B. Hamilton. Absent: None. Charles R. Christopher, Chairman presided. The minutes of the preceding meeting were read and approved.

JIM HARDY AND VERNA MC BAY (Rt. 7, Box 485, Tanner, Al Phone 232-1388, Bus. 453-1159) from the Tanner Community advised the Commission they wish to apply for federal funds to build a Park & Recreation Area at Tanner and would like the Commission to apply for these funds and request District Three to do work that would be "in-kind" work for the project.

MOTION was made by Elam B. Hamilton and seconded by Terry Bottom to assist in applying for a grant for the Tanner Community Park. All members voted for motion.

MR. CHRISTOPHER asked the Commissioners to decide whether the water department will be responsible for repairing the roads when a line has to be cut across the roads. Also he asked the Commissioners to call the water department when they cleaned ditches so the water lines will not be broken by machinery.

THE COMMISSION agreed to plant-mix cuts made by the water department, but requested the water department to notify them when they are going to cut across the road. The water department will bear the cost of broken lines made by the Commission employees.

MR. CHRISTOPHER read a letter from Dean Matthews, Director of TARCOG, advising Limestone County has been approved for EDA designated area thereby approving Limestone County for EDA funding projects.

MR. SIBLEY from the State of Alabama Department of Industrial Revenue presented brochures on the Manpower Survey conducted in Limestone County last year.

MR. HORTON from the State of Alabama Department of Industrial Relations presented an outline on the new CETA Project Application to be implemented in the next few months.

THE CHAIRMAN discussed the purchase of a broom (pull-type) for the paving crew, estimate \$7,000.00. The Commission approved the sending out of bids.

MR. CHRISTOPHER stated his concern over the quality of paving done in Limestone County. He said the Commission needs to work more closely with the engineering department in determining the amount of asphalt and other supplies to be used for projects. He directed Mr. Copeland, Engineer to have asphalt checked to be sure it meets specifications.

MR. COPELAND asked where 1978 FAS will be used, totaling approximately \$90,000.00, 70-30 money.

MOTION was made by Elam B. Hamilton and seconded by Terry Bottom to adjourn at 11:55 a.m. All members voted for motion.

THE COMMISSION reconvened at 1:20 p.m. to consider giving an option to Dr. Charles Lambert for the purchase of approximately 5 acres at the fairground for a price of \$75,000.00.

MOTION was made by Dave E. Davis and seconded by Elam B. Hamilton to give a 90 day option on 5 acres more or less at the fairground to Dr. Charles Lambert in consideration of \$500.00. All members voted for motion.

MINUTES, LIMESTONE COUNTY COMMISSION, CALLED MEETING, APRIL 13, 1977

The Limestone County Commission was called for a special session by the following letter:

Members
Limestone County Commission
Athens, Alabama 35611

Gentlemen:

There will be a called meeting on Wednesday, April 13, 1977 to transfer money to the Hospital from the Hospital fund and to take care of any other necessary county business, which needs attention at that time.

Charles R. Christopher

Present were members Terry Bottom, Mark Barnes, Elam B. Hamilton, and Dave E. Davis.
Absent: None. Charles R. Christopher, Chairman presided.

MOTION was made by Elam B. Hamilton and seconded by Terry Bottom to transfer \$30,000.00 from the Limestone County Hospital Fund to the Athens Limestone Hospital. All members voted for motion.

APPROVED:

Charles R. Christopher

MOTION was made by Dave E. Davis and seconded by Terry Bottom to issue Purchase Order to Soland Machinery as they were low bidder provided they meet the desired specifications. All members voted for motion.

THE CHAIRMAN advised the Commission of PL 94-566 to be effective January 1, 1978, covering county employees for unemployment compensation. The State Legislature is now considering the implementation of this new law. The cost is not known, but next year's budget must reflect this increased cost.

The Department of Court Management has advised Counties that telephone service is considered as utilities and will be payable by the Counties. The Association of County Commission is checking into the legality of this expense by the County.

AETNA HOSPITAL INSURANCE will increase \$14.63 per family or a 23% increase. The Commission directed the Chairman to check on other insurance companies.

THE CHAIRMAN called a special meeting for April 25, 1977 to open bids and any other County business that may be deemed necessary.

MR. CHRISTOPHER told District Three Commissioner, Elam B. Hamilton, Tanner Schools want flashing lights at the intersection. Mr. Hamilton will have to request a study from the highway department. If traffic warrants installation of flashing lights the County will have to pay for lights. The Commission directed the County Engineer to request a study of this traffic.

MOTION was made by Elam B. Hamilton and seconded by Terry Bottom for District Four to cut a ditch and fill in at Owens Junior High School. All members voted for motion.

MOTION was made by Dave E. Davis and seconded by Terry Bottom that Limestone County Commission absorb the increase of hospitalization in the amount not to exceed \$14.63 per employee. All members voted for motion.

MR. BASIL BERCHEKAS from TARCOG advised our Community Development Application does not appear to be in line for approval due to HUD guidelines on up grading housing in low income areas.

HE OUTLINED the Areawide Action Program to prioritize needs at local level. The questionnaire should reflect activities local government feel should be given priority in order to develop funding for local governments.

MR. CHRISTOPHER has been requested by TARCOG to appoint the following committees:

- (1) Regional Housing Committee (2)
- (2) Regional Land Use Committee (2)
- (3) Areawide Action Program Committee (2)

MOTION was made by Terry Bottom and seconded by Mark Barnes to adopt the following Resolution. All members voted for motion.

STATE OF ALABAMA

LIMESTONE COUNTY

RESOLUTION

WHEREAS, the governing body of Limestone County, Alabama, desires to cooperate with Amoco Pipeline Company in the installation of said pipeline across rights of way and roadways in Limestone County, Alabama, and

WHEREAS, the County Engineer of Limestone County has proposed the following requirements for said installation, and

WHEREAS, the members of the Limestone County Commission have unanimously agreed that said requirements are reasonable and in the best interests of Limestone County,

NOW, THEREFORE, at a regular meeting of the Limestone County Commission, the following requirements of the installation of said pipeline have been duly proposed, seconded and unanimously adopted:

MINUTES, LIMESTONE COUNTY COMMISSION, APRIL 18, 1977

1. Where pipeline crosses a gravel surface road, an onsite inspection will be made by the County Engineer to determine whether or not any major grade changes are anticipated when such roads are upgraded. Amoco will follow County Engineer's requirements.

2. Where pipeline crosses a paved county road the top of pipe to be a minimum of 3 ft. below bottom of road ditch on said right of way.

3. All crossing to have pipeline accurately located with permanent above ground markers located at the right of way line on both sides of the road. The County Engineer's Office to be furnished a county map with each crossing numbered and a record of the distance below ground elevation to top of pipe at each marker.

4. Should any crossing require open trench installation, the trench shall be backfilled with AHD 410 crushed stone and tamped to 100% Proctor Density using mechanical tampers. If pave road is involved the top 3 inches shall be of bituminous concrete plant mix and thoroughly tamped.

5. Should any adjustment in pipe line elevation at any crossing be required on any future reconstruction or upgrading of county roads, such adjustment will be the responsibility of Amoco Pipe Line Company and at no expense to Limestone County.

ADOPTED this 18th day of April, 1977.

/s/ Charles R. Christopher
Charles R. Christopher, Chairman

MOTION was made by Mark Barnes and seconded by Elam B. Hamilton to adjourn until 2:00 p.m.

THE MEETING reconvened at 2:30 p.m.

MICHAEL SPROTT of Auburn University and Land Grant Development met with all members of the Board except Dave E. Davis.

MR. SPROTT wanted to explain some new processes and techniques that extension service will be using.

OUR EXTENSION STAFF OF six people will begin reporting to the Board on previous years accomplishments and new programs planned for the coming year, and ask for input from the Board.

MR. SPROTT expressed hope that the Board will expect more services from the Extension Service in the future and possibly increase our appropriations to them as we feel it is merited.

HE IS trying to impress that the members of the County Staff have a Public Relations Commitment to the County to let us know their activities and to solicit our input.

THE COMMISSION hereby approves the Council on Aging submission of an application for CETA VI Project 7 P 104 in the amount of \$38,810.00 to cover weatherization of homes for the elderly, female heads of household, handicapped and low income families. The Chairman is hereby authorized to sign the necessary papers.

MINUTES, LIMESTONE COUNTY COMMISSION, JUNE 6, 1977

The Limestone County Commission met in a regular session on Monday, June 6, 1977 at the Limestone County Courthouse Annex, South Jefferson Street, Athens, Alabama. Present were members Mark Barnes, Terry Bottom, Dave E. Davis, and Elam B. Hamilton. Absent: None. Charles R. Christopher, Chairman presided. The minutes of the preceding meeting were read and approved.

MOTION was made by Dave E. Davis and seconded by Elam B. Hamilton to issue check in the amount of \$442.39 to the City of Athens for one-half the cost of pipe on the City landfill road. All members voted for motion.

MR. CHRISTOPHER read a letter from Saginaw Steering Gear requesting the Commission to advise what improvements will be made on the county road on the North side of the property. They suggest right and left turn lanes be established and improve the width by 1/4 of its size. The right of way on this road is 60 feet which is insufficient for two turn lanes. Mr. Hamilton suggested the Commissioners look over this road before they make a decision.

MOTION was made by Dave E. Davis and seconded by Mark Barnes to transfer \$50,000.00 from Public Building Fund Checking to Savings. All members voted for motion.

MOTION was made by Terry Bottom and seconded by Dave E. Davis to adjourn at 10:30 a.m. All members voted for motion.

The following is a report from the Probate Judges Office: on the Tax Collector's Office.

INSOLVENCIES AND ERRORS, TAXES IN LITIGATION FOR 1976 AND
INSOLVENT TAXES FOR PREVIOUS YEAR

THE STATE OF ALABAMA)
LIMESTONE COUNTY)

BE IT REMEMBERED, That at the June Term of the Court of County Commissioners of said County, held on this 27th day of May, 1977, James N. Hargrove, Tax Collector of said County, made his report of "Insolvents" and "Errors in Assessment" on taxes for the year 1976, as required by Code of Alabama 1940, Title 51, Section 209. And after a careful and rigid examination of said reports by said Court, it was considered and adjudged that said collector be allowed on his settlement with the Comptroller for the following amounts:

Insolvencies:	State Taxes - General-----	\$14.63
	Special Soldier	5.85
	Special School	17.55
Errors in Assessments:	State Taxes - General	48.70
	Special Soldier	19.49
	Special School	58.44

And the said Collector also made his report of taxes in litigation for 1976, and the following credits were made on assessments against the following parties:

	General	Special Soldier	Special School
Cloverleaf Lawn & Garden Cen.	11.25	4.50	13.50

And said Collector has also made his report for final allowance of the uncollected balances of Insolvent Taxes for the year 1975, as required by Code of Ala. 1940, Title 51, Section 215; and the Court thereupon made the following allowances to said Collector of such Insolvent Taxes as he may have been unable to collect, as follows:

State Taxes - General	\$0.07
Special Soldier	36.03
Special School	108.09

And said Collector is also allowed credit for the following taxes in litigation, for the year 1971 and 1975 which he has been unable to collect as follows:

	General	Special Soldier	Special School
Collateral Accounting Inc.	.63	.25	.75
Fashion Furniture	1.65	.66	1.98

Given under my hand this 27th day of May, 1977.

APPROVED:

/s/ Bobby W. Thornton
Judge of Probate

Charles R. Christopher
Terry Bottom
Mark Barnes
Elam B. Hamilton
Dave E. Davis

MOTION was made by Dave E. Davis and seconded by Mark Barnes to issue Purchase Order to Ed Bullard Bookbinding & Looseleaf as they were low bidder on Proposal No. 491. All members voted for motion.

THE CHAIRMAN read the following letter from Clyde Ennis:

TO WHOM IT MAY CONCERN:

I, Clyde W. Ennis, hereby make known that I bid on the road project from Elkmont, Alabama, over to Interstate I-65. I understood when my bid was made that the project covered 25 miles but I am now advised that said project covers 33 miles each way.

I also understand that the project consists of some sloping and I have only dump trailers and, therefore, cannot dump on the slopes as same will turn over.

I, therefore, respectfully request that I be awarded an additional 25¢ per ton for the gravel which I will use on this project. My original bid was \$1.50 per ton and I will need \$1.75 per ton in order for this project to be feasible to me.

This 13th day of June, 1977.

/s/ Clyde W. Ennis

MOTION was made by Elam B. Hamilton and seconded by Dave E. Davis to award an additional \$.25 per ton to Clyde Ennis on Proposal No. 490 dated May 16, 1977 as it is still below the next lowest bid. All members voted for motion.

MR. CHRISTOPHER asked Mr. Hamilton and Mr. Davis if they are going to pay Soland Tractor for the hydraulic fluid and road service at \$1.25 per mile for 40 miles. Mr. Hamilton and Mr. Davis stated they will discuss this with Soland Tractor Company.

MOTION was made by Elam B. Hamilton and seconded by Mark Barnes to authorize the Chairman to sign a contract with Madison County to sell them water for \$.50 per 1,000 gallon. All members voted for motion.

MOTION was made by Elam B. Hamilton and seconded by Mark Barnes to credit off the following bad debts. All members voted for motion.

MINUTES, LIMESTONE COUNTY COMMISSION, JUNE 20, 1977

STATE OF ALABAMA)
COUNTY OF LIMESTONE)

R E S O L U T I O N

Commissioner Charles R. Christopher introduced the following resolution:

WHEREAS, Madison County, Alabama, proposes to build a water distribution system, a part of which will be located near the boundary of Madison and Limestone counties; and

WHEREAS, Limestone County, Alabama, has a sufficient source of water to provide Madison County with water for said system; and

WHEREAS, Limestone County and Madison County, by and through their respective governing bodies, the Limestone County Commission and the Madison County Commission, propose to enter into a contract regarding the sale and purchase of water for said system, a copy of which is attached hereto, marked Exhibit A and made a part hereof by reference; and

WHEREAS, the Limestone County Commission finds that it would be in the best interest of Limestone County for said contract to be approved,

NOW, THEREFORE, BE IT RESOLVED by the Limestone County Commission that the contract between Limestone County and Madison County dated July 1st, 1977, wherein Limestone County is to furnish water to Madison County for Madison County's use in operating a water distribution system in a geographical area located near the Limestone - Madison County line, is hereby accepted, ratified and confirmed by the Limestone County Commission and the Chairman of said Commission is hereby directed and authorized to execute said contract for and on behalf of Limestone County, Alabama.

ADOPTED this the 20th day of June, 1977.

Commissioner Elam B. Hamilton moved the adoption of said resolution, Commissioner Mark Barnes seconded the motion, and the resolution was unanimously adopted.

WATER PURCHASE CONTRACT

EXHIBIT A

This contract for the sale and purchase of water is entered into as of the 1st day of July, 1977, between Limestone County, Alabama, Limestone County Courthouse, Athens, Alabama hereinafter referred to as the "Seller" and the Madison County, Alabama, Madison County Courthouse, Huntsville, Alabama hereinafter referred to as the "Purchaser",

WITNESSETH:

the Constitution of Alabama and is authorized and empowered under Whereas, the Purchaser is organized and established under the provisions of Title 37, SS 308-340 of the Code of Alabama to construct and operate a water supply distribution system serving water users within the area described in plans now on file in the office of the Purchaser and to accomplish this purpose, the Purchaser will require a supply of treated water, and

Whereas, the Seller owns and operates a water supply distribution system with a capacity currently capable of serving the present customers of the Seller's system and the estimated number of water users to be served by the said Purchaser as shown in the plans of the system now on file in the office of the Purchaser, and

Whereas, by resolution, on the 20th day of June, 1977, by the Seller, the sale of water to the Purchaser in accordance with the provisions of this contract were approved, and the execution of this contract carrying out the said resolution by the Chairman and attested by the Secretary, was duly authorized, and

Whereas, by resolution of the governing body of the Purchaser, passed on the 20th day of June, 1977 the purchase of water from the Seller in accordance with the terms set forth in this contract was approved, and the execution of this contract by the Chairman, and attested by the Clerk-Auditor was duly authorized;

Now, therefore, in consideration of the foregoing and the mutual agreements hereinafter set forth,

A. The Seller Agrees:

1. (Quality and Quantity) To furnish the Purchaser at the point of delivery hereinafter specified, during the term of this contract or any renewal or extension thereof, potable treated water meeting applicable purity standards of the State of Alabama Health Department in such quantity as may be required by the Purchaser except that Seller and Purchaser agree that Seller shall not be required to furnish water pursuant to this contract for more than seventy (70) residential or commercial FHA 422-30 (Rev. 4-19-72) subscribers of Purchaser

2. (Point of Delivery and Pressure) That water will be furnished at a reasonably constant pressure calculated at 60 psi from an existing 6 inch main supply at a point located on County Line Road, just north of its intersection with Highway 72-W. If a greater pressure than that normally available at the point of delivery is required by the Purchaser, the cost of providing such greater pressure shall be borne by the Purchaser. Emergency failures of pressure or supply due to main supply line breaks, power failure, flood, fire and use of water to fight fire, earthquake or other

MINUTES, LIMESTONE COUNTY COMMISSION, JUNE 20, 1977

catastrophe shall excuse the Seller from this provision for such reasonable period of time as may be necessary to restore service.

B. THE PURCHASER AGREES:

(Metering Equipment) To furnish, install, operate, and maintain at its own expense at point of delivery, the necessary metering equipment, including a meter house or pit, and required devices of standard type for properly measuring necessary metering equipment, including a meter house or pit, and required devices of standard type for properly measuring the quantity of water delivered to the Purchaser and to calibrate such metering equipment whenever requested by the Purchaser but not more frequently than once every twelve (12) months. A meter registering not more than two percent (2%) above or below the test result shall be deemed to be accurate. The previous readings of any meter disclosed by test to be inaccurate shall be corrected for the 3 months previous to such test in accordance with the percentage of inaccuracy found by such tests. If any meter fails to register for any period, the amount of water furnished during such period shall be deemed to be the amount of water delivered in the corresponding period immediately prior to the failure, unless Seller and Purchaser shall agree upon a different amount. The metering equipment shall be read on the 20th of each month. An appropriate official of the Purchaser at all reasonable times shall have access to the meter for the purpose of verifying its readings.

C. The Seller agrees: (Billing Procedure) To furnish the Purchaser at the above address not later than the 5th day of each month, with an itemized statement of the amount of water furnished the Purchaser during the preceding month.

D. The Purchaser Agrees: 1. (Rates and Payment Date) To pay the Seller, not later than the 15th day of each month, for water delivered in accordance with the following schedule of rates:

- a. \$ N/A for the first _____ gallons, which amount shall also be the minimum rate per month.
- b. \$ N/A cents per 1000 gallons for water in excess of _____ gallons but less than _____ gallons.
- c. \$ 0.50 cents per 1000 gallons for water delivered.
- d. The rate provided herein shall be subject to adjustment (increase or decrease) in accordance with any rate adjustment made by City of Athens to Seller.

2. (Connection Fee) To pay as an agreed cost, a connection fee to connect the Seller's system with the system of the Purchaser, the sum of none dollars which shall cover any and all costs of the Seller for installation of the metering equipment and none.

C. It is further mutually agreed between the Seller and the Purchaser as follows:

1. (Term of Contract) That this contract shall extend for a term of 40 years from the date of the initial delivery of any water as shown by the first bill submitted by the Seller to the Purchaser and, thereafter may be renewed or extended for such term, or terms, as may be agreed upon by the Seller and Purchaser.

2. (Delivery of Water) That 30 days prior to the estimated date of completion of construction of the Purchaser's water supply distribution system, the Purchaser will notify the Seller in writing the date for the initial delivery of water.

3. (Water for Testing) When requested by the Purchaser the Seller will make available to the contractor at the point of delivery, or other point reasonable close thereto, water sufficient for testing, flushing, and trench filling the system of the Purchaser during construction, irrespective of whether the metering equipment has been installed at that time, at a flat charge of \$0.50 per 1000 gallons which will be paid by the contractor or, on his failure to pay, by the Purchaser.

4. (Failure to Deliver) That the Seller will, at all times, operate and maintain its system in an efficient manner and will take such action as may be necessary to furnish the Purchaser with quantities of water required by the Purchaser. Temporary or partial failures to deliver water shall be remedied with all possible dispatch. In the event of an extended shortage of water, or the supply of water available to the Seller is otherwise diminished over an extended period of time, the supply of water to Purchaser's consumers shall be reduced or diminished in the same ration or proportion as the supply to Seller's consumers is reduced or diminished.

5. (Modification of Contract) That the provisions of this contract pertaining to the schedule of rates to be paid by the Purchaser for water delivered are subject to modification at the end of every 5 year period. Any increase or decrease in rates shall be based on a demonstrable increase or decrease in the costs of performance hereunder, but such costs shall not include increased capitalization of the Seller's system. Other provisions of this contract may be modified or altered by mutual agreement.

6. (Regulatory Agencies) That this contract is subject to such rules, regulations, or laws as may be applicable to similar agreements in this State and the Seller and Purchaser will collaborate in obtaining such permits, certificates, or the like, as may be required to comply therewith.

7. (Miscellaneous) That the construction of the water supply distribution system by the Purchaser is being financed by a loan made or insured by, and/or a grant from, the United States of America, acting through the Farmers Home Administration of the United States Department of Agriculture, and the provisions hereof pertaining to the undertakings of the Purchaser are conditioned upon the approval, in writing, of the State Director of the Farmers Home Administration.

8. (Seccessor to the Purchaser) That in the event of any occurence rendering th Purchaser incapable of performing under this contract, any successor of the Purchaser, whether the result of legal process, assignment, or otherwise, shall succeed to the rights of the Purchaser hereunder.

MINUTES, LIMESTONE COUNTY COMMISSION, JULY 5, 1977

The Limestone County Commission met in a regular session on Tuesday, July 5, 1977, (Meeting was held on July 5, as July 4 was a legal Holiday) at the Limestone County Courthouse Annex, South Jefferson Street, Athens, Alabama. Present were members Mark Barnes, Terry Bottom, Dave E. Davis, and Elam B. Hamilton. Absent: None. Charles R. Christopher, Chairman presided. The minutes of the preceding meeting were read and approved.

THE FOLLOWING delegation appeared before the Commission requesting the City of Athens be given an easement for an extension of Airport Road:

Neal S. Johnston
William B. Young
Arthur F. Slaton
J. L. Goolsby
Bruce Sherrill

Mr. Bruce Sherrill, spokesman for the group, stated Mr. J. L. Goolsby owns property that is landlocked and has requested that the City of Athens extend Airport Road to the city limits. The Planning Board will not consider this request unless Limestone County deeds their right-of-way to the City.

MOTION was made by Dave E. Davis and seconded by Elam B. Hamilton to deed the right of way to the City of Athens if they agree.

MR. SALTER with the Auburn Extension Service introduced Rebecca Dollman, a new employee formerly of DeKalb County, to the Commission.

MR. CHRISTOPHER reminded the Commission of the Salary Commission Meeting tonight at 8:00 p.m. at the Chamber of Commerce Building.

THE CHAIRMAN requested approval for the purchase of two new voting machines to replace existing machines that are beyond repair.

MOTION was made by Terry Bottom and seconded by Mark Barnes to purchase two new voting machines. All members voted for motion.

MOTION was made by Dave E. Davis and seconded by Mark Barnes to transfer \$40,000.00 to savings from the Hospital Fund. All members voted for motion.

THE CHAIRMAN advised that Dr. Lambert has requested a 30 to 90 day extension on the option for the purchase of fairground property. The County Attorney advised the County should request an additional \$100.00 for a 60 day option.

MOTION was made by Dave E. Davis and seconded by Mark Barnes to grant Dr. Lambert a 60 day extension on the option for the purchase of fairground property. All members voted for motion.

MOTION was made by Mark Barnes and seconded by Terry Bottom to adjourn at 10:45 a.m. All members voted for motion.

MINUTES, LIMESTONE COUNTY COMMISSION, JULY 8, 1977 (CALLED MEETING)

The Limestone County Commission was called for a special session by the following letter:

Members
Limestone County Commission
Athens, Alabama 35611

Gentlemen:

There will be a called meeting on Friday, July 8, 1977 for the purpose of discussing personnell policy and to take care of any other county business which needs attention at that time.

Charles R. Christopher

Present were members Terry Bottom, Mark Barnes, Elam B. Hamilton, and Dave E. Davis. Charles R. Christopher, Chairman presided.

A DISCUSSION was held on the method of hiring new employees for job openings.

MOTION was made by Dave E. Davis and seconded by Terry Bottom that all new personnell hired except the Limestone County Commission Office Force, will have to be approved by the Commission after the jobs have been posted for one week. All members voted for motion.

THE CHAIRMAN was directed to post an opening for a voting machine custodian.

MOTION was made by Mark Barnes and seconded by Elam B. Hamilton to authorize the Chairman to sign the following Resolution approving CAC Operation in Limestone County. All members voted for motion.

RESOLUTION

WHEREAS, it has come to the attention of the Limestone County Commission that the Community Services Administration is formulating a proposal to pay energy costs for identified poverty level individuals whose energy supply has been curtailed; and

WHEREAS, it is understood that the Community Services Administration is formulating a proposal which would provide funds through the Governor for the weatherization of eligible households; and

WHEREAS, a proposal is being made to VISTA by the Huntsville-Madison County Community Action Committee, Inc. for volunteer field agents to seek and assist poverty level households in obtaining funding through grants and loans from Housing and Urban Development, Farmers Home Administration and the Federal Housing Authority to weatherize their homes; and

WHEREAS, it is understood that such programs will be administered by county level organizations; and

WHEREAS, the Huntsville-Madison County Community Action Committee, Inc., is the proper agency for the administration of the above projects and proposals in Madison County for the State of Alabama and is available to assist Limestone County in administering its programs and funds for the said projects; and

WHEREAS, Limestone County currently has no such county level organization to administer such programs and proposals for the County,

NOW, THEREFORE, BE IT RESOLVED that the Limestone County Commission through its Commissioner authorize and empower the Huntsville-Madison County Community Action Committee, Inc., to act as its agent in the administration of those certain limited purpose projects and proposals designed to eliminate the paradox of poverty in the midst of plenty, sepcifically to undertake the crisis intervention program and weatherization project to be funded by the Community Services Administration through the State of Alabama and the proposed VISTA volunteers project to assist in the implementation of the weatherization project.

Adopted this 8th day of July, 1977.

LIMESTONE COUNTY COMMISSION

By: /s/ C. R. Christopher

Its: Chairman

Attest:

MOTION was made by Dave E. Davis and seconded by Mark Barnes to authorize the Chairman to sign the following resolution designating Limestone County as a redevelopment area county. All members voted for motion.

RESOLUTION

A RESOLUTION REQUESTING THE U. S. DEPARTMENT OF COMMERCE TO DESIGNATE LIMESTONE COUNTY AS A REDEVELOPMENT AREA UNDER THE PUBLIC WORKS AND ECONOMIC DEVELOPMENT ACT OF 1965, AS AMENDED.

MINUTES, LIMESTONE COUNTY COMMISSION, JULY 8, 1977 (CALLED MEETING)

WHEREAS, LIMESTONE County, ALABAMA qualifies as a redevelopment area under the Public Works and Economic Development Act of 1965, as amended; and

WHEREAS, LIMESTONE County recognizes a need to consider Public Works and other programs as approved under the Public Works and Economic Development Act of 1965, as amended; and

WHEREAS, the Board of County Commissioners has examined and duly considered such Act and the Board of County Commissioners considers it to be in the public interest and to its benefit to file a request for designation as a redevelopment area under said Act, and to authorize other action in connection; therewith, and

WHEREAS, LIMESTONE County is a member of the TOP OF ALABAMA REGIONAL COUNCIL OF GOVERNMENTS AND ECONOMIC DEVELOPMENT DISTRICT; and

WHEREAS, LIMESTONE County did assist in writing the original District OEDP and all subsequent annual reports and updates; and

WHEREAS, the District OEDP fairly presents the goals and objectives of LIMESTONE County,

NOW THEREFORE BE IT RESOLVED by the Board of County Commissioners of LIMESTONE that the aforesaid county be designated as a Redevelopment Area under the provisions of the Public Works and Economic Development Act of 1965, as amended, and further, that the District OEDP be adopted as the county plan, in lieu of submitting an area OEDP for LIMESTONE County.

This resolution be adopted by the motion, second and roll call vote as follows:

Co. Commissioner Terry Bottom

MINUTES, LIMESTONE COUNTY COMMISSION, JULY 18, 1977

The Limestone County Commission met in a regular session on Monday, July 18, 1977, at the Limestone County Courthouse Annex, South Jefferson Street, Athens, Alabama. Present were members Mark Barnes, Terry Bottom, Dave E. Davis, and Elam B. Hamilton. Absent: None. Charles R. Christopher, Chairman presided. The minutes of the preceding meeting were read and approved.

The Chairman called the meeting to order at 10:00 a.m.

MOTION was made by Mark Barnes and seconded by Elam B. Hamilton to approve the minutes from the last meeting. All members voted for motion.

BIDS were opened on Proposal No. 492 (Pick-Up Truck D-2)

Jack Yarber Ford, Inc.	No Bid
Athens Motors	No Bid
Littrell Motor Co.	No Bid - Unable to deliver
Gordon Chrysler-Plymouth	No Bid

The only bid received was from Littrell Motors. They declined to bid because of a shut-down in production.

MOTION was made by Dave E. Davis and seconded by Elam B. Hamilton to wait for material on 1978 Models and to re-let bids at that time if it was acceptable to Mark Barnes. Commissioner Barnes stated that it was acceptable with him. All members voted for motion.

PROPOSAL NO. 493 was skipped at this time because the bid-opening time was set for 10:15 a.m. and it was only 10:10.

DISCUSSION was held to decide whether to retain William Barbee (a NYC summer worker at the jail) on the county payroll for two weeks in order to prevent a shortage of men at the jail due to vacations and two men off sick.

MOTION was made by Terry Bottom and seconded by Elam B. Hamilton to keep William Barbee on after his NYC employment expired and pay him on the county payroll at \$2.30 per hour for two weeks. All members voted for motion.

THE CHAIRMAN read a letter from Howard Bogus of the North Alabama Drug Unit explaining that the funding from two North Alabama Counties was expiring and that a letter of commitment from the county for their share of \$5,000.00 was needed by August 1, 1977. It was pointed out that if any of the other counties declined to fund the unit, the remaining counties' share would consequently be increased.

MOTION was made by Terry Bottom to table any decision on the matter until a meeting with Sheriff Evans could be held to consider his recommendations. Motion was seconded by Mark Barnes. All members voted for motion.

AT THIS TIME THE BOARD interrupted the agenda to allow Sam McClendon from the Soil Conservation Office to come before them. Mr. McClendon informed the board that a vacancy had occurred on the Tennessee Valley Resource Conservation & Development Council with the retirement of Grady Holland. It is usual practice for a member of the Board of Commissioners to serve on this Council.

MOTION was made by Elam B. Hamilton and seconded by Terry Bottom to appoint Chairman Charles Christopher to this position. All members voted for motion.

AT THIS TIME PROPOSAL NO. 493 was taken up. This proposal was for meters & supplies for the East Limestone Water System Extension. No Bids were received on this proposal.

Invitations to bid were mailed to the following companies:

Shelby Contracting Company
Consolidated Pipe Company
Southeastern Supply Company

MOTION was made by Dave E. Davis to negotiate orally for prices on these supplies. Motion was seconded by Elam B. Hamilton. All members voted for motion.

MOTION was made by Dave E. Davis and seconded by Terry Bottom to allow funds to be transferred from Revenue Sharing to the East Limestone Water System during the construction of the extension, to cover the cost of meters.

This money is to be transferred back when the East Limestone Water System is financially able to do so. All members voted for motion.

DISCUSSION WAS HELD on truck for the Water Department. It was discussed that since International Trucks were no longer being made that it is becoming increasingly difficult to obtain parts for the 1974 International truck which is used by the Water Department. It was also pointed out that this particular truck was in constant need of repair of some type.

MOTION was made by Mark Barnes and seconded by Dave E. Davis to let bids for a truck for the Water Department and to use the 1974 International Model as trade-in on new truck. All members voted for motion.

THE CHAIRMAN stated that the Athens-Limestone Hospital Board has turned over to the Commission, an ambulance which is no longer in use by the Hospital. This ambulance was originally purchased by the Commission. The Chairman entertained a motion to release the ambulance to the Civil Defense Department, who in turn would turn it over to the Athens-Limestone Rescue Squad for their use. Civil Defense Coordinator Spencer Black would be responsible for the ambulance.

MINUTES, LIMESTONE COUNTY COMMISSION, JULY 18, 1977

MOTION was made by Elam B. Hamilton and seconded by Terry Bottom. All members voted for motion.

THE CHAIRMAN asked for a motion to pay David Patton's (County Attorney) and Commissioner Mark Barnes' expenses to the National Association of County Commissioners Convention in Detroit.

MOTION was made by Dave E. Davis and seconded by Terry Bottom. All members voted for motion.

THE CHAIRMAN informed the board that according to a newsletter a WATS line will be installed August 1, 1977 in the Alabama Association of County Commissioner's Office in Montgomery. He also mentioned that the newsletter stated that Tom Gloor of Jefferson County and Bay Haas of Mobile County were reappointed to represent Alabama on the NACO Board of Directors.

THE CHAIRMAN read a copy of a letter to Dr. Chasteen of Calhoun College from Rex Rankin of Airport Authority Board concerning a meeting at Rankin's office to discuss the future of Pryor Field. This meeting is to be August 5, 1977.

COMMISSIONER Terry Bottom brought up to the board that Phillips Equipment Company has still not satisfied the bid they received on a sweeper broom. Phillips was awarded the bid approximately ten weeks ago. A substitute sweeper had been provided until the sweeper they bid to us, came in and the substitute sweeper has been nothing but trouble.

MOTION was made by Dave E. Davis to call Phillips Equipment today and if they cannot deliver the sweeper by Wednesday, July 20, 1977, a registered letter cancelling the purchase order will be sent to Phillips Equipment. Also if Phillips cannot comply with this deadline the next lowest bid for the sweeper will be accepted on the condition that a ten day delivery date could be met. The next lowest bidder is Joe Money Machinery. Motion was seconded by Terry Bottoms. All members voted for motion.

MOTION was made at 10:40 a.m. to adjourn, by Terry Bottom and seconded by Mark Barnes. All members voted for motion.

MINUTES, LIMESTONE COUNTY COMMISSION, AUGUST 1, 1977

The Limestone County Commission met in a regular session on Monday, August 1, 1977, at the Limestone County Courthouse Annex, South Jefferson Street, Athens, Alabama. Present were members Mark Barnes, Terry Bottom, Dave E. Davis, and Elam B. Hamilton. Absent: None. Charles R. Christopher, Chairman presided. The minutes of the preceding meeting were read and approved.

MOTION was made by Dave E. Davis and seconded by Mark Barnes to appropriate \$100.00 for advertisement in Limestone County Babe Ruth Tournament Program. All members voted for motion.

MOTION was made by Dave E. Davis and seconded by Terry Bottom to issue Purchase Order to Giles County Materials for Proposal No. 494 as they were low bidder. All members voted for motion. They are listed as follows:

Trinity Stone Co.	2.20 per ton
	2.35 & 2.45 (All other)
Giles Co. Materials	2.25 per ton
Vulcan Materials	No Bid
Vulcan Materials Co. H'vill	2.50 per ton

MOTION was made by Mark Barnes and seconded by Elam B. Hamilton to issue Purchase Order to Jack Yarber Ford Company for Proposal No. 495 as they were low bidder with desired specifications. All members voted for motion. They are listed as follows:

Jack Yarber Ford, Inc.	2,857.00
Athens Motors, Inc.	3,215.00
Littrell Motor Co.	No Bid
Gordon Chrysler-Plymouth	No Bid

THE CLERK directed the Commission to make reports of all vehicle accidents to the Limestone County Commission Office. Aetna Insurance Company has requested these forms be kept on file.

MOTION was made by Elam B. Hamilton and seconded by Mark Barnes to advise Sandra Marlow to have her car repaired at Jack Yarber Ford Company at a cost of \$683.65. This accident was caused by a collision with the county chip spreader. All members voted for motion.

M. W. EVANS, SHERIFF stated he has studied the Drug Unit request of an appropriation of \$6,000.00. He feels Limestone County is able to hold down drug traffice in Limestone County, due to the activities of the Drug Unit and if Limestone County has to set-up a Drug Unit it will cost at least \$30,000.00 per year. He recommended the Commission make an appropriation not to exceed \$6,000.00 for the Drug Unit.

MOTION was made by Elam B. Hamilton and seconded by Mark Barnes to make an appropriation not to exceed \$6,000.00 to the North Alabama Drug Unit Region for the year October 1, 1977 through September 30, 1978. All members voted for motion.

SHERIFF EVANS asked the Commission to consider enlarging the booking and radio areas of the jail. The crowded conditions are getting out of hand and a dangerous situation can develop. Storage areas are non-existent and the fire marshalls are complaining about paper products being stored in the jail.

THE SHERIFF requested consideration of overtime payment for the deputies working on the Tommy Pylant escape from prison, as he was a dangerous criminal and the welfare of the County Citizens was to be considered.

MOTION was made by Terry Bottom and seconded by Mark Barnes to pay the County Deputies overtime for the Tommy Pylant case. All members voted for motion.

MOTION was made by Dave E. Davis and seconded by Terry Bottom to adopt the following Resolution. All members voted for motion.

RESOLUTION OF LIMESTONE COUNTY COMMISSION

WHEREAS, heretofore, on the 21st day of June, 1977, legal action was filed in the Circuit Court for Madison County, Alabama, Civil Action No. CV-77-536, by City of Huntsville Hospital Board, a corporation, North Alabama Neurological Association, P. A., and Edward H. Laughlin, M. D., P. A., as plaintiffs, claiming the sum of \$12,237.90, interest and cost of action, arising out of the hospitalization of and/or treatment of one Jackie Crabtree; and,

WHEREAS, named as defendants to said action were certain county officials of Limestone County, Alabama, being Charles R. Christopher, Terry Bottom, Mark Barnes, Elam B. Hamilton, Dave E. Davis, and M. W. (Buddy) Evans; and,

WHEREAS, Code of Alabama, 1940, as amended, Title 12, Section 4(3) provides that the governing body of any county of the State of Alabama may, in its discretion, defray the cost of defending any lawsuit brought against any county official when such lawsuit is based upon and grows out of the performance by said official of any duty in connection with his office, and the aforesaid action being of such type and kind;

NOW, THEREFORE, BE IT RESOLVED, that the cost of defending the aforesaid legal action by the aforesaid defendants be paid from the monies of Limestone County, Alabama, including attorneys fees to Patton, Latham & Legge, Athens, Alabama, attorneys representing the defendants, and including witness fees, transportation of witnesses, court costs, and any other cost in connection with the defense of said action.

MINUTES, LIMESTONE COUNTY COMMISSION, AUGUST 1, 1977

MOTION was made by Mark Barnes and seconded by Elam B. Hamilton to enter into an Agreement with Calhoun College to transport Day Care Center Clients for \$200.00 per month. All members voted for motion.

MOTION was made by Terry Bottoms and seconded by Dave E. Davis to authorize the Chairman to execute a contract with Wheeler Refuge for gravel. All members voted for motion.

THE CHAIRMAN advised the Commission the Contractor's work on the Courthouse does not meet specifications and work that needs to be done is going to cost the County a considerable amount of money to be corrected. The Chairman met with Winston Legge, Attorney, Howard Culps and Walter Hall concerning this matter. Mr. Legge will write Rush Contractors advising him of our intentions to sue if he doesn't pay to put these items in order.

THE COMMISSION was advised of a Pryor Field Airport Board Meeting at 9:30, August 5, 1977.

GOVERNOR WALLACE has appropriated \$40,000.00 in State Revenue Sharing Funds to the State Highway Department for highways in Limestone County. The Commission will have to decide how the money will be used. The Chairman advised them to get with the engineer to decide on the project.

MOTION was made by Dave E. Davis and seconded by Mark Barnes to authorize the Chairman to execute the following Agreement with the State Highway Department concerning the \$40,000.00.

AGREEMENT

This Agreement made and entered into this _____ day of _____, 1977, by and between the ALABAMA HIGHWAY DEPARTMENT, party of the first part (hereinafter called the State), and LIMESTONE COUNTY, ALABAMA, party of the second part (hereinafter called the County); WITNESSETH:

WHEREAS, the State and County desire to cooperate in the improvement of Repairs and Resurfacing on Various County Roads to be designated at a later date. Project No. STR 42-8-999-000;

NOW THEREFORE, in consideration of these premises, the mutual covenants herein contained and the sum of \$1.00 by each of the parties to the other in hand paid, receipt whereof is hereby acknowledged, the parties hereto agree as follows:

- A. The County will furnish all Right-of-Way for project without cost to the State.
- B. The County will adjust and/or relocate all Utilities on the project without cost to the State.
- C. The County will make the survey, complete the plans, and furnish all preliminary engineering for the project with County forces without cost to the State.
- D. The County will furnish all construction engineering for the project from County forces without cost to the State.
- E. The State will furnish the necessary inspection and testing of materials needed as part of the cost of the project. The County will be invoiced monthly for these services.
- F. The cost of construction of this project shall be provided for from funds outlined below:

State Funds (Revenue Sharing Interest)	\$40,000.00
Total Cost (No E&I)	\$40,000.00

G. It is agreed that the State will not be liable for any State Funds in excess of the above amount. Any overrun in construction costs will be borne by the County from County Funds.

H. The County agrees that the Alabama Highway Department Standard Specifications for Highways, Bridges and Materials, 1976, shall be complied with on this Project.

I. Supplemental Agreement will be prepared for project, or portions of project, to be constructed by County forces and equipment, listing actual funds to be used for financing and other pertinent terms, prior to placing project, or portions of project, under construction.

J. It is hereby agreed that upon completion and acceptance of said project, Project No. STR 42-8-999-000, the County agrees to maintain the project in satisfactory condition in accordance with the rules and regulations of the State Highway Department of Alabama.

K. This Agreement will terminate January 1, 1979, for project if project is not actually under contract, or for any portion of project not actually under contract for construction.

IN WITNESS WHEREOF, the State of Alabama Highway Department has caused these presents to be executed by the Highway Director, and Limestone County, Alabama, by proper resolution has caused these presents to be executed by Honorable C. R. Christopher, Chairman, Limestone County Commission, on this the day and year above written.

MR. BOB PATRICK AND JIM MANN of Teledyne requested an extension on the reappraisal program in Limestone County. The reappraisal is approximately 60% complete. They hope to complete it early in December. Mr. Christopher asked when we will be able to get the new taxes on the books for the tax to be collected if this extension is allowed. Mr. Patrick said he wasn't sure. The Chairman asked if Teledyne has contracted with any County to put these new appraisals on the books. Mr. Patrick said they had been asked, but as yet do not have a contract with any County for this work, but will be happy to consider a proposal.

MOTION was made by Dave E. Davis and seconded by Mark Barnes to give Teledyne an extension on the reappraisal to December 1, 1977. All members voted for motion.

"RESOLUTION"

WHEREAS, the Limestone County Commission has been ordered by the Federal Courts for the re-appraisal of all properties within the County, and

WHEREAS the Commission has employed Teledyne Geotronics, Inc. to do the appraisal work, and

WHEREAS the contract for the re-appraisal to be completed was to be August 15, 1977, and

WHEREAS Teledyne Geotronics has advised the Commission that they would like an extension on their contract to December 1st, 1977.

NOW THEREFORE BE IT RESOLVED that the Limestone County Commission hereby extends the present contract of Teledyne Geotronics to December 1st, 1977. However, the Commission reserves the right for waiver of penalty to be considered by December 1st, if the re-appraisal has been completed by the supplement deadline.

MR. GOOLSBY asked that a letter from Bruce Sherrill be read to the Commission concerning the right-of-way discussed in the meeting held July 5, 1977, Minute Book 10, Page 89. The City of Athens refused to accept the road. Mr. Goolsby asked the County to build this road. Mr. Davis stated he will be unable to build this road.

THE CHAIRMAN asked the Commission to get with Earl Copeland, County Engineer to list anticipated projects for 1981 per a request from Earl Cone.

BOB GONIA outlined the Council on Aging Program in Limestone County and the dollars it means to the county. He requests an increase in next year's budget matching appropriation of \$100.00 for a total of \$2600.00 for the fiscal year 1977-1978. He asked for consideration of additional monetary assistance for Title III Funds, since the Administration Funds will be cut. The county is requested to pick up cost of telephone, supplies or any other area they can. He also outlined the Vista Volunteer Program for conducting a county survey of the elderly and asked for consideration of payment on travel of these volunteers.

ARNEDA HEATH reiterated the need for funds for supplies and telephoen for administrative offices and nutrition sites. She requested consideration of additional clerical help for her office.

MR. BARRY ANDERSON informed the Board that he feels in the five county area, Limestone County has the most effective aging program.

THE CHAIRMAN advised Arnedea Heath that consideration will be given these requests.

MOTION was made by Mark Barnes and seconded by Terry Bottom to adopt the Statement of Assurances and direct the Chairman to sign the from and return to the Department of the Treasury. (For General Revenue Sharing) All members voted for motion.

RESOLUTION

LIMESTONE COUNTY, ALABAMA

Limestone County desires to make improvements on Pryor Field in order to improve its usage for current traffic and make it adequate for anticipated air traffic.

Improvements shall be those shown as "Phase I" of an Airport Master Plan prepared by Padgett & Dinning Engineering, Inc., of Montgomery, Alabama.

The County desires to obtain Federal Funds for the improvement of the airport under the Airport Development Aid Program of the Federal Aviation Administration.

The County resolves to hire the firm of Padgett & Dinning, Inc., Consulting Engineers, of Montgomery, Alabama to survey, design, prepare construction plans and specifications and supervise construction of said improvements at Pryor Field.

The above named firm shall prepare a Request for Aid to the F.A.A. and prepare and furnish all supporting data or documentation in accordance with F.A.A. requirements to obtain a grant amounting to seventy five percent (75%) of the cost of improvements at Pryor Field.

Limestone County further resolves to authorize Dr. Roland W. King, Chairman, Decatur-Athens Airport Authority Board to act for the County in the execution of all documents pertaining to the airport improvement, and to submit the Request for Aid to the Federal Aviation Administration.

MINUTES, LIMESTONE COUNTY COMMISSION, AUGUST 22, 1977 (CALLED MEETING)

The Limestone County Commission was called for a special session by the following letter:

Members
Limestone County Commission
Athens, Alabama 35611

Gentlemen:

There will be a called meeting on Monday, August 22, 1977 for the purpose of opening bids which have been set to open at that time and to take care of any other county business which needs attention at that time.

Charles R. Christopher

Present were members Terry Bottom, Mark Barnes, Elam B. Hamilton, and Dave E. Davis. Charles R. Christopher, Chairman presided.

MRS. NANCY AGNEW of Wheeler Basin Regional Library presented an outline of the history of Wheeler Basin Regional Library and an anticipated budget for 1977-1978. Wheeler Basin Library requests \$54,678.00 be appropriated and paid by Limestone County for 1977-1978.

MR. BILL HUNT reiterated the libraries needs. Limestone County has received services far in excess of their expenditures and the budgeted revenue doesn't reflect adequate participation from Limestone County in comparison with the difference in population of Limestone County and Morgan County. He stated Limestone County is not carrying their fair share of expenses for Wheeler Basin Regional Library.

MR. BILL OWENS stated his support of the proposed Wheeler Basin Regional Library budget and requested the Commission's earnest consideration of Mrs. Agnew's request for an increase in their appropriation.

MINUTES, LIMESTONE COUNTY COMMISSION (CALLED MEETING) SEPTEMBER 1, 1977

The Limestone County Commission was called for a special session by the following letter:

Members
Limestone County Commission
Athens, Alabama 35611

Gentlemen:

There will be a called meeting on Thursday, September 1, 1977 for the purpose of Departmental Budget Hearings.

Charles R. Christopher

Present were members Terry Bottom, Mark Barnes, Elam B. Hamilton, and Dave E. Davis. Charles R. Christopher, Chairman, presided.

TAX ASSESSOR, ED CHRISTOPHER, appeared before the Commission to discuss his budget. He asked the Commission's ideas on establishing a license commission and mail-out service for auto tags or keeping the courthouse open for one night a month for 2 hours during tax season. The Chairman outlined the cost and procedure of a license commissioner, but legislative action must be taken and the earliest date for implementation would be October 1, 1977. The Commission agreed to discuss longer house with Tax Collector, Probate Judge. Mr. Christopher requests an additional clerk for 2 months. The Commission approved the clerk for 2 months.

TAX COLLECTOR, JAMES HARGROVE, asked for an additional fulltime clerk since all the other office holders have more clerks than he does. The Chairman stated we do not have money for new fulltime help. The Chairman asked Mr. Hargrove if he will be willing to work 2 hours later 1 night a month during tax season.

SHERIFF, M. W. EVANS. The Sheriff said the equipment appropriation is not sufficient. The Chairman asked him to approve the amount with the option to re-negotiate later in the year. The Chairman also asked him to look into getting an LEPA Grant for cars.

PROBATE JUDGE, BOBBY THORNTON, advised the Commission the new drivers license laws do not pay for the two fulltime clerks to handle these items.

	Drivers Lic.	Fishing-Hunting
State	70,414.50	34,731.55
County	3,085.45	3,004.25
	2,060.55	

He suggested local legislation to increase county's share of these items. The Chairman suggested the Commission have a meeting with the legislative delegation about this matter and all fees in the Probate Office. Example: Chattel Mortgage - \$4.00 - Madison gets \$5.00: License Service Station - \$200.00, Department-Store - \$1.50, Vehicle transfer \$.25. Judge Thornton said he needs 2 fulltime clerks on recording mortgages and deeds. He also brought up the license commissioner concept. The Chairman asked Judge Thornton's reaction to staying open 2 hours 1 night a month during tag buying season. Judge Thornton said he would have to keep all his clerks for this evening and offer all services from his office, during these 2 hours, deed, mortgage, driver's licenses; then he would have to stay later on during the evening to check up for the day.

MINUTES, LIMESTONE COUNTY COMMISSION (CALLED MEETING) SEPTEMBER 2, 1977

The Limestone County Commission was called for a special session by the following letter:

Members
Limestone County Commission
Athens, Alabama 35611

Gentlemen:

There will be a called meeting on Friday, September 2, 1977 for the purpose of discussing resolution on the sale of fairground property.

Charles R. Christopher

Present were members Terry Bottom, Mark Barnes, Elam B. Hamilton, and Dave E. Davis. Charles R. Christopher, Chairman, presided.

MOTION was made by Elam B. Hamilton and seconded by Dave E. Davis to adopt the following resolution:

RESOLUTION OF LIMESTONE COUNTY COMMISSION

WHEREAS, the Limestone County Commission has heretofore given option to purchase five (5) acres of real property, being a portion of that property located in Athens, Alabama, Limestone County, known as the Fairgrounds Property, in favor of Dr. Charles W. Lambert, to be purchased upon payment of the total consideration of \$75,000.00, the property being more particularly described as follows:

A tract of land located in the Northwest Quarter of the Northwest Quarter of Section 8, Township 3 South, Range 4 West, being a part of Lot 7, Block 66, according to the 1914 Map of the City of Athens, and being particularly described as commencing at the Northwest corner of said Section 8, and run thence North 89 degrees 54 minutes East, along the North boundary of Section 8, a distance of 178.89 feet, thence South 65 degrees 49 minutes East a distance of 249.92 feet to a point on the Southwesterly boundary of the right of way of Market Street, said point being 40 feet Southwesterly from the center of Market Street and is the true point of beginning for the herein described tract of land; from said true point of beginning continue South 65 degrees 49 minutes East, along the right of way boundary of Market Street, a distance of 400 feet, thence leaving Market Street, run South 24 degrees 11 minutes West a distance of 544.5 feet, thence North 65 degrees 49 minutes West a distance of 400 feet, thence North 24 degrees 11 minutes East a distance of 544.5 feet to the true point of beginning and containing 5 acres. All corners being marked with iron pins.

WHEREAS, said Dr. Charles W. Lambert has made known to the Limestone County Commission his desire to exercise said option heretofore given and to pay the balance of the purchase price of \$75,000.00, and has directed that deed to the above described property should be made to the following grantees: Dr. Charles W. Lambert, Thomas A. Dean, Dr. David J. Wilson, Dr. David W. Sexton, Ben Wilkinson, Dr. Gary W. Gross, Dr. Gates Eckford Murphy, Dr. James W. Smith, Polly P. Sanders and Dr. Robert Peete.

WHEREAS, the Limestone County Commission having heretofore determined that the sale of the above described property is in the best interest of Limestone County, Alabama, and that the property is not necessary for use by Limestone County, Alabama, and having determined that same should be sold for the sum of \$75,000.00, for the purpose of medical, dental, and related use, a conveyance of same to be restricted to such use for a period of ten (10) years from date,

NOW, THEREFORE, BE IT RESOLVED that Bobby W. Thornton, Judge of Probate of Limestone County, Alabama, be, and he hereby is, directed to execute conveyance on behalf of, and as the act of, Limestone County, Alabama, a political subdivision of the State of Alabama, of the above described property to the grantees above names for the consideration of \$75,000.00, said deed, so executed, as provided by Code of Alabama, 1940, as amended, Title 12, Section 177, to be delivered to grantees upon payment in full of the sum of \$75,000.00, with credit for payments heretofore made as heretofore agreed.

This the 2nd day of September, 1977.

I, the undersigned, Secretary of the Limestone County Commission, do hereby certify that the foregoing resolution was duly adopted at a special meeting of the Limestone County Commission held on the date aforesaid, the Chairman and all members of the Commission being present, and the said resolution being duly made, seconded, and adopted by unanimous vote, and its adoption having been duly entered on the Minutes of said Commission.

WITNESS my hand this 2nd day of September, 1977.

RESOLUTION, LIMESTONE COUNTY COMMISSION

BE IT RESOLVED AND ORDERED by the LIMESTONE COUNTY COMMISSION as follows:

ARTICLE I

DEFINITIONS AND USE OF PHRASES

Section 1.1 Definitions. The following words and phrases and others evidently intended as the equivalent thereof shall, in the absence of clear implication herein otherwise, be given the following respective interpretations herein:

"Additional Bonds" means those of the Bonds issued subsequent to the issuance of the Series 1977 Bonds and identified as having been issued pursuant to the provisions of Article IV hereof.

"Annual Net Income" means the total revenues derived from the operation of the System during a Fiscal Year less all Operating Expenses incurred during such Fiscal Year.

"Average Annual Debt Service" means, with respect to the Bonds, the aggregate of the unpaid principal and interest maturing thereon during the then current and each subsequent Fiscal Year, divided by the number of Fiscal Years in which any such principal or interest comes due.

"Bond Anticipation Notes" means the following 5.91% Water Revenue Bond Anticipation Notes (North Limestone Water System) of the County, each of which was initially issued and is now outstanding in the principal amount shown opposite its date and number, as well as any other such Bond Anticipation Notes that may be hereafter issued by the County:

<u>No.</u>	<u>Date</u>	<u>Principal Amount</u>
1	Feb. 24, 1977	\$200,000.00
2	Mar. 28, 1977	165,195.21
3	Apr. 26, 1977	224,692.02
4	May 31, 1977	183,671.73
5	June 24, 1977	257,402.48

"Bond Fund" means the North Limestone Water System Bond and Interest Redemption Fund created in Section 9.2 hereof.

"Bonds" means the Series 1977 Bonds and any Additional Bonds at the time outstanding.

"Callable Bonds" means those of the Bonds which, under the terms thereof, may be redeemed at the option of the County prior to their respective maturities.

"Capital Improvements" means improvements, extensions and additions to the System that are properly chargeable to fixed capital account by good accounting practice and includes real estate (and easements and other interests therein) on, under or over which any such improvements, extensions or additions are, or are proposed to be, located.

"Commission" means the Limestone County Commission, or other governing body of the County.

"Counsel" means an attorney who is duly licensed to practice before the Supreme Court of Alabama.

MINUTES, LIMESTONE COUNTY COMMISSION-SEPTEMBER 6, 1977

"County" means Limestone County, Alabama.

"Coupon Bonds" means all Bonds issued in coupon form, i.e., all Bonds other than those issued in fully registered form.

"Coupons" means those issued hereunder and evidencing the interest on any Coupon Bond or Bonds.

"Federal Securities" means any securities that are direct obligations of the United States of America and any securities with respect to which payment of the principal thereof and the interest thereon is unconditionally guaranteed by the United States of America.

"Financial Journal" means a journal printed in the English language, customarily published not less than five days during each calendar week and devoted primarily to news of financial matters.

"Fiscal Year" means the period beginning on October 1 of one calendar year and ending on September 30 of the next succeeding calendar year.

"Fully Registered Bond" means, if the Series 1977 Bonds are issued in fully registered form pursuant to the provisions of Section 3.1 hereof, the single fully registered bond issued to evidence the Series 1977 Bonds.

"Holder" when used in conjunction with Coupons or unregistered Bonds means the person in possession and the apparent owner of the designated item and when used in conjunction with a Registered Bond or the Fully Registered Bond means the person in whose name such Bond is registered.

"Improvement Fund" means the North Limestone Water System Replacement, Extension and Improvement Fund created in Section 9.5 hereof.

"Independent Auditor" means a public accountant who is not a full time employee of the County and who is regularly engaged in the auditing of financial records.

"Independent Counsel" means an attorney who is duly licensed to practice before the Supreme Court of Alabama and who is not regularly employed by the County.

"Independent Engineer" means an engineer who is duly registered and qualified to practice the profession of engineering under the laws of Alabama and who is not a fulltime employee of the County.

"Maximum Annual Debt Service" means the maximum principal and interest maturing with respect to those of the Bonds in question during any one Fiscal Year.

"Newspaper" means a newspaper printed in the English language and published not less than six days during each calendar week in the locality specified.

"Operating Expenses" means, for the applicable period or periods, (a) the reasonable and necessary expenses of efficiently and economically administering and operating the System and in maintaining it in good repair and operating condition (not including, however, interest, depreciation, payments into any of the Special Funds or any expenses for items properly chargeable by good accounting practice to fixed capital account), (b) the fees and charges of the depositories for any of the Special Funds, and (c) any other charges herein expressly stated to constitute an Operating Expense.

"Operating Fund" means the North Limestone Water System Operation and Maintenance Fund created in Section 9.3 hereof.

"Permitted Encumbrances" means, as of any particular time, (a) liens for ad valorem taxes not then delinquent, (b) easements, restrictions and exceptions that an Independent Engineer certifies will not interfere with or impair the operation of the System, and (c) minor clouds, encumbrances, defects and restrictions of the type that customarily exist with respect to properties of a size and character similar to those comprising the System and that do not, in the opinion of Counsel, in the aggregate materially impair the use of such properties in the operation of the System.

"Redemption Date" means the date fixed for redemption of Callable Bonds in any published notice of redemption.

"Redemption Price" means the price at which the Callable Bonds called for redemption may be redeemed on the Redemption Date.

"Registered Bonds" means those Coupon Bonds registered as to principal pursuant hereto.

MINUTES, LIMESTONE COUNTY COMMISSION, SEPTEMBER 6, 1977

"Special Funds" means the Bond Fund, the Operation Fund, the Reserve Fund and the Improvement Fund, as each thereof shall exist from time to time.

"System" means the entire North Limestone Water System of the County that is more fully described in Section 2.1 hereof, as said System now exists and as it may be hereafter extended.

Section 1.2 Use of Phrases. "Herein," "hereby," "hereunder," "hereof," "hereinbefore," "hereinafter" and other equivalent words refer to this Resolution as an entirety and not solely to the particular portion thereof in which any such word is used. The definitions set forth in Section 1.1 hereof include both singular and plural. Whenever used herein, any pronoun shall be deemed to include both singular and plural and to cover all genders. Any percentage of Bonds, specified herein for any purpose, is to be computed with respect to the unpaid principal amount thereof then outstanding.

ARTICLE II

REPRESENTATIONS AND FINDINGS

Section 2.1 Representations. The County represents, as a basis for the undertakings herein contained, (a) that it is in the process of constructing, in the so-called "North Limestone County" area of the County (being an area which is defined as follows: commence at the Northwest corner of Section 6, Township 1 South, Range 4 West, being a point on the northernmost boundary of the County; thence run eastwardly along said northernmost boundary to the common boundary of the County and Madison County, Alabama; thence run southwardly along the said common boundary to the Southeast corner of Section 24, Township 2 South, Range 3 West; thence run westwardly to the Southwest corner of Section 19, Township 2 South, Range 4 West; thence run northwardly to the point of beginning), a water works storage and distribution system to be known as the "North Limestone Water System" (b) that no part of the area to be served by the System is within the corporate limits of any incorporated municipality, (c) that the construction of the System has been substantially completed, and (d) that there is now no other water works storage and distribution system furnishing water service to the public in the area to be served by the System.

Section 2.2 Findings Respecting Need for Construction of the System and Estimated Costs Thereof. The Commission has heretofore ascertained that it was necessary to construct the System and that the estimated total costs of constructing the System would be not less than \$1,438,600; and for the purpose of temporarily financing a portion of the costs of said construction the County has heretofore issued the Bond Anticipation Notes. The Commission hereby reaffirms the said cost estimate, hereby estimates the period of usefulness of the system to be in excess of forty (40) years from January 1, 1977, hereby ratifies and confirms the Bond Anticipation Notes, and hereby declares that each thereof is a valid, binding and subsisting special or limited obligation of the County payable (as to both principal and interest) solely from the revenues derived from the operation of the System.

ARTICLE III

THE SERIES 1977 BONDS

Section 3.1 Authorization and Description of the Series 1977 Bonds. Pursuant to the applicable provisions of Subdivision 3 of Article 2 of Chapter 6 of Title 37 of the Code of Alabama of 1940, as amended, and for the purpose of providing for the permanent financing of a portion of the costs of constructing the System and the expenses of issuing the Bonds authorized in Resolution, there are hereby authorized to be issued by the County \$1,118,600 in principal amount of Water Revenue Bonds, North Limestone Water System, Series 1977. The Series 1977 Bonds shall be issued as Coupon Bonds in the form prescribed in Section 3.2 hereof; provided, however, that at the option of the successful bidder for all the Series 1977 Bonds, they shall be initially issued as one Fully Registered Bond in the form prescribed in Section 3.3 hereof and exchangeable for Coupon Bonds as specified in Section 6.3 hereof. The Coupon Bonds shall (subject to the provisions of Section 6.3 hereof) be dated January 1, 1977, shall be numbered from 1 to 1119, inclusive, and shall be in the denomination of \$1,000 each, with the exception of that of the Series 1977 Coupon Bonds numbered 1, which shall be in the denomination of \$600. The Fully Registered Bond, if issued, shall be dated the date of its issuance. The principal of the Series 1977 Bonds, whether issued as Coupon Bonds or as one Fully Registered Bond, shall mature and become payable on January 1 as follows (the bond numbers specified below being applicable only to Coupon Bonds);

The Series 1977 Bonds shall bear interest from their date until their respective maturities at such per annum rate or rates, not exceeding 5%, as shall hereafter be fixed by Resolution. Such interest shall be payable on January 1, 1978, and annually on each January 1 thereafter until and at the respective maturities of the Series 1977 Bonds and (except with respect to the Fully Registered Bond) shall be evidenced by Coupons attached thereto. Both the principal of and the interest on the Series 1977 Bonds shall bear interest at the rate of 6% per annum after the respective maturities of such principal and interest and shall be payable in lawful money of the United States of America at the principal office of Central Bank of Alabama, N.A., Decatur, Alabama (except that the principal of and the interest on the Fully Registered Bond shall be payable at such place in the United States of America as shall be specified by the successful bidder for the Series 1977 Bonds or at such other place in the United States of America as may be thereafter designated by written notice furnished to the County by the then holder of such Fully Registered Bond).

Section 3.2 Form of Coupon Series 1977 Bonds and Coupons. The Series 1977 Bonds issued in coupon form and the Coupons and the certificate of registration applicable thereto shall be in substantially the following forms, respectively, with such insertions, omissions and other variations as may be necessary to conform to the provisions hereof:

with interest thereon from the date hereof until the maturity hereof at the rate of _____% per annum, payable on January 1, 1978, and annually on January 1 in each year thereafter until and at the maturity hereof upon surrender of the annexed interest coupons as they severally mature. Both this bond and the said interest coupons are payable in lawful money of the United States of America at the principal office of Central Bank of Alabama, N.A., Decatur, Alabama, and shall bear interest after their respective due dates until paid at the rate of 6% per annum.

This bond is one of a duly authorized issue of bonds issuable in series and designated Water Revenue Bonds, North Limestone Water System (herein called "the Bonds"). The principal of and the interest on the Bonds are payable solely out of revenues derived from the operation of the North Limestone Water System of the County (which, as presently or hereafter constituted, is herein called "the System") and payment of said principal and interest is secured, pro rata and without priority of one Bond over another or of the Bonds of any one series over the Bonds of any other, by a valid pledge of the revenues out of which they are payable. In the proceedings whereunder the Series 1977 Bonds (hereinafter referred to) were authorized to be issued, the County has reserved the privilege of issuing Additional Bonds, without express limit as to principal amount, on a parity with the Bonds of the series of which this is one, upon compliance with the several conditions contained in said proceedings.

with interest on the then unpaid principal balance hereof from the date hereof at the rate of _____% per annum, payable on January 1, 1978, and annually on each January 1 until the due date of the last maturing installment of principal hereof. Both the principal of and the interest on this bond are payable in lawful money of the United States of America at (here will be inserted the name and location of the place at which this fully registered bond will be initially payable), or at such other place in the United States of America as may be designated by written notice furnished to the County by the then registered holder hereof. All installments of the principal of and the interest on this bond shall bear interest after their respective due dates until paid at the rate of 6% per annum.

This bond evidences a duly authorized issue of bonds issuable in series and designated Water Revenue Bonds, North Limestone Water System (herein called "the Bonds"). The principal of and the interest on the Bonds are payable solely out of revenues derived from the operation of the North Limestone Water System of the County (which, as presently or hereafter constituted, is herein called "the System"), and payment of said principal and interest is secured, pro rata and without priority of one Bond over another or of the Bonds of any one series over the Bonds of any other, by a valid pledge of the revenues out of which they are payable. In the proceedings whereunder the Series 1977 Bonds (hereinafter referred to) were authorized to be issued, the County has reserved the privilege of issuing Additional Bonds, without express limit as to principal amount, on a parity with the Bonds of the series evidenced hereby, upon compliance with the several conditions contained in said proceedings.

The series of Bonds evidenced hereby is designated Series 1977 and is authorized to be issued in the aggregate principal amount of \$1,118,600. Those of the principal installments evidenced hereby coming due in 1988 and thereafter are subject to prepayment, prior to their respective maturities, at the option of the County, on January 1, 1987, and on any interest payment date thereafter, as a whole or in part (but if in part, in multiples of \$1,000 and in the inverse order of their maturities), after notice published at least one time not less than thirty days prior to the date fixed for prepayment; provided that there shall be paid, simultaneously with each such principal prepayment, a premium of one year's interest on the principal so prepaid, computed at the rate thereof.

The covenants and representations herein contained or contained in the resolution and order hereinafter referred to do not and shall never constitute a personal or pecuniary liability or charge against the general credit of the County, and in the event of breach of any such covenant or representation no personal or pecuniary liability or charge payable directly or indirectly from the general revenues of the County shall arise therefrom. No holder of the Bonds shall ever have the right to compel the exercise of the taxing power of the County for payment of the principal of or the interest on the Bonds, and this bond does not constitute a debt of the County within any state constitutional provision or statutory limitation.

The Series 1977 Bonds are issued under the provisions of Chapter 6 of Title 37 (including particularly Subdivision 3 of Article 2 of said Chapter, in said Title) of the Code of Alabama of 1940, as amended, and a resolution and order of the County duly adopted, for a purpose of which bonds are authorized to be issued under the provisions of said Subdivision.

It is hereby certified that all conditions, actions and things required by the constitution and laws of Alabama to exist, be performed and happen precedent to or in the issuance of this bond exist, have been performed and have happened in due and legal form, and that provision has been made for deposit in a special fund of revenues from the operation of the System in amounts sufficient to pay the principal of and the interest on the Bonds at the time outstanding as said principal and interest shall respectively mature.

This bond is transferable by the registered holder hereof, in person or by authorized attorney, only on the books of the chief executive officer of the governing body of the County, the registrar and transfer agent of the County, with the name of the transferee and new registered holder hereof noted hereon.

The Series 1977 Bonds are also issuable as coupon bonds, registrable as to principal only, in the denomination of \$1,000 each, with the exception of the Series 1977 coupon bond numbered 1, which shall be in the denomination of \$600. Provision is made in the resolution and order authorizing the Series 1977 Bonds for the exchange of this fully registered bond for coupon bonds payable to bearer (but registrable as to principal only) in an aggregate principal amount equal to the then unpaid principal amount of this bond, all as requested by the holder surrendering this fully registered bond and upon the terms and conditions specified in said resolution and order.

The said registrar and transfer agent shall not be required either to transfer or to exchange this bond during the period of ten days next preceding any January 1 or during the period of ten days next preceding the thirty-day period prior to any date on which any installment of principal hereof is subject to prepayment; and, in the event that any installment of principal hereof is subject to prepayment as aforesaid and is duly called for such prepayment, the said registrar and transfer agent shall not be required either to transfer or exchange this fully registered bond during the period of thirty days next preceding the date fixed for such prepayment.

MINUTES, LIMESTONE COUNTY COMMISSION, SEPTEMBER 6, 1977

The principal of and the interest on this bond are exempt from any and all state, county and municipal and other taxation whatsoever under the laws of the State of Alabama.

The County hereby covenants that it will at all times maintain such rates for water service furnished from the System as shall be sufficient to provide for payment of the principal of and the interest on the Bonds as the said principal and interest become due, to create a bond and interest redemption fund therefor, to provide for the payment of the expenses of administering and operating the System and of maintaining it in good repair and working order, to build up a reserve for depreciation of the System and to build up a reserve for improvements, betterments and extensions to the System, other than those necessary to maintain it in good repair and working order as hereinabove provided.

IN WITNESS WHEREOF, the County has caused this bond to be executed in its name and behalf by the chief executive officer of the governing body of the County and by a member of said governing body, has caused its seal to be hereunto affixed, and has caused this bond to be dated _____, 1977.

Section 3.4 Redemption Provisions. Those of the Series 1977 Bonds having stated maturities in 1988 and thereafter may be redeemed and paid prior to their respective maturities, at the option of the County, as a whole or in part (but if in part, in their inverse numerical order), on January 1, 1987, and on any interest payment date thereafter, at and for a Redemption Price with respect to each such Series 1977 Bond redeemed, equal to the principal amount thereof plus accrued interest thereon to the Redemption Date and a premium of one year's interest thereon, computed at the coupon rate thereof. The preceding provisions of this section 3.4 shall be applicable, with the necessary changes in detail, to those installments of principal of the Fully Registered Bond that come due in 1988 and thereafter, it being understood that such installments are subject to such redemption and prepayment at the option of the County in the inverse order of their due dates and in multiples of \$1,000, provided that there shall be paid, simultaneously with each such principal prepayment, a premium of one year's interest on the principal so prepaid, computed at the stated rate thereof. Any such redemption or prepayment shall be subject to the provisions of and shall be effected in the manner provided by Article VII hereof. Any provision of this Section 3.4 to the contrary notwithstanding, any Series 1977 Bond (or any such multiple of the principal of the Fully Registered Bond) may, with the consent of the Holder of such Bond, be redeemed and paid by the County, without any premium or penalty and without the necessity of compliance with the provisions of Article VII hereof, on any interest payment date.

ARTICLE IV

THE ADDITIONAL BONDS

Section 4.1 Additional Bonds - In General. While the County is not in default in payment of the principal of or the interest on any of the Bonds it may at any time and from time to time issue Additional Bonds, within the limitations of and upon compliance with the provisions of this Article IV, for any of the following purposes: (a) for the purpose of providing funds with which to pay the costs of completing the construction of the System, (b) for the purpose of acquiring and constructing Capital Improvements, (c) for the purpose of refunding any of the Bonds, and (d) for the combined purpose of acquiring and constructing Capital Improvements and of refunding any of the Bonds. The Additional Bonds may be in such denomination or denominations, shall bear interest at such rate or rates, shall mature in such amounts and at such times, and may contain such provisions for redemption prior to maturity, all as may be provided in the Resolution required by the provisions of subsection (a) of Section 4.2 hereof; provided that (i) all Additional Bonds shall have stated maturities on January 1 in each of the years that may be fixed for their maturities and shall contain an appropriate series designation, (ii) interest on each series of Additional Bonds shall be payable on January 1 next succeeding the date of such series and annually on each January 1 thereafter, (iii) any redemption of Additional Bonds prior to maturity shall be subject to the provisions of Article VII hereof, and (iv) the forms of Additional Bonds shall be substantially identical to those of the Series 1977 Bonds with such insertions, omissions and other variations as may be necessary to conform to the provisions hereof and of the Resolution under which issued.

MINUTES, LIMESTONE COUNTY COMMISSION, SEPTEMBER 6, 1977

Section 4.2 Conditions Precedent to Issuance of Additional Bonds. Additional Bonds may be issued only after compliance with the following special conditions:

(a) Resolution. The Commission shall have adopted a Resolution authorizing the sale and issuance of the Additional Bonds proposed to be issued and containing the following: (i) a description of the Additional Bonds proposed to be issued, including the date, the aggregate principal amount, the numbers and series designation, the denomination or denominations, the interest rate or rates thereon before and after the maturity thereof, and the maturity or maturities thereof, the provisions for redemption thereof prior to maturity, and the forms of such Additional Bonds and the Coupons and certificate of registration applicable thereto; (ii) a statement of the sale price of such Additional Bonds; (iii) a general statement of the purpose for which such Additional Bonds are proposed to be issued; (iv) a statement that such Additional Bonds are being issued on a parity with the Bonds under the provisions of this Article IV; (v) a statement that the County is not at time in default in payment of the Bonds; (vi) a list of all Additional Bonds previously issued by the County under the provisions of this Article IV and at the time outstanding; and (vii) any other provisions that do not conflict with the provisions hereof; and

(b) Auditor's Certificate. There shall have been placed on file in the office of the Chairman of the Commission a certificate signed by an Independent Auditor certifying that the Annual Net Income derived from the operation of the System during the Fiscal Year next preceding the date of issuance of the Additional Bonds with respect to which such certificate is made was not less than one and two-tenths (1.2) times Average Annual Debt Service with respect to the then outstanding Bonds and the Additional Bonds with respect to which such certificate is made; provided however, that Bonds for the full payment of which moneys or Federal Securities (or both) and documentation have been provided in the manner prescribed in subsections (a), (b), (c) and (d) of Section 9.10 hereof shall not be considered as outstanding; and provided further that compliance with the provisions of this subsection (b) shall not be necessary if the Additional Bonds are being issued solely for the purpose specified in clause (a) of Section 4.1 hereof or if the holders of not less than seventy-five per (75%) of the Bonds then outstanding consent in writing to the waiver of compliance with the provisions of this subsection (b).

ARTICLE V

EXECUTION OF THE BONDS

Section 5.1 Execution of Bonds. The Bonds shall be executed on behalf of the County by the Chairman of the Commission and by one other member of the Commission, and the seal of the Commission (which has heretofore been adopted as the seal of the County) shall be affixed thereto; provided that in the case of Coupon Bonds, the signature of the Chairman of the Commission thereon shall be a facsimile of the signature of such officer and the seal of the Commission shall be imprinted thereon rather than manually affixed thereof. The coupons shall be authenticated with facsimiles of the signatures of the said officers. Signatures on the Bonds and the Coupons by persons who were officers of the County at the time such signatures were written or printed shall continue effective although such persons cease to be such officers prior to the delivery of the Bonds and the Coupons.

Section 5.2 Replacement of Mutilated, Lost, Stolen or Destroyed Bonds and Coupons. In the event any Bond is mutilated, lost, stolen or destroyed, the County may execute and deliver a new Bond of like tenor and denomination as that mutilated, lost, stolen or destroyed, which such new Bond shall have attached thereto Coupons corresponding in all respects to those (if any) on the Bond mutilated, lost stolen or destroyed; provided that (a) in the case of any such mutilated Bond, such Bond together with all Coupons (if any) appertaining thereto is first furnished to the County evidence of such loss, theft or destruction satisfactory to it, together with indemnity satisfactory to it. In the event any Coupon is mutilated, lost, stolen or destroyed, the County may issue a duplicate Coupon upon the same terms and conditions as those provided in the preceding sentence hereof respecting replacement of mutilated, lost, stolen or destroyed Bonds. The County may charge the Holder with the expense of issuing any such new Bond or Coupon.

Section 5.3 Removal of Past Due Coupons. No exchange or substitution of Bonds hereunder shall effect any gain or loss in interest to the Holder thereof, and, to the extent required to effect such result, upon delivery of any Coupon Bond all past due Coupons for which the County has provided moneys shall be paid and all other past due Coupons (except those evidencing interest the payment of which the County is in default) shall be cancelled.

ARTICLE VI

REGISTRATION, NEGOTIABILITY
AND EXCHANGE OF THE BONDS

Section 6.1 Registration of Bonds. The Chairman of the Commission shall be the Registrar and transfer agent of the County and shall keep at his office proper registry and transfer books in which we will note the registration and transfer of such Bonds as are presented for those purposes, all in the manner and to the extent hereinafter specified.

MINUTES, LIMESTONE COUNTY COMMISSION, SEPTEMBER 6, 1977

The Fully Registered Bond shall be transferable only on the transfer books of the County. No transfer of any such Bond shall be valid hereunder unless it is presented at the office of the said Chairman of the Commission with written power to transfer signed by the registered owner thereof in person or by duly authorized attorney, properly stamped if required, in form and with guaranty of signature satisfactory to the registrar, with such registration noted thereon by the Registrar. The person in whose name any Fully Registered Bond is registered on the books of the County shall be the sole person to whom or on whose order payments on account of the principal thereof and the interest thereon may be made.

Any Coupon Bond may be registered as to principal only, with such registration noted thereon, but unless so registered shall pass and be transferred by delivery. Such registration shall conclusively designate the registered owner as the sole person to whom or on whose order payment of the principal of such Coupon Bond may be made, but shall not affect the negotiability of the Coupons appertaining thereto. After such registration no transfer of a Registered Bond shall be valid unless it is presented at said office with written power to transfer, properly stamped if required, in form and with guaranty of signature satisfactory to the Registrar, with such registration noted thereon by the Registrar. Any Registered Bond may be discharged from registration by being in like manner transferred to bearer, after which transferability by delivery shall be restored. Any Coupon Bond may from time to time be registered or discharged from registration in the same manner.

The Registrar shall not be required to register or transfer any Coupon Bond during the period of ten days next preceding the stated maturity date thereof or during the period of ten days next preceding the thirty-day period immediately prior to any date on which such Coupon Bond is subject to be redeemed; and, if any Coupon Bond shall be duly called for redemption, the Registrar shall not be required to register or transfer such Coupon Bond during the period of thirty days next preceding the date fixed for its redemption. Neither shall the Registrar be required to transfer the Fully Registered Bond during the period of ten days next preceding any January 1 or during the period of ten days next preceding any thirty-day period prior to any date on which any installment of principal thereof is subject to prepayment; and in the event any installment of principal thereof is subject to prepayment as aforesaid and is duly called for such prepayment, the Registrar shall not be required to transfer such Fully Registered Bond during the period of thirty days next preceding the date fixed for such prepayment.

Section 6.2 Persons Deemed Owners of Bonds and Coupons. The County and any institution at which the Bonds and the Coupons are or may be payable may deem and treat the Holder of a Coupon as the absolute owner thereof for all purposes; they may deem and treat the Holder of an unregistered Coupon Bond as the absolute owner thereof for all purposes other than to receive payment of outstanding Coupons appertaining thereto; they may deem and treat the person in whose name a Registered Bond is registered as the absolute owner thereof for all purposes other than to receive payment of outstanding Coupons appertaining thereto; they may deem and treat the person in whose name the Fully Registered Bond is registered as the absolute owner thereof for all purposes; they shall not be affected by notice to the contrary; and all payments by any of them to the Holders of such Coupons and unregistered Coupon Bonds and to the person in whose name a Registered Bond or the Fully Registered Bond is registered shall to be extent thereof fully discharge and satisfy all liability for the same.

Section 6.3 Exchange of Bonds. Upon the request of the Holder of the Fully Registered Bond, the County shall execute and deliver, upon surrender to it of such Bond and in exchange therefor, Coupon Bonds (in the form prescribed in Section 3.2 hereof) of like tenor, having stated maturities and aggregating the same principal amount as the then unpaid installments of principal of the Fully Registered Bond so surrendered and being subject to redemption prior to their respective stated maturities on the respective date or dates and at the respective price or prices as are applicable to the corresponding principal installments of such Fully Registered Bond. In the event of any such surrender of the Fully Registered Bond pursuant to the provisions of this Section 6.3, it shall be accompanied by written power to transfer signed by the registered owner thereof in person or by duly authorized attorney, properly stamped if required, in form and with guaranty of signature satisfactory to the Registrar.

Each Coupon Bond delivered upon any exchange effected pursuant to the provisions hereof shall be accompanied by such unmatured Coupons as shall be required in order to evidence interest at the applicable rate or rates of the Fully Registered Bond exchanged therefor and by such matured Coupons as may be necessary to evidence any interest not paid or made available for payment on the Fully Registered Bond surrendered in exchange for such Coupon Bond, all to the end that no gain or loss in interest shall result from any such exchange. The provisions of Section 3.1 hereof to the contrary notwithstanding, in the event of any such exchange effected prior to January 1, 1978, the Coupon Bonds delivered upon any exchange for the Fully Registered Bond shall be dated the date of the Fully Registered Bond so exchanged for such Coupon Bonds, and the Coupon due January 1, 1978, that is attached to each such Coupon Bond shall be in such amount as is necessary to evidence interest thereon from the date of such Coupon Bond to January 1, 1978.

The Registrar shall not be required to exchange the Fully Registered Bond for Coupon Bonds during the period of ten days next preceding the thirty day period immediately prior to any January 1 or during the period of ten days prior to any date on which any installment of principal thereof is subject to prepayment; and in the event that any installment of principal thereof is subject to prepayment, the Registrar shall not be required so to exchange such Fully Registered Bond for Coupon Bonds during the period of thirty days next preceding the date fixed for such prepayment.

ARTICLE VII

GENERAL PROVISIONS
RESPECTING REDEMPTION OF
CALLABLE BONDS

Section 7.1 Manner of Effecting Redemption of Callable Bonds. Any redemption of any Callable Bonds of any series shall be effected in the following manner:

(a) Call. The Commission shall adopt a Resolution containing the following: (1) a call for redemption, on a specified date when they are by their terms subject to redemption, of Callable Bonds bearing stated numbers and series designations; (2) unless all the Bonds then outstanding are to be redeemed (or unless a portion of all such outstanding Bonds are to be redeemed and the remainder are, simultaneously with or prior to such redemption, to be otherwise retired), a statement that the County is not in default hereunder; and (3) a summary of any applicable restrictions upon or conditions precedent to such redemption and the provisions made to comply therewith.

(b) Publication. Not less than thirty (30) days prior to the redemption date, the County shall cause to be published one time in a Newspaper published in the City of Birmingham, Alabama, a notice stating the following: that Callable Bonds bearing stated numbers and series designations have been called for redemption and will become due and payable at the Redemption Price or Redemption Prices on a specified Redemption Date (which shall be the date provided for such redemption in the Resolution required in subsection (a) of this Section 7.1); and that all interest thereon will cease after the Redemption Date. In the event there is no Newspaper being published in the said City of Birmingham at the time the County directs such notice to be published, then such publication may be made in either a Newspaper or Financial Journal published in the City of New York, New York.

(c) Notice by Registered Mail. In the event any of the Callable Bonds so called for redemption shall be also a Registered Bond or any installment of principal (or portion thereof) of the Fully Registered Bond, the County shall forward by United States Registered Mail to the registered owner thereof, at the address of such registered owner as such address appears on the registry books of the Registrar pertaining to the registration of the Bonds, a notice stating the following: that Callable Bonds bearing stated numbers and series designations have been called for redemption and will become due and payable at the Redemption Price or Redemption Prices on a specified Redemption Date (which shall be the date provided for such redemption in the Resolution required in subsection (a) of the Section 7.1); and that all interest thereon will cease after the Redemption Date, but Holders of any Registered Bonds may waive the requirements of this subsection (c) with respect to the Registered Bonds held by them without affecting the validity of the call for redemption of any other Callable Bonds.

(d) Deposit of Funds. On or prior to the Redemption Date the County shall make available at the bank or banks at which the Bonds are payable the total Redemption Price of the Callable Bonds so called and shall further furnish to such bank or banks the following: a certified copy of the Resolution required in subsection (a) of this Section 7.1; appropriate affidavits showing compliance with the requirements of subsections (b) and (c) of this Section 7.1; and, in the case of the redemption of any Callable Bonds when such Callable Bonds may then be redeemed only with funds from a specified source or are subject to some other restriction or requirement, evidence satisfactory to such banks showing compliance with such restriction or requirement; provided however, that in the event of the prepayment of all or a portion of the unpaid principal of the Fully Registered Bond, said funds shall be made available, at the place at which said Bond is payable, to the holder thereof on the Redemption Date and said documents shall be furnished to such Holder on or before such date.

Section 7.2 Presentation of Callable Bonds for Redemption. Bonds to Cease to Bear Interest. Upon compliance by the County with the requirements contained in Section 7.1 hereof, (and, unless all the Bonds then outstanding are to be redeemed (or unless a portion of all such outstanding Bonds are to be redeemed and the remainder are, simultaneously with or prior to such redemption, to be otherwise retired) if the County is not on the Redemption Date in default in payment of the principal of or the interest on any of the Bonds), the Callable Bonds so called for redemption shall become due and payable at the place at which the same shall be payable, at the Redemption Price or Redemption Prices and on the Redemption Date specified in such notice, anything herein or in the Callable Bonds to the contrary notwithstanding; the Holders thereof shall then and there surrender them for redemption; all future interest on the Callable Bonds so called for redemption shall cease to accrue after the Redemption Date and the Coupons maturing after the Redemption Date shall be void; the Callable Bonds so called and the Coupons applicable thereto which matured on and prior to the Redemption Date shall be longer be entitled to the benefit hereof but shall look solely to the moneys made available under the provisions of this Article VII; and out of the moneys so deposited with them, the bank or banks at which the Bonds are payable shall make provision for payment of the Callable Bonds so called for redemption at the Redemption Price on the Redemption Date.

Section 7.3 Payment of Coupons Maturing on a Redemption Date and Applicable to Callable Bonds Called on that Date. No bank or any other institution at which the Coupon Bonds may at any time be payable shall be required to pay any Coupon maturing on the Redemption Date which is applicable to any Callable Bond so called for redemption on that date unless the Callable Bond to which such Coupon is applicable is also presented for payment; provided that in the event any such Coupon should be so paid without payment of the applicable Callable Bond no one shall be liable to the Holder of such applicable Callable Bond, to the County or to anyone whomsoever; and provided further, that each such bank and any such institution shall pay such Coupon if the Holder thereof shall present to it evidence satisfactory to it or such institution, as the case may be, that such Holder is the owner of the Coupon so presented and is not the owner of the Callable Bond to which such Coupon is applicable.

Section 7.4 Provision Respecting Prepayments of Principal Installments of the Fully Registered Bond. The preceding provisions of this Article VII with respect to redemption of Bonds prior to their respective maturities shall apply, with the necessary changes in detail, to the Fully

MINUTES, LIMESTONE COUNTY COMMISSION, SEPTEMBER 6, 1977

Registered Bond, the principal installments of which shall therefore be subject to prepayment and redemption prior to their respective due dates on the same respective Redemption Dates and at the same respective Redemption Prices as the Coupon Bonds; provided however, that in the event of the prepayment and redemption of less than all the installments of principal of the Fully Registered Bond that at the time are subject to such prepayment and redemption of less than all the installments of principal of the Fully Registered Bond that at the time are subject to such prepayment and redemption, (a) the Resolution, publication and notice referred to in Section 7.1 hereof shall, with respect to the principal installments of the Fully Registered Bond to be so prepaid, state the year or years in which such principal installments have stated due dates, in lieu of the numbers thereof, and (b) the holder of such Fully Registered Bond shall, in lieu of surrendering it for cancellation, surrender it to the County for notation thereon of the date of such prepayment and of the principal installments so prepaid.

ARTICLE VIII

SOURCE OF PAYMENT OF THE BONDS,
PLEDGE FOR PAYMENT THEREOF,
AND SEVERANCE OF REVENUES FROM
PHYSICAL PROPERTIES

Section 8.1 Source of Payment of the Bonds. The principal of and the interest on the Bonds shall be payable solely out of revenues derived from the operation of the System. The general faith and credit of the County are not pledged for payment of the principal of or the interest on the Bonds, and neither the Bonds nor the Coupons shall be general obligations of the County. Neither this Resolution nor any of the Bonds or the Coupons shall be deemed to impose upon the County any obligation to pay the principal of or the interest on the Bonds, or any other sum, except with revenues derived from the operation of the System. The Bonds and the Coupons shall not constitute indebtedness of the County within the meaning of any state constitutional provision or statutory limitation. None of the agreements, representations or warranties made or implied in this resolution, or in the issuance of the Bonds and the Coupons, shall ever impose any personal or pecuniary liability or charge upon the County, whether before or after any breach by the County of any such agreement, representation or warranty, except with respect to the revenues derived from the operation of the System. Nothing contained in the Section 8.1 shall, however, relieve the County from the performance of the several agreements and representations on its part herein contained so long as such performance does not impose a personal, pecuniary or general liability or charge upon the County.

Section 8.2. Pledge of Revenues. The revenues derived from the operation of the System are hereby irrevocably pledged for payment of the principal of and the interest on the Bonds, pro rata and without preference or priority of one Bond over another by reason of priority in issuance or acquisition or otherwise, and for the payments into the Special Funds, to the extent herein provided. The County represents that the pledge and agreements herein made constitute the only outstanding pledge and agreements with respect to the revenues derived from the operation of the System.

Section 8.2 Severance of Revenues. In order to safeguard the aforesaid pledge and the performance and observance of the agreements and covenants of the County herein contained, the County does hereby declare its intention that the revenues derived from the operation of System shall be and the same hereby are severed from the physical properties comprising the System to such extent as shall be necessary to fulfill and preserve inviolate the said pledge and to fulfill the said agreements and covenants.

ARTICLE IX

DISPOSITION OF REVENUES
FROM THE SYSTEM
AND CREATION OF SPECIAL FUNDS

Section 9.1 Revenue Account. There is hereby created a special trust fund, the full name of which shall be the "North Limestone Water System Gross Revenue Account" and which shall be continued until the principal of and the interest on the Bonds are paid in full. The County will deposit therein, daily as received by it, all the revenues derived by it from the operation of the System and will, on or before the last day of each succeeding month, beginning with the month during which the Series 1977 Bonds are issued, apply the moneys in the Revenue Account for payment into the Special Funds of such amounts as are required hereby to be paid therein on or before such date, in the order in which the Special Funds are created in the Article IX, to the respective extents herein provided and to the extent that moneys on deposit in the Revenue Account are sufficient therefor. No payments or withdrawals shall at any time be made from the Revenue Account except for the payments, withdrawals and uses provided for in Sections 9.2 to 9.6, inclusive of this Resolution.

Section 9.2 Bond Fund. There is hereby created on special fund, the full name of which shall be the "North Limestone Water System Bond and Interest Redemption Fund" and which shall be continued until the principal of and the interest on the Bonds shall have been paid in full. There shall be paid into the Bond Fund the following:

(a) Simultaneously with the issuance and sale of any of the Bonds and out of the proceeds derived from such sale, the County will pay into the Bond Fund such part of the proceeds from said sale as is allocable to premium (if any) and accrued interest.

(b) On or before the last day of the month during which the Series 1977 Bonds are issued, the County will pay into the Bond Fund, out of the moneys in the Revenue Account, an amount which, when added to the amount paid into the Bond Fund pursuant to the provisions of subsection (a) of this Section 9.1 and the amount that is required by the provisions of subsection (c) of this Section 9.2 to be paid into the Bond Fund on or before December 31, 1977, will equal the interest maturing with respect to the Series 1977 Bonds on January 1, 1978.

MINUTES, LIMESTONE COUNTY COMMISSION, SEPTEMBER 6, 1977

(c) On or before the last day of the month next succeeding that during which the Series 1977 Bonds are issued and on or before the last day of each succeeding month thereafter until the principal of and the interest on the Bonds shall have been paid in full, the County will pay into the Bond Fund, out of the moneys in the Revenue Account, an amount equal to the sum of (i) one-twelfth (1/12) of the annual installment of interest that will mature on the then outstanding Bonds on the then next succeeding January 1, plus (ii) one-twelfth (1/12) of the principal (if any) that will mature on the then outstanding Bonds on the then next succeeding January 1; provided however, that there shall be credited on the payments due under the preceding clause (i) all amounts paid into the Bond Fund pursuant to the provisions of subsection (a) of this Section 9.2 that have not theretofore been credited on previous payments due into the Bond Fund hereunder.

(d) Simultaneously with the issuance of any of the Additional Bonds, the County will pay into the Bond Fund such additional sum as, when added to (i) the sum that will be on deposit in the Bond Fund immediately following such issuance, and (ii) the subsequent payments that are herein required to be made into the Bond Fund between the time of such issuance and the then next succeeding January 1, will make available on the then next succeeding January 1 an amount equal to the principal and interest maturing on that date with respect to the Bonds that will then be outstanding hereunder. The sums provided in this subsection (d) to be paid into the Bond Fund shall be paid therein out of moneys in the Revenue Account, except to the extent that such sums are provided herein or in the Resolution authorizing such Additional Bonds to be paid out of the proceeds derived from the sale of such Additional Bonds.

(e) In the event that the moneys paid or transferred into the Bond Fund with respect to any calendar month shall be less than the amount required by the provisions of this Section 9.2 to be paid therein with respect to such calendar month, then on or before the last day of the next succeeding calendar month and on or before the last day of each calendar month thereafter until such time as the payments into the Bond Fund are current, the County will pay into the Bond Fund (in addition to the monthly payments provided for in subsection (c) of this Section 9.2) all moneys remaining in the Revenue Account on the last day of each of said months after compliance with the provisions of subsection (b) of this Section 9.2 and after payment of the amount required in subsection (c) of this Section 9.2 to be paid into the Bond Fund with respect to such month.

All moneys paid into the Bond Fund shall be used only for payment of the principal of and the interest on the Bonds upon or after the respective maturities of such principal and interest; provided, that if at the final maturity of the Bonds, however, the same may mature, there shall be in the Bond Fund moneys in excess of what shall be required to pay in full the principal of and the interest on the Bonds, then any such excess shall thereupon be returned to the County. When the amount of money on deposit in the Bond Fund equals or exceeds the the aggregate of the principal and interest then remaining unpaid with respect to the Bonds, no further payments need thereafter be made into the Bond Fund except to make good moneys paid therein which may become lost or which may not be immediately available for withdrawal under the provisions of the Section 9.2; provided however, that in the event any of the Additional Bonds should be thereafter issued, monthly payments into the Bond Fund shall be resumed in accordance with the provisions of subsection (d) of this Section 9.2 shall also be made with respect to such Additional Bonds.

Section 9.3 Operation and Maintenance Fund. There is hereby created a special fund, the full name of which shall be the "North Limestone Water System Operation and Maintenance Fund," for the purpose of providing for payment of Operating Expenses. On the last day of each successive month, commencing with the month during which the Series 1977 Bonds are issued and after first making the payment into the Bond Fund required by the provisions of Section 9.2 hereof to be made with respect to such month, the County will pay into the Operation Fund, out of the moneys in the Revenue Account, an amount sufficient to pay all Operating Expenses incurred during such month. The moneys on deposit in the Operation Fund shall be used to pay Operating Expenses as such expenses become due and payable.

Section 9.4 Reserve Fund. There is hereby created a special fund, the full name of which shall be the "North Limestone Water System Debt Service Reserve Fund." On or before the last day of each successive calendar month, beginning with the month during which the Series 1977 Bonds are issued and continuing thereafter until the amount on deposit in the Reserve Fund equals or exceeds \$66,000, the County will pay into the Reserve Fund, out of the moneys on deposit in the Revenue Account and after compliance with the then applicable provisions of Sections 9.1, 9.2 and 9.3 hereof, the sum of \$550.00. In the event the County hereafter issues any of the Additional Bonds, the County will, on or before the last day of each calendar month, commencing with the month next succeeding that during which any of the Additional Bonds were issued and continuing for one hundred nineteen (119) calendar months thereafter, also pay into the Reserve Fund, out of the moneys in the Revenue Account remaining after compliance with the then applicable provisions of Sections 9.1, 9.2 and 9.3 hereof, an amount equal to one-one hundred twentieth (1/120) of the difference obtained by subtracting (a) \$66,000, or the Maximum Annual Debt Service with respect to the Bonds outstanding immediately prior to the issuance of those of the Additional Bonds that have been most recently issued (whichever is the larger), from (b) the Maximum Annual Debt Service with respect to the Bonds outstanding immediately following the issuance of those of the Additional Bonds that have been most recently issued.

The moneys forming a part of the reserve Fund shall be transferred to the Bond Fund for payment of the principal of and the interest on the Bonds, but only when the moneys on deposit in the Bond Fund shall not be sufficient to pay a maturing installment of such principal or interest and only for payment of principal or interest so maturing as to which there would otherwise be a default. Whenever any of the moneys forming a part of the Reserve Fund shall be so transferred to the Bond Fund, the County will restore the same by thereafter paying into the Reserve Fund (in addition to the monthly payments provided for in the second and third sentences of this Section 9.4), on or before the last day of each successive month, beginning with the month during which such transfer was made and continuing until the sum transferred shall have been restored, all moneys then remaining in the Revenue Account after compliance with the then applicable provisions of Sections 9.1, 9.2 and 9.3 hereof and the second and third sentences of this Section 9.4. When the amount of moneys in the Reserve Fund plus the amount of moneys in the Bond Fund equals or exceeds the aggregate principal and interest then remaining unpaid with respect to the Bonds, no further payments need be made into the Reserve Fund except in the event the County thereafter issues any Additional Bonds, in which case it will resume payments into the Reserve Fund in accordance with the provisions of the second and third sentences of this Section 9.4.

MINUTES, LIMESTONE COUNTY COMMISSION, SEPTEMBER 6, 1977

Section 9.5 Improvement Fund. There is hereby created a special fund, the full name of which shall be the "North Limestone Water System Replacement, Extension and Improvement Fund." On or before the last day of each successive calendar month, beginning with that during which the Series 1977 Bonds are issued and continuing thereafter until the amount on deposit in the Improvement Fund equals or exceeds \$33,000, the County will pay into the Improvement Fund, out of the moneys remaining in the Revenue Account after compliance with the then applicable provisions of Sections 9.1, 9.2, 9.3 and 9.4 hereof, the sum of \$275.00.

The moneys on deposit in the Improvement Fund shall be used solely for the purpose of replacing any portion of the System that has become worn out or inadequate for the rendition of efficient service and of constructing or acquiring Capital Improvements. Whenever the moneys on deposit in the Improvement Fund shall equal or exceed \$33,000, the County may discontinue making further payments therein, but whenever and as often as any of said moneys are used to such an extent that the amount thereof remaining on deposit therein shall be less than \$33,000, then the County shall resume monthly payments therein, out of the moneys remaining in the Revenue Account after compliance with the then applicable provisions of Sections 9.1, 9.2, 9.3 and 9.4 hereof, at the rate of \$275.00 per month until such time as the total of the moneys on deposit in the Improvement Fund shall again equal or exceed \$33,000. So long as the County shall not be in default hereunder, the moneys forming a part of the Improvement Fund may be withdrawn by the County from time to time as the Commission in its sound discretion deems it advantageous to the System that such withdrawal be made for use for any purpose for which the Improvement Fund was created.

Section 9.6 Disposition of Surplus Revenues. After compliance with the then applicable provisions of Sections 9.1 to 9.5 hereof, the balance remaining in the Revenue Account on the last day of each calendar month shall, to the extent necessary, be paid into the Bond Fund, the Operation Fund, the Reserve Fund and the Improvement Fund, in the order named, for the purpose of making good and delinquency of deficit existing in any of said funds by reason of the failure to pay therein any amounts required to be paid herein by the provisions of Sections 9.2, 9.3, 9.4 and 9.5, respectively, of this Resolution. Thereafter and while all monthly payments herein provided to be made into the Bond Fund, the Operation Fund, the Reserve Fund and the Improvement Fund are current and each of the Special Funds is in a current condition, the balance remaining on deposit in the Revenue Account on the last day of each calendar month may be withdrawn by the County and used for any lawful purpose.

Section 9.7 Determination of Adequacy of Reserve Fund and Improvement Fund Provisions. The Commission hereby determines that \$66,000 constitutes a reasonable reserve for payment of the principal of and the interest on the Series 1977 Bonds and that 120 months constitutes a reasonable period within which such reserve shall be built up. The Commission hereby further determines that \$33,000 constitutes a reasonable reserve for Capital Improvements, betterments and extensions to the System and that 120 months constitutes a reasonable period within which such reserve shall be built up.

Section 9.8 Security for Special Funds. The moneys at any time on deposit in the Revenue Account, the Bond Fund, the Operation Fund, the Reserve Fund and the Improvement Fund shall be and at all times remain public funds impressed with a trust for the purposes for which said account and funds were respectively created. The depository for each shall at all times keep the moneys on deposit in that or those of the Special Funds for which it is depository continuously secured, for the benefit of the County and the holders of the Bonds, either:

(a) by holding on deposit, as collateral security, Federal Securities, or other marketable securities eligible as security for the deposit of trust funds under regulation of the Comptroller of the Currency, having a market value (exclusive of accrued interest) not less than the amount of moneys on deposit in the Special Fund being secured, or

(b) if the furnishing of security in the manner provided by the foregoing clause (a) of this Section 9.8 is not permitted by the then applicable laws and regulations, then in such other manner as may be required or permitted by the then applicable state and federal laws and regulations respecting the security for, or granting a preference in the case of, the deposit of trust funds;

provided however, that it shall not be necessary for any such depository so to secure any portion of the moneys on deposit in any such account or fund that is insured by the Federal Deposit Insurance Corporation or by any agency of the United States of America that may succeed to its functions.

Section 9.9 Investment of Reserve Fund and Improvement Fund Moneys. So long as the County shall not be in default hereunder, it may at any time and from time to time at its option cause any or all of the moneys in the Reserve Fund and the Improvement Fund to be invested in any Federal Securities. In the event of any such investment, such securities, together with all income therefrom, shall become a part of the fund from which moneys were used to make such investment and shall be held by the depository therefor to the same extent as if they were moneys on deposit therein. The County may likewise from time to time cause any such securities to be sold or otherwise converted into cash, and the depository for the Reserve Fund may cause any such securities forming a part of the Reserve Fund to be sold or otherwise converted into cash if and to the extent that such sale or conversion is necessary to obtain funds to prevent a default in payment of the principal of or the interest on the Bonds. In the event of any such sale or conversion, the net proceeds derived therefrom shall become a part of the fund of which such securities formed a part. The depository for any such fund shall be fully protected in making any such investment, sale or conversion of any such securities upon directions given in a Resolution, and the depository for the Reserve Fund shall be fully protected in making any sale or conversion into cash of securities forming a part of the Reserve Fund without such a Resolution if in its sole discretion it deems such sale or conversion necessary to obtain funds to prevent a default in payment of the principal of or the interest on the Bonds. In the event of any of said moneys shall be so invested it shall not be necessary for the depository therefor to secure any such investment (in any case where security for such moneys might otherwise be required) so long as such moneys shall remain so invested. In any determination of the amount of moneys at any time forming a part of the Reserve Fund or the Improvement Fund, all such securities in which any portion of said funds is at the time so invested shall be included in the appropriate fund at their then market value.

MINUTES, LIMESTONE COUNTY COMMISSION, SEPTEMBER 6, 1977

Section 9.10 Continuance of Special Funds; Conditions under which Maintenance of Special Funds May Be Suspended. The Special Funds shall be continued until all the principal of and the interest on the Bonds have been paid; provided that the County may withdraw the moneys and securities at the time in the Revenue Account, the Bond Fund, the Operation Fund, the Reserve Fund and the Improvement Fund and use the same for any lawful purpose if there shall be placed on file in the office of the Chairman of the Commission, at the time of or prior to such withdrawal, each of the following:

- (a) A trust agreement making provision for the retirement of all the Bonds then outstanding by creating for such purpose an irrevocable trust fund sufficient to provide for payment and retirement of all such Bonds (including payment of the interest that will mature thereon until and on the dates they retired, as such interest becomes due and payable), either by redemption prior to their respective maturities or by payment of part thereof at their respective maturities and redemption of the remainder prior to their respective maturities, which said trust fund shall consist of (i) Federal Securities which are not subject to redemption prior to their respective maturities at the option of the issuer and which, if the principal thereof and the interest thereon are paid at their respective maturities, will produce funds sufficient to provide for payment and retirement of all the Bonds, or (ii) both cash and such Federal Securities which together will produce funds sufficient for such purpose, or (iii) cash sufficient for such purpose;
- (b) A certified copy of a Resolution calling for redemption those of the Bonds that, according to said trust agreement, are to be redeemed prior to their respective maturities;
- (c) Evidence that notice of such redemption has been given pursuant to the requirements of Article VII hereof or that irrevocable powers for the giving of such redemption notice have been conferred on the bank or trust company holding the said trust fund, and
- (d) an opinion of Independent Counsel whose opinions respecting the validity of securities issued by or on behalf of political subdivisions of states are nationally recognized, to the effect that effectuation of the trust agreement referred to in the preceding subsection (a) will not result in subjecting to Federal income taxation generally the interest income on any of the then outstanding Bonds.

So long as the said trust fund shall continue sufficient for the said purposes for which it is created, the County may discontinue making any further payments into the Special Funds, but the County may not thereafter issue any of the Additional Bonds. Any such trust agreement shall be between the County and a bank or trust company which is qualified to administer trusts and is also a member of the Federal Reserve System or of any other agency of the United States of America, if there be any such agency, that may succeed to its function.

Section 9.11 Depositories for Special Funds. The Commission may at any time and from time to time designate any banking institution or institutions as depository or depositories for the Revenue Account, the Bond Fund, the Operation Fund, the Reserve Fund and the Improvement Fund, provided that each such depository so designated shall at all times while acting as such be and remain a member of the Federal Deposit Insurance Corporation or of any agency of the United States of America that may succeed to its functions, if there be any such, and shall be and remain duly qualified and doing business in the State of Alabama. Each such depository shall be fully protected in paying out moneys from the account or fund for which it is the depository on checks, vouchers or drafts signed by any duly authorized officer, employee or agency of the County, and no such depository shall be liable for the misapplication by the County of any moneys so withdrawn if such moneys shall be so withdrawn without knowledge or reason on the part of such depository to believe that such disbursement constitutes a misapplication of funds.

ARTICLE X

PARTICULAR COVENANTS OF
THE COUNTY

Section 10.1 To Pay the Bonds. To Comply with Certain Agreements, Laws, Etc. The County will pay, out of the revenues derived from the operation of the System, the principal of and the interest on the Bonds as specified herein, and it will otherwise perform all obligations, which, either expressly or by reasonable implication, are imposed on it in this Resolution and will not default hereunder. Further, the County will perform and comply with, in every respect, (a) any Loan Agreement that it may have with the United States of America (acting by and through the Farmers Home Administration, United States of America) or any other governmental agency, and (b) all applicable state laws and regulations. The County agrees, without in any way limiting the generality of the foregoing, faithfully to do and perform, in the manner and at the times therein provided, all acts required in Subdivision 3 of Article 2 of Chapter 6 of Title 37 of the Code of Alabama of 1940, as amended (under and pursuant to the provisions of which the Series 1977 Bonds are issued) to be done and performed by it.

Section 10.2 To Maintain Proper Books and Records and to Furnish Annual Audits. The County will maintain complete books and records pertaining to the System and all receipts and disbursements with respect thereto, which shall be kept separate and apart from all other records of the County. The County will operate the System on a fiscal year basis, each Fiscal Year to comprise the period beginning on October 1 of one calendar year and continuing until and including September 30 in the following calendar year. The County will, within sixty (60) days following the close of each Fiscal Year, cause an audit of its books for such fiscal year to be made by an Independent Auditor. Each such audit, in addition to whatever matters may be thought proper by the auditor to be included therein, shall include the following matters with respect to the System: (a) a statement in reasonable detail of the revenues and expenditures during such Fiscal Year; (b) a balance sheet as of the end of such Fiscal Year; (c) a statement analyzing each of the Special Funds, including all deposits and withdrawals therefrom the balances in each of the Special Funds at the beginning and ending of the Fiscal Year; (d) the auditor's comments regarding the manner in which the County has carried out the requirements hereof, and the auditor's recommendations for any changes or improvements in the operation of the System; (e) a statement showing the schedule of rates charged for each class of service at the end of such Fiscal Year; (f) a list of the names and titles of the officers of the County at the end of such Fiscal Year; (g) a general comment concerning any event or circumstance that might materially affect the financial status of the System; (h) a list

MINUTES, LIMESTONE COUNTY COMMISSION, SEPTEMBER 6, 1977

of the insurance policies and fidelity bonds in force with respect to the System at the end of each Fiscal Year, setting out with respect to each such policy the amount thereof, the risk covered, the name of the insurer and the expiration date of the policy; and (i) the following information as of the end of each Fiscal Year as the same shall be disclosed by the records of the County without any requirement for physical verification thereof: the number of properties connected to and served by the System and the number of customers of the System. All expenses incurred in the making of each such audit shall constitute and be paid as an Operating Expense. Within one hundred twenty (120) days following the end of each Fiscal Year, the County will furnish a copy of such an audit with respect to that Fiscal Year to the original purchaser or purchasers of each series of the Bonds from the County and to the holder of any of the Bonds who has prior thereto filed with the County a written request therefor, and each of them is granted the right to discuss the contents of the audit with the auditor making the same and to secure from the auditor such additional information respecting the matters herein or therein set out as may be reasonably required.

Section 10.3 To Furnish No Free Service. The County will not furnish or permit to be furnished by or from the System any free water or other free service of any kind to any incorporated municipality or county or to any agency, instrumentality, person, firm or corporation whatsoever. The County will levy charges for all water or water service of any kind furnished from the System at the rates at the time established therefor. The reasonable cost and value of all water or water service rendered to the County from the System shall be charged against the County and paid for from current funds of the County, monthly as the said services are furnished to the County.

Section 10.4 To Maintain Adequate Rates. The County will make and maintain such rates and charges for water and water service supplied from the System and will make collections from the users thereof in such manner and shall produce revenues sufficient (a) to provide for payment of the principal of and the interest on the Bonds as and when the same become due and payable, (b) make the payments into the Bond Fund required herein, (c) to provide for payment of Operating Expenses, (d) to build up a reserve for depreciation of the System, and (e) to build up a reserve for improvements, betterments and extensions to the System (other than those necessary to maintain the same in good repair and working order). The County will make from time to time such increases and other changes in such rates and charges as may be necessary to produce said amounts. Each schedule of rates shall provide that all charges for water and water service supplied from the System shall become due not less often than once during each calendar month.

Section 10.5 To Continue Operation of the System. The County will continuously operate the System, or cause the same to be operated, so long as the principal of or the interest on any of the Bonds remain unpaid, and it will keep the same in good repair and in efficient operating condition, making from time to time all necessary repairs and replacements thereto and thereof. If the laws of Alabama at the time shall permit such action to be taken, nothing contained in this Section 10.5 shall prevent the transfer of the System as an entirety to any municipal or public corporation or entity having corporate authority to carry on the business of operating the System, provided that upon any such consolidation, merger or transfer, the due and punctual payment of the principal of and the interest on the Bonds according to their tenor and the due and punctual performance and observance of all the agreements and conditions provided in this Resolution to be kept and performed by the County shall be expressly assumed in writing by the corporation to which the System shall be transferred as an entirety; and provided further, that such transfer shall not cause or result in any mortgage or other lien being affixed to or imposed on or becoming a lien on the System or on the revenues therefrom that will be prior to the lien of the pledge herein made for the benefit of the Bonds. Nothing herein contained shall prevent the County from hereafter disposing of any property (or interest therein) forming a part of the System if such property (or interest therein) is worn out, obsolete, unnecessary or undesirable in the operation of the System.

Section 10.6 To Respect Priority of Pledge of Revenues. The pledge of the revenues derived from the operation of the System herein made shall be prior and superior to any pledge thereof hereafter made for the benefit of any securities hereafter issued or any contract hereafter made by the County, other than Additional Bonds issued under the provisions of Article IV hereof, and the County will, in the event it should hereafter issue any securities, other than such Additional Bonds, or make any contract payable out of the revenues from the operation of the System or for which any part of said revenues may be pledged or any part of the System may be mortgaged, recognize in the proceedings under which any such securities or any such contract are hereafter authorized the priority of the pledge of said revenues made herein for the benefit of the Bonds.

Section 10.7 To Keep System Free from Prior Liens. The County will keep the System free from all liens and encumbrances prior to the pledge herein made (other than Permitted Encumbrances) but it may defer payment pending the bona fide contest of any claim unless by such action any part of the System shall be subject to loss or forfeiture, in which event any such payment then due shall not be deferred. Nothing herein contained shall be construed to prevent the County from hereafter purchasing additional property on conditional or lease sale contract or subject to vendor's lien or purchase money mortgage, and as to all property so purchased the pledge herein made shall be subject and subordinate to such conditional or lease sale contract, vendor's lien or purchase money mortgage.

Section 10.8 To Permit Inspection of the System by Bondholders. The County will permit the Holder of or Holders of any of the Bonds to inspect, at any reasonable time, any and every part of the System and the books and records of the County appertaining thereto and will assist in furnishing facilities for such inspection.

Section 10.9 To Warrant Title. The County warrants its title to each and every part of the System presently in existence as being free and clear of every lien, encumbrance, trust or charge prior hereto, other than Permitted Encumbrances, warrants that it has power and authority to subject the System and the revenues therefrom to the lien of the pledge herein made and that it has done so hereby, and warrants that said revenues are not subject to any lien or charge that is prior to the charge thereon created herein for the benefit of the Bonds.

MINUTES, LIMESTONE COUNTY COMMISSION, SEPTEMBER 6, 1977

Section 10.10 No Competing Systems. The County will not consturct or operate another water works system in the territory that is directly served by the System, or any other water works system which shall be in direct competition with the business conducted by the County through the System.

Section 10.11 Par Clearance. All remittances of principal of and interest on the Bonds and the Coupons to the Holders thereof shall be made at par without any deduction for exchange or other costs, fees or expenses. The bank or banks at which the Bonds or the Coupons shall at any time be payable shall be considered, by acceptance of their duties hereunder, to have agreed that they will make or cause to be made, out of the moneys supplies to them for that purpose, remittances of principal and interest on the Bonds and the Coupons to the Holders thereof in bankable funds at par without any deduction for exchange or other costs, fees or expenses. The County will pay to such bank or banks all reasonable charges made and expenses incurred by them in making such remittances in bankable funds at par.

Section 10.12 Statutory Mortgage Lien Created. The County hereby creates a statutory mortgage lien upon the System to and in favor of the Holders of the Series 1977 Bonds, and each of them, without priority or preference of any Series 1977 Bond over another, which lien shall take effect immediately upon the delivery of any of the Series 1977 Bonds; provided however, that said statutory mortgage lien shall not be construed to give any authority to compel the sale of the System or any part thereof at a foreclosure sale, and no foreclosure proceedings shall ever be had with respect to the System or any part thereof under the authority of this Resolution. The Chairman of the Commission if hereby directed, promptly following the sale and issuance of the Series 1977 Bonds, to file in the office of the Judge of Probate of Limestone County, Alabama, a notice containing a brief description of the System and of the Series 1977 Bonds and a declaration that said statutory mortgage lien has been created for the benefit of the Holders of the Series 1977 Bonds and Coupons appurtenant thereto. The County hereby expressly reserves the privilege of creating a statutory mortgage lien or liens upon the System for the benefit of any of the Additional Bonds that may hereafter be issued, which such statutory mortgage lien or liens for the benefit of any of the Additional Bonds shall be on a parity with the statutory mortgage lien created in this Section 10.12 for the benefit of the Series 1977 Bonds.

ARTICLE XI

PROVISIONS RESPECTING INSURANCE

Section 11.1 Insurance on the System. The County will keep all above-ground structures forming a part of the System, as well as all other insurable portions of the System that are of a character and type customarily insured by organizations operating a business similar to the System, insured in responsible insurance companies against loss by fire, including extended coverage, tornado and windstorm, to the extent of the full insurable value thereof. All proceeds of such insurance shall be applied by the County to the repairing or restoration of the property damaged or destroyed or to the acquisition or construction of other property useful in the operation of the system.

Section 11.2 Other Insurance. The County will also carry

(a) insurance against liability for the death of or injury to persons, and for damage to property of others, resulting from the operation of the System, and

(b) workmen's compensation insurance,

in such amounts and to such extent as is customarily carried by like organizations engaged in the business of operating properties similar to the System in size and character.

Section 11.3 Fidelity Bonds. The County will at all times carry fidelity bonds on all of its officers and employees who may handle funds of the County appertaining to the System, such bonds to be in the amount of \$10,000 each or such amounts as are customarily carried by organizations engaged in the business of operating properties similar to the System in size and character, whichever is the larger.

ARTICLE XII

EVENTS OF DEFAULT AND
REMEDIES OF BONDHOLDERS

Section 12.1 Events of Default Defined. Any of the following shall constitute default hereunder by the County:

(a) Failure by the County to pay the principal of or the interest on any of the Bonds when such principal and interest respectively become due and payable, whether by maturity or otherwise;

(b) Failure by the County to perform any of the agreements on its part herein contained (other than payment of the principal of and interest on the Bonds and the Coupons) after thirty (30) days' written notice to it of such failure made by the Holders of twenty-five percent (25%) of the Bonds then outstanding; or

(c) Appointment by a court having jurisdiction of a receiver for all or a substantial part of the System, or the approval by a court of competent jurisdiction of any petition for reorganization of the System or rearrangement or readjustment of the obligations of the County under any provisions of the federal Bankruptcy Act.

Section 12.2 Remedies on Default. Upon any default by the County in any one of the ways defined

MINUTES, LIMESTONE COUNTY COMMISSION, SEPTEMBER 6, 1977

in Section 12.1 hereof, the Holders of the Bonds and the Coupons shall have the following rights and remedies:

(a) Acceleration. The Holders of a majority in principal amount of the Bonds then outstanding may, by written notice to the County, declare the principal of all the Bonds forthwith due and payable, and thereupon they shall so be, anything herein or therein to the contrary notwithstanding. If, however, the County shall make good that default and every other default hereunder (except the principal so declared payable), with interest on all overdue payments of principal and interest, then the Holders of a majority in principal amount of the then outstanding Bonds, by written notice to the County, may waive such default and its consequences, but no such waiver shall affect any subsequent default or right relative thereto.

(b) Suits at Law or in Equity. The Holder of any Bond or Coupon is empowered (i) to sue on such Bond or Coupon, (ii) by mandamus, suit or other proceeding, to enforce all agreements of the County herein contained, including the fixing of rates, the collection and proper segregation and application of the revenues derived from the operation of the System, (iii) by action or suit inequity, to require the County to account to the Holders of the Bonds as if it were the trustee of an express trust for the said Holders of the Bonds, and (iv) by action or suit in equity, to enjoin any act or things which may be unlawful or a violation of any of the rights of the Holders of the Bonds created in this Resolution.

(c) Receivership. The Holder of any Bond or Coupon shall be entitled to and shall have, regardless of the sufficiency of any security or the availability of any other remedy, the right to seek, in any court of competent jurisdiction, the appointment of a receiver to administer and operate the System and to perform the covenants on the part of the County herein contained. Any receiver so appointed shall be entitled to take over and administer all of the following then on hand which shall be applicable to the System: Cash on hand or on deposit, accounts and notes receivable, stocks, evidences of indebtedness; choses in action, customers' service and extension deposits, and water and other property held for sale in the ordinary course of business or for consumption in the operation of the System.

Nothing herein contained, however, shall be construed to give any authority to the Holders of any of the Bonds or coupons to compel a sale of the System or any part thereof, and no foreclosure proceedings or sale shall ever be had with respect to the System or any part thereof under the authority of this Resolution.

Section 12.3 Disposition of Receivership Moneys. Any moneys received from the operation of the System by a receiver appointed pursuant to the provisions of subsection (c) of Section 12.2 hereof shall be applied to the payment of the following items in the following order:

(a) All costs of the receivership, including receiver's fees and the fees and charges of his attorneys and the costs of administration and operation of the System and the maintenance thereof in good repair and good working order;

(b) All due and unpaid installments of interest on the Bonds, in the order of the maturity of such installments, with interest on overdue installments of interest;

(c) All amounts of the principal of the Bonds which are due (whether by maturity or otherwise) and unpaid, with interest on all overdue principal, payment thereof to be made to the Holders of the Bonds then outstanding, pro rata and without any preference or priority whatever;

(d) All amounts required by this Resolution to be paid into the Special Funds, in order that there shall be on deposit in each of the Special Funds the amount at the time required to be maintained therein and that each of the Special Funds shall be in a current condition; and

(e) The surplus, if any there be, to the County.

Section 12.4 Delay No Waiver. No delay or omission by the Holders of the Bonds to exercise any available right, power or remedy hereunder shall impair or be construed as a waiver thereof or an acquiescence in the circumstances giving rise thereto; and every right, power or remedy given herein to the Holders of the Bonds may be exercised from time to time and as often as deemed expedient.

ARTICLE XIII

MISCELLANEOUS PROVISIONS

Section 13.1 Disclaimer of General Liability. It is hereby expressly made a condition of this Resolution that any agreements or representations herein contained or contained in the Bonds or the Coupons do not and shall never constitute a personal or pecuniary liability or charge against the general credit of the County, and in the event of a breach of any such agreement or representation no personal or pecuniary liability or charge payable directly or indirectly from the general revenues of the County shall arise therefrom. However, nothing contained in this Section 13.1 shall relieve the County from the observance and performance on its part herein contained.

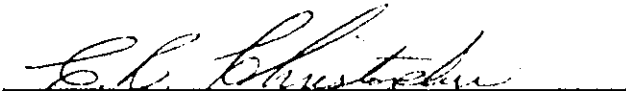

Section 13.2 Publication of Notice. The Chairman of the Commission is hereby authorized and directed to cause the following notice to be published once a week for two successive weeks in Athens News-Courier, which the Commission hereby finds and declares to be a Newspaper published and having general circulation in the County:

NOTICE OF PASSAGE OF RESOLUTION
BY
THE COUNTY COMMISSION OF
LIMESTONE COUNTY, ALABAMA

A resolution and order authorizing the issuance of \$1,118,600 principal amount of Water Revenue Bonds, North Limestone Water System, Series 1977, of Limestone County, Alabama, under the provisions of Title 37, Chapter 6, Article 2, Subdivision 3, of the Code of Alabama of 1940, as

MINUTES, LIMESTONE COUNTY COMMISSION, SEPTEMBER 6, 1977

amended, was duly passed by the County Commission of Limestone County, Alabama, on the 6th day of September, 1977, for the purpose of providing funds necessary to pay a portion of the costs of the construction of a water works system in the so-called North Limestone County area of said county and paying incidental costs in connection with said financing. The said bonds will be secured by a pledge of revenues derived from the operation of the said water works system. Any action or proceeding questioning the validity of said resolution and order must be commenced within thirty days after the first publication of this notice.

Chairman of the County Commission

Section 13.3 Provisions Constitute Contract. The provisions of this Resolution shall constitute a contract between the County and each Holder of the Bonds and the Coupons.

Section 13.4 Severability. The provisions of this Resolution are hereby declared to be severable. In the event any court of competent jurisdiction should hold any provision hereof to be invalid or unenforceable, such holding shall not invalidate or render unenforceable any other provision of this Resolution.

ARTICLE XIV

AGREEMENTS RESPECTING
CONSTRUCTION OF THE SYSTEM
AND SALE OF THE SERIES 1977 BONDS

Section 14.1 Construction of the System. The County will proceed continuously and with reasonable dispatch with the construction of the System, substantially in accordance with plans and specifications therefor prepared by Joe D. Worley & Associates, Engineers of Huntsville, Alabama. The County will complete such construction, including the acquisition of such real estate (or easements or other interests therein) as may be necessary therefor, as soon as may be practicable, delays incident to strikes, riots, acts of God and the public enemy and similar acts beyond the reasonable control of the County only excepted. The County will promptly pay, as and when due, all expenses incurred in and about the construction of the System, and it will not suffer or permit any mechanics' or materialmen's liens which might be filed or otherwise claimed or established upon or against the System or any part thereof, and which might be or become a lien thereon, to remain unsatisfied and undischarged for a period exceeding thirty (30) days after the filing or establishment thereof; provided however, that the County may in good faith contest any such mechanics' or materialmen's lien claims so filed or established and, in the event that such lien claims are so contested, may permit the mechanics' or materialmen's liens so contested to remain unsatisfied and undischarged during the period of such contest and any appeal therefrom, irrespective of whether such period extends beyond the thirty (30) day period after the filing or establishment of such liens, unless by such action the title of the County to any part of the System shall be materially endangered or the System (or any part thereof) shall be subject to loss or forfeiture, in which event such mechanics' or materialmen's liens shall be satisfied prior to the expiration of said thirty (30) day period.

Section 14.2 Application of Proceeds from Sale of the Series 1977 Bonds. The entire proceeds derived by the County from the sale of the Series 1977 Bonds shall be applied, promptly following the receipt by the County of such proceeds, for the following purposes only and in the following order:

(a) payment into the Bond Fund of any accrued interest and premium received on the sale of the Bonds; and

(b) Application of the balance of said proceeds for payment of the principal of the Bond Anticipation Notes; provided, that any proceeds from the sale of the Series 1977 Bonds remaining after payment of the entire principal of and all interest on the Bond Anticipation Notes shall be paid into the Bond Fund.

Section 14.3 Contractor's Surety Bonds. The County will cause each contractor with whom it enters into a contract for construction of all or any part of the System to deposit with it a surety bond signed by a surety company authorized to do business in the State of Alabama guaranteeing to the County the performance of such contract, the completion of the work provided for therein and payment of all bills incurred thereunder for materials and labor.

Section 14.4 Sale of Series 1977 Bonds; Form of Official Invitation for Bids. The Series 1977 Bonds shall be offered for public sale on sealed bids on September 19, 1977. The Chairman of the Commission is hereby authorized and directed to cause an Official Invitation for Bids to be published once a week for two successive weeks in Athens News Courier, a Newspaper published and having general circulation in the County, the first of said publications to be at least ten (10) days before the date of said sale. The said Official Invitation for Bids shall be in substantially the following form:

OFFICIAL INVITATION FOR BIDS

LIMESTONE COUNTY, ALABAMA

\$1,118,600

WATER REVENUE BONDS
North Limestone Water System
Series 1977

DATED JANUARY 1, 1977

MINUTES, LIMESTONE COUNTY COMMISSION, SEPTEMBER 6, 1977

LIMESTONE COUNTY, ALABAMA, a political subdivision of the State of Alabama (herein called "the County"), invites sealed bids for the purchase from it of \$1,118,600 principal amount of its Water Revenue Bonds, North Limestone Water System, Series 1977, to be dated January 1, 1977 (herein called "the Bonds"), until 9:15 O'clock, A.M. Central Daylight Time, on Monday,

S E P T E M B E R 19, 1977

The Bonds will consist of one thousand one hundred nineteen coupon bonds, registrable as to principal only, will be in the denomination of \$1,000 each, with the exception of said coupon bond numbered 1, which shall be in the denomination of \$600, will be numbered from 1 to 1119, inclusive, and will mature in their numerical order on January 1 in the following principal amounts and years:

Year	Amount	Year	Amount
1980	\$15,600	1999	\$30,000
1981	16,000	2000	30,000
1982	16,000	2001	32,000
1983	17,000	2002	32,000
1984	17,000	2003	34,000
1985	18,000	2004	34,000
1986	18,000	2005	36,000
1987	20,000	2006	36,000
1988	20,000	2007	36,000
1989	22,000	2008	38,000
1990	22,000	2009	38,000
1991	23,000	2010	40,000
1992	23,000	2011	40,000
1993	24,000	2012	42,000
1994	24,000	2013	42,000
1995	26,000	2014	42,000
1996	26,000	2015	44,000
1997	28,000	2016	44,000
1998	28,000	2017	45,000

Those of the Bonds having stated maturities in 1988 and thereafter will be subject to redemption and payment prior to their respective maturities at the option of the County, as a whole or in part (but if in part, in their inverse numerical order), after notice published at least one time not less than thirty days prior to the date fixed for redemption, on January 1, 1987, and on any interest payment date thereafter, at and for a redemption price, with respect to each Bond redeemed, equal to the face value thereof plus accrued interest thereon to the date fixed for redemption and a premium of one year's interest thereon, computed at the coupon rate thereof. Interest on the Bonds will be payable annually on each January 1. The principal of and the interest on the Bonds will be payable, with par clearance guaranteed, at the principal office of Central Bank of Alabama, N.A., Decatur, Alabama. If one person, firm or corporation is the successful bidder for all the Bonds, the Bonds may, at the option of such person, firm or corporation, be initially issued as one fully registered bond dated the date of its issuance and exchangeable for coupon bonds as specified above, but not thereafter subject to reconversion into fully registered form.

The Bonds, which will be issued for the purpose of providing for the permanent financing of a portion of the costs of constructing a water works system in the so-called "North Limestone County" area of the County, will be payable solely from the revenues derived from the operation of the said water works system (which is herein called "the System") and will be secured by a pledge of such revenues.

The resolution authorizing the Bonds authorizes the County to issue "Additional Bonds," secured on a parity with those offered hereby, without express limit as to principal amount, but only upon compliance with the several conditions and requirements therein contained and only for the purposes therein specified. The said resolution also contains provisions similar to those customarily included in bond resolutions of Alabama public agencies relating to bonds such as those offered hereby, including provisions requiring payment of the revenues derived from the operation of the System into special funds created for debt service, debt service reserve and replacement and extension, and provisions requiring maintenance of adequate rates, annual audits and insurance on physical properties.

Each bidder shall state in his bid

- (1) the dollar price he will pay for the Bonds, which must be not less than the face value thereof plus accrued interest thereon from their date to the date of delivery thereof, and
- (2) the annual rate or rates of interest to be borne by the Bonds, subject to the following qualifications: (a) all Bonds having the same maturity must bear the same rate of interest throughout their life; (b) all interest on any Bond payable on any interest payment date must be evidenced by a single coupon; and (c) no rate named may exceed 5%.

The Bonds will be awarded to the bidder or bidders offering to purchase them at the lowest net interest cost to the County, computed from their date to their respective maturities; provided that the County reserves the right to reject any or all bids; and provided further that if the same lowest net interest costs is reflected by more than one bid, the Bonds will be awarded to the bidder offering to pay the highest dollar price therefor. The lowest net interest cost will be determined by aggregating the total amount of interest payable on the Bonds from their date until their respective maturities, computed at the rate or rates specified in such bid, and deducting therefrom the amount of any premium reflected by such bid. No bid will be considered for less than all the Bonds. If the County does not receive any acceptable bid for the Bonds in response to, and meeting the requirements of, this invitation, it proposes to sell and award the Bonds at private sale to Farmers Home Administration, an agency of the United States of America, at their par or face value in which case the per annum interest rate for the Bonds will be fixed at 5% and they will be dated the date of their issuance, rather than January 1, 1977.

Each proposal must be accompanied by a certified check or a cashier's check in the amount of 2% of the face value of the Bonds, which check shall be payable to order of the County and drawn on a bank having membership in the Federal Reserve System. No interest will be allowed on any

MINUTES, LIMESTONE COUNTY COMMISSION, SEPTEMBER 6, 1977

such checks. The checks of the unsuccessful bidders will be returned promptly following the award of the Bonds. The check of the successful bidder will be retained by the County as security for the performance of the successful bid and at the time the sale is consummated will either be returned or applied on the purchase price of the Bonds, at the option of the County.

The Bonds will be delivered as a whole against payment thereof in bankable funds in Birmingham, Alabama, as soon after the award thereof as the Bonds and the supporting documents may be prepared, and will be accompanied by the customary closing papers reciting that there is no litigation pending affecting the validity of the Bonds. The County will furnish to the successful bidder, without cost, the printed Bonds and the legal opinion of Messrs. Johnson North Haskell & Slaughter, Bond Counsel of Birmingham, Alabama, approving the validity of the Bonds and stating in substance that under existing statutes, regulations and decisions, the interest income on the Bonds is exempt from the Federal income tax. No conditional bids will be considered, except that all bids will be construed as having been conditioned upon the provisions of this Official Invitation for Bids.

All bids must be filed with the undersigned on or prior to 9:15 o'clock, A.M., Central Daylight Time, on September 17, 1977, at which time all bids will be publicly opened and read at the Limestone County Courthouse in Athens, Alabama. If any bid is accepted, such acceptance will be made on the same date and at the same place.

MINUTES, LIMESTONE COUNTY COMMISSION, SEPTEMBER 19, 1977

The Limestone County Commission met in a regular session on Monday, September 19, 1977, at the Limestone County Courthouse Annex, South Jefferson Street, Athens, Alabama. Present were members Terry Bottom, Elam B. Hamilton, Dave E. Davis and Mark Barnes. Charles R. Christopher, Chairman, presided over the meeting. The minutes of the preceding meeting were read and approved.

THE CHAIRMAN stated that the hour of 9:15 o'clock, A.M., Central Daylight Time, having arrived, this was the date, time and place fixed for the opening of such sealed bids as the County had received for the purchase of its \$1,118,600 in principal amount Water Revenue Bonds, North Limestone Water System, Series 1977, to be dated January 1, 1977. The Chairman then reported that the County had received no qualified bids therefore, it (the Farmers Home Administration) would purchase the Bonds, bearing interest at the rate of 5% per annum, from the County and for a purchase price equal to the par or face amount thereof.

COMMISSIONER Christopher thereupon introduced the following resolution and order in writing:

BE IT RESOLVED AND ORDERED by the LIMESTONE COUNTY COMMISSION (herein called "the Commission") as follows:

Section 1. The Commission, which is the governing body of Limestone County, Alabama (herein called "the County"), hereby finds, declares and determines that there was published in Athens News-Courier, a newspaper published and having general circulation in the County, once a week for two successive weeks, an Official Invitation for Bids respecting the purchase from the County of \$1,118,600 principal amount of the County's Water Revenue Bonds, North Limestone Water System, Series 1977, to be dated January 1, 1977 (herein called "the Bonds"), which were authorized to be issued by a resolution and order adopted by the Commission on September 6, 1977; that the first of said two publications was at least ten days before September 19, 1977, that the Commission was, at 9:15 o'clock, A.M., C.D.T., on September 19, 1977 (the date and hour heretofore fixed, by said Official Invitation for Bids, for opening sealed bids for the Bonds), meeting in regular session at the Limestone County Courthouse Annex in the City of Athens, Alabama (the place heretofore fixed, by said Official Invitation for Bids, for opening sealed bids for the Bonds); and that as of such date and hour, the County had received no bids whatsoever for the Bonds in response to said Official Invitation for Bids.

Section 2. The Bonds shall bear interest from their date until their respective maturities at the rate of 5% per annum.

Section 3. The Bonds (which shall be issued as one fully registered bond in the denomination of \$1,118,600, dated the date of its issuance and delivery, payable to the order of United States of America, Farmers Home Administration, with the principal thereof and the interest thereon payable at the Finance Office of the Farmers Home Administration, United States Department of Agriculture, 1520 Market Street, St. Louis, Missouri 63103, and in the form prescribed in Section 3.3 of said resolution and order adopted by the Commission on September 6, 1977) are hereby sold and awarded to the Farmers Home Administration, an agency of the United States of America, at and for a purchase price equal to the face or principal amount thereof. The Chairman of the Commission and one other member of the Commission are hereby authorized and directed to execute the said fully registered bond, for and in the name and behalf of the Commission, and the seal of the Commission (which is the seal of the County) shall be affixed thereto, all in the manner provided in the said resolution and order adopted by the Commission on September 6, 1977. The said Chairman is further authorized and directed (a) to deliver the said fully registered bond to the said Farmers Home Administration upon the payment by the said Farmers Home Administration to the County of the sum of \$1,118,600, and (b) to apply said \$1,118,600 to payment and retirement of the principal of those of the County's Water Revenue Bond Anticipation Notes (North Limestone Water System), that shall be outstanding on the date of the delivery of the said fully registered bond to the said Farmers Home Administration.

ADOPTED AND APPROVED this 19th day of September, 1977

MINUTES, LIMESTONE COUNTY COMMISSION, SEPTEMBER 19, 1977

AGREEMENT

This Agreement, made this 19th day of September, 1977, by NORMAN T. COOPER & CO., INC. hereinafter called the Financial Consultant, and the COUNTY COMMISSION OF LIMESTONE COUNTY, ALABAMA, hereinafter called the Commission. The Financial Consultant shall perform services for the Commission as follows:

1. SCOPE OF SERVICES

The Financial Consultant agrees to furnish professional advice and assistance concerning the availability and location of Federal and State grant and Financial Programs that the Commission might be eligible to receive in order to further its Improvement Program. Such services shall include but not necessarily be limited to the following.

A. To examine the Commission's Programs and suggest any changes that might be needed to better meet the needs of the Commission.

B. To meet with the Commission to outline the suggested actions outlined in paragraph A. above. To attempt to develop goals on how to finance projects of the Commission through any and all State and Federal Agencies.

C. To meet with appropriate local, State or Federal Officials in order to discuss the needs of the Commission and explore all possible avenues open for meeting such needs.

D. To assist the Commission in the further development of its Industrial Program by attempting to obtain any and all available public grants and public loans if requested to do so by the Commission.

2. PAYMENT FOR FINANCIAL CONSULTANT SERVICES

A. The Financial Consultant agrees to perform services for the Commission as outlined in Section 1 for compensation as outlined below. All applications for grants and loans will be developed by Financial Consultant at cost.

B. To employ with the approval of the Commission an experienced County Planner to file for Grants in connection with any Projects proposed by the Commission.

C. Upon the Commission being approved for a Project as a result of the Financial Consultant's and Planner's services, to pay to the Planner an amount equal to a percentage of said Project or Projects as follows:

<u>Grant Amount</u>	<u>Fee Percent</u>
\$0 - \$50,000	8%
\$50,001 - \$100,000	7%
\$100,001 - \$500,000	6%
\$500,001 - Over	3%

3. PAYMENT TO FINANCIAL CONSULTANT

A. If it becomes necessary for the Commission to raise funds for its share on any Project or Projects, then such funds shall be borrowed from the Financial Consultant. The rate or rates of interest and the maturity date or dates are to be mutually satisfactory.

B. If it becomes necessary for the Commission to borrow funds for any Project where a Federal or State Grant is involved, or under any other circumstances, then the Commission is to pay to the Financial Consultant the sum of _____ per cent (____%) of the amount of the loan or loans made by the Commission. Payment is to be made simultaneously with delivery and payment for any loan or loans made by the Commission.

4. GENERAL

A. Compensation paid to the Financial Consultant shall not be paid out of any Grant money that may be obtained unless specifically authorized by the Body making the Grant available.

B. The Financial Consultant does not in any way guarantee or imply the availability or security of any State or Federal Grants or loans for improvements to facilities being or to be obtained by the Commission.

IN WITNESS WHEREOF, the parties hereto have set their hands and seal this 19th day of September, 1977.

MINUTES, LIMESTONE COUNTY COMMISSION, OCTOBER 3, 1977

The Limestone County Commission met in a regular session on Monday, October 3, 1977, at the Limestone County Courthouse Annex, South Jefferson Street, Athens, Alabama. Present were members Mark, Barnes, Terry Bottom, Dave E. Davis, and Elam B. Hamilton. Absent: None. Charles R. Christopher, Chairman, presided. The minutes of the preceding meeting were read and approved.

HARVEY SWANNER and WILLIAM L. GATLIN appeared before the Commission in regard to a Humane Society organization for the county. Mr. Christopher replied that the Humane Society is now county-wide. There is a law stating the counties must have a dog pound. The county appropriates to the City of Athens and they pick up dogs in the county upon complaint. Mr. Gatlin said he called the pound three times, but they never did come after the dog. It was brought out that they cannot pick up a dog if the dog has a rabies tag on him. Mr. Christopher said the state legislature will have to pass laws before we can do anything about this problem. Matt Russell stated that Mr. Swanner and Mr. Gatlin would like a county-owned shelter. This will not eliminate the problem with the laws, but the county will have their own buildings, etc. Mr. Gatlin asked how many counties operate a dog pound, apart from the cities. No one knew for certain. It was suggested that they call Tommy Carter about legislation to do something about this problem.

BIDS were opened on Proposal No. 511 (Prime Asphalt ST-1833-1)

No Bids

MOTION was made by Dave Davis and seconded by Mark Barnes to negotiate a bid since no bids were received.

MRS. NANCY AGNEW, WHEELER BASIN REGIONAL LIBRARY, expressed appreciation to Limestone County for the increased appropriation, but she is concerned about cutting service in Limestone County since they did not receive the \$2.00 per capita requested. She is requesting at least an additional \$7,339.00 or \$1.00 per capita in order to meet a budget that has been reworked. She stated the only alternative will be to curtail bookmobile service or the main library service. Mr. Christopher outlined the budget problems and informed Mrs. Agnew that we have trimmed everything we can. Mrs. Agnew said the \$2.00 per capita should be reached by 1980 in order to keep state revenues intact.

THE COMMISSION took no action on the bus drivers request for raincoats.

MOTION was made by Mark Barnes and seconded by Dave Davis to adopt the following resolution. All members voted for motion.

RESOLUTION OF LIMESTONE COUNTY COMMISSION

STATE OF ALABAMA)
LIMESTONE COUNTY)

WHEREAS, U. S. A. Oil, Inc., a corporation, delivers and sells gasoline with Limestone County, Alabama, and, has failed or refused to account for or pay the gasoline tax as authorized by Act No. 98, Local Acts of the Alabama Legislature, 1936; and,

WHEREAS, said U. S. A. Oil Company, Inc., a corporation, has failed or refused to respond to demands for accounting and payment;

NOW, THEREFORE, BE IT RESOLVED that the Chairman of the Limestone County Commission be, and he hereby is, instructed and authorized to have the County Attorneys institute legal proceedings in the name of the County against said U. S. A. Oil, Inc., a corporation, to secure accounting, payment of taxes, injunctive relief against further doing business in this County, or other appropriate legal sanctions.

MOTION was made by Terry Bottom and seconded by Elam B. Hamilton to execute the following options. All members voted for motion.

RESOLUTION OF LIMESTONE COUNTY COMMISSION

STATE OF ALABAMA)
LIMESTONE COUNTY)

WHEREAS, Limestone County, Alabama has heretofore sold five (5) acres of land of that tract known as the "Fairgrounds Property" to Dr. Charles W. Lambert, Thomas A. Dean, Dr. David J. Wilson, Dr. David W. Sexton, Ben Wilkinson, Dr. Gary W. Gross, Dr. Gates Eckford Murphy, Dr. James W. Smith, Polly P. Sanders, and Dr. Robert Peete, hereinafter referred to as PURCHASERS: and,

WHEREAS, said PURCHASERS have requested an option to purchase from Limestone County, Alabama an additional 4.73 acres of adjoining property, said property being generally described as being south and west of an extension of the east boundary of the said five acre tract heretofore sold, the exact description of same to be ascertained by survey of the Limestone County Engineer; and

WHEREAS, such 4.73 acres is not being used by Limestone County, Alabama, and it is not necessary for use by Limestone County, Alabama, and the sale of same would not be in the best interest of Limestone County, Alabama; and,

WHEREAS, \$15,000.00 per acre is a reasonable value of said 4.73 acres at this time, although there is a possibility of appreciation in value over the next year;

NOW, THEREFORE, BE IT RESOLVED by the Limestone County Commission that the Chairman be, and he hereby is, authorized to enter into an option contract for the sale of the aforesaid 4.73 acres of property with the PURCHASERS, which said option contract shall be upon the following terms and conditions:

MINUTES, LIMESTONE COUNTY COMMISSION, OCTOBER 3, 1977

1. The said 4.73 acres shall be described in said contract as aforesaid, and if the said option of the PURCHASERS is exercised, the exact and particular description of 4.73 acres shall be determined solely by the Limestone County Engineer.
2. The purchase price for the said 4.73 acres shall be paid, in cash, at time of delivery of deed, and shall be based upon a price of \$15,000.00 per acres, for a total of \$70,950.00 if, and only if, the option granted is exercised within 30 days of the date of its execution.
3. The option shall be granted for a period of one year from its date of execution, and the purchase price if the option is exercised after the expiration of 30 days from its execution date, shall be such value as is placed upon said 4.73 acres by a competent appraiser to be selected by the Chairman of the Limestone County Commission, but in no event shall the purchase price be less than said \$70,950.00.
4. The PURCHASERS shall pay to Limestone County, Alabama as the reasonable price for this option the sum of \$1,200.00 upon execution of same. If the option is exercised during the time it is in effect, the said \$1,200.00 so paid shall be applied to the purchase price, otherwise to be retained by Limestone County, Alabama for the option privilege.
5. If the purchasers exercise their right to purchase said 4.73 acres pursuant to this option, the conveyance of said 4.73 acres shall restrict the use of same for a period of 10 years from the date of the conveyance to medical, dental and related uses.
6. Liability of Limestone County, Alabama, or the Limestone County Commission, shall be limited to refund of the said \$1,200.00 option price should it be unable, for any reason, to execute valid deed of conveyance to the PURCHASERS free from encumbrance.
7. The PURCHASERS may exercise the option extended by notice in writing to the Chairman of the Limestone County Commission within the effective one year period of the option.

BE IT FURTHER RESOLVED that should the aforesaid option be exercised by the PURCHASERS, then, in such event, the Judge of Probate of Limestone County, Alabama, as provided by law, is instructed and authorized to execute warranty deed conveying the said 4.73 acres to PURCHASERS for the consideration as aforesaid.

MOTION was made by Dave Davis and seconded by Elam B. Hamilton to execute the following option. All members voted for motion.

RESOLUTION OF LIMESTONE COUNTY COMMISSION

STATE OF ALABAMA)
LIMESTONE COUNTY)

WHEREAS, Doug Maund, Dr. Stanley D. Hand and Dr. William S. Pennington, hereinafter referred to as Purchasers, have requested an option to purchase from Limestone County, Alabama, 2.51 acres of property in that tract owned by Limestone County, Alabama, known as the "Fairgrounds Property", said 2.51 acres being generally described as commencing at the intersection of Market Street and the east boundary of that tract heretofore sold to Dr. Charles W. Lambert, et al, and extending east along Market Street 150 feet, and thence parallel with the east boundary of the said Lambert, et al, property, to the south line of the said Fairgrounds Property, thence west with said south boundary to the intersection of an extension of the east boundary of the Lambert, et al, property; thence northerly along the extension of; and the east boundary of, the said Lambert, et al, property to the point of beginning; and

WHEREAS, such 2.51 acres is not being used by Limestone County, Alabama, and is not necessary for use by Limestone County, Alabama, and the sale of same would be in the best interests of Limestone County, Alabama; and

WHEREAS, \$15,000.00 per acre is a reasonable value for said 2.51 acres of land;

NOW, THEREFORE, be it resolved by the Limestone County Commission that the Chairman be, and he hereby is, authorized to enter into an option contract for the sale of the aforesaid 2.51 acres of property with the Purchasers, which said option contract shall be upon the following terms and conditions:

1. The said 2.51 acres shall be described in said contract as aforesaid, and if the said Option of the Purchasers is exercised, the exact and particular description of said 2.51 acres shall be determined solely by the Limestone County Engineer.
2. The purchase price for the said 2.51 acres shall be paid, in cash, at the time of delivery of deed, and shall be based upon a price of \$15,000.00 per acre for a total of \$37,650.00.
3. The Option shall be granted for a period of ninety (90) days from the date of execution of the option agreement.
4. The Purchasers shall pay to Limestone County, Alabama, as a reasonable price for this Option, the sum of \$300.00 upon execution of same. If the Option is exercised during the time it is in effect, the said \$300.00 so paid shall be applied to the purchase price, otherwise to be retained by Limestone County, Alabama, for the option privilege.
5. If the Purchasers exercise their right to purchase said 2.51 acres pursuant to this Option, the conveyance of said 2.51 acres shall restrict the use of same for a period of ten (10) years from the date of the conveyance to medical, dental, and related uses.

MINUTES, LIMESTONE COUNTY COMMISSION, OCTOBER 3, 1977

6. Liability of Limestone County, Alabama, or of the Limestone County Commission, shall be limited to refund of the said \$300.00 option price should it be unable, for any reason, to execute valid deed of conveyance to the Purchasers free from encumbrance.

7. The Purchasers may exercise the Option extended by notice in writing to the Chairman of the Limestone County Commission within the effective ninety (90) day period of the option.

BE IT FURTHER RESOLVED that should the aforesaid Option be exercised by the Purchasers, then, in such event, the Judge of Probate of Limestone County, Alabama, as provided by law, is instructed and authorized to execute Warranty Deed conveying the said 2.51 acres to Purchasers for the consideration as aforesaid.

MOTION was made by Elam B. Hamilton and seconded by Terry Bottom to authorize the chairman to have necessary repairs made on the Courthouse by the contractor or a private concern. All members voted for motion.

MOTION was made by Elam B. Hamilton and seconded by Terry Bottom to adopt the following 1977-1978 Budget. All members voted for motion.

MINUTES, LIMESTONE COUNTY COMMISSION, NOVEMBER 7, 1977

The Limestone County Commission met in a regular meeting on Monday, November 7, 1977. Present were members: C. R. Christopher, Terry Bottom, Mark Barnes, Elam B. Hamilton, and Dave E. Davis.

Jack Harper, of Soil Conservation Department appeared before the Commission concerning Resource Conservation and Development's project of road bank vegetation in Limestone County. Resource Conservation and Development can pay 75% of the work outlined in the survey of Limestone County. The project can be set up for a period of five or six years. The inventory presented the Commissioners has the number of roads, acres to be treated and cost of treating road banks. Estimated costs are as follows:

District 1	\$ 95,540.00
District 2	24,420.00
District 3	128,860.00
District 4	13,770.00
TOTAL	\$262,590.00

The money will not become available immediately, but they need the commissioner's priorities of roads to be considered and the plans will then be completed.

Sam MCclendon requested approval of Amendment No. 5 on the Swan Creek Watershed in order to increase rip-rap on this project. A new contract will be let on this rip-rap.

MOTION was made by Dave E. Davis and seconded by Elam B. Hamilton to authorize the Chairman to sign this amendment with the Soil Conservation Service.

MOTION was made by Mark Barnes and seconded by Dave E. Davis to adopt the following resolution concerning Pryor Field.

RESOLUTION OF LIMESTONE COUNTY COMMISSION

(State of Alabama)
(Limestone County)

Limestone County desires to make improvements on Pryor Field in order to improve its usage for current traffic and make it adequate for anticipated air traffic.

Improvements shall be those shown as "Phase I" of an Airport Master Plan prepared by Padgett & Dinning Engineering, Inc., of Montgomery, Alabama.

The County desires to obtain Federal Funds for the improvement of the airport under the Airport Development Aid Program of the Federal Aviation Administration.

The County resolves to hire the firm of Padgett & Dinning, Inc., Consulting Engineers, of Montgomery, Alabama to survey, design, prepare construction plans and specifications and supervise construction of said improvements at Pryor Field.

The above named firm shall prepare a Request for Aid to the F.A.A. and prepare and furnish all supporting data or documentation in accordance with F.A.A. requirements to obtain a grant of ninety percent (90%) of the cost of improvements at Pryor Field.

Limestone County further resolves to authorize Dr. Roland W. King, Chairman, Decatur-Athens Airport Authority Board to act for the County in the execution of all documents pertaining to the airport improvement, and to submit the Request for Aid to the Federal Aviation Administration.

All members voted for MOTION.

All members voted for MOTION.

MOTION was made by Elam B. Hamilton and seconded by Dave E. Davis to authorize the Chairman to sign a contract to sell the City of Elkmont water for a price of \$.50 per 1,000 gallons.

All members voted for MOTION.

MOTION was made by Terry Bottom and seconded by Dave E. Davis to take Thursday and Friday Holidays for Thanksgiving.

All members voted for MOTION.

Charles Durham and J. T. Collins appeared before the Commission.

Mr. Durham expressed his appreciation for the cooperation of the County Commission with the Salary Commission.

Mr. Collins outlined a proposal to hire a full-time county-wide industrial planner and requested an appropriation from Limestone County Commission in the approximate amount of \$9,000.00.

Mr. Durham outlined a job description for a full-time industrial planner and developer. The employment of a planner will keep down duplication of effort by local governments. This operation will have a Budget of approximately \$45,000.00. The city and county's share will be approximately \$9,000.00 each.

Mr. Christopher told the Commission that planning must be done so that we can be selective about new industry and not let our county be overrun with undesirable industry.

This employee will answer to a Committee of approximately 15 people elected each year.

MOTION was made by Terry Bottom and seconded by Elam B. Hamilton to commit \$9,000.00 if the balance of the money is raised. All members voted for MOTION.

MOTION was made by Dave E. Davis and seconded by Mark Barnes to haul dirt from G. F. Plant site to West Limestone School. All members voted for MOTION.

MOTION was made by Mark Barnes and seconded by Dave E. Davis to haul dirt from the G. F. Plant site to the Middle School. All members voted for MOTION.

MOTION was made by Elam B. Hamilton and seconded by Mark Barnes to pay damages caused by bush hog at Pittman's Store for a broken window.

All members voted for Motion.

MOTION was made by Terry Bottoms and seconded by Elam B. Hamilton to adjourn at 12:00 p.m. All members voted for MOTION.

MINUTES, LIMESTONE COUNTY COMMISSION, DECEMBER 5, 1977

The Limestone County Commission met in a regular meeting on Monday, December 5, 1977. Present were members: C. R. Christopher, Terry Bottom, Mark Barnes, Elam B. Hamilton, and Dave E. Davis.

MOTION was made by Dave E. Davis and seconded by Terry Bottom to approve minutes of the preceeding minutes. All members voted for MOTION.

MOTION was made by Dave E. Davis and seconded by Mark Barnes to appoint Mary Hand and Mack Maples to the Welfare Board. All members voted for MOTION.

Mr. George Moore, Coroner, requested transportation for the Coroners. He is unable to keep up a car on present salary and mileage. He requested the Commission consider purchase of a car, either new or second-hand. The Chairman advised him we will research the laws and also discuss it with the Salary Commission.

Jim Birch, County Engineer, advised the Commission on the funds for the off system. Off system funds expire September 1978. They would like the Commissioners to direct the projects to utilize these funds. These funds are 70-30. (1977-\$51,948.00; 1978-\$51,403.00).

MOTION was made by Terry Bottom and seconded by Dave E. Davis to increase mileage paid for use of private cars for County business from .12 to .15 effective December 1, 1977.

MOTION was made by Elam B. Hamilton and seconded by Dave E. Davis to adjourn at 10:30 a.m. All members voted for MOTION.

MINUTES, LIMESTONE COUNTY COMMISSION, DECEMBER 19, 1977

The Limestone County Commission met in a regular meeting on Monday, December 19, 1977. Present were members: C. R. Christopher, Terry Bottom, Mark Barnes, Elam B. Hamilton, and Dave E. Davis.

The minutes of the preceeding meeting were read and approved.

MOTION was made by Mark Barnes and seconded by Elam B. Hamilton to extend option to Doug Maund on Fairground property for 30 days until January 19, 1977.

All members voted for MOTION.

MOTION was made by Elam B. Hamilton and seconded by Terry Bottom to close courthouse for Christmas and New Year's on Friday and Monday and set first meeting in January on Tuesday instead of the first Monday.

All members voted for MOTION.

George Moore, Coroner, again requested additional mileage for his expenses. Mr. Christopher told him he had discussed this with Representative Carter and he agreed to increase mileage allowance through a local bill. Mr. Moore presented a breakdown of his car expense and he said he did not see how an increase in mileage rate will help unless it is a tremendous amount.

MOTION was made by Elam B. Hamilton and seconded by Terry Bottom to issue Purchase Order to Gordon Chrysler on Proposal No. 518 if they meet specifications.

MOTION was made by Mark Barnes and seconded by Elam B. Hamilton to adopt the following resolution:

RESOLUTION

WHEREAS, Bobby W. Thornton served Limestone County, Alabama as Tax Collector and Probate Judge until his service to his fellow-citizens was cut short by his untimely death on December 17, 1977,

WHEREAS, Bobby W. Thornton served the citizens of Limestone County well and ably, and

WHEREAS, Bobby W. Thornton was a friend to all the people and was untiring in his efforts to serve his county, and

WHEREAS, the undersigned, being the surviving Chairman and members of the Limestone County Commission of Limestone County, Alabama, each his close personal friends, having worked with him and fully appreciated how much he added to progress and well being in Limestone County, Alabama, and further understanding his contribution to Limestone County, desire to memorialize the late Bobby W. Thornton for his faithful service as Tax Collector and Probate Judge of Limestone County, Alabama.

BE IT FURTHER RESOLVED that a copy hereof be spread upon the minutes of the Limestone County Commission of Limestone County, Alabama as a perpetual record of their thanks to their late friend and associate for his faithful service.

BE IF FURTHER RESOLVED that a copy hereof be mailed to Mrs. Bobby W. Thornton, the surviving widow.

This sixteenth day of January, 1978.

/s/ Charles R. Christopher

Elam B. Hamilton, District 3
Dave E. Davis, District 4

MOTION was made by Dave Davis and seconded by Terry Bottom to issue Soland Tractor Company a purchase order for Proposal No. 519, Two Complete Tractors & Mowers, as they were the low bidder with desired specifications. Bids were as follows:

Soland Tractor Company	\$33,951.12 (Including interest)
North Ala. Ind. Equip Co.	33,752.42
Cowin Road Machinery Co.	No Bid
Valley Implement Company	25,000.00 (Does not meet specifications)

MOTION was made by Mark Barnes and seconded by Terry Bottom to authorize the Probate Judge to sign the deeds for the sale of fairground property to Doug Maund, Henry Pendleton and Stanley Hand for 2.51 acres at \$15,000.00 per acre and Charles Lambert, J. W. Smith, and Thomas W. Smith, etc. 4.6 acres at \$15,000.00 per acre. All members voted for motion.

THE CHAIRMAN advised the County Legislative Day will be February 2, 1978 in Montgomery, Alabama.

MOTION was made by Dave Davis and seconded by Elam B. Hamilton that expenses be paid for the commission to attend "Legislative Day". All members voted for motion.

MOTION was made by Elam B. Hamilton and seconded by Terry Bottom to authorize an expenditure of \$27,000.00 by the Pryor Field Airport Board for repairs. All members voted for motion.

MRS. ARNEDA HEATH presented a transportation report which was compiled with the help of T.V.A. She advised to Commissioner's there is \$50,000.00 available under Title V for Senior Citizens Centers or renovation of existing nutrition sites on a 75-25 match basis in cash. She recommends upgrading Pleasant Point and Goodsprings Centers or to renovate office space and move nutrition site to the Floral Hall. The chairman stated he did not think it is feasible to renovate the Floral Hall. She stated the proposal needs to be written and asked recommendations.

THE CHAIRMAN asked Mrs. Heath to secure estimates on the Pleasant Point and Goodsprings renovation.

THE CHAIRMAN advised the Commission that he checked on a used firetruck, but found none with low mileage. A new firetruck with a 750 gallon tank on a Ford F-750 with front mount pump, complete with hose, ladders, etc. is approximately \$27,000.00. The delivery will be 60 days after the purchase order is issued.

MOTION was made by Terry Bottom and seconded by Mark Barnes to adjourn at 10:55 a.m. All members voted for motion.

MOTION was made by Elam B. Hamilton and seconded by Dave E. Davis to issue Purchase Order to Shook & Fletcher on Proposal No. 520 as they were low bidder. All present members voted for motion.

MR. HENRY BLIZZARD introduced Mr. Floyd Herbert of Beechwood Subdivision. He was requesting the Commission do some work on the road which is impassible. His wife has to go to Huntsville for Chemotherapy and must travel this road daily. One citizen can't get material delivered to add on to his house because of the condition of the road.

Mr. Hamilton Told him he will get to it just as soon as possible. The severe weather has cuased problems with a lot of roads.

Mr. Blizzard stated the concern was that the road will be improved. He reiterated the county does accept responsibility for this road. Mr. Hamilton said he will do something about this road as soon as possible. Mr. Herbert stated another problem: Hawk Black closed a road that has been used as ingress and egress in years past. Mr. Hamilton stated this is on private property.

SPENCER BLACK STATED HIS CAR WAS TO BE DELIVERED January 21 from Gordon Chrysler but he can get no information on a delivery date. He requested permission to go to the next lowest bid who is Ford Motor Co.

MOTION was made by Dave E. Davis and seconded by Elam B. Hamilton to go to Ford Motor Co. as they next lowest bidder if they can deliver the specified automobile. All members voted for motion.

MINUTES, LIMESTONE COUNTY COMMISSION, FEBRUARY 20, 1978

The Limestone County Commission met in a regular session on Monday, February 20, 1978, at the Limestone County Courthouse Annex, South Jefferson Street, Athens, Alabama. Present were members Terry Bottom, Elam B. Hamilton and Dave E. Davis. Absent: Mark Barnes. Charles R. Christopher, Chairman, presided. The minutes of the preceding meeting were read and approved.

MOTION was made by Elam B. Hamilton and seconded by Terry Bottom to approve the minutes of the preceding meeting. All members voted for motion.

MR. ED HILGEMAN of Chem-tabs of Alabama showed Commissioners a chemical additive for batteries to prolong battery life. He said he talked with Mr. Teeple at the toolshed and he advised him the Commissioners will have to approve use of chem-tabs in county equipment. The Board of Education approved using these tabs in school buses. They guarantee a 15% extension of life for batteries. The cost will be 48 tablets @ \$23.60. Mr. Hamilton said the Commission will discuss this with the shop foreman.

MR. WARREN appeared representing Emergency Medical Services Board, requesting appointment of a member to this Board.

MISS LUCIA BROGDON presented a proposal covering activities such as ambulance service, etc. The Federal Government provides 75% for emergency funds, the County 25%.

EMS is requesting \$250.00 for the next fiscal year to continue EMS activities. This will assure the Federal Government of local support.

MOTION was made by Dave E. Davis and seconded by Terry Bottom to appropriate \$250.00 to EMS for the next fiscal year. All members voted for motion.

EMS RESOLUTION

WHEREAS, the provision of sound, competent emergency medical care has long been a major concern in Limestone County; and

WHEREAS, hospital and pre-hospital services, communications, trained personnel and adequate financing are essential if quality emergency medical services are to be provided; and

WHEREAS, the Congress of the United States has recently enacted legislation (P.L. 94-573 EMS Amendments Act) which has authorized federal grants for the purpose of developing regional emergency medical services systems; and

WHEREAS, the Legislature of the State of Alabama, and the Alabama Department of Public Health have encouraged the counties of this State acting through appropriate governmental units to create a regional consortium to be known as Regional Emergency Medical Services Councils for the purpose of developing a comprehensive emergency health care delivery system for an area comprised of all or part of the geographic areas under the jurisdiction of said Council; and

WHEREAS, The North Alabama Emergency Medical Services Agency is acknowledged as the EMS Council for this region; and

WHEREAS, The Limestone County Commission endorses the development of basic and advanced life support capabilities in accordance with local needs and resources.

BE IT HEREBY RESOLVED by the County Commission of County that an appropriation in the amount of \$250 is hereby authorized for the continued development of EMS capabilities in Limestone County; and

BE IT FURTHER RESOLVED that although Alabama law prohibits the obligation of public expenditures for more than one fiscal year at a time, the Limestone County Commission will work towards the continued support of the emergency medical services delivery system as the prevailing economic conditions allow; and

BE IT FURTHER RESOLVED that this resolution be entered on the minutes of the County Commission of Limestone County of Alabama and that copies of this resolution be made available to the public.

THUS RESOLVED AND ORDERED this 20th day of February, 1978.

MR. PATTERSON, Jones Road, Highway 15 complained to the Commission about cattle crossings in this area. The road is a county road and he request s removal of these crossings as they are a menace to vehicles. He wants the Commission to set a date to take these out. He presented a letter from Betty Frink, State Auditor, dated November 23, 1976 stating the engineer, Earl Copeland stated this is a public road. Mr. Hamilton stated he will check on this tomorrow.

MRS. PATTERSON asked if the chairman has authority over the Commissioners. Mr. Christopher stated each Commissioner has authority over roads in his district. He stated if this is on a county road, Mr. Hamilton will check on it tomorrow.

MOTION was made by Terry Bottom and seconded by Dave E. Davis to authorize the Chairman to execute contract with Doug Maund. All members voted for motion.

STATE OF ALABAMA,

LIMESTONE COUNTY.

CONTRACT

This Contract Made and Entered Into by and Between Limestone County, Alabama, a political subdivision of the State of Alabama, hereinafter referred to as SELLER, and Doug Maund, Dr. Stanley D. Hand and Henry H. Pendleton hereinafter referred to as BUYERS, and the same WITNESSETH:

Sellers have simultaneously with the execution of this contract conveyed to Buyers for the total consideration of \$37,500.00 the following described real estate lying and being in the County of Limestone and State of Alabama, to-wit:

MINUTES, LIMESTONE COUNTY COMMISSION, FEBRUARY 20, 1978

A tract of land lying and being in the Northwest Quarter of the Northwest Quarter of Section 8, Township 3 South, Range 4 West, and a part of Lot No. 7 of Block 66 according to the 1914 Map of the City of Athens, Alabama, found on file in the Office of the Judge of Probate of Limestone County, Alabama, and more particularly described as follows: Beginning at the Northwest corner of said Section 8, thence North 89 degrees 54 minutes East along the North boundary of said Section 8, 178.89 feet to a point on the South margin of Market Street, thence South 65 degrees 49 minutes East along the South margin of said Market Street 649.92 feet to the true point of beginning, thence continue South 65 degrees 49 minutes East along the South margin of said Market Street 150.00 feet, thence South 24 degrees 11 minutes West 691.80 feet, thence South 89 degrees 38 minutes West 164.90 feet, thence North 24 degrees 11 minutes East 760.13 feet to the true point of beginning, containing 2.5 acres, more or less.

It is understood and agreed that zoning restrictions and requirements of the City of Athens, Alabama, a municipal corporation, may prevent Buyers from using the property for the purpose of development of a medical, dental and related uses facility, and in such event, Seller and Buyers have agreed to a re-conveyance of the above described property by Buyers to Seller, and return of the sum of \$37,500.00 purchase price, provided all and each of the following conditions are met by Buyers:

1. Buyers shall notify Seller in writing, by notifying Sellers' Chairman of the Limestone County Commission, that they desire to convey and transfer the above described property back to Seller, which said notice, to be effective, must be delivered within a period of one year from this date.
2. Re-conveyance by Buyers to Seller, shall be by Warranty Deed, free from all encumbrance, except encumbrance existing at the time of conveyance by Seller to Buyers.
3. Re-conveyance shall be entirely and solely at Buyers expense, with Buyers to furnish on the day of re-conveyance an opinion as to the title of the property acceptable to Seller rendered by Attorney acceptable to Seller.
4. Buyers will be responsible for any and all ad valorem tax liability constituting a lien upon the above described property arising between the dates of conveyance by Seller and re-conveyance by Buyers.
5. No re-conveyance by Buyers to Seller shall be allowed or required unless same complies, in all respects, and is allowed, by the laws of the State of Alabama.
6. Upon re-conveyance, Sellers' sole responsibility to Buyers shall be the return of the total sum of \$37,500.00, Buyers being entitled to no interest thereon.
7. Upon re-conveyance, Buyers shall tender to Seller the cost of recording deed of re-conveyance in the Office of the Judge of Probate of Limestone County, Alabama.
8. Re-conveyance shall not be required or allowed unless the above described property is in the same substantial condition as same now exists at the time notice of re-conveyance is given and at the time of actual re-conveyance.

IN WITNESS WHEREOF, we have hereunto set our hands and seals at Athens, Alabama this 20th day of February, 1978.

STATE OF ALABAMA,

RESOLUTION OF LIMESTONE COUNTY COMMISSION

LIMESTONE COUNTY.

WHEREAS, the Limestone County Commission has heretofore given option to purchase 4.93 acres, more or less, of real property, being a portion of the Fairgrounds Property, in favor of Dr. Charles W. Lambert, to be purchased upon payment of the total consideration of \$73,950.00, the property being more particularly described as follows:

A tract of land lying and being in the Northwest Quarter of the Northwest Quarter of Section 8, Township 3 South, Range 4 West, and a part of Lot No. 7 of Block No. 66 according to the 1914 Map of the City of Athens, Alabama found on file in the Office Judge of Probate of Limestone County, Alabama and more particularly described as follows: Beginning at a point on the East margin of Hines Street, said point of beginning being 25 feet North 89 degrees 54 minutes East and 327.30 feet South 1 degree 53 minutes East of the Northwest corner of said Section 8, thence from said point of beginning North 88 degrees 07 minutes East 274.06 feet, thence South 24 degrees 11 minutes West 308.84 feet, thence South 65 degrees 49 minutes East 400 feet, thence South 24 degrees 11 minutes West 215.63 feet, thence South 89 degrees 38 minutes West 401.42 feet to a point on the East margin of said Hines Street and 25 feet East of the West boundary of said Section 8, thence North 1 degree 53 minutes West along the East margin of said Hines Street and parallel with the West boundary of said Section 8, 636.73 feet to the point of beginning, containing 4.93 acres, more or less.

MINUTES, LIMESTONE COUNTY COMMISSION, FEBRUARY 20, 1978

WHEREAS, said Dr. Charles W. Lambert has made known to the Limestone County Commission his desire to exercise said option heretofore given and to pay the balance of the purchase price of \$73,950.00, and has directed that deed to the above described property should be made to the following grantees: Dr. Charles W. Lambert, Thomas A. Dean, Dr. David W. Sexton, Ben Wilkinson, Dr. Gary W. Gross, Dr. Gates Eckford Murphy, Dr. James W. Smith and Polly P. Sanders.

WHEREAS, the Limestone County Commission having heretofore determined that the sale of the above described property is in the best interest of Limestone County, Alabama, and that the property is not necessary for use by Limestone County, Alabama, and having determined that same should be sold for the sum of \$73,950.00 for the purpose of medical, dental and related use, a conveyance of same to be restricted to such use for a period of ten (10) years from date.

NOW, THEREFORE, BE IT RESOLVED that M. Helen Shelton, as Chief Clerk of the Probate Court for Limestone County, Alabama, be, and she hereby is, directed to execute conveyance on behalf of, and as the act of, Limestone County, Alabama, a political subdivision of the State of Alabama, of the above described property to the grantees above named, for the consideration of \$73,950.00, said deed, so executed, as provided by Code of Alabama, 1975, as Amended, Title 11-14-2, to be delivered to grantees upon the payment in full of the sum of \$73,950.00.

This 20th day of February, 1978.

I, the undersigned, Secretary of the Limestone County Commission, do hereby certify that the foregoing resolution was duly adopted at a special meeting of the Limestone County Commission held on the date aforesaid, the Chairman and all members of the Commission being present, and the said resolution being duly made, seconded, and adopted by unanimous vote, and its adoption being duly entered on the Minutes of said Commission.

MINUTES, LIMESTONE COUNTY COMMISSION, MARCH 6, 1978

The Limestone County Commission met in a regular session on Monday, March 6, 1978, at the Limestone County Courthouse Annex, South Jefferson Street, Athens, Alabama. Present were members Terry Bottom, Elam B. Hamilton, Mark Barnes, and Dave E. Davis. Absent: None. Charles R. Christopher, Chairman, presided. The minutes of the preceding meeting were read and approved.

MOTION was made by Dave E. Davis and seconded by Terry Bottom to approve the minutes of the preceding meeting.

CAM HALE, General Mine Supervisor and Leon Billingsly, Assistant Mine Supervisor, outlined plans for Monsanto to mine ore in Limestone County and Transport approximately 60 loads a day of a maximum 73,280 tons per load from the Van Gilbert and Smith Property at Legg Cemetery to Prospect, Tennessee. The project will last approximately five years.

MR. CHRISTOPHER stated that this hauling will damage our farm-to-market roads.

MR. HALE told the Commission that Monsanto will keep the roads in safe repair, grading them and filling the holes with stone. At the end of the project Monsanto will furnish the stone and tar for resurfacing if the county crews will do the work.

MR. JIM BIRCH, County Engineer, said the bridges will determine the loads that can be carried.

MR. HALE stated if a bridge will not hold the load, it will be the contractor's responsibility to find another way to cross.

THE COMMISSION discussed this situation. The Chairman asked Mr. Davis to discuss this with the County engineers and the County Attorney and draft a reasonable agreement.

MARGARET JONES, Red Cross Representative expressed appreciation for the participation of County Employees; in the blood drive and presented a plaque.

MOTION was made by Dave E. Davis and seconded by Mark Barnes to issue a Purchase Order to Harry Harless Company for Proposal No. 523 (Firetruck) in the amount of \$28,490.00. All members voted for motion. Bids are listed as follows:

Ward LaFrance Truck Corp.	No Bid
Young Fire Equipment Co.	No Bid.

MOTION was made by Dave E. Davis and seconded by Mark Barnes to increase the appropriation to \$50.00 for dues to the Alabama Mountain Lakes Association. All members voted for motion.

SPENCER BLACK, Civil Defense Director, informed the Commission of a meeting he attended in response to the Chairman's request that he try to initiate a safety program for county employees. He requested that District Foremen be contacted to form a Safety Committee to begin work on a Safety Program.

IT IS ordered that the County will pay Sepncer Black's expenses to the National Civil Defense meeting in Washington.

THE COMMISSIONERS agreed to allow the foremen to serve on the Committee. (The above mentioned Safety Committee.)

THE COMMISSION refused a request by the Sheriff to add another car to his department.

MOTION was made by Mark Barnes and seconded by Terry Bottom to adjourn at 11:00 a.m. All members voted for motion.

APPROVED:

MINUTES, LIMESTONE COUNTY COMMISSION, APRIL 3, 1978

The Limestone County Commission met in a regular session on Monday, April 3, 1978, at the Limestone County Courthouse Annex, South Jefferson Street, Athens, Alabama. Present were members Terry Bottom, Elam B. Hamilton, Mark Barnes, and Dave E. Davis. Absent: None. Charles R. Christopher, Chairman, presided. The minutes of the preceding meeting were read and approved.

MOTION was made by Mark Barnes and seconded by Dave E. Davis to approve the minutes of the preceding meeting. All members voted for motion.

SAM McCLENDON, SOIL CONSERVATION DEPARTMENT, discussed the road bank project on a 75-25 basis. He asked for a priority list in order to start planning this project. He does not expect money to be available before 1980 or 1981. The federal government requires a plan to be submitted before money will be available. The Commissioners can set a time for completion. It does not have to be completed in one year. The county can take up to seven years to complete the project. The commissioners outlined their priorities with the aid of the County Engineer.

MOTION was made by Elam B. Hamilton and seconded by Mark Barnes to authorize the Chairman to sign a pre-application for Tanner Community Park in the amount of \$54,569.63 on a 50-50 basis. Mr. Jim Hardage has advised the community has the 50% matching funds available. All members voted for motion.

MOTION was made by Terry Bottom and seconded by Elam B. Hamilton to adjourn at 10:15 A.M. All members voted for motion.

MINUTES, LIMESTONE COUNTY COMMISSION APRIL 17, 1978

The Limestone County Commission met in a regular session on Monday, April 17, 1978, at the Limestone County Courthouse Annex, South Jefferson Street, Athens, Alabama. Present were members Terry Bottom, Elam B. Hamilton, Dave E. Davis and Mark Barnes. Absent: None. Charles R. Christopher, Chairman, presided. The minutes of the preceding meeting were read and approved.

MOTION was made by Terry Bottom and seconded by Mark Barnes to approve the minutes of the preceding minutes. All members voted for motion.

THE CHAIRMAN read a letter from the Athens Downtown Association requesting the County to purchase a lot for employee's parking at a cost of \$65,000.00. No action was taken.

MOTION was made by Dave E. Davis and seconded by Elam B. Hamilton to appoint Larry Parks to the Emergency Medical Services Board. All members voted for motion.

MOTION was made by Dave E. Davis and seconded by Mark Barnes to pay the Probate Judge's expenses to a conference at Gulf Shores, Alabama, July 26, 27, and 28. All members voted for motion.

MOTION was made by Dave E. Davis and seconded by Terry Bottom to table a request from the American Archives Book Bindery to bind copies of Limestone County newspapers from 1964 through 1977 for a cost of \$1,044.00. All members voted for motion.

MOTION was made by Mark Barnes and seconded by Elam B. Hamilton for the County to pay the expenses for Joyce Bates and Bonnie Strain to attend the Alabama Clerk's Association in Birmingham, April 20 and April 21, 1978. All members voted for motion.

MR. CHRISTOPHER outlined a proposal from Griffin Industries to remove dead farm animals from Limestone County at a cost of \$525.00 per month. Mr. Davis stated the qualifications are so strict it will not serve Limestone County sufficiently. Mr. Bottom said if they would pick all dead animals up, it would be a service, but with the stated stipulations, we will still have a large number of animals to bury.

THE COMMISSION directed the Chairman to refuse the proposal.

MR. JIM BIRCH, County Engineer discussed two federal projects (Nick Davis, Thatch and New Cut Roads). He asked if the commission want the projects to go through the bid process which will cost the county even though we may find the bid costs will be prohibitive.

THE COMMISSIONERS discussed doing these projects themselves at a lower cost. They directed Mr. Birch to check into the county contracting these projects.

MR. CHRISTOPHER stated the TVA tax bill will come up in the legislature for the last time on April 24, 1978, but it has a slim chance of passing. The North Alabama counties will select legal counsel at a meeting to be held April 26, 1978 in Decatur, Al.

MOTION was made by Terry Bottom and seconded by Elam B. Hamilton to adjourn at 10:55 a.m. All members voted for motion.

MINUTES, LIMESTONE COUNTY COMMISSION, MAY 1, 1978

The Limestone County Commission met in a regular session on Monday, May 1, 1978, at the Limestone County Courthouse Annex, South Jefferson Street, Athens, Alabama. Present were members Terry Bottom, Elam B. Hamilton, Dave E. Davis and Mark Barnes. Absent: None. Charles R. Christopher, Chairman, presided. The minutes of the preceding meeting were read and approved.

JOHN JOHNSON of J & J Oil Company represented the group of gasoline distributors as follows: Albert Watkins, J. W. Hanson, John Johnson, Don E. Seed, Bobby R. White, Neal L. Johnston, Mike Segrest, Fred Henderson, and Frank Huber. He stated some of the distributors are not paying the local gasoline tax especially on Highway 20. Neal Johnston said he felt this is unfair competition for local distributors. He said he felt audits should be made.

MR. CHRISTOPHER said they have a legitimate complaint. He asked Mr. Winston Legge, County Attorney, to explain what we are trying to do.

MR. WINSTON LEGGE told them the Commission agrees that something needs to be done. He is going to write every dealer that we will bring suit if we suspect they are not paying the tax. Also we will demand weekly reports for the ones we suspect.

MOTION was made by Elam B. Hamilton and seconded by Mark Barnes to direct Winston Legge to proceed with meeting with the distributors, then send letters advising all distributors of our intention to prosecute if we find discrepancies. All members voted for the motion.

MR. WATKINS of Watkins Oil Company requested a reimbursement on this gasoline tax as the cities and the state allows. Huntsville gives 3% up to \$150 maximum, the state up to \$200 maximum. This will help with bookkeeping expenses for collection of this tax.

MOTION was made by Dave E. Davis and seconded by Elam B. Hamilton to allow a 3% discount on gasoline tax up to a maximum of \$150.00, if this is legal under the local law. All members voted for motion.

THE FOLLOWING REPRESENTATIVES appeared from the Downtown Merchants Association: Maurice Nichols, Charles Byram, and Andy Smith. The Chairman, Charles Byram, requested action on the purchase of a parking lot for courthouse employees so meter parking will be freed for parking on the square.

MR. DAVIS asked how many employees park on the square? Mr. Byram stated there are plenty of free spaces when the courthouse is closed. Mr. Andy Smith said they are working on their own employees parking off the square. Mr. Barnes said we have parking at the annex and below the jail.

MR. CHRISTOPHER stated Mr. Buchanan has offered to rent his lot beside the post office.

MR. BARNES stated he would not agree to paying \$65,000.00 for the lot.

THE COMMISSION directed the Chairman to check into renting the Buchanan Property.

MOTION was made by Elam B. Hamilton and seconded by Mark Barnes to apply for funds from the State Commission on Aging for a new bus on a 80%-20% basis. All members voted for motion.

MOTION was made by Dave E. Davis and seconded by Terry Bottom to close the following

MINUTES, LIMESTONE COUNTY COMMISSION, MAY 1, 1978

described road in District 4. All members voted for motion.

That portion of the Old Buck Island Road within the boundaries of the Limestone County Board of Education (Owens Jr. High School), located in the Northeast Quarter of the Southwest Quarter of Section 22, Township 2 South, Range 5 West.

MR. JIM BIRCH County Engineer advised the Commission of on-system funds \$81,000 and off system funds \$73,000 and requested the Commissioners to list the roads we need to do next year.

MOTION was made by Dave E. Davis and seconded by Mark Barnes to direct Mr. Birch to give the following outline to the County Attorney to be incorporated in an agreement with Monsanto. All members voted for motion.

Monsanto Company proposes to use county roads to haul phosphate from a mining area near Leggtown. Hauling will consist of trucks (14 wheels) with a gross load of 73,000 lbs. making 60 hauls per day for a period of 3 to 5 years. Since county roads are not designed or constructed for these excessive loads and haul frequencies, road failure can be expected throughout the haul route.

There are two routes from the mining site to the railhead at Prospect, Tennessee. These routes are as follows:

Route A From mining site Northward along county road 65, 39 and 132 to State Highway 127, thence North to state line. 4.9 miles \pm along county roads and 2.9 miles \pm of State Highway, total 7.8 miles \pm .

Route B From mining site Southward along county road 65 to county road 49, thence Eastward along county road 49 to State Highway 127, thence North to state line, 5.4 miles \pm county road, 6.9 miles \pm State Highway, total 12.3 miles \pm .

The following conditions are required in order to sustain the road system for use by the general public:

1. Resurface the route selected with bituminous surface treatment "L" according to Alabama Highway Department standard specifications, edition 1976.

2. Provide continuous maintenance to the roadway as directed by the Commission. Maintenance will consist of repairing the roadway as failures occur by patching pot holes with plant mix; repair raveled areas with plant mix or remove base and/or subgrade and replace with crushed stone and plant mix, as directed by the Commission.

At the end of the hauling operation, the route will be left in a condition equal to its condition at the beginning of the operation.

Route A will require additional work to the bridge crossing Shoal Creek. This work will consist of providing adequate supports under one span of the bridge by installing steel columns under each of the three concrete beams.

The Monsanto Company will accomplish all work and provide all maintenance under the direction of the Limestone County Commission.

MOTION was made by Terry Bottom and seconded by Elam B. Hamilton to adjourn at 11:20 a.m. All members voted for motion.

APPROVED:

Gentlemen:

There will be a called meeting on Thursday, May 4, 1978 for the purpose of discussing the Safety Program and any other county business.

Charles R. Christopher

Present were members Terry Bottom, Elam B. Hamilton, and Mark Barnes. Absent: Dave E. Davis. Charles R. Christopher, Chairman presided.

THE CHAIRMAN told the Commission a meeting is scheduled May 11, 1978 on TVA litigation. The suit will be filed the following day. The Attorneys feel a verdict will be rendered within 9 months.

Limestone County's Share of the TVA Taxes will be approximately \$1,973,800.00 to be prorated among cities and boards of education. Total litigation cost will be approximately \$60,000.00. Our County's cost of the law suit is approximately \$5320.08.

THE CHAIRMAN asked for a motion to appropriate approximately \$2,400.00 as our share of litigation cost to be put in an escrow account.

MOTION was made by Terry Bottom and seconded by Elam B. Hamilton to appropriate \$2400.00 for TVA litigation. All members voted for motion.

SPENCER BLACK as coordinator of the safety program asked the Commission to set-up a regulation concerning cost of prescription safety glasses.

MOTION was made by Mark Barnes and seconded by Elam B. Hamilton that the county will pay the difference between the prescription and safety glasses. All members voted for motion.

HE ASKED the Commission to send a letter to the employees stating the Commissions concurrence with the safety committee's recommendations.

MOTION was made by Mark Barnes and seconded by Elam B. Hamilton to direct the Chairman to send out a letter to all employees outlining the Commissions concurrence with/safety committee. All members voted for motion.

MINUTES, LIMESTONE COUNTY COMMISSION, CALLED MEETING, MAY 10, 1978.

The Limestone County Commission was called for a special session by the following letter:

Members
Limestone County Commission
Athens, Alabama 35611

Gentlemen:

There will be a called meeting on Wednesday, May 10, 1978 for the purpose of approving a Citizen Participation Plan for Community Development funds for paving and resurfacing county roads and any other county business, which needs attention at that time.

Charles R. Christopher

Present were members Terry Bottom, Elam B. Hamilton, Mark Barnes, and Dave E. Davis. Charles R. Christopher, Chairman presided. Absent: None.

MOTION was made by Mark Barnes and seconded by Elam B. Hamilton to approve the following Plan. All members voted for motion.

CITIZEN PARTICIPATION PLAN

SINGLE PURPOSE GRANTS

Prior to submitting its application for Community Development Block Grant funds, The Limestone County Commission will:

- (1) Provide citizens with information on the amount of funds available, what activities funds may be expended for, and other significant program requirements.
 - (2) Provide citizens with an adequate opportunity to participate in the planning of Community Development activities, including implementation and program assessment if funds are granted.
 - (3) Hold at least two (2) public hearings prior to submission of a pre-application to HUD. If requested to submit a full application, at least two additional public hearings will be held prior to submission.
 - (4) Provide citizens opportunity to determine priorities, develop the CD housing strategy, the Housing Assistance Plan (HAP), and their amendments.
- The Limestone County Commission will provide pre-application information to local newspapers (and radio stations) of general circulation which includes:
- (a) total funds available
 - (b) describe competitive nature of funding
 - (c) scope of activities which may be undertaken, progress
 - (d) ineligible activities
 - (e) timetable for application and public hearings
 - (f) citizen participation plan information
 - (g) need to satisfactorily complete prior HUD CD program work before receiving subsequent funds from HUD
 - (h) program requirements

Public hearings will be conducted at times and places suitable for the target audience. The views and proposals of citizens, particularly low and moderate income persons, minority groups, residents in blighted areas where activities are proposed or ongoing, shall be solicited during the development of the pre-application, application and all revisions or amendments. Attendance, minutes and other information will be recorded and filed. Citizen suggestions will be encouraged. Information regarding the amount of funds available for projects that may be undertaken along with other important requirements, will be disseminated in the form of oral and written reports at each scheduled public meeting.

Notices of both pre-application and application hearings will be published with the dates, times, places, topics, timetable and procedures included in a newspaper of general circulation ten (10) days prior to each meeting. Hand circulars may be distributed and radio spots used. Hearings will be scheduled at times and locations which permit broad participation of low income persons and residents of project areas.

Program Amendments will include citizen input via public hearings as described previously.

If feasible and necessary, the Limestone County Commission may establish a committee representative of the project area(s) to advise on CDBG activities. Existing community groups shall be encouraged to participate in the development of CD programs.

All records and related materials from the proceedings at public hearings or other pertinent meetings will be placed for public inspection during office hours.

COMPREHENSIVE GRANTS

Should The Limestone County Commission determine that a pre-application would be feasible under the Comprehensive CDBG program, the following citizen participation standards will apply:

- citizen participation will occur at the neighborhood level where activities are proposed
- All aspects of citizen participation shall be open to all interested persons
- there shall be involvement of low and moderate income persons, minority groups, residents where activities are planned or ongoing, elderly, handicapped, business and civic groups concerned about the program. Citizen advisory committees shall include low and moderate income persons and minority groups.

MINUTES, LIMESTONE COUNTY COMMISSION, CALLED MEETING, MAY 10, 1978

- the Limestone County Commission will make every effort to promote and encourage citizen involvement through out all stages of the program.
- citizens will be provided adequate and timely information so as to allow citizen participation involvement at all stages of the program and are encouraged to submit their views and comments.

Scope of Participation

Application development - Citizens shall be involved in the development of the application, three-year CD plan, including identification of needs and priorities. HAP, including the annual action program, CE program and all amendments and changes.

Program Implementation - The citizen participation plan shall include involvement of citizens as advisors in policy decisions regarding program implementation.

Assessment of Performance - Citizens shall be given the opportunity to assess and comment on all aspects of the program including the applicants grantees and contractors and whether objectives are achieved. The annual performance report shall include copies of citizen comments regarding performance and the applicants assessment of these comments and action taken in response to the comments.

Submission of Views and Proposals - The applicant shall provide for and encourage the submission of views from citizens during all stages of the program.

Neighborhood or community wide CP organizations will be encouraged to submit views at meetings and public hearings.

The applicant shall provide timely responses stating the reasons for action taken. The Limestone County Commission will make every effort to respond within fifteen (15) working days.

Consideration of Objections to Application - HUD will consider objections to an application only on the following grounds:

Description of needs and objections are plainly inconsistent with available facts and data. Activities are plainly inappropriate to meeting the needs and objections. Application does not meet requirements or law.

Ineligible Activities - Objections should include the requirements and grounds of the complaint. HUD will consider objections at all times but should be submitted within 30 days of the notice that the application has been submitted to HUD. HUD will not approve an application until 45 days after receipt.

Complaints - The Limestone County Commission will make every effort to answer complaint within 15 working days.

Technical Assistance - The Limestone County Commission shall provide for technical assistance as appropriate to citizens organizations, low/moderate income persons, and residents living in blighted areas so they may participate in all stages of the program.

Technical assistance will be provided by a specialist jointly selected by the applicant and citizens.

Adequate Information - The applicant will provide full public access to program information and shall make affirmative efforts to make information available to all involved citizens.

At the time the applicant begins planning for the next program year, the following information should be provided to citizens:

- (1) Total CDBG funds available to the applicant for CD and housing activities including planning and administrative activities.
- (2) The range of activities that may be undertaken and activities previously funded.
- (3) Application process to be followed for approval and schedule of meetings and hearings.
- (4) The role of citizens in the program and other program requirements.

The applicant shall provide for timely disclosure of records and information and documents relevant to the program. These materials will include mailings and promotional material.

Records of Hearings - All key documents, prior applications, letters of approval, grant agreement, CP plan, performance report, evaluation reports and the proposed application will be retained in the applicants files.

Copies of regulations and issuances governing the program, contracting procedures, environmental policies, fair housing and EO requirements, relocation provisions and A-95 review will be retained by the applicant.

When the application is submitted to HUD, notice shall be put in the newspaper stating that it has been submitted and is available for review.

Copies of the citizen participation plan, application and annual performance report shall be available, in convenient locations, to all citizens including handicapped.

Public Hearings - The applicant will hold a minimum of two (2) public hearings to obtain citizen views and to respond to citizen proposals and questions at different stages of the program. Such hearings shall be held at convenient times and locations to permit broad participation, particularly by low and moderate income persons and residents in blighted neighborhoods and the handicapped.

MINUTES, LIMESTONE COUNTY COMMISSION, CALLED MEETING, MAY 10, 1978

Presubmission Hearings - The applicant shall hold at least two kinds of public hearings prior to submission of the application:

- (1) to obtain citizen views on CE and housing at the initial stage of application development and;
- (2) on the proposed application prior to submission for A-95 clearance.

Performance Hearings - In order to review program progress and performance, the applicant shall hold an additional public hearing or hearings 30 to 60 days prior to the start of planning for the next program year. Notice shall be placed in the newspaper 10 days prior to the public hearing indicating the date, time, place and procedures of the hearings and topics to be considered. Notices, press releases, etc. should also be provided.

Contingency and local option activities - The Limestone County Commission shall provide for citizen participation in all contingencies and or local option activities. This will be in the form of public hearing (s) as described previously.

Program Amendments - If a proposed amendment requires HUD approval, the Limestone County Commission will hold public hearings in connection with CD program amendments.

If HUD approval is not required, citizens will be invited to comment on the program amendment. Public hearings will be held to inform citizens of the proposed amendment.

Performance Report - The recipient shall make the report available to citizens at no charge and shall make public notice of the availability of the report at the time it is submitted.

Copies of comments shall be included and action taken by the applicant in response to the comments.

MINUTES, LIMESTONE COUNTY COMMISSION, JULY 17, 1978

APPROVED:

Charles R. Christopher
Terry Bottom
Mark Barnes
Elam B. Hamilton
Dave E. Davis

The Limestone County Commission met in a regular session Monday, July 17, 1978, at the Limestone County Courthouse Annex, South Jefferson Street, Athens, Alabama.. Present were members: Terry Bottom, Elam B. Hamilton, Dave E. Davis and Mark Barnes. Charles R. Christopher, Chairman, presided. The minutes of the preceding meeting were read and approved.

Mr. Bill Owens, representing Wheeler Basin Regional Library, presented their proposed budget for 1978-1979. He pointed out that 27% of the rural population of Limestone County use the library. The budget reflects revenue of \$2.13 per capita. He told the Commission the \$54,678.00 revenue requested from Limestone County is unrealistic since it is a large increase over last year, but they will appreciate consideration of an increase. The Chairman stated the budget will be considered.

MOTION was made by Terry Bottom and seconded by Mark Barnes to authorize the county attorney to start legal proceedings to require Arthur Tidwell to remove a fence that is 26" over on the right-of-way.

MOTION was made by Elam B. Hamilton and seconded by Dave E. Davis to pay legal fees incurred in the suit brought by Thomas Kemp against past and present county officials and employees. All members voted for MOTION.

Jim Birch, County Engineer, presented agreements to be signed with the State Highway Department.

MOTION was made by Dave E. Davis and seconded by Terry Bottom to approve the agreements with the State for Projects LCP-42-19-78 (5054200) and LCP-42-17-78 RS54214 (101). All members voted for MOTION.

Mr. Christopher introduced Mr. Steve McCoy, Commissioner from Nez Perce County, Idaho, and asked if he would like to say anything to the Commission. He stated they have problems with the federal government as we do. He said this is the first visit he has made to the South and everyone has been very friendly and he has enjoyed being here.

Spencer Black, Civil Defense Coordinator, asked what we are going to do with the old fire truck. He requested the truck be transferred to the Civil Defense Department so they can put it in the Clements Community.

MOTION was made by Terry Bottom and seconded by Elam B. Hamilton to transfer fire truck to Civil Defense for use in the Clements Community. All members voted for MOTION.

John Hector French asked the County to trim trees where the electric lines go through them on the north side of 72 just above Jack Yarber Ford. Mark Barnes said if they are on State Highway right-of-way, we cannot do it, and advised Mr. French to contact Mr. Robinson at the city electric department.

MINUTES, LIMESTONE COUNTY COMMISSION, AUGUST 7, 1978

The Limestone County Commission met in a regular session on Monday, August 7, 1978 at the Limestone County Courthouse Annex, South Jefferson Street, Athens, Alabama. Present were members: Terry Bottom, Mark Barnes, Elam B. Hamilton, Dave E. Davis and C. R. Christopher, Chairman presided.

MOTION was made by Elam B. Hamilton and seconded by Terry Bottom to approve the minutes of the preceding meeting. All members voted for MOTION.

Mr. Marc Sandlin, District Attorney, requested removal of his office from the Circuit Judge's suite. He stated the close proximity between the judicial and prosecutor is improper. This is a pressing problem and something needs to be done about it.

The Chairman told Mr. Sandlin he realizes the problem but the space is unavailable and asked for his suggestion.

Mr. Sandlin said the license commissioner takes up more room than he needs and could be moved out of the Courthouse.

Mr. Christopher stated several alternatives. Mr. Sandlin said he appreciated the fact that consideration is being given to his problem.

MOTION was made by Elam B. Hamilton and seconded by Mark Barnes to issue P. O. to Shelby Contracting Company as they were low bidder on Proposal Number 538 for cold mix at \$16.95 per ton. All members voted for MOTION.

PROPOSAL NUMBER 538

Burgreen Contracting Company	
G & W Asphalt Company	NO BID
Shelby Contracting Company	\$16.95

Mr. Davis advised the Commission that Mr. Wayne Vaughn complained about a dangerous intersection on Zehner Road. This is in Districts 3 & 4. The County engineer will look at it and make recommendations to the Commission.

Mr. Jerry Chesser gave a report of the claim from South Central Bell on the North Limestone Water System. He met with their representatives and South Central is checking on our claim and will respond by letter.

MOTION was made by Mark Barnes and seconded by Dave E. Davis to give County employees a day off if they give blood to Red Cross Blood Drive on August 8, 1978. All members voted for MOTION.

MOTION was made by Elam B. Hamilton and seconded by Dave E. Davis to adjourn at 10:50 A.M. All members voted for MOTION.

MINUTES, LIMESTONE COUNTY COMMISSION, OCTOBER 2, 1978

The Limestone County Commission met in a regular meeting on Monday, October 2, 1978, at the Annex on South Jefferson Street for the purpose of adopting Revenue Sharing budget and any other county business necessary.

Present were members: Terry Bottom, Mark Barnes, Elam B. Hamilton, Dave E. Davis, and C. R. Christopher, Chairman, presided.

ARNEDA HEATH requested the County consider a contract to provide arts and crafts for the Aging Program as well as transportation or in-home service.

MOTION was made by Dave E. Davis and seconded by Terry Bottom to contract with Lindy Ashwander to provide arts and crafts services for the Aging Program if the City appropriates the funds.

All members voted for MOTION.

MOTION was made by Mark Barnes and seconded by Elam B. Hamilton to table approval of the contract for in-home service.

All members voted for MOTION.

MOTION was made by Dave E. Davis and seconded by Terry Bottom to approve Debra Barker's expenses to a State meeting in Mobile, October 8-13, 1978.

All members voted for MOTION.

MR. BARRY TUCKER presented a proposal for an employees' cancer policy. He stated our present policy does not cover employees to the extent that Life-Investors Insurance Company does. No action was taken.

MOTION was made by Mark Barnes and seconded by Elam B. Hamilton to authorize the Chairman to sign a contract with TARCOG for Nutrition, Title VII.

All members voted for MOTION.

MOTION was made by Elam B. Hamilton and seconded by Terry Bottom to authorize the Chairman to sign CETA II & CETA VI contracts in the amounts of \$60,079.00 and \$18,549.00 respectively.

All members voted for MOTION.

MINUTES, LIMESTONE COUNTY COMMISSION, NOVEMBER 6, 1978

The Limestone County Commission met in a regular meeting on Monday, November 6, 1978, at the Annex on South Jefferson Street at 10:00 A.M.

Present were members: Terry Bottom, Mark Barnes, Elam B. Hamilton, Dave E. Davis and C. R. Christopher, Chairman, presided.

MOTION was made by Elam B. Hamilton and seconded by Terry Bottom to approve the minutes of the preceding meeting. All members voted for MOTION.

Arneda Heath presented a proposal for the use of one bus four hours per day by Child Development.

MOTION was made by Mark Barnes and seconded by Terry Bottom to present the proposal to Child Development. All members voted for MOTION.

The following delegation from the Pine Ridge Community requested water lines, improvement of their road and a sign with a name for their road.

Raymond Steele
David Steele
Leon Ruffin
George W. Steele
Casey Steele
Katie L. Settle

Mrs. Settle was spokesman for the group.

Mr. Christopher informed the group we are unable to build extensions on any line without state or federal monetary assistance. F.H.A. will not provide assistance since the original system (South Limestone), was constructed with a private bond issue. The cost will be approximately \$35,000.00. We will make application for a Community Development Grant after January 1, 1979.

Mr. Hamilton, District 3, told them one absent property owner, Otto Biles, has not signed a right-of-way. Mr. Birch, County Engineer, said the owner will sign the right-of-way if the Commission agrees to relocate his fence off the right-of-way.

The Commission directed Mr. Birch to notify Mr. Biles we will move the fence in exchange for a right-of-way.

A discussion was held on naming the road. Mr. Hamilton said he knows the road as Neeley Road. It was suggested the road be called Ezekiel Road or Settles Road.

Mr. Christopher suggested a petition be circulated to property owners on the road for approval of the name Neeley-Settles Road. The Commission will then take action on the name.

Mr. Raymond Steele asked the Commission why there was money available for equipment (specifically a backhoe) and property (for District 3 toolshed), but there is not money available for improvements in their community.

Mr. Christopher explained the funds used for these purchases were from Gasoline Tax Revenue that cannot be used for waterlines. The County will improve the road with this revenue as soon as all right-of-way has been obtained.

Mr. Steele asked why Revenue Sharing funds cannot be used.

Mr. Christopher informed the group that Public Hearings were held on the proposed use of the Revenue Sharing budget as which time they could have requested an expenditure for this community.

MOTION was made by Elam B. Hamilton and seconded by Mark Barnes to concur with the Soil Conservation's recommendation to award the Swan Creek tree-planting contract to Hobbs Landscape Co. for a cost of \$11,745.00. All members voted for MOTION.

MOTION was made by Dave E. Davis and seconded by Mark Barnes to adopt a resolution concerning ratification of a proposed amendment.

R E S O L U T I O N

WHEREAS, the State of Alabama has been enjoined from receiving prisoners into its prison system until the population of the system diminished to its designed capacity; and

WHEREAS, such injunction has resulted in a backup of state prisoners in county jails of this state; and

WHEREAS, county jails have never been designed to accommodate large numbers of felons for extended periods of time; and

WHEREAS, such backup of state prisoners in county jails constitutes a continuing threat to the welfare and safety of our citizenry; and

WHEREAS, the Alabama legislature has seen fit to enact a proposed constitutional amendment which, if ratified by the public, will authorize the sale of \$15,000,000 in bonds for the purpose of acquiring, constructing, equipping and improve state prisons; and

WHEREAS, should this proposed constitutional amendment be ratified, the Alabama

MINUTES, LIMESTONE COUNTY COMMISSION, NOVEMBER 6, 1978

Board of Corrections should be enabled to move swiftly toward providing the appropriate state prison space needed to relieve the overcrowding in county jails. Now therefore,

BE IT RESOLVED BY THE LIMESTONE COUNTY COMMISSION, That it wholeheartedly supports the proposed amendment and urges all county officials as well as all citizens of Alabama to support and vote for the amendment.

BE IT FURTHER RESOLVED, That copies of this resolution be transmitted to the various news media and that a copy of this resolution be posted in a conspicuous place in each courthouse in each county in the State of Alabama.

ADOPTED THIS 6th DAY OF NOVEMBER, 1978

ATHENS, ALABAMA

MOTION was made by Mark Barnes and seconded by Dave E. Davis to authorize the Chairman to sign the sub-grant award for L.E.P.A. Grant No. CF-79-01-0010 in the amount of \$16,732.00 for the D.A.'S office. All members voted for MOTION.

MOTION was made by Dave E. Davis and seconded by Terry Bottom to pay the Probate Judge's expenses to a conference at Point Clear on January 26 and 27. All members voted MOTION.

MOTION Was made by Mark Barnes and seconded by Dave E. Davis to pay the following amounts for hospitalization for County employees. All members voted for the MOTION.

Employee Only	\$47.91
Family	\$68.41
Medicare	\$27.65

MOTION was made by Dave E. Davis and seconded by Mark Barnes to close all County operations Friday, November 10, 1978 in observance of Veteran's Day. All members voted for MOTION.

A group consisting of the following persons made recommendations for solid waste in Limestone County.

Dewey Tribbett	Tri-County Health Department
Mack Maples	Citizen
Barbara Anderson,	Clean Community
Mary Lou Nichols,	Clean Community

Mr. Tribbett was spokesman for the group. He asked the Commission's consideration for mandatory solid waste pickup for all County residents. He stated the cost for the County to take-over the garbage service would consist of an initial outlay of five trucks, \$35,000.00 each and eight men. He stated the City of Athens bills 11,000 residences outside the City, including Ardmore. We are serving 6,878 residences through private contractors. These customers would generate \$330,144.00 per year in revenue. Other counties have had a deficit operation for approximately two years. Colbert County had \$100,000.00 surplus for their third year's operation. No action was taken.

MOTION was made by Terry Bottom and seconded by Elam B. Hamilton to adjourn at 11:45 A.M. All members voted for MOTION.

APPROVED:

C. R. Christopher
Terry Bottom
Mark Barnes
Elam B. Hamilton
Dave E. Davis

MINUTES, LIMESTONE COUNTY COMMISSION, NOVEMBER 20, 1978

The Limestone County Commission met in a regular meeting on Monday, November 20, 1978, at 10:00 A.M., at the Annex on South Jefferson Street.

Present were members: Mark Barnes, Elam B. Hamilton, Dave E. Davis and C. R. Christopher, Chairman, presided. Absent: Terry Bottom.

Mr. Max LeCroix, Commissioner Elect for District 3, sat in on the meeting.

MOTION was made by Elam B. Hamilton and seconded by Mark Barnes to approve the minutes of the preceding meeting. All members voted for the MOTION.

The following persons representing "PAWS", requested a hearing:

Kitty Greenhaw
Becky Corder
Jerry Barksdale
Ken Rossman
Carolyn Howell

Mr. Ken Rossman was spokesman for the group, "PAWS", regarding the proposed nuclear waste storage for the eastern United States in Limestone County. He pointed out the dangers of transporting this waste by truck, rail, etc. He stated there have been accidents throughout the United States where this waste has been stored. The group requested the Commission go on record as being against the proposal to store nuclear waste in Limestone County.

Mr. Christopher asked for a copy of the resolution for investigation of this matter. He stated he understood a Public Hearing will be held on this matter.

Mr. Jerry Barksdale spoke to the Commission, outlining his feelings in this matter. He said, from what he reads, the government does not have a safe way to dispose of this waste. He stated, without thinking of safety, what affect this will have on industry and new persons relocating in our county.

Mr. Ed Hildgeman of T.V.A. said this is not waste that is proposed to be stored in Limestone County. Our nuclear plant has spent fuel elements that have to be stored. This storage facility for spent fuel elements will be used until the next step, to re-process the fuel in South Carolina. T.V.A. has to do this for their own nuclear plants, so why not do it for other privately owned nuclear plants. He stated it will not be a hazard to the people of Limestone County. It will increase the tax base since it will not be a federal property and it will increase research and development facilities at Browns Ferry.

Mr. Blizzard stated 11 states have forbidden this storage and 15 other states have it on their legislative calendar.

Becky Corder questioned the problems of health hazard and transportation. She stated there are T.V.A. employees who have expressed their concern over this storage in Limestone County.

Mr. Christopher suggested the group list their questions and meet with Mr. Freeman of T.V.A. to discuss them.

Mr. Hildgeman said the T.V.A. code required transporting in shipping casts designed so that it can withstand a truck overturning at an intersection; drop 30 feet; ignite gasoline; roll into a stream and no leakage would occur. These tests have been conducted.

Mr. Rossman said these design requirements were in the space program and it is not infallible. Human error is always possible. Mr. Hildgeman said these cylinders have been transported across country without accident.

Mr. Christopher outlined the county's concern and need for an industrial coordinator to screen all industry interested in Limestone County. Limestone County wants industry, but we need to grow moderately and be selective in the industry we allow to locate in our county.

Marge McCrary, Extension Service 4-H and Barbara Anderson, Clean Community, promoting the recycling in the county, informed the Commission that 4-H's will collect paper at the schools. They would like the Commission to transport this paper from the schools, once a week, to the recycling center. She said it will be less than a pick-up load, once per week. The Commission can set up the schedule.

The Commission agreed to cooperate with the recycling program.

Mr. Joe Broadwater, the governor's coordinator for Limestone County outlined plans for the inaugural parade. He said there will be three units from each county. One unit will be a school bus for the local officials. He requested financial assistance for this parade.

MOTION was made by Dave E. Davis and seconded by Elam B. Hamilton to purchase property from Bill Young for the District 3 toolshed at a cost of \$7,500.00. All members voted for MOTION.

MOTION was made by Elam B. Hamilton and seconded by Mark Barnes to issue P. O. for Proposal Number 549 to the lowest bidder with desired specifications. All members voted for MOTION.

MINUTES, LIMESTONE COUNTY COMMISSION, DECEMBER 4, 1978

The Limestone County Commission met in a regular meeting on Monday, December 4, 1978, at 10:00 A.M. at the Limestone County Courthouse Annex, South Jefferson Street, Athens, Alabama.

Present were members: Terry Bottom, Mark Barnes, Elam B. Hamilton, Dave E. Davis and C. R. Christopher, Chairman, presided.

MOTION was made by Elam B. Hamilton and seconded by Terry Bottom to approve the minutes of the preceding meeting. All members voted for MOTION.

Mr. Don Lewis presented a project he has underway with the State Archives to compile a recorded printed history of Alabama Counties. The archives have requested financial assistance in binding Limestone County papers covering a period of twelve years. The state does not fund the binding of newspapers. They fund only for maintenance and operation of the archives. The cost for 24 volumes at \$36.00, a total of \$864.00. A continuing contract will cost \$144.00 per year. The Chairman was directed to go over the budget to see if we can afford this project.

MOTION was made by Mark Barnes and seconded by Elam B. Hamilton to authorize the Chairman to sign an agreement with the State for Railway Grade Crossings at a cost to the County of \$1,151.14. All members voted for MOTION.

R E S O L U T I O N

WHEREAS, the County of Limestone has been advised by the Alabama Highway Department that certain Federal Funds have been tentatively allocated for assistance to the County of the State of Alabama in the improvement of rail-highway grade crossings.

WHEREAS, the County desires to agree with the State on the basis for the construction of such improvements with Federal assistance, and

WHEREAS, it is hereby found and determined by this body that these improvements are necessary,

NOW THEREFORE BE IT RESOLVED, ORDERED, AND DECREED by the County of Limestone as follows:

(a) That the County shall enter into an agreement with the State of Alabama in substantial accordance with the form of agreement as set out and attached hereto as Exhibit "A".

(b) That said agreement be executed for and in the name of the Limestone County Commission by Charles R. Christopher, Chairman, and the County Seal be placed thereon and attested by the Clerk.

MOTION Was made by Mark Barnes and seconded by Elam B. Hamilton to authorize the Chairman to sign an "Offer To Purchase" with the U. S. Postal Service for the purchase of the old Post Office at \$115,000.00.

MINUTES, LIMESTONE COUNTY COMMISSION, JANUARY 9, 1979 (CALLED MEETING)

The Limestone County Commission was called for a special session by the following letter:

Members
Limestone County Commission
Athens, Alabama 35611

Gentlemen:

There will be a called meeting on **Tuesday**, January 9, 1979, for the purpose of discussing purchasing, personnel procedures and any other County business necessary:

Charles R. Christopher

Present were members: Raymond Wales, Jr., Mark Barnes, Max M. LeCroix, Dave E. Davis, and C. R. Christopher, Chairman, presided.

Also present were: Hollis Hogan, Sheriff; Wayne Bland, Chief Deputy, Ed McBay, D-3 Foreman, and Joyce Bates, Personnel Clerk.

The Chairman welcomed the newly-elected officials and employees and assured them of the Commission's cooperation.

Joyce Bates reviewed the time cards, payrolls, purchasing procedures and other necessary reports.

Mr. Christopher stated that over-time pay is not included in the budget and it is necessary to keep it to a minimum.

The Chairman stressed the importance of immediate reporting of all automotive or job-related accidents. He stated that everything exceeding \$2,000.00 will be bid and that the Commission will not send out bids restricting the bid to one vendor.

A discussion was held concerning personnel policy.

A MOTION was made by Mark Barnes and seconded by Max LeCroix to hold the next regular meeting on Tuesday, January 16, 1979, since the Commission will attend Governor James' inauguration on Monday, January 15, 1979. All members voted for MOTION.

MOTION was made by Dave E. Davis and seconded by Mark Barnes to adjourn at 12:15 A.M. All members voted for MOTION.

APPROVED:

Charles R. Christopher
Raymond Wales, Jr.
Mark Barnes
Max LeCroix
Dave E. Davis

MINUTES, LIMESTONE COUNTY COMMISSION, JANUARY 16, 1979

The Limestone County Commission met in a regular meeting on Tuesday, January 16, 1979, at the Courthouse Annex, South Jefferson Street, Athens, Alabama, at 10:00 A.M.

PRESENT were members: Raymond Wales, Jr., Mark Barnes, Max M. LeCroix, Dave E. Davis and C. R. Christopher, Chairman, presided.

MOTION was made by Dave E. Davis and seconded by Max LeCroix to approve the minutes of the preceding meeting.

MOTION was made by Mark Barnes and seconded by Max LeCroix to issue a proclamation concerning the 1978 Census of Agriculture in Limestone County.

A FARM CENSUS PROCLAMATION

Because the economy of Limestone County benefits greatly from farming, the county's presiding officials bring to the attention of all county residents the 1978 Census of Agriculture.

WHEREAS, the farm census is the source of accurate information on the number of farms and farm operators in our county;

WHEREAS, it is also the source of information about our basic agricultural assets;

WHEREAS, it also provides accurate data on farm sales as well as farm production costs in our county;

AND WHEREAS, many business decisions made by the county's farmers, as well as those who do business with them, depend heavily upon accurate benchmark data from the Census of Agriculture;

NOW, THEREFORE, BE IT RESOLVED that the county's presiding officials urge all farm operators to fill out and return promptly the farm census questionnaires they have received in the mail and thus help to make the 1978 census the most successful in a series of 21 farm census counts which began in 1940.

All members voted for the MOTION.

MOTION was made by Mark Barnes and seconded by Raymond Wales to issue a P. O. on Proposal Number 553 to Jack Yarber Ford, for a Water Department Truck, if it meets specifications and delivery date.

PROPOSAL NUMBER 553

MOTION was made by Dave E. Davis and seconded by Mark Barnes to adopt the following Affirmative Action Plan. All members voted for the MOTION.

COUNTY OF LIMESTONE, ALABAMA

AFFIRMATIVE ACTION PLAN

EQUAL EMPLOYMENT OPPORTUNITY

This Affirmative Action Plan describes the policies and procedures used by the County of Limestone to assure equal opportunities in its employment practices, its employee relations, and in the purchase of goods, materials, equipment or services required by it from persons, firms, or corporations who do not discriminate against any of their employees or applicants for employment because of race, color, religion, sex, age, or national origin. It is designed to aid the County in maintaining an aggressive and effective equal opportunity program.

The procedures set forth in this plan are to assure also that all County employees have an equal opportunity to develop and advance to the fullest extent of their skills and abilities, free from prejudicial action and discrimination.

Equal Employment Opportunities, Provisions for the county; assures that all applicants for employment shall have an equal opportunity to qualify for available job openings regardless of race, color, religion, sex, age or national origin. All persons employed by the County shall be afforded the opportunity to advance to positions of greater responsibility and authority on an equal basis depending upon their skill and ability to perform the work required. Opportunities for education, training, promotion, or other established benefits shall not be abridged because of race, color, religion, sex, age or national origin.

Equal Opportunities in Procurement; procedures for every written agreement by which the County purchases goods or services, whether by sealed bid or negotiated contract, shall contain a statement that the person, firm, or corporation furnishing such goods or services does not discriminate in employment of its personnel against any person or persons, or refuse to continue the employment of any person or persons, on account of their race, color, religion, sex, age, or national origin, or words of similar import, and that, during the term of said contract or agreement, that it will not so discriminate. The form of such certification and provisions shall be specified by the County Commission.

The County Clerk shall act as the County's contract compliance officer to ensure compliance with the requirements of this plan of all vendors, contractors and others who supply goods and/or services to the County.

ACTIONS DIRECTED TO ASSURE EQUAL EMPLOYMENT OPPORTUNITIES

1. Employment vacancies shall as a minimum be advertised by posting a notice in a conspicuous place, and one that is convenient to the public, within the Courthouse. The description of such vacancies shall include as a minimum the job title, the salary range, a brief description of the duties, the qualifications required of the applicant, and the recruitment closing date.

2. A listing of all employment vacancies will in addition to being posted in #1 above, be furnished to the local State Employment Services Offices so that office may assist in the recruitment of applicants.

3. Position qualifications will be kept to the minimum required to fulfill the requirements of the job. Wherever practical, emphasis will be placed on hiring qualifiable applicants where such applicant appears to have the potential abilities to perform the work required of the position.

4. The degree of training that is reasonably necessary will be determined

MINUTES, LIMESTONE COUNTY COMMISSION, FEBRUARY 5, 1979

and applied for all positions to ensure that all job classes are available to minorities, the handicapped, and others.

5. The phrase "equal opportunity employer" shall be included on all advertisements for position vacancies.

6. Local and other news media may also be used in advertising position vacancies. Where such is the case, special attention will be given to advertising in local minority news media.

EQUAL EMPLOYMENT OPPORTUNITY (EEO) OFFICER

An employee of the County shall be appointed to act as the County Equal Employment Opportunity Officer. Such employee shall, acting in this capacity, report directly to the Chairman of the County Commissioner. The EEO Officer will provide personal leadership and direction in implementing a positive equal employment opportunity program including administering a system for addressing complaints of discrimination, contract compliance, and all other matters pertaining to equal employment opportunities.

The EEO Officer shall at least once annually prepare and submit to the County Commissioner a report of the employment activities, that have taken place. Such report shall include as minimum the total number of persons employed by the County by job, category, i.e., professional, administrative, clerical, technical, para-professional, skilled, and non-skilled. The report by category shall include details, such as sex, age levels, race and other distinguishing characteristics. The report will also include statements or comments regarding any activity or lack thereof which has affected the implementation of this plan.

The EEO Officer shall be responsible for providing an open and sympathetic channel through which employees and applicants for employment may raise questions and discuss matters relative to discriminatory acts due to race, color, religion, sex, age or national origin. The EEO Officer shall also advise employees of their right to register a formal complaint wherever informal resolution fails.

DEPARTMENT HEADS, RESPONSIBILITIES OF:

The Head of each County Department shall review the employment practices of his/her department to assure compliance with this plan. Each department head shall take definitive and aggressive action to cooperate with the intent of this plan in assuring that all employees and applicants for employment are afforded an equal opportunity to receive all benefits regardless of their race, color, religion, sex, age or national origin.

MONITORING THE PLAN

A. The County EEO Officer shall:

- (1) Conduct analyses of all job categories to determine if minority group members are being under-utilized in any such categories in relation to their availability within the labor market area.
- (2) Perform analyses of the existing work force to determine deficiencies by organizational units and job categories where minorities are absent.
- (3) Take steps to ensure that this Affirmative Action Plan is complied with by each supervisor and within each of the County's organizational elements.
- (4) Maintain adequate records to furnish timely data and information relative to the County's employed work force and employee practices.

Mr. Christopher read a letter from Attorney General Graddick, outlining the procedure for requesting Attorney General's opinions. The County Commission must request them by resolution. County Officials cannot request these opinions on an individual basis.

The Chairman informed the Commissioners that G. F. Manufacturing Company will not locate in Limestone County. The Industrial Board has numerous inquiries about the facilities built by G. F. The Company has assured the Industrial Board they will not sell to any industry without community approval.

Basil Berchekas of TARCOG gave a progress report on the pre-application for a Community Development grant for the Piney Ridge Community in the amount of \$500,000.00.

MOTION was made by Max M. LeCroix and seconded by Mark Barnes to adopt a Citizens Participation Plan. All members voted for the MOTION.

COUNTY OF LIMESTONE
CITIZEN PARTICIPATION PLAN
Single-Purpose Pre-Application

MINUTES, LIMESTONE COUNTY COMMISSION, FEBRUARY 5, 1979

Intent

The Citizen Participation Plan has as its intent the provision to all County citizens to have an adequate opportunity to participate in an advisory role in the planning, implementing, and assessing the County Community Development Block Grant Program.

General

The following criteria will govern activities that the County will undertake in the provision of citizen participation.

1. "The views and proposals of citizens, particularly low and moderate income persons, minority groups, residents in blighted areas and where activities are proposed or ongoing, shall be solicited and responded to in a timely manner."

2. The residents of the County will be solicited as to their views and proposals at public hearings, and they will be given an adequate opportunity to express their views orally, or in writing, at the public hearings.

2. "Specify the number of days prior to hearings that notices will be made available. Notices shall be understandable and available to all citizens."

Five days prior notice shall be provided for public hearings. The notices shall be placed in the non-legal sections of newspapers and posted at a minimum of three (3) prominent locations in the County, including the CDBG Target Area. Citizen organizations (if any) shall be notified of hearings five days prior to the hearing date. This notification period applies to pre-applications only.

3. "Hearings will be scheduled at times and locations which permit broad participation of low income persons and residents of blighted and project areas."

Hearings shall be held at night, and in lower-income areas and project areas, if these measures are necessary to provide for broad participation for lower income residents. Transportation to hearing and meeting locations shall be provided, if local funds are sufficient for this purpose.

4. "Citizens shall be involved in the development of both the pre-application, application and all revisions or amendments."

A minimum of two (2) hearings each shall be held before and during both the pre-application and application preparation stages. One (1) hearing shall be held prior to amendment and/or revision preparation stages, and one (1) hearing at the program performance assessment stage.

5. "Full public access to program information and affirmative efforts to make adequate program information available to citizens."

Program information shall be disseminated directly to lower-income residents, minorities, and project area residents through newspapers, advertisements, and notices. Citizen organizations (if any) shall be given program information for dissemination to citizens.

6. "Citizens must be involved in planning, implementing and assessing the CD program and performance."

Public meetings (as described in items 2, 3, and 4) shall be held which shall provide citizens with opportunities to have input and involvement in planning implementation, and CDBG Program performance assessment.

7. "Low and moderate income persons and minorities must have substantial representation on any advisory committees."

Low/moderate incomes resident, Target Area residents, and minorities shall have representation on any advisory committees in relation to their proportion of benefit for programs and/or in relation to their proportion to community population, whichever is greater.

8. The following information will be made available to public hearings and meetings, and, where appropriate, in hearing and meeting notices:

(a) Total funds to be applied for, (b) Range of activities, (c) Progress made on any previous CDBG activities, (d) Limit on funds, (e) Process for soliciting and responding to citizen views and proposals, (f) Summary of other important program requirements, (g) Adequate public notices prior to Public Hearings, and (h) Public Hearings held prior to pre-application to obtain views and proposals of citizens.

MOTION was made by Dave Davis and seconded by Max LeCroix to adjourn at 11:25 A.M. All members voted for the MOTION.

MINUTES, LIMESTONE COUNTY COMMISSION, FEBRUARY 12, 1979

The Limestone County Commission held a public hearing, advertised in the News Courier, for the Community Development Grant pre-application on Monday, February 12, 1979, at 10:00 A.M.

Present were Commissioners: Mark Barnes, Max M. LeCroix, Dave E. Davis, and C. R. Christopher. Absent: Raymond Wales Jr. Also present was Basil Berchekas from TARCOG.

The following citizens were present: Mrs. Leon McBay, Jane McBay, Alma McBay, Sigrid Hargrove, Dave Hicks, and Lavon McBay.

Mr. Jim Birch, County Engineer, made a presentation on the proposed water-lines, paving and housing rehabilitation in the Piney Ridge Community.

Mr. Lavon McBay, Spokesman for the citizens' group, asked what guidelines are followed for specific areas to be included in an application for Community Development funds.

Mr. Berchekas explained the guidelines required by HUD to qualify for a Community Development grant.

Mr. McBay said he was interested in getting Cow Ford Road paved. He stated that the heavy traffic to the TVA park caused so much dust that the area residents are unable to open their windows. The group understood that TVA had offered to pay for materials if the County supplied the labor to pave the road.

Mr. Christopher explained to the group that his road would not qualify for grant funds. In response to T.V.A. supplying material for paving, he told the citizens that T.V.A. will only provide money for paving the park area, not the County road.

Mr. LeCroix told the group he was aware of their problem and would give priority to upgrading this road.

The group expressed their appreciation to the Commission for consideration of their request to upgrade the Cow Ford Road as soon as possible.

THE MEETING WAS ADJOURNED.

MOTION was made by Dave E. Davis and seconded by Mark Barnes to adopt a resolution concerning the R C & D Council.

R E S O L U T I O N

WHEREAS, The Resource Conservation and Development Program has provided unity between the Soil and Water Conservation Districts and the County Commissions as co-sponsors;

WHEREAS, The Resource Conservation and Development Projects have improved rural life through development of resources, encouraging industrial development and enhancing our state's environment;

WHEREAS, The Resource Conservation and Development Projects have much public support within municipal, county, state and the nation as a very effective program of the Department of Agriculture;

WHEREAS, The President's Budget has reduced the funding of this program to a level that will result in total death of the program;

NOW THEREFORE, BE IT RESOLVED by the County Commission (Soil and Water Conservation District) that we respectfully call upon the Congress (House of Representatives) of the United States to support this Program and reinstate complete funding and personnel through the Soil Conservation Service to administer the program;

1. That each of our Legislators, vigourously resist any and all attempts to destroy, weaken, or change the funding of the Resource Conservation and Development Program;
2. That each of, our Legislators, give his personal and meaningful support to said program so that it may not only be continued but strengthened.

All members voted for the MOTION.

MINUTES, LIMESTONE COUNTY COMMISSION, APRIL 2, 1979

THE Limestone County Commission met in a regular meeting on Monday, April 2, 1979, at 10:00 A.M. at the Courthouse Annex, South Jefferson Street, Athens, Alabama.

PRESENT were: Raymond Wales Jr., Mark Barnes, Max M. LeCroix, Dave E. Davis. Absent: None. Charles R. Christopher, Chairman, presided.

MOTION was made by Dave E. Davis and seconded by Mark Barnes to approve the minutes of the preceding meeting. The Chairman asked for a vote. Ayes: Raymond Wales, Max M. LeCroix, Dave E. Davis and Mark Barnes. Nays: None. The MOTION was approved.

L. D. AKRIDGE, Director of Regional Housing Authority, and James W. Todd, Chairman, requested approval of an application and execution of a corporation agreement for the purpose of payment in-lieu of taxes for the County. The application for 40 units will be made for Limestone County. He told the Commission the locations will be selected at a later date and must be approved by HUD.

MOTION was made by Mark Barnes and seconded by Dave E. Davis to adopt the following Resolution concerning approval of application for Preliminary Loan for Low-Rent Public Housing.

R E S O L U T I O N

WHEREAS, it is the policy of this locality to eliminate substandard and other inadequate housing, to prevent the spread of slums and blight, and to realize as soon as feasible the goal of a decent home in a suitable living environment for all of its citizens; and

WHEREAS, under the provisions of the United States Housing Act of 1937, as amended, the United States of America, acting through the Secretary of Housing and Urban Development (Herein called the "Government"), is authorized to provide financial assistance to local public housing agencies for undertaking and carrying out preliminary planning of low-rent housing projects that will assist in meeting this goal; and

WHEREAS, the Act provides that there shall be local determination of need for low-rent housing to meet needs not being adequately met by private enterprise and that the Government shall not make any contract with a public housing agency for preliminary loans for surveys and planning in respect to any low-rent housing projects unless the governing body of the locality involved has by resolution approved the application of the public housing agency for such preliminary loan; and

WHEREAS, the Top of Alabama Regional Housing Authority (herein called the "Local Authority") is a public housing agency and is applying to the Government for a preliminary loan to cover the costs of surveys and planning in connection with the development of low-rent housing;

NOW, THEREFORE, be it resolved by the Commissioner of the County of Limestone as follows:

1. That there exists in the County of Limestone a need for such low-rent housing which is not being met by private enterprise.

2. That the Application of the Local Authority to the Government for a preliminary loan in an amount not to exceed \$20,000.00 for surveys and planning in connection with low-rent housing projects of not to exceed approximately 40 dwelling units is hereby approved.

THE CHAIRMAN asked for a vote. Ayes: Raymond Wales, Max M. LeCroix, Mark Barnes, Dave E. Davis. Nays: None. The MOTION was approved.

MOTION was made by Dave E. Davis and seconded by Mark Barnes to adopt a Resolution for septic tank lines to cross the County Road in Elk Estates.

STATE OF ALABAMA)

)

LIMESTONE COUNTY)

AT a regular meeting of the Limestone County Commission held on April 2, 1979 the following resolution was offered by Mr. Dave E. Davis.

Be it resolved by the Limestone County Commission that permission is hereby granted to Vincene W. Holder Marks and Bobby W. Marks as well as to First Federal Savings and Loan Association of Decatur, Alabama, who are mortgagors of the above named persons, and all assignees, and grantees of First Federal Savings and Loan Association of Decatur, Alabama to maintain field lines from a septic tank located on Lot No. 147 of the Elk Estates Subdivision according to the map or plat of said subdivision filed in the office of the Judge of Probate of Limestone County, Alabama in Plat Book B, Page 90, 91 and 92, across the

MINUTES, LIMESTONE COUNTY COMMISSION, APRIL 2, 1979

right-of-way of the county road separating the said Lot No. 147 from Lot No. 153 of said subdivision. It is understood that the septic tank is located on Lot. No. 147 and the field lines extend across a county road separating said Lot from Lot No. 153 of said subdivision, and that it is necessary to have assurance that the field lines for the septic tank will remain intact and order for the owners of the said real estate to obtain a loan on Lot No. 147. Be it further resolved that this commission is granted in consideration of \$1.00 and other good and valuable consideration. The motion was duly seconded and passed unanimously.

I, Charles R. Christopher, as Chairman of the Limestone County Commission of Limestone County, Alabama do hereby certify that the foregoing is a true and correct copy of minutes of this Commission on file in this office.

This the 2nd day of April, 1979.

Charles R. Christopher, Chairman

The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes, Dave E. Davis and Max M. LeCroix. Nays: None. The MOTION was approved.

THE CHAIRMAN read a letter from the Commissioner of Revenue requesting nominations for the Board of Equalization. Mr. Christopher requested the Commissioners to submit names for consideration at the next meeting.

MR. CHRISTOPHER passed out a copy of a salary supplement request for the Circuit Court Clerk that was submitted by Court Management. The County Attorney and ACCA's legal advisor is checking into the legality of this request. ACCA has requested no action be taken until legal advice has been received.

MOTION was made by Dave E. Davis and seconded by Mark Barnes to do some ditching and drainage work at Tanner School. Ayes: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Nays: None. The MOTION was approved.

R E S O L U T I O N

STATE OF ALABAMA)
)
LIMESTONE COUNTY)

BE IT RESOLVED AND ORDERED by the Limestone County Commission ~~that~~ Limestone shall enter into a Wastewater Treatment Agreement with the City of Decatur in the form presented to this meeting, a copy of which shall be recorded in the minutes of this meeting, and that the Chairman of the Limestone County Commission be and he is hereby authorized and directed to execute such contract on behalf of Limestone County and affix the seal of the County thereto.

WASTEWATER TREATMENT AGREEMENT between the CITY OF DECATUR, a municipal corporation under the laws of Alabama (Herein called "the City"), and LIMESTONE COUNTY, a political subdivision of the State of Alabama (herein called "the County"),

R E C I T A L S

The City and the County make the following recitals of fact as the basis for the undertakings hereinafter contained:

The City now owns and operates a wastewater or sanitary sewage treatment plant (herein called "the Dry Creek Plant") located within the corporate limits of the City on the South bank of the Tennessee River, and the County now owns a wastewater or sanitary sewage

MINUTES, LIMESTONE COUNTY COMMISSION, JULY 13, 1979. (CALLED MEETING)

collection system (herein called "the County System") located in the southern portion of the County. On or about October 28, 1974, the Municipal Utilities Board of Decatur, Morgan County, Alabama (acting in the premises on behalf of the City), and the County entered into an agreement (herein called "the 1974 Agreement") wherein the Board (on behalf of the City) agreed to make certain capital improvements to the Dry Creek Plant and to furnish certain wastewater or sewage treatment service to the County System and wherein, in consideration thereof, the County agreed to pay a portion (16.7%) of the costs of such capital improvements and, in addition, to pay to the City a charge or service fee for the treatment of such wastewater effluent from the County System as should be transported to the Dry Creek Plant by the County and treated thereat.

The County, not having available funds sufficient to pay its aforesaid portion of the capital costs of so improving the Dry Creek Plant, desires that the City provide for payment of all such costs but is willing, in consideration of the payment by the City of the County's portion of such capital costs, to agree to pay to the City for the services available and afforded to the County System by the Dry Creek Plant a charge or fee consisting of both a capital increment and an operating increment.

The City is willing to provide for payment of the County's "portion" of the aforesaid capital costs and to agree to make available to the County System a portion of the capacity of the Dry Creek Plant and to furnish wastewater or sewage treatment service to the County therefrom, all on the terms and conditions hereinafter set out.

NOW THEREFORE, in consideration of the premises and of the agreements on the part of the City and the County herein contained, they do hereby agree as follows:

Section 1. The City will proceed with the rebuilding or reconstruction of the Dry Creek Plant and with the construction of additions thereto so that it will be able adequately to treat, in accordance with criteria prescribed by the Alabama Water Improvement Commission, the present and anticipated future wastewater flow from the so-called "Study Area" referred to in the "201 Facilities Plan" prepared by Paul B. Krebs & Associates, Inc. including 4,000,000 gallons per day wastewater effluent from the County System. Further, the City will, upon completion of the rebuilding and reconstruction of the Dry Creek Plant and the construction of the proposed additions thereto (the date of completion of such work being herein called "the Completion Date") make available to the County System 16.7% of the total estimated capacity (24MGD) of the rebuilt and reconstructed Dry Creek Plant.

Section 2. The City will, until the Completion Date, treat, in accordance with criteria prescribed by the Alabama Water Improvement Commission, such wastewater flow (not exceeding, in case the total wastewater flow of both the City and the County is beyond the then current capacity of the Dry Creek Plant, 5,000 gallons per day or 15,000,000 gallons per month, whichever is lesser) as shall be transported to the Dry Creek Plant by the County through the County System. Further the City will, from and after the Completion Date, treat, in accordance with criteria prescribed by the Alabama Water Improvement Commission, such wastewater flow (not exceeding 4,000,000 gallons per day) as shall be transported to the Dry Creek Plant by the County through the County System.

Section 3. The County will, without cost or expense to the City, (a) to the extent it has not already done so, construct such facilities as are required to intercept and transport the wastewater flow from the County System to the Dry Creek Plant, including (without limitation) collection facilities, pumping stations, force mains, meter vaults and all other items required to convey such wastewater flow to the existing barminutor structure at the Dry Creek Plant and ultimately to the proposed bar screen structure at the rebuilt and reconstructed Dry Creek Plant, and (b) except as provided in the next succeeding sentence, operate and maintain such facilities. The City will, at its own expense, operate and maintain those of the above-described facilities that are located on the south bank of the Tennessee River to the aforesaid point of discharge into the Dry Creek Plant. If, in the sole opinion of the City, it becomes necessary to replace, or make any capital improvements to, any of the aforesaid County System facilities that the City has in the preceding sentence agreed to operate and maintain at its own expense, the City may so replace, or make such improvements to, such facilities, and the County will, within ten(10) days after being billed for the costs thereof by the City, reimburse the City for such costs.

Section 4. The County will, on or before the tenth (10th) day of each calendar month commencing with the month of August, 1979, and continuing until and including the month of August, 2009, pay to the City a Wastewater Treatment Charge consisting of a "Capital Increment" and an "Operating Increment" as hereinafter provided, it being understood and agreed that the charges payable hereunder on or before the 10th day of any such calendar month are (unless otherwise specifically provided) referable to the preceding calendar month.

(a) Capital Increment. The monthly "Capital Increment" of the Wastewater Treatment Charge (which shall be paid irrespective of whether any wasteflow is received from the County System or treated at the Dry Creek Plant during the month) shall be as follows:

MINUTES, LIMESTONE COUNTY COMMISSION, JULY 13, 1979 (CALLED MEETING)

(i) for each calendar month during the Construction Period, one-twelfth (1/12) of an amount which will amortize, over a period of thirty (30) years on an assumed level annual debt service basis and at the Effective Average Annual Net Interest Rate hereinafter defined, 16.7% of the Estimated Dry Creek Plant Costs (as hereinafter defined);

(ii) for each calendar month covered by this Agreement after the Construction Period and until and including the month of June, 2009, one-twelfth (1/12) of an amount which will amortize, over a period of thirty (30) years on an assumed level annual debt service basis and at the said Effective Average Annual Net Interest Rate, 16.7% of the Actual Dry Creek Plant Costs as hereinafter defined; provided, however, that if the Estimated Dry Creek Plant Costs exceed the Actual Dry Creek Plant Costs, there shall be credited, on the first and each subsequent payment due under the provisions of this clause (ii), the amount by which the sum of the Capital Increments paid by the County pursuant to the provisions of the preceding clause (i) with respect to the Construction Period exceeds the sum of Capital Increments that would have been payable by the County hereunder with respect to the Construction Period had they been computed in accordance with the provisions of this clause (ii) without this proviso-all until such entire excess amount has been so credited; and

(iii) if the Actual Dry Creek Plant Costs exceed the Estimated Dry Creek Plant Costs, an additional Capital Increment, for the first calendar month next following the Construction Period, equal to the amount by which the sum of the Capital Increments that would have been payable by the County hereunder with respect to the Construction Period had they been computed in accordance with the provisions of the preceding clause (ii) without the aforesaid proviso exceeds the sum of the Capital Increments paid by the County pursuant to the provisions of the preceding clause (i) with respect to the Construction Period.

The term "Construction Period" as used in this Agreement means the period beginning July 1, 1979, and ending on the last day of the month of June next following the month during which the Completion Date occurs.

The term "Estimated Dry Creek Plant Costs" as used in this Agreement means the sum of \$6,422.327. The term "Actual Dry Creek Plant Costs" as used in this Agreement means the total costs (including financing costs) of rebuilding and reconstructing the Dry Creek Plant and of constructing the proposed additions thereto, other than that portion of such costs financed with proceeds from federal grants, as said total costs are conclusively determined and certified by the by the firm of Paul B. Krebs & Associates, Inc. The City will cause said firm to prepare such certificate in reasonably detailed form, as promptly as practicable following the Completion Date and will, prior to the last day of the Construction Period, furnish a copy thereof to the County.

The term "Effective Average Annual Net Interest Rate" as used in this Agreement means the effective average annual net interest rate reflected by that bid accepted by the City, on or about July 24, 1979, for the purchase from it of its \$7,100,000 principal amount of Refunding Sewer Revenue Warrants, Series 1979, to be dated July 1, 1979. The City will, prior to August 10, 1979, notify the County of the Effective Average Annual Net Interest Rate and of the amount of the monthly Capital Increment payable pursuant to the provisions of clause (i) resulting therefrom.

(b) Operating Increment. The monthly "Operating Increment" of the Wastewater Treatment Charge shall be as follows:

(i) for each calendar month during the Construction Period, an amount equal to three cents (3¢) per thousand (1,000) gallons of wasteflow received during such calendar month from the County System at the Dry Creek Plant;

(ii) for each calendar month covered by this Agreement after the Construction Period, and until and including the month of June, 2009, an amount equal to the Average Audited Plant) & M Costs (as hereinafter defined) for the then preceding Fiscal Year multiplied by the number of thousand gallons of wasteflow received during such calendar month from the County System at the Dry Creek Plant, and

(iii) for each month of June covered by this Agreement, commencing with the June next following the month during which the Completion Date occurs and continuing until and including the month of June 2009, an additional amount (payable on or before the 10th day of the next succeeding August) equal to the Annual County Plant O & M Deficit (as hereinafter defined) for the then current Fiscal Year.

The term "Fiscal Year" as used in this Agreement means the period commencing on July 1 in each calendar year and continuing until and including the month of June in the then next succeeding calendar year. The term "average Audited Plant O & M Costs" as used in this Agreement means the total costs of operating and maintaining the Dry Creek Plant during the Fiscal Year in question computed in accordance with generally accepted accounting principles (Not including, however, as an operating or maintenance cost, depreciation or interest) divided by the total number of thousand gallons of wasteflow received during such Fiscal Year at the Dry Creek Plant. The term "Annual County O & M Deficit" as used in this Agreement means the amount by which (A) the Average Audited Plant

MINUTES, LIMESTONE COUNTY COMMISSION, JULY 13, 1979, (CALLED MEETING)

O & M Costs for the Fiscal Year in question multiplied by the number of thousand gallons of wasteflow received during such Fiscal Year from the County System at the Dry Creek Plant, exceeds (B) the total amount payable by the County with respect to such Fiscal Year under the provisions of the preceding clause (i) or (ii), as the case may be.

The total costs of operating and maintaining the Dry Creek Plant during any Fiscal Year shall be conclusively established by a written certificate or report of the independent certified public accountants employed by the City to audit its books and records pertaining to its sanitary sewer or wastewater system for such Fiscal Year, and the total number of thousand gallons of wasteflow received during any Fiscal Year at the Dry Creek Plant (as well as the total number of thousand gallons of wasteflow received during any fiscal year for the County System at the Dry Creek Plant) shall be conclusively established by a written certificate of the Manager of the City's Wastewater or Sanitary Sewer Department. The City will cause the certificates referred to in the preceding sentence to be prepared as soon as practicable after the close of each Fiscal Year and in any event prior to the August 10 next succeeding the close of each Fiscal Year and it will furnish a copy of each such certificate to the County.

Section 5. The City may, if in its sole judgment the wasteflow received from the County System at the Dry Creek Plant has characteristics that are different from those customarily associated with domestic waste and that make it difficult or more costly to treat, at its option and without the necessity of any consent or approval by the County, either (a) impose an appropriate surcharge on the Operating Increment of the Wastewater Treatment Charge, or (b) require, as a condition to receipt and treatment of wasteflow from the County System, pre-treatment thereof in a manner satisfactory to the City but at the sole expense of the County.

Section 6. The City may, if and to the extent it is required to do so by applicable law or regulation (including, without limitation, any law or regulation applicable on account of the receipt by the City of Federal grants in aid of the work of rebuilding and reconstructing the Dry Creek Plant and constructing the proposed additions thereto), increase the amount of the monthly Operating Increment of the Wastewater Treatment Charge, without the necessity of any consent or approval by the County.

Section 7. The County will adopt, and keep in full force and effect, such resolutions, orders, regulations and ordinances respecting the discharge of waste into the County System as shall be satisfactory to and approved by the City, and it will from time to time make such changes in any such resolutions, orders, regulations and ordinances as shall be necessary in order that they be substantially identical to similar resolutions, orders, regulations and ordinances of the City.

Section 8. The increments of the Wastewater Treatment Charge referred to in Section 4 of this Agreement are "net." In the event that any portion of such charge is not paid on or before the date on which it is due, there shall be added to the amount of such delinquent payment a penalty in an amount equal to ten per cent (10%) thereof plus an additional one per cent (1%) thereof for each successive thirty-day period after such due date. The penalty referred to above is cumulative, and the right herein reserved by the City to impose such penalty shall not be construed as in any way waiving or limiting the City's right to discontinue service to the County for failure to pay any amounts that come due to the City under the provisions of this Agreement. The County hereby acknowledges that the City may, in the event any payment due to the City hereunder is not paid on or before its due date, discontinue furnishing any service to the County or the County System hereunder until the amount of any delinquent charge plus the amount of any applicable penalty has been paid.

Section 9. All amounts payable by the County hereunder shall be payable solely out of revenues (including tax revenues) derived by the County during that fiscal year of the County in which such payment is due.

Section 10. This agreement shall become effective as of July 1, 1979, and shall continue effective until and including June 30, 2009, it being understood and agreed, however, that the preceding provisions of this sentence shall not relieve the County from the obligation to make payments for services available and afforded to the County System for the month of June, 2009 (which such payments do not come due until July 10 and August 10, 2009).

Section 11. The 1974 Agreement is hereby cancelled and terminated effective as of July 1, 1979. The City has, in order to insure that the 1974 Agreement shall be effectively terminated, caused the Municipal Utilities Board of Decatur, Morgan County, Alabama, to endorse this Agreement at the foot thereof in order to evidence its consent to the termination of the 1974 Agreement.

Section 12. The provisions of this Agreement shall be severable. In the event any provision hereof shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

IN WITNESS WHEREOF, the City and the County have caused this Agreement to be executed in their respective names by their duly authorized officers, in six (6) counterparts, each of which shall be deemed an original, and have caused this Agreement to be dated as of July 1, 1979, although actually executed on behalf of the City on July 24th, 1979, and on behalf of the County on July 10th, 1979.

MINUTES, LIMESTONE COUNTY COMMISSION, JULY 31, 1979 (CALLED MEETING)

THE LIMESTONE County Commission was called for a special session by the following letter:

Members
Limestone County Commission
Athens, Alabama 35611

Gentlemen:

There will be a called meeting on Tuesday, July 31, 1979, at 11:00 A.M. for the purpose of discussing a proposal for providing data processing services to the Tax Assessor and Tax Collector.

C. R. Christopher

PRESENT were: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Absent: None. C. R. Christopher, Chairman, presided.

THE CHAIRMAN informed the Commission that Electro-Data Corporation has submitted the following proposal for data-processing services to the Tax Assessor and Tax Collector.

AGREEMENT FOR DATA PROCESSING SERVICES

Electro-Data Corporation will provide the following Data-Processing Services to the Limestone County Tax Assessor Office:

1. Services: Key enter Property Tax Records containing Names, Address, Total Assessed Value of Parcel(s), Homestead Exemption Amount and Municipal Code.

Print an Edit Listing of all keypunched information.

Calculate Real Estate Taxes based on Assessed Value, HS Exemption, Municipal Code and Rates supplied by the County.

Print an Abstract Listing of Property Taxes, Print Tax Receipts, and Deliver to the County Courthouse.
2. Conditions: Property Tax Assessment sheets in alphabetical sequence will be provided to Electro-Data by the County beginning no later than August 15, 1979 and completed no later than August 25, 1979. Electro-Data will deliver a partial proof listing the abstract to the County no later than August 30, 1979 and a complete abstract by September 15, 1979.

Note: Electro-Data will be allowed a minimum of 5 working days after the last batch of data is made available to EDC to complete the Real Estate Abstract.
3. Price:

Per Page (Per Municipal Code Entry)	\$0.25
Per Tax Receipt	0.05

Estimated Volume 20,000 pages \$6,000.00
If documents cannot be removed from the Courthouse, they can be copied at an additional charge of 0.05 EA.
4. Terms: Net 10 days from Delivery

EDWARD CHRISTOPHER, Tax Assessor, has requested the Commission hire a computer firm to calculate the tax and write the abstract since it will be impossible for him to calculate the tax and write the abstract by October 1, 1979.

MR. CARROLL STOUGH, State Department of Revenue, informed the Clerk that an attorney general's opinion has been issued deleting the bid requirement on this service due to the time limit involved in getting tax records completed.

MOTION was made by Mark Barnes and seconded by Max M. LeCroix to authorize the Chairman to execute the agreement with Electro-Data corporation. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Nays: None. The Motion was approved.

MINUTES, LIMESTONE COUNTY COMMISSION, AUGUST 20, 1979

THE Limestone County Commission met in a regular meeting on Monday, August 20, 1979, at 10:00 A.M. at the Courthouse Annex, Jefferson Street, Athens, Alabama.

PRESENT were: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Absent: None. C. R. Christopher, Chairman, presided.

MOTION was made by Dave E. Davis and seconded by Max M. LeCroix to approve the minutes of the preceding meeting. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Nays: None. The Motion was approved.

JIM SMITH, Representative, presented a resolution passed by the Alabama House of Representatives commending Charles R. Christopher for being chosen "Citizen of the Year" by the Athens-Limestone Chamber of Commerce.

MR. MORRIS PEPPER, Marty Boyd, and Jann Wales presented a proposal for a deferred compensation plan for County employees. The Commission agreed the proposal could be discussed with employee groups.

MOTION was made by Dave E. Davis and seconded by Mark Barnes to approve the following merit increases:

Mary F. Green	Robert M. Beasley
Joe M. Abernathy	Virgil Smith
Thomas Dean	Horace Miller
Larry Pugh	

The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Nays: None. The Motion was approved.

MOTION was made by Mark Barnes and seconded by Max M. LeCroix to direct the Chairman to discuss Proposal No. 571 with Jim Hardage to clarify their request to accept next to lowest bid.

MINUTES, LIMESTONE COUNTY COMMISSION, SEPTEMBER

THE Limestone County Commission met in a regular session at 9:30 A.M. at the Courthouse Annex, Jefferson

PRESENT were: Raymond Wales, Mark Barnes, Max the None. C. R. Christopher, Chairman, presided.

REVENUE SHARING: PROFATER, 1979,

MR. TOM SALTER, Director, North Central Mental Health, requested their support. He requested an increase from \$1.00 per capita to \$1.50 per capita to meet continuing needs. Motion was made by Max M. LeCroix and seconded by Dave E. Davis. Ayes: 4, Nays: 0.

MRS. NANCY AGNEW, Wheeler Basin Regional Library, requested support. She asked the Commission if there were any other ways to get their support of Wheeler Basin Regional Library. Motion was made by Max M. LeCroix and seconded by Dave E. Davis. Ayes: 4, Nays: 0.

MR. RAYMOND MARSH, Farm Bureau, requested consideration of the millage increase until taxes are collected. Motion was made by Max M. LeCroix and seconded by Dave E. Davis. Ayes: 4, Nays: 0.

ALBERT McDONALD described the intent of the Amendment to the Constitution. Basically, the legislature lowered the ratio of the use of revenue. The legislature provided that the counties could not prevent a loss of revenue. They can also have a reappraisal. This system would have worked well if it had been done. However, since this was not completed, it is not available. The law provides the millage can be increased to 20%.

- MR. CHRISTOPHER outlines the exemptions to the millage increase.
1. Homestead exemption, from \$13.00 maximum to \$15.00.
 2. Current Use: 7 or 8 directives in reference to the use of Revenue. This is left to the discretion of the Commission. This means \$1,000.00 per acre. Taxes are paid on \$60.00 per acre.
 3. Act 6: A house appraisal for \$20,000.00 a year. District 2 does not pay any taxes.

All these factors have to be applied when the millage is increased.

RAY JONES asked how much new property is picked up each year. There was no answer.

MR. McDONALD asked the Commission to reconsider the millage increase as large as 9 1/2 mills.

MR. CHRISTOPHER commended the Commission for their decision to reduce the millage next year if revenues exceed \$100,000.00.

LEO HAMPTON asked the increased value of Limestone County. He said he had three sets of figures he will be glad to present.

MR. CHRISTOPHER said the first figures were run by the first group and figured the anticipated revenue for the second group.

MACK MAPLES said he talked with Edward Christopher and he recommended the same amount we did last year. He recommended a 10% increase.

AN explanation was given Mr. Marsh concerning the millage increase.

Mr. Barnes explained the additional increases are due to requests and inflation.

RAYMOND ROBERTS read over the figures the Tax Assessor has.

MARGARITE BLACK asked how much land comes under the millage and a house.

JOE MURPHY said he has to reduce the cost when the County Commission do the same.

MR. CHRISTOPHER said the General Fund Revenue was \$300,000.00 in 1976. Last year, Revenue was approximately \$300,000.00 caused by the Judicial Article voted on by the voters in the polls.

MR. MARSH reiterated his stand to lower the millage.

JOHN HECTOR FRENCH asked the same.

MR. LEO HAMPTON asked us to rescind the tax millage.

MOTION was made by Max M. LeCroix and seconded by Dave E. Davis to adopt the following Resolution concerning Saginaw. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Nays: None. The Motion was approved.

STATE OF ALABAMA
LIMESTONE COUNTY

A RESOLUTION AMENDING RULES AND REGULATIONS
OF THE LIMESTONE COUNTY COMMISSION
LIMESTONE COUNTY, ALABAMA

TO REGULATE, LIMIT, AND RESTRICT
THE DISCHARGE OF WASTE INTO THE SANITARY
SEWERAGE SYSTEM OF THE LIMESTONE COUNTY COMMISSION
LIMESTONE COUNTY, ALABAMA

BE IT RESOLVED BY THE LIMESTONE COUNTY COMMISSION, LIMESTONE COUNTY, ALABAMA, as follows: The Resolution Adopting Rules and Regulations to Regulate, Limit and Restrict the Discharge of Waste Into The Sanitary Sewerage System of The Limestone County Commission, as adopted by the Limestone County Commission on April 19, 1976, is hereby amended.

SECTION 8(d) (4) Basic User Charge Rate, SECTION 8(e) (2) (a) - Table 1, SECTION 8 (e) (2) (b) - Table 2, SECTION 8(e) (2) (c) Minimum Charges and SECTION 15 EFFECTIVE DATE are hereby amended to read as follows:

SECTION 8(d) (4) Basic User Charge Rate: The revised basic user charge rate shall be established as \$0.70 per 1000 gallons of sewage contributed to the system.

SECTION 8(e) (2) (a) - TABLE 1: (See Following)

SECTION 8(e) (2) (b) - TABLE 2: (See Following)

SECTION 8(3) (2) (c) - Minimum Charges: Minimum service charges shall be developed in coordination with an industrial customer and will be based on the minimum capacity (volume) of the sewerage system reserved for that customer. The customer will be charged that minimum rate even if the flow during the billing period does not reach that volume. Flows in excess of the minimum volume will be charged at the charge rate. As an example, industry A has, in coordination with the South Limestone System, determined that a minimum capacity of .250 mgd should be reserved for its use. The minimum monthly charge will be calculated as follows:

Minimum charge = daily flow x charge rate x 365 days divided by 12 or Minimum Charge = .25 x 1000 x \$0.70/100 gal. x 365 divided by 12 = \$5,322.92

If industry A's average daily flow during a month had been .275 mgd, the monthly bill would be .275 x 1000 x 30 x 0.70 or \$5,775.00, based on volume alone since that amount exceeded the minimum charge. Any surcharge would be in addition to the volume based charge.

SECTION 15. EFFECTIVE DATE - This Resolution and these Amendments to the Rules and Regulations shall become effective on September 15, 1979.

ADOPTED THIS 17th DAY OF SEPTEMBER, 1979.

TABLE 2
SAMPLE SURCHARGE CALCULATIONS
FOR INDUSTRIAL CUSTOMERS

- Industry A contributes wastes that have strengths of 300 ppm BOD and 350 ppm Suspended Solids with an average daily flow of 300,000 gallons. Normal wastes are considered as wastes with up to 200 ppm BOD and 200 PPM Suspended Solids. Industry A thus must pay a surcharge. The surcharge is based on 100 ppm BOD and 150 ppm Suspended Solids over the normal waste limits.
- The basic volume charge for 300,000 gallons per day is \$6300.00 (from Table 1 above).
- The surcharge is calculated as follows:

$$B = \text{Concentration of BOD above 200 ppm} = 100$$

$$Bc = \$0.02/\text{lb BOD (from Annex A)}$$

$$S = \text{Concentration of Suspended Solids above 200 ppm} = 150$$

$$Sc = \$0.02/\text{lb. Suspended Solids}$$

$$Vu = \text{Volume Contribution} = \frac{.3 \text{ Million Gal.}}{\text{Day}} \times 30 \text{ days} \times \frac{8.34 \text{ lb.}}{\text{Gal.}}$$

$$Cs = (Bc + Sc S) Vu$$

$$= (.02 \times 100 + .02 \times 150) \times .3 \times 30 \times 8.34$$

$$(2 + 3) \times .3 \times 30 \times 8.34 = \$375.30/\text{month}$$
- The surcharge would be shown as a separate entry on the bill, the total of which would be \$6300 + 375.30 = \$6675.30.

MOTION was made by Mark Barnes and seconded by Dave E. Davis to pay an \$80.00 ambulance fee to take Michael Gilliland, Juvenile, to Decatur for treatment. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Nays: None. The Motion was approved.

MOTION was made by Mark Barnes and seconded by Dave E. Davis to authorize the Chairman to sign the Revenue Sharing Statement of Assurances. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Nays: None. The Motion was approved.

MINUTES, LIMESTONE COUNTY COMMISSION, SEPTEMBER 24, 1979 (CALLED MEETING)

THE Limestone County Commission was called for a special session by the following letter:

Members
Limestone County Commission
Athens, Alabama 35611

Gentlemen:

There will be a called meeting on Monday, September 24, 1979, at 10:00 A.M. for the purpose of a Budget hearing for Revenue Sharing Funds.

C. R. Christopher, Chairman

PRESENT were: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Absent: None. C. R. Christopher, Chairman, presided.

ALSO present were: Margie McCrary, Arned Heath, Byrd Latham, and Barbara Anderson.

ARNEDA HEATH, Council on Aging, asked the Commission to reconsider paying the telephone service at Pleasant Point and Goodsprings nutrition sites. No action was taken.

MOTION was made by Dave E. Davis and seconded by Max M. LeCroix to transfer \$5,000.00 from Revenue Sharing Funds to the North Limestone Water System. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Nays: None. The Motion was approved.

MOTION was made by Dave E. Davis and seconded by Mark Barnes to change the job classification on Margaret Talmadge from Clerk II to Clerk III. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Nays: None. The Motion was approved.

A DISCUSSION of the County hospitalization plan and increased premium cost was held.

MOTION was made by Dave E. Davis and seconded by Max M. LeCroix to drop the convalescent care and the dental insurance, effective October 1, 1979. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Nays: None. The Motion was approved.

MOTION was made by Raymond Wales and seconded by Max M. LeCroix to authorize the Chairman to request quotes for hospitalization insurance from several insurance companies. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Nays: None. The Motion was approved.

BYRD LATHAM, representing Clean Community Commission said they are on the verge of, if recycling projections occur, becoming self-sustaining.

BARBARA ANDERSON of the Clean Community Service delivered an annual report and 1979-80 Budget to the Commission. She asked continued support from the County.

MR. CHRISTOPHER outlined the financial problems of the County. He advised if the property tax brings in more money than anticipated, then the Commission will consider pro-rating the money back to departments that have had their budgets cut.

MINUTES, LIMESTONE COUNTY COMMISSION, OCTOBER 1, 1979

THE Limestone County Commission met in a regular meeting on Monday, October 1, 1979, at 10:00 A.M. at the Courthouse Annex, South Jefferson Street, Athens, Alabama.

PRESENT were: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Absent: None. C. R. Christopher, Chairman, presided.

MOTION was made by Dave E. Davis and seconded by Mark Barnes to approve the minutes of the preceding meeting. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Nays: None. The Motion was approved.

THE CHAIRMAN informed the Commission the Rescue Squad has an ambulance which was returned to the County by the hospital. They want to use it as "stand-by" at school ballgames.

MOTION was made by Mark Barnes and seconded by Raymond Wales to give this ambulance to the Rescue Squad and they will be solely responsible for insurance and maintenance. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Nays: None. The Motion was approved.

HOLLIS HOGAN, Sheriff, told the Commission mental patients are kept in the jail from time to time. He requested the Commission meet with the hospital board to request rooms be set-up at the hospital to hold mental patients until they can be transported to a mental facility. He stated he was willing to work any way possible with the hospital.

MOTION was made by Raymond Wales and seconded by Max M. LeCroix to authorize the Chairman to meet with interested parties to discuss the possibility of setting aside one or two rooms at the hospital for mental patients. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Nays: None. The Motion was approved.

MOTION was made by Raymond Wales and seconded by Max M. LeCroix to approve a merit increase for Emogene Barnes contingent upon approval of Ed Christopher, Tax Assessor, when he returned from the hospital. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Nays: None. The Motion was approved.

MOTION was made by Dave E. Davis and seconded by Max M. LeCroix to issue a P. O. to Athens Motors Company, as they were low bidder, if they meet specifications of Proposal Number 583 (2 Dump Trucks-D-4). The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Nays: None. The Motion was approved.

Proposal Number 583 (D-4)

Athens Motors	\$22,391.70
Jack Yarber Ford, Inc.	\$28,359.00
Littrell Motor Company	NO BID
Gordon Chrysler Plymouth	NO BID

MOTION was made by Max M. LeCroix and seconded by Mark Barnes to authorize the Chairman to execute the CETA II & CETA VI Contracts for 1979-80. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Nays: None. The Motion was approved.

MOTION was made by Dave E. Davis and seconded by Raymond Wales to pay an ambulance fee for Michael Gillam, Juvenile, from the Contingent Fund. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Nays: None. The Motion was approved.

THE CHAIRMAN informed the Commission the Veteran's Office will have to vacate their office on November 1, 1979. He suggested we move them into the Council on Aging offices on a temporary basis. The Commission agreed with the proposal.

MOTION was made by Raymond Wales and seconded by Dave E. Davis to pay Jerome Andrews \$.15 per mile for using his own car to pick up supplies for the Courthouse and to check on the janitorial work at County Buildings. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Nays: None. The Motion was approved.

MOTION was made by Raymond Wales and seconded by Max M. LeCroix to approve a 5% cost of living increase for all County employees to be paid at the end of each quarter. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Nays: None. The Motion was approved.

MOTION was made by Max M. LeCroix and seconded by Raymond Wales to approve a merit increase for the following employees:

R. C. Nash	Christine Black
James M. Hargrove	James V. Hargrove

The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Nays: None. The Motion was approved.

THE CHAIRMAN discussed the employees health insurance. He stated we are getting prices from several insurance companies. The Chairman said he has checked with several counties and their increases have ranged from 20% to 35%. The Association of County Commissions is checking on the counties being self-insured. We may hear something on this self-insured plan for Counties within 90 days.

THE CHAIRMAN informed the Commission that the City of Athens will bill garbage pick-up on the utility bills.

THE CHAIRMAN informed the Commissioners that averaging the bid on metal pipe, Proposal Number 580, will cost the County more since the most-used pipe is higher and least-used pipe is lower. He suggested the bid be rejected and request bids for specific amounts each month. The Commission agreed the Chairman should discuss this matter with the auditors.

MINUTES, LIMESTONE COUNTY COMMISSION, OCTOBER 1, 1979

MR. BARNES asked the Commission to consider charging for pipe that goes on the right-of way since less money will be available for the road program. No action was taken.

THE CHAIRMAN said bids will be requested for grader blades. He directed the Commissioners to decide what they will need and bids will be sent out.

THE CHAIRMAN informed the Commission that we cannot buy tires on the state bid price if we do not have the state successful bidder dealer in our County. We will send out bids as soon as possible.

MOTION was made by Dave E. Davis and seconded by Max M. LeCroix to adopt the following 1979-80 BUDGET as follows:

MINUTES, LIMESTONE COUNTY COMMISSION, OCTOBER 1, 1979

THE CHAIRMAN asked for a vote. Ayes: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Nays: None. The Motion was approved.

THE CHAIRMAN asked the Commissioners to encourage all departments to stay within their budgets. Computer print-outs will be mailed to every department each month.

JIM BIRCH, County Engineer, informed the Commission of recent legislation to control subdivisions outside the city limits. Property owners cannot record these plats until approved by the Commission upon the County Engineer's recommendation.

MOTION was made by Max M. LeCroix and seconded by Dave E. Davis to adopt the Sub-Division Regulations as follows:

SUBDIVISION REGULATIONS

I. PURPOSE

- A. The purpose of this regulation is to establish procedures and standards for the development of subdivisions and real estate, outside the jurisdiction of municipalities that now provide adequate regulations, in an effort to ensure suitable building sites and adequate streets and utilities to best serve the community. Land subdivided into three (3) or more individual lots within a two year period shall be deemed a subdivision and development shall comply with these regulations.

II. PROCEDURE

- A. It is recommended that before any detail planning is started, the Limestone Health Department be contacted and the area to be subdivided be approved by the County Health Department for use of individual sewage disposal units and wells when public facilities are not available to the proposed site.
- B. The procedure for review and approval of a proposed subdivision consists of submission of a preliminary plat and construction plans of the proposed subdivision and submission of a final plat with required certificates when construction is complete. The final plat becomes the instrument to be recorded in the Office of the Judge of Probate when final approval signatures have been obtained.
- C. Steps in obtaining approval:
 - 1. (a) The Subdivider shall submit three (3) copies of the Preliminary Plat and Plans to the County Engineer. Preliminary Plat and Plans shall consist of the minimum required data as outlined under Section IV, Preliminary Plat.
 - (b) Approval of the Preliminary Plat shall not be deemed final acceptance of the proposed subdivision but an expression of approval of the layout and design. Any changes or revisions to the approved Preliminary Plat shall be approved by the County Engineer, prior to actual construction.
 - 2. (a) The subdivider shall submit the original and three (3) copies of the Final Plat to the County Engineer. The Final Plat shall conform to the Preliminary Plat as approved and shall consist of the requirements outlined in Section V, Final Plat.
 - (b) The Final Plat may constitute only that portion of the Preliminary Plat which the Subdivider proposes to develop at that time.
 - (c) Final approval of the Subdivision is required prior to recording of the Final Plat in the Office of the Judge of Probate. No land within the Subdivision shall be transferred, sold, or negotiated for sale prior to recording the Final Plat.
 - (d) The Subdivider shall submit the Final Plat for approval within one year of the approval date of the Preliminary Plat.
 - (e) The Final Plat must be recorded in the Office of the Judge of Probate within three (3) months from final approval date.
 - (f) Prior to the approval of the Final Plat, the Subdivider shall have installed and constructed all improvements required as shown on the approved Preliminary Plat or posted an improvement bond not to exceed 100% of the cost of the improvements.

III. ROADS NOT RELATED TO SUBDIVISIONS

- A. Roads not related to subdivisions shall not be accepted by the Commission unless the following conditions are met:
 - 1. (a) The road shall benefit the general public as an access to points within the community as determined by the Commission.
 - (b) A dedicated right-of-way shall be provided at a width required by the standards herein stated.

MINUTES, LIMESTONE COUNTY COMMISSION, OCTOBER 1, 1979

SUBDIVISION REGULATIONS-CONTINUED

- (c) The road shall be constructed in the same manner as contained herein for subdivision streets including design, approvals, and inspections.
- IV.

IV. PRELIMINARY PLAT

- A. A Preliminary Plat shall be submitted to the County Engineer Office for approval prior to any grading or improvements to the proposed subdivision. Approval of the proposed subdivision for use of wells and/or sewage disposal systems shall be obtained from the County Health Department.
- B. The Preliminary Plat shall contain the following:
1. Names of:
 - (a) Subdivision
 - (b) Subdivider and address
 - (c) Owners, Engineer and his seal
 - (d) Owners, Land Surveyor and his seal
 - (e) Adjacent subdivisions
 - (f) Adjacent property owners and addresses
 2. Date, north point and scale.
 3. Description of property and acreage.
 4. Boundaries or proposed subdivision showing bearings and distance and tie-in to the U. S. Government survey.
 5. Locations, width and purpose of all easements, existing, proposed and adjacent to the proposed subdivision.
 6. Proposed Lot lines and approximate dimensions, lot and block numbers.
 7. Building set back from all streets.
 8. Location and identity of all existing structures to remain on the property.
 9. Areas and elevation of the 100 year flood hazard area as shown on the maps prepared by the U. S. Department of Housing and Development. Erect a permanent bench-mark within the subdivision and indicate elevation above mean sea level.
 10. Street plan shall contain the following information:
 - (a) Location of all proposed and existing streets or right-of-ways in or adjacent to the Subdivision.
 - (b) Widths of existing and proposed right-of-ways.
 - (c) Plan and profile and cross-sections of all streets, showing natural and finished grades.
 - (d) Curve data for the center line of each street; Delta, T and R.
 11. Storm drainage plan shall contain the following information:
 - (a) Topography of area showing natural and finished contours at 2 foot intervals.
 - (b) Location of proposed drainage ways.
 - (c) Location, size and invert elevation of proposed drainage ways.
 - (d) Location of easements and right-of-ways for drainage ways.
 - (e) Typical cross-section of each drainage way and street.
 12. Water distribution plan shall contain the following information:
 - (a) Location and size of water distribution system including pipes, valves, fittings, hydrants, etc.
 - (b) Permission to tie-in to an existing water system adjacent to the area.

All the above requirements with the exception of item paragraph 10C. may be incorporated on one drawing.

V. FINAL PLAT

- A. The Final Plat shall be approved by the Limestone County Commission provided the following requirements have been met.

MINUTES, LIMESTONE COUNTY COMMISSION, OCTOBER 1, 1979

- B. The Final Plat shall be drawn in black ink upon reproducible tracing cloth on sheets 24 inches wide by 36 inches long at a scale of not less than one inch equals 100 feet, and shall conform substantially to the Preliminary Plat as approved. The Final Plat shall be prepared by a registered surveyor and shall show the following information.
 - 1. Name of Subdivision, date, scale, and North Point. The relation of the land to the Government Survey. The "point of beginning" referred to in the written description shall be so indicated.
 - 2. The location of all streets, alleys, lot lines, lots numbered in numerical order, block numbers, reservations, easements and areas dedicated to public use with notes stating their purpose and any limitations.
 - 3. The exact location of the permanent markers shall be indicated on the Plat with a small "0".
 - 4. All data required to reproduce, on the ground, the location, bearing and length of every street, lot line, boundary line, block line and maximum set-back line.
 - 5. All data on curved boundary lines, street center-lines and right-of-way lines shall be shown to enable re-establishment of curves.
 - 6. All dimensions shall be shown in feet to the nearest one-hundredth and all angles to the nearest 30 seconds.
- C. The following endorsements, dedications, and certificates shall be placed on the Final Plat.
 - 1. Surveyors certificate and description of the property.
 - 2. Dedication owner and developer.
 - 3. A Notary's acknowledgement of dedications.
 - 4. A certificate of approval by the Limestone County Commission.
 - 5. A certificate of approval by the Limestone County Health Department.
 - 6. A certificate for recording by the Probate Judge.
 - 7. A certificate of approval by the Electric Department, City of Athens.
 - 8. A certificate of approval by the County Water Department.
- D. In addition to the above requirements, Final Plat approval is subject to all improvements and utilities required, being satisfactorily completed and installed in accordance with plans and specifications approved on the Preliminary Plan. Proof of these requirements shall be evidenced by the certificate of the Commission.
- E. The subdivider shall maintain all streets, drainage and utilities, installed by the subdivider, for a period of one year at which time a final inspection shall be made by the County Engineer and the improvements accepted as public property and take-over of maintenance.

VI. INSTALLATION OF PERMANENT MARKERS

- A. Permanent Reference Points: Prior to the approval of the Final Plat, permanent reference points shall have been placed in accordance with the following:
 - 1. Subdivision Corner Tie: At least one corner of the subdivision shall be designated by course and distance from an accepted corner of the government survey of Limestone County. The subdivision corner shall be marked with a monument and shall appear on the map with a description of bearings and distances from the accepted government survey corner, to an accuracy of 1:10,000.
 - 2. Monuments: Concrete monuments four (4) inches square or four (4) inches in diameter with a flat top shall be set at all points where the street lines intersect the exterior boundaries of the subdivision, at intersection curves and tangents along the street lines and at all corners of the subdivision. The top of the monument shall be indented to mark the point of survey.
 - 3. Property Corners: All lot corners not marked with a concrete monument shall be marked with an iron pin of not less than one-half ($\frac{1}{2}$) inch in diameter and twenty-four (24) inches long.
- B. Accuracy: Land surveying within Limestone County shall be set at an accuracy of not less than 1:7500, except as noted above.

VII. REQUIRED IMPROVEMENTS

- A. Approval of the Final Plat shall be subject to the installation of the improvements and utilities hereinafter designated and satisfactorily completed in accordance with Limestone County specifications and standards.

MINUTES, LIMESTONE COUNTY COMMISSION, OCTOBER 1, 1979

1. Streets and Alleys: All streets and alleys shall have a suitable hard surfaced permanent type bituminous pavement, constructed in accordance with County specifications.
 2. Grading: All streets shall be graded to their full width. Finish grade, cross section and profile shall be approved by the County Engineer.
 3. Curbs and Gutters: Standard type curbs and gutters or valley gutters may be placed on both sides of the street at the discretion of the developer or as directed by the County Engineer when it is deemed necessary.
 4. Water System: The subdivider shall install a water distribution system, which meets the County Water Department standards.
 5. Storm Sewers and Drainage Ways: Storm sewers and drainage structures shall be designed to the width and length of pavement and installed as required in accordance with County specifications and standards and approved by the County Engineer. Storm sewer lines shall be extended the full length or width of the pavement including street stub-outs.
- B. All necessary drawings and standards regarding roadway, typical sections, valley gutters, curb and gutters, and all types of drainage structures for the development of subdivision streets can be obtained in the Office of the Limestone County Engineer and are available to all prospective subdividers and developers.
- C. The Developer shall notify the County Engineer prior to beginning construction work on street improvements. Inspection on each phase of the work shall be made and work approved by the County Engineer before proceeding to the next phase.

VIII. GENERAL REQUIREMENTS AND MINIMUM STANDARDS OF DESIGN

- A. All proposed subdivisions shall conform to any Regional Plan, Zoning Regulation and requirements of the U. S. Department of Housing and Urban Development as pertains to flood disaster protection.
- B. Street Plan:
1. All streets shall be laid out according to good engineering standards and land planning principles taking into account arrangement, extent, location and grade. New streets shall integrate with existing and planned streets. No existing public road shall be altered either in grade or alignment to match new streets without approval of the County Engineer.
 2. Proposed new streets that extend existing streets shall be of the same width or greater but in no case less than the minimum width required by these regulations. No more than two (2) streets shall intersect at the same location.
 3. Land adjacent to the proposed subdivision shall not be left land-locked by the proposed subdivision.
 4. There shall be no private streets platted in the proposed subdivision where abutting properties will be sold to the public. Private reserve strips controlling access to streets shall be prohibited.
 5. Subdivisions that adjoin existing roads shall dedicate additional right-of-way to meet the minimum street width requirements. When the subdivision is on both sides of an existing road, the entire right-of-way shall be dedicated. When the subdivision is only on one side of an existing road, one-half ($\frac{1}{2}$) of the required right-of-way shall be dedicated.
 6. The Commission, at its discretion, may furnish drainage structures at the points of egress and ingress to the subdivision from an existing public road. The developer or subsequent owner of lots shall be responsible for drainage structures to individual lots.
 7. No street shall be vacated unless such action is approved by the Commission.
- C. Design Standards: The following design standards shall be considered minimum requirements and shall specifically apply to residential subdivisions. The requirements for other than residential subdivisions shall be as the Commission deems necessary for the intended use.
1. Right-of-way Widths

(a) Minor Arterial	
With Parking (Parallel)	120 feet
Without Parking	100 feet
(b) Collector Streets	80 feet
(c) Minor Streets	
With Curb and gutter	50 feet
Without Curb and gutter	60 feet

MINUTES, LIMESTONE COUNTY COMMISSION, OCTOBER 1, 1979

2. Pavement Widths
 - (a) Minor Arterial

With Parking (Parallel)	84 feet
Without Parking	64 feet
 - (b) Collector Street 44 feet
 - (c) Minor Street 22 feet
3. Street Grades. Street grades shall not exceed the following unless specifically approved by the County Engineer.
 - (a) Minor Arterial 6%
 - (b) Collector Streets 6%
 - (c) Minor Streets 8%
 - (d) Grades approaching intersections shall not exceed 5% for a distance of 100 feet from the centerline of said intersection.
 - (e) Surface cross-drainage shall not be permitted on any street.
4. Horizontal Curves: Where centerline deflection angles occur, a circular curve shall be introduced, having a radius of not less than the following:
 - (a) Minor Arterial 300 feet
 - (b) Collector Streets 200 feet
 - (c) Minor Streets 100 feet
5. Tangents: There shall be a tangent of not less than 100 feet provided between reverse curves on all streets.
6. Vertical Curves: All changes in grades shall be connected by vertical curves of the minimum length as follows, unless specifically approved by the County Engineer.
 - (a) On streets with a right-of-way of 80 feet or more in width, minimum sight distance shall be 600 feet measured between height of eye, 3.75 feet, and height of object, 0.5 feet.
 - (b) On streets with a right-of-way of 80 feet or less in width, minimum sight distance shall be 300 feet measured between height of eye, 3.75 feet and height of object, 0.5 feet.
7. Intersections. Streets shall intersect as nearly as possible at right angles and in no case less than 60 degrees. Intersection of streets on a major road or highway shall be a minimum of 800 feet measured between height of eye, 3.75 feet and height of object, 0.5 feet.
8. Lots. Residential lots shall be not less than that required by the Health Department and in no case less than 15,000 square feet. Each lot shall front on a dedicated street.
9. Easements. Easements for utilities shall be provided along the rear and sides of lots as required to provide installation and maintenance of utilities at a width of 10 feet. Easements for existing and proposed drainage ways shall be provided at a width that will allow maintenance to said drainage ways and contain the ultimate channel.
10. Drainage. A drainage plan shall be made for the proposed subdivision that will adequately provide for ultimate development of the tributary area in which the subdivision is located. No drainage way shall be constructed that changes the natural flow of the Subdivision onto adjoining property. Surface water shall not be permitted to run down a street side drain more than 500 feet without being intercepted or diverted.

IX. VARIANCE

- A. Where the Commission finds that extra-ordinary hardships may result from strict compliance with these regulations, due to unusual topography or other conditions, beyond control of the subdivider, it may vary the regulations so that substantial justice may be done and the public interest secured. Any variance shall not have the effect of nullifying the intent or purpose of these regulations.

The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Nays: None. The Motion was approved.

MINUTES, LIMESTONE COUNTY COMMISSION, OCTOBER 12, 1979 (CALLED MEETING)

THE Limestone County Commission was called for a special session by the following letter:

Members
Limestone County Commission
Athens, Alabama 35611

Gentlemen:

There will be a called meeting on Friday, October 12, 1979 at 3:00 P.M. to discuss proposals for placing garbage pickup fees on the City utility bills.

C. R. Christopher, Chairman

PRESENT were: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Absent: None. Also present were: Dewey Tribbett, Chester Smith, L. J. Nixon, and Robert Pittman. C. R. Christopher, Chairman, presided.

THE CHAIRMAN outlined the city's proposal to bill the solid waste charges on the city utility bills.

He reiterated that all residents will be required to have their solid waste picked up unless they are approved for alternate options.

A DISCUSSION of the city's requirements to put this billing on the utility board as follows:

1. Contractors to provide customer name and electric meter number.
2. Initial cost .13 per customer plus \$500.00 to put on computer.
3. Monthly cost: .15 per customer.
4. City will issue a check to the County Commissioner with names of customers paid. County will distribute money to contractors.
5. Money will be paid at different times of the month since they are billed by routes.
6. Contractors will pay according to schedule to City of Athens.

THE CONTRACTORS agreed to the conditions and asked the Commission to approve the proposal, effective January 1, 1980.

THE Meeting was adjourned.

APPROVED:

C. R. Christopher
Raymond Wales Jr.
Mark Barnes
Max M. LeCroix
Dave E. Davis

MOTION was made by Raymond Wales and seconded by Mark Barnes to authorize the Chairman to sign a revised water purchase contract with the City of Athens.

WATER PURCHASE CONTRACT

This contract for the sale and purchase of water is entered into as the 12th day of November, 1979, between the City of Athens, Athens, Alabama 35611 hereinafter referred to as the "Seller" and the Limestone County Commission, Limestone County, Alabama, hereinafter referred to as the "Purchaser",

WITNESSETH:

Whereas, the Purchaser is organized and established under the provisions of Title 37, Act 2, Chapter, 6, Page 503 of the Code of Alabama, 1940, (recomp 1958), for the purpose of constructing and operating a water supply distribution system serving water users within the area described in plans now on file in the office of the Purchaser and to accomplish this purpose, the Purchaser will require a supply of treated water, and

Whereas, the Seller owns and operates a water supply distribution system with a capacity currently capable of serving the present customers of the Sellers system and the estimated number of water users to be served by the said Purchaser as shown in the plans of the system now on file in the office of the Purchaser, and

Whereas, by RESOLUTION No. 636 enacted on the 12th day of November, 1979, by the Seller, the sale of water to the Purchaser in accordance with the provisions of the said RESOLUTION was approved, and the execution of this contract carrying out the said RESOLUTION by the Mayor and attested by the City Clerk was duly authorized, and

Whereas, by RESOLUTION of the Limestone County Commission of the Purchaser enacted on the 29th day of October, 1979, the purchase of water from the Seller in accordance with the terms set forth in the said RESOLUTION was approved, and the execution of this contract by the Chairman, and attested by the Clerk was duly authorized;

NOW, THEREFORE, in consideration of the foregoing and the mutual agreements hereinafter set forth,

A. The Seller Agrees:

1. (Quality and Quantity) To furnish the Purchaser at the point of delivery hereinafter specified, during the term of this contract or any renewal or extension thereof, potable treated water meeting applicable purity standards of the State Department of Health, State of Alabama in such quantity as may be required by the Purchaser not to exceed 25,000,000 gallons per month.

MINUTES, LIMESTONE COUNTY COMMISSION, OCTOBER 29, 1979 (CALLED MEETING)

2. (Point of Delivery and Pressure) That water will be furnished at a reasonably constant pressure calculated at 35 to 40 pounds from an existing 24 inch main supply at a point located on Elm Street, Highway 31 and Sanderfer Road, Lindsay Lane and Nick Davis. If a greater pressure than that normally available at the point of delivery is required by the Purchaser, the cost of providing such greater pressure shall be borne by the Purchaser. Emergency failures of pressure or supply due to main supply line breaks, power failure, flood, fire and use of water to fight fire, earthquake or other catastrophe shall excuse the Seller from this provision for such reasonable period of time as may be necessary to restore service. shall be corrected for the _____ months previous to such test in accordance with the percentage of inaccuracy found by such tests. If any meter fails to register for any period, the amount of water furnished during such period shall be deemed to be the amount of water delivered in the corresponding period immediately prior to the failure, unless Seller and Purchaser shall agree upon a different amount. The metering equipment shall be read on 1st day of the month. An appropriate official of the Purchaser at all reasonable times shall have access to the meter for the purpose of verifying its readings.

4. (Billing Procedure) To furnish the Purchaser at the above address not later than the _____ day of each month, with an itemized statement of the amount of water furnished the Purchaser during the preceding month.

B. The Purchaser Agrees:

1. (Rates and Payment Date) To pay the Seller, not later than the _____ day of each month, for water delivered in accordance with the following schedule of rates:

a. Flat Rate \$.40 per 1,000 Gallons, which amount shall also be the minimum rate per month.

C. It is further mutually agreed between the Seller and the Purchaser as follows:

1. (Term of Contract) That this contract shall extend for a term of 40 years from the date of the initial delivery of any water as shown by the first bill submitted by the Seller to the Purchaser and, thereafter may be renewed or extended for such term, or terms, as may be agreed upon by the seller and the Purchaser

2. (Delivery of Water) That 15 days prior to the estimated date of completion of construction of the Purchaser's water supply distribution system, the Purchaser will notify the Seller in writing the date for the initial delivery of water.

3. (Water for Testing) When requested by the Purchaser the Seller will make available to the contractor at the point of delivery, or other point reasonably close thereto, water sufficient for testing, flushing, and trench filling the system of the Purchaser during construction, irrespective of whether the metering equipment has been installed at that time, at a flat charger of metered which will be paid by the contractor or, on his failure to pay, by the Purchaser.

4. (Failure to Deliver) That the Seller will, at all times, operate and maintain its system in an efficient manner and will take such action as may be necessary to furnish the Purchaser with quantities of water required by the Purchaser. Temporary or partial failures to deliver water shall be remedied with all possible dispatch. In the event of an extended shortage of water, or the supply of water available to the Seller is otherwise diminished over an extended period of time, the supply of water to Purchaser's consumers shall be reduced or diminished in the same ratio or proportion as the supply to Seller's consumers is reduced or diminished.

5. (Modification of Contract) That the provisions of this contract pertaining to the schedule of rates to be paid by the Purchaser for water delivered are subject to modification at the end of every 3 year period. Any increase or decrease in rates shall be based upon a demonstrable increase or decrease in the costs of performance hereunder, but such costs shall not include increased capital-

lization of the Seller's system. Other provisions of this contract may be modified or altered by mutual agreement.

6. (Regulatory Agencies) That this contract is subject to such rules, regulations, or laws as may be applicable to similar agreements in this State and the Seller and Purchaser will collaborate in obtaining such permits, certificates, or the like, as may be required to comply therewith.

7. (Miscellaneous) That the construction of the water supply distribution system by the Purchaser is being financed by a loan made or insured by, and/or a grant from, the United States of America, acting through the Farmers Home Administration of the United States Department of Agriculture, and the provisions hereof pertaining to the undertakings of the Purchaser are conditioned upon the approval, in writing, of the State Director of the Farmers Home Administration.

8. (Successor to the Purchaser) That in the event of any occurrence rendering the Purchaser incapable of performing under this contract, any successor of the Purchaser, whether the result of legal process, assignment, or otherwise, shall succeed to the rights of the Purchaser hereunder.

9. This contract is hereby pledged to the United States of America, acting through the Farmers Home Administration, as part of the security for a loan from the United States of America.

In witness whereof, the parties hereto, acting under authority of their respective governing bodies, have caused this contract to be duly executed in 4 counterparts, each of which shall constitute an original.

COOPERATION AGREEMENT

This Agreement entered into this 29th day of October, 1979, by and between Top of Alabama Regional Housing Authority (herein called the "Local Authority") and County Commission, (Herein called the County), witnesseth:

In consideration of the mutual covenants hereinafter set forth, the parties hereto do agree as follows:

1. Whenever used in this Agreement:

(a) The term "Project" shall mean any low-rent housing hereafter developed or acquired by the Local Authority with financial assistance of the United States of America acting through the Secretary of Housing and Urban Development (Herein called the "Government"); excluding, however, any low-rent housing project covered by any contract for loans and annual contributions entered into between the Local Authority and the Government, or its predecessor agencies, prior to the date of this Agreement.

(b) The term "Taxing Body" shall mean the State or any political subdivision or taxing unit thereof in which a Project is situated and which would have authority to assess or levy real or personal property taxes or to certify such taxes to a taxing body or public officer to be levied for its use and benefit with respect to a Project if it were not exempt from taxation.

(c) The term "Shelter Rent" shall mean the total of all charges to all tenants of a Project for dwelling rents and nondwelling rents (Excluding all other income of such Project), less the cost to the Local Authority of all dwelling and nondwelling rents (Excluding all other income of such Project), less the cost to the Local Authority of all dwelling and nondwelling utilities.

(d) The term "Slum" shall mean any area where dwellings predominate which by reason of dilapidation, overcrowding, faulty arrangement or

design, lack of ventilation, light of sanitation facilities, or any combination of these factors, are detrimental to safety, health, or morals.

2. The Local Authority shall endeavor (a) to secure a contract or contracts with the Government for loans and annual contributions covering one or more Projects particularly known as Project No. Ala 189-3 located near Owens School in Limestone County, comprising of 30 units of low-rent housing and (b) to modernize under Sec. 23 Modernization of 1979 such Project or Projects each of which shall be located within the corporate limits of the County. The obligations of the parties hereto shall apply to each such Project.

3. (a) Under the constitution and statutes of the State of Alabama, 3/ all Projects are exempt from all real and personsl property taxes and special assessments 4/ levied or imposed by any Taxing Body. With respect fo any Project, so long as either (i) such Project is owned by a public body or governmental agency and is used for low-rent housing purposes, or (ii) any contract between the Local Authority and the Government for loans or annual contributions, or both, in connection with such Project remains in force and effect, or (iii) any bonds issued in connection with such Project or any monies due to the Government in connection with such Project remain unpaid, whichever period is the longest, the Municipality agrees that it will not levy or impose any real or personal property taxes (or special assessments) 4/ upon such Project or upon the Local Authority with respect thereto. During such period, the Local Authority shall make annual payments (herein called (Payments in lieu of Taxes) in Lieu of such taxes (and special assessments) 4/ and in payment for the Public services and facilities furnished from time to time without other cost or charge for or with respect to such Project.

(b) Each such annual Payment in Lieu of Taxes shall be made (after the end of the fiscal year established for such Project, and shall be in an amount equal to either (i) ten percent (10%) of the Shelter Rent charged by the local Authority in respect to such Project during such fiscal year) 5a. or (ii) the amount permitted to be paid by applicable State law in effect on the date such payment is made, whichever amount is the lower).

(c) No payment for any year shall be made to the County in excess of the amount of the real property taxes which would have been paid to the County for such year if the Project were not exempt from taxation).

(d) Upon failure of the Local Authority to make any Payment in Lieu of Taxes, no lien against any Project or assets of the Local Authority shall attach, nor shall any interest or penalties accrue or attach on account thereof.

5. During the Period commencing with the date of the acquisition of any part of the site or sites of any Project and continuing so long as either (i) such Project is owned by a public body or governmental agency and is used for low-rent housing purposes, or (ii) any contract between the Local Authority and the Government for loans or annual contributions, or both, in connection with such Project remains in force and effect, or (iii) any bonds issued in connection with such Project or any monies due to the Government in connection with such Project remain unpaid, whichever period is the longest, the County without cost or charge to the Local Authority or the tenants of such Project other than the Payments in lieu of Taxes) shall:

(a) Furnish or cause to be furnished to the Local Authority and the tenants of such Project public services and facilities of the same character and to the same extent as are furnished from time to time without cost or charge to other dwellings and inhabitants in the County.

(b) Vacate such streets, roads, and alleys within the area of such Project as may be necessary in the development thereof, and convey without charge to the Local Authoirty such interest as the County may have in such vacated areas; and, in so far as it is lawfully able to do so without cost or expense to the Local Authority or to the County cause to be removed from such vacated areas, in so far as it may be neces-

sary, all public or private utility lines and equipment;

(c) In so far as the County may lawfully do so, (i) grant such deviations from the building code of the Municipality as are reasonable and necessary to promote economy and efficiency in the development and administration of such Project, and at the same time safeguard health and safety, and (ii) make such changes in any zoning of the site and surrounding territory of such Project as are reasonable and necessary for the development and protection of such Project and the surrounding territory;

(d) Accept grants of easements necessary for the development of such Project; and

(e) Cooperate with the Local Authority by such other lawful action or ways as the County and the Local Authority may find necessary in connection with the development and administration of such Project.

6. In respect to any Project the County further agrees that within a reasonable time after receipt of a written request therefor from the Local Authority:

(a) It will accept the dedication of all interior streets, roads, alleys, and adjacent sidewalks within the area of such Project, together with all storm and sanitary sewer mains in such dedicated areas, after the Local Authority, at its own expense, has completed the grading, improvement, paving, and installation thereof in accordance with specifications acceptable to the County

(b) It will accept necessary dedications of land for, and will grade, improve, pave, and provide sidewalks for, all streets bounding such Project or necessary to provide adequate access thereto (in consideration whereof the Local Authority shall pay to the County such amount as would be assessed against the Project site for such work if such site were privately owned); and

7. If by reason of the County failure or refusal to furnish or cause to be furnished any public services or facilities which it has agreed hereunder to furnish or to cause to be furnished to the Local Authority or to the tenants of any Project, the Local Authority incurs any expense to obtain such services or facilities then the Local Authority may deduct the amount of such expense from any payments in Lieu of Taxes due or to become due to the County in respect to any Project or any other low-rent housing projects owned or operated by the Local Authority.

8. No Cooperation Agreement heretofore entered into between the County and the Local Authority shall be construed to apply to any Project covered by this Agreement.

9. No member of the governing body of the County or any other public official of the County who exercises any responsibilities or functions with respect to any Project during his tenure or for one year thereafter shall have any interest, direct or indirect, in any Project or any Property included or planned to be included in any Project, or any contracts in connection with such Projects or property. If any such governing body member or such other public official of the Municipality involuntarily acquires or had acquired prior to the beginning of his tenure any such interest, he shall immediately disclose such interest to the Local Authority.

10. So long as any contract between the Local Authority and the Government, for loans (including preliminary loans) or annual contributions, or both, in connection with any Project remains in force and effect, or so long as any bonds issued in connection with any Project or any monies due to the Government in connection with any Project remain unpaid, this Agreement shall not be abrogated, changed, or modified without the consent of the Government. The privileges and obligations of the County hereunder shall remain in full force and effect with respect to each Project so long as the beneficial title

LEGAL SERVICES AGREEMENT

STATE OF ALABAMA

COUNTY OF LIMESTONE,

This Agreement Made this 19th day of November, 1979, between Limestone County Commission, as the governing body for Limestone County, Alabama, hereinafter referred to as OWNERS, and Patton, Latham & Legge, Attorneys at Law, of Athens, Alabama, hereinafter referred to as ATTORNEY:

WHEREAS, OWNERS are intending to extend and expand the existing North Limestone-Fort Hampton Public Water Systems in Limestone County, Alabama; and

WHEREAS, the ATTORNEY agrees to perform all legal services necessary and customary to the organization, financing, construction, and initial operation of the extended and expanded North Limestone-Fort Hampton Public Water System, WITNESSETH: That for and in consideration of the mutual covenants and promises between the parties hereto, it is hereby agreed:

SECTION A - LEGAL SERVICES

That the ATTORNEY will perform such services as are necessary to accomplish the above recited objectives, including, but not limited to, the following:

1. Furnish advice and assistance to the governing body of the duly incorporated association in connection with (a) the notice for and conduct of meetings; (b) the preparation of minutes of meetings; (c) the preparation and enactment of such resolutions as may be necessary in connection with the authorization, financing, construction and initial operation of the system; (d) the preparation of such affidavits, publication notices, ballots, reports, certifications, and other instruments and advice as may be needed in the

MINUTES, LIMESTONE COUNTY COMMISSION, NOVEMBER 19, 1979.

conduct of such bond elections as may be necessary; (e) the preparation and completion of such bonds or other obligations as may be necessary to finance the system; (f) the completion and execution of documents for obtaining a loan made or insured for a grant made by the United States of America, acting through the Farmers Home Administration, U. S. Department of Agriculture; (g) entering into construction contracts; (h) preparation and adoption of By-Laws, Rules and Regulations, and rate schedules; (i) such other corporate action as may be necessary in connection with the financing, construction, and initial operation of the system.

2. Review of construction contracts, bid letting procedure, and surety and contractual bonds in connection therewith.
3. Preparation, negotiation, or review of contract with a city or other source of water supply when necessary.
4. Preparation, where necessary, and review of deeds, easements and other rights-of-way documents, and other instruments for sites for source of water supply, pumping stations, treatment plants, and other facilities necessary to the system and to provide continuous rights-of-way therefor; rendering title opinions with reference thereto; and providing for the recordation thereof.
5. Obtain necessary permits and certificates from county and municipal bodies, from State Regulatory agencies, and from other public or private sources with respect to the approval of the system, the construction and operation thereof, pipeline crossings, and the like.
6. Cooperate with the engineer employed by OWNERS in connection with preparation of tract sheets, easements, and other necessary title documents, construction contracts, water supply, contracts, health permits, crossing permits, and other instruments.
7. When applicable, secure assistance of and cooperate with recognized bond counsel in the preparation of the documents necessary for the financing aspects of the system. The ATTORNEY shall pay all bond counsel in perfecting the financing aspects, e.g., assessment procedures and completion of documents. Where bond counsel is retained, the ATTORNEY will not be responsible for the preparation and approval of those documents pertaining to the issuance of the OWNER's obligations.

SECTION B - COMPENSATION

1. OWNER will pay to the ATTORNEY for professional services rendered in accordance herewith, fees as follows: \$7,000.00.

Said fees to be payable in the following manner and at the following times: 75% at the time of loan closing and balance upon completion of the project; with the provision that the ATTORNEY will pay bond counsel employees in full at the time of the loan closing.

MINUTES, LIMESTONE COUNTY COMMISSION, DECEMBER 17, 1979

THE LIMESTONE COUNTY COMMISSION met in a regular meeting on Monday, December 17, 1979, at 10:00 A.M. at the Courthouse Annex, South Jefferson Street, Athens, Alabama.

PRESENT were: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Absent: None. C. R. Christopher, Chairman, presided.

MOTION was made by Mark Barnes and seconded by Max M. LeCroix to approve the minutes of the preceding meeting. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Nays: None. The Motion was approved.

EMOGENE BARNES, Chief Clerk of the Tax Assessor's office, requested the Commission approve the continued employment for two part-time clerks, Mrs. Barksdale and Mrs. Magnusson, who are due to be terminated December 31, 1979. The additional workload was discussed and reasons set forth for the request.

THE CHAIRMAN outlined the receipts for ad-valorem taxes for October and November. He stated collections are approximately \$15,000.00 less than for the same time last year on ad-valorem tax and have collected approximately \$40,000.00 less for TVA (in lieu of tax) than was included in the budget. He advised the Commission this request will have to be kept within the Tax Assessor's budget if the request is approved.

MOTION was made by Dave E. Davis and seconded by Raymond Wales to inspect the Tax Assessor's budget to see if this request may be approved with the stipulation "if ad-valorem taxes do not meet anticipated budgeted revenue, he must cut his labor costs for the remainder of the year." The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Nays: None. The Motion was approved.

THE CHAIRMAN stated the following resolution must be approved by the Counties or the State will leave the Counties out of the distribution formula.

MOTION was made by Mark Barnes and seconded by Max M. LeCroix to adopt the following Resolution.

R E S O L U T I O N

SUPPORTING AN INCREASE IN FUNDING FOR HIGHWAYS

WHEREAS, the Joint Highway Committee of the Alabama Legislature has recommended that legislation be drawn and introduced which would levy a 5% privilege tax on the wholesale price of gasoline and motor fuels; and

WHEREAS, the recommended legislation would distribute the proceeds from the levy on gasoline according to the formula presently used in dividing the state-wide gasoline tax; and

WHEREAS, the present funding for highways in Alabama has created a crisis situation in which the State of Alabama and its counties and cities are facing steady deterioration of their primary and secondary road system; and

WHEREAS, if this pattern of deterioration is not stemmed through new highway funding, Alabama, its political subdivisions and foremost its citizens stand to lose millions of dollars they have already invested in the primary and secondary roads in this state. NOW THEREFORE,

BE IT RESOLVED BY THIS LIMESTONE COUNTY COMMISSION That this body go on record supporting the Joint Highway Committee's recommended legislation, calling upon the citizenry of this county to support the same and strongly urging senators and representatives representing the citizens of this county to support and vote for said legislation.

BE IT FURTHER RESOLVED, That copies of the resolution be transmitted to the Governor, Lieutenant Governor, Speaker of the House, Chairman of the Joint Highway Committee, and members of the Senate and House who represent the electorate of this County.

ADOPTED this 17th day of December 1979.

THE CHAIRMAN asked for a vote. Ayes: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Nays: None. The Motion was approved.

THE COMMISSION discussed the ditches on the rights-of-way being plowed in, creating flooding problems and safety hazards caused by mud on the County roads.

JIM BIRCH, County Engineer, asked how wide the right-of-way will be. The Chairman asked the Commission to consider "to the existing ditch." He also said guidelines should be adopted for turning farm machinery around in the road. Mr. Barnes stated he thought the farmers will work with us on this problem if it is brought to their attention.

MOTION was made by Max M. LeCroix and seconded by Dave E. Davis to direct Mr. Birch to draw up a resolution concerning the ditch and the farm machinery problems. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Nays: None. The Motion was approved.

MOTION was made by Mark Barnes and seconded by Max M. LeCroix to close on January 1, 1980

MINUTES, LIMESTONE COUNTY COMMISSION, JANUARY 14, 1980 (CALLED MEETING)

THE LIMESTONE County Commission was called for a special session by the following letter:

Members
Limestone County Commission
Athens, Alabama 35611

Gentlemen:

There will be a special called meeting on Monday, January 14, 1980 at 10:00 A.M. for the purpose of approving claims against County to be paid and any other County business necessary.

C. R. Christopher

PRESENT: Raymond Wales, Mark Barnes, Max M. LeCroix. Absent: Dave E. Davis. C. R. Christopher, Chairman, presided.

MOTION was made by Max M. LeCroix and seconded by Mark Barnes to approve the minutes of the preceding meeting. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes, Max M. LeCroix. Nays: None. The Motion was approved.

MOTION was made by Mark Barnes and seconded by Max M. LeCroix to adopt the following Resolution concerning Pryor Field Airport Board.

R E S O L U T I O N

WHEREAS, on October 22, 1979, the County Commission of Limestone County adopted a resolution which, pursuant to Act No. 265 of the 1963 Regular Session of the Legislature of Alabama, approved the application of Roland King, Rex Rankin, Jr., Al Scherff, William Haney and T. A. Hudson to organize a public corporation to be known as Pryor Field Airport Authority, and which resolution also approved the proposed form of the Certificate of Incorporation of Pryor Field Airport Authority; and

WHEREAS, the proposed form of the Certificate of Incorporation of Pryor Field Airport Authority, as approved by the said resolution of the Commission on October 22, 1979, provided in Paragraph VI thereof, with respect to the method of selecting Directors of Pryor Field Airport Authority as follows:

"Place 5 shall be filled by the Morgan County Commission for a five year term commencing October 1, 1979."; and

WHEREAS, the Commission finds that the Certificate of Incorporation of Pryor Field Airport Authority should provide that Place No. 5 of the Board of Directors of Pryor Field Airport Authority should be filled by agreement of the governing bodies of all of the authorizing subdivisions of the said public corporation:

NOW THEREFORE, BE IT RESOLVED by the County Commission of Limestone County as follows:

1. That the Commission hereby approves as an amendment to Paragraph VI of the proposed form of the Certificate of Incorporation of Pryor Field Airport Authority the following provision with respect to the appointment of a Director to fill Place No. 5:

"Place 5 shall be filled by agreement of and election by the governing bodies of all of the authorizing subdivisions for a five year term commencing October 1, 1979."

2. IT IS FURTHER RESOLVED that the Commission hereby agrees that Rex Rankin, Jr., shall serve in Place No. 5 on the Board of Directors of Pryor Field Airport Authority for a five year term commencing October 1, 1979, and to that end he is hereby appointed to such place for such term.

The Chariman asked for a vote. Ayes: Raymond Wales, Mark Barnes, Max M. LeCroix. Nays: None. The Motion was approved.

HOLLIS HOGAN told the Commissioners he has had a relief matron, Mable Shannon, since August 3, 1979. She has worked 831 hours for holidays, sick leave and annual leave for the regular employees. She is paid through a state CETA program which will be terminated after she works an additional 117 hours. He requested the Commission's consideration of picking up this employee on the regular payroll. No action was taken.

THE CHAIRMAN said tax revenues are down for the first three months of this year and he can't tell the Commission where the money will come from to meet existing expenses throughout the year.

MINUTES, LIMESTONE COUNTY COMMISSION, FEBRUARY 4, 1980

THE LIMESTONE COUNTY COMMISSION met in a regular meeting on Monday, February 4, 1980, at 10:00 A.M. at the Courthouse Annex, South Jefferson Street, Athens, Alabama.

PRESENT were: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Absent: None. C. R. Christopher, Chairman, presided.

MOTION was made by Max M. LeCroix and seconded by Mark Barnes to approve the minutes of the two preceding meetings. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Nays: None. The Motion was approved.

WILTON PEPPER presented a quote of \$16,782.00 for insurance on County vehicles. No action was taken.

MOTION was made by Mark Barnes and seconded by Dave E. Davis to approve the merit increases for Alvera Ostiguy and Danny Miller. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Nays: None. The Motion was approved.

THE CHAIRMAN outlined the provisions of the Alabama Health Responsibility Act and the County's responsibility for indigent patients in regional referral hospitals. The Association of County Commissions are contacting legislators, trying to get the act repealed or amended.

MR. CHRISTOPHER asked the Commissioners to make a list of equipment to be auctioned. An ad will be placed setting the auction on Wednesday, February 20, 1980 at 10:00 A.M.

MR. CHRISTOPHER advised the Commission that ad-valorem taxes have increased according to receipts through January 31, 1980. He recommended tax millage be lowered as follows:

General Fund	from 8½ Mills to 7 Mills
Public Building	from 4½ Mills to 3½ Mills
Hospital Fund	from 3½ Mills to 3 Mills
County-Wide School	from 6½ Mills to 5½ Mills

MOTION was made by Mark Barnes and seconded by Max M. LeCroix to levy the following County-Ad-Valorem taxes:

General Fund	7 Mills
Public Building	3½ Mills
Hospital	3 Mills
County-Wide School	5½ Mills
District 1 & 3 School	3 Mills
Reappraisal	2 Mills
TOTAL	24 Mills

The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes, Max M. LeCroix, and Dave E. Davis. Nays: None. The Motion was approved.

THE CHAIRMAN READ the following letter from Dewey Tribbett, solid-waste supervisor:

Mr. Christopher:

Mr. John S. Raney informed this office last week of his intent to sell his garbage collection route and equipment to Mr. Bradley T. Hobbs. It is also understood that should the commission issue said contract that Mr. Hobbs will place Raney's present compactor on a better truck chassis. Whether or not this action will up-grade the over-all equipment remains to be seen.

Mr. Hobbs has been informed that all equipment must pass health department inspection. He has been instructed of his responsibilities as a garbage contractor for this county.

This letter is written strictly to inform the Commission of an impending change in contractors. It is my desire that you, as a group, interview the perspective buyer in an effort to determine in your own mind and heart that this change will be beneficial to the public as well as the Commission.

Sincerely,

Dewey F. Tribbett
Solid-Waste Supervisor

MOTION was made by Raymond Wales and seconded by Mark Barnes to approve the solid-waste contract from J. S. Raney to Bradley Hobbs, to be effective until September 1, 1980. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Nays: None. The Motion was approved.

MR. CHRISTOPHER encouraged all Commission members to attend "Legislative Day" to be held February 27 and 28 in Montgomery. There will be discussions on up-coming legislation affecting County governments and an opportunity to meet with representatives and senators.

THE CHAIRMAN requested permission to request bids for the renovation of the post office on Washington Street. He stated the building will house the County Commission, Civil Defense, and storage area for historical records. The Limestone County Board of Education will be given the space used by the County Engineer. The Water Department will occupy the space presently used by the Commission.

MR. BARNES said consideration will be given to the Council on Aging for space in the post office building, so the County will not continue paying rent on office space.

MINUTES, LIMESTONE COUNTY COMMISSION, FEBRUARY 4, 1980

MR. CHRISTOPHER said the Veteran's Office will be moved into the Courthouse space used by the Sheriff when the Sheriff moves into the Pensions & Security Building.

MOTION was made by Dave E. Davis and seconded by Mark Barnes to request bids for the renovation of the post office building on Washington Street. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Nays: None. The Motion was approved.

MARK BARNES reported on the steering committee of the Green Street Farmers Market.

1. They request the Commission pave the sidewalks.
The plant mix will cost \$168.00.
2. He suggested by-laws be drawn-up to govern the market.

MR. CHRISTOPHER suggested a letter be written, agreeing to do the walks, and to grade and gravel the site.

MOTION was made by Max M. LeCroix and seconded by Dave E. Davis to authorize the Chairman to write a letter agreeing to do the walk and grade and gravel the site contingent upon by-laws being adopted to govern the operation of the farmers market. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Nays: None. The Motion was approved.

MOTION was made by Max M. LeCroix and seconded by Dave E. Davis to adjourn at 10:46 A.M. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Nays: None. The Motion was approved.

APPROVED:

MINUTES, LIMESTONE COUNTY COMMISSION, FEBRUARY 7, 1980 (CALLED MEETING)

THE LIMESTONE COUNTY COMMISSION was called for a special session by the following letter:

Members
Limestone County Commission
Athens, Alabama 35611

Gentlemen:

There will be a special meeting on Thursday, February 7, 1980, at 1:00 P.M. at the Court-house Annex, for the purpose of discussing solid-waste.

C. R. Christopher

PRESENT: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Absent: None. C. R. Christopher, Chairman, presided. Also present were: Dewey Tribbett, J. S. Raney, Robert Pittman, Chester Smith and Bradley Hobbs.

DEWEY TRIBBETT outlined problems with solid-waste pick-up:

1. Customer relations need to be improved. He stated drivers are cursing citizens. Unless this is corrected, the Commissioners will be advised not to renew the contracts in September.
2. Complaints about cans being destroyed. The customers have been advised to bill the contractors for the price of the cans.
3. Complaints about number of bags to be picked up. You are to pick up 5 bags. Some weeks, there might be extra bags which must be picked up. If you think you are picking up more than one family's waste, talk with your customer and explain you cannot pick up another householder's waste.

MR. CHRISTOPHER stated we must please the citizens. If the Commission keeps receiving complaints, the County will consider doing the job, instead of using private contractors.

MR. CHRISTOPHER told the contractors their January payment will be made on approximately March 12, 1980 and that landfill fees will not have to be paid until their January collections are received.

MR. TRIBBETT told the Contractors if customers give you trouble, just leave and contact me. I will contact the customer and try to get things straightened out.

MR. CHRISTOPHER said the Commission cannot pick up limbs and leaves in the County.

MR. CHRISTOPHER asked if it is acceptable to pickup all cans and bags. If there is excessive cans and bags, contact your customer. If they refuse to discuss it, call me and I'll help.

EQUIPMENT breaking down and waste not being picked up. The contract calls for a backup truck when the packer cannot be used.

IF PICKUP time or day is changed, notify the people in that area.

BAGS being burst and dogs getting into the garbage. Carry a scoop shovel and a rake to pick up that garbage.

MR. TRIBBETT said he felt the Commission should be in on this meeting so they will know exactly what is expected of the contractor.

MEETING ADJOURNED.

MINUTES, LIMESTONE COUNTY COMMISSION, MARCH 17, 1980

THE LIMESTONE COUNTY COMMISSION met in a regular meeting on Monday, March 17, 1980, at 9:00 A.M. at the Courthouse Annex, South Jefferson Street, Athens, Alabama.

PRESENT: Raymond Wales, Mark Barnes, Max M. LeCroix. Absent: Dave E. Davis. C. R. Christopher, Chairman, presided. Also present was: James O. Birch.

MOTION was made by Max M. LeCroix and seconded by Raymond Wales to approve the minutes of the preceding meeting. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes, Max M. LeCroix. Nays: None. The motion was approved.

HOLLIS HOGAN, Sheriff, asked the Commission to consider hiring Mable Shannon as part-time relief-help to cover for matrons who are off due to sickness, holidays and annual leave.

MR. BARNES suggested a new employee could replace Mrs. Shannon on the CETA project for an additional 1,000 hours. He asked Mr. Hogan to ask Mrs. Jean Owens if Mrs. Shannon can be replaced by a new employee.

MR. CHRISTOPHER stated the overtime must be kept at a minimum.

MR. CHRISTOPHER asked Mr. Hogan to check with Mrs. Owens to see if Mrs. Shannon can be replaced by a new employee.

EVELYN LAMBERT, Mapper for the Limestone County Reappraisal Maintenance program, asked the Commission to consider increasing her salary from \$9,500.00. She stated the Tax Assessor agrees that she should get more money.

MR. BARNES stated that he understood that the State must approve any increases, so that a pro-rata share can be withheld from the taxing entities. He suggested that the tax assessor, a representative from the State Department of Revenue, and the Commission discuss this matter and come to an agreement.

MR. CHRISTOPHER said he had asked for written recommendations from the Tax Assessor and that the Commission will not take further action until such recommendations are received by the Commission.

MR. BARNES said the Tax Assessor has responsibility for the reappraisal program.

Mrs. LAMBERT invited the Commission to come by the office to see the job being done on the reappraisal program.

MOTION was made by Mark Barnes and seconded by Max M. LeCroix to approve the merit increases for Lee Craig and Wendell Powers. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes and Max M. LeCroix. Nays: None. The Motion was approved.

MINUTES, LIMESTONE COUNTY COMMISSION, MARCH 24, 1980 (CALLED MEETING)

THE LIMESTONE COUNTY COMMISSION was called for a special session by the following letter:

Members
Limestone County Commission
Athens, Alabama 35611

Gentlemen:

There will be a special called meeting on Monday, March 25, 1980, at 9:00 A.M. for the purpose of opening bids and any other county business deemed necessary.

C. R. Christopher

PRESENT: Raymond Wales, Mark Barnes and Max M. LeCroix. Absent: Dave E. Davis. Also present was Jim Birch, County Engineer. C. R. Christopher, Chairman, presided.

MOTION was made by Mark Barnes and seconded by Max M. LeCroix to approve the minutes of the preceding meeting. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes, and Max M. LeCroix. Nays: None. The Motion was approved.

MOTION was made by Max M. LeCroix and seconded by Mark Barnes to authorize the Chairman to sign the construction contract with Martin & Cobey for renovation of the old Post Office as follows:

AGREEMENT

made this Nineteenth day of March in the year of Nineteen Hundred and Eighty.

BETWEEN

The Limestone County Commission the Owner, and Martin & Cobey Construction Company Inc., the Contractor.

The Owner and Contractor agree as set forth below.

ARTICLE 1

THE CONTRACT DOCUMENTS

The Contract Documents consist of this Agreement, Conditions of the Contract (General, Supplementary and other Conditions), Drawings, Specifications, all Addenda issued prior to execution of this Agreement and all Modifications issued subsequent thereto. These form the Contract, and all are as fully a part of the Contract as if attached to this Agreement or repeated herein. An enumeration of the Contract Documents appears in Article 8.

ARTICLE 2

THE WORK

The contractor shall perform all the Work required by the Contract Documents for

Renovation to Former United States Post Office
Washington Street Court House Annex
for the Limestone County Commission
Athens, Alabama

ARTICLE 3

ARCHITECT

The Architect for this Project is
Jack Malone & Associates
307 Randolph Avenue
Huntsville, Alabama

ARTICLE 4

TIME OF COMMENCEMENT AND COMPLETION

The Work to be performed under this Contract shall be commenced (on or by) March 28, 1980., and completed (by) October 13, 1980.

Performance of the work included in this contract shall be substantially completed within 200 days from the time of notice to proceed after which the Owner will retain from the balance due the Contractor the amount of \$200.00 per day as liquidated damages for each day that the Contractor fails to substantially complete the project. Liquidated damages shall not be considered as a penalty to the Contractor, but as damages to the Owner as a result of the Contractor's failure to complete the project on time. The days for completion is calendar days.

ARTICLE 5

CONTRACT SUM

The Owner shall pay the Contractor for the performance of the Work, subject to additions and deductions by Change Order as provided in the Conditions of the Contract, in current funds, the Contract Sum of

Two Hundred and Seventy Five Thousand Dollars (275,000.00)

MINUTES, LIMESTONE COUNTY COMMISSION, MARCH 24, 1980 (CALLED MEETING)

ARTICLE 6

PROGRESS PAYMENTS

Based upon Applications for Payment submitted to the Architect by the Contractor and Certificates for Payment issued by the Architect, the Owner shall make progress payments on account of the Contract Sum to the Contractor as provided in the Conditions of the Contract as follows:

On or about the Fifteenth day of each month ninety per cent of the proportion of the Contract Sum properly allocable to labor, materials and equipment suitably stored at the site or at some other location agreed upon in writing by the parties, up to the last day of that month, less the aggregate of previous payments in each case; and upon Substantial Completion of the entire Work, a sum sufficient to increase the total payments to ninety per cent of the Contract Sum, less such retainages as the Architect shall determine for all incomplete Work and unsettled claims.

Upon substantial completion of the work during the construction in making partial payments there shall be retained 10 percent on the estimated amounts until completion of 50 percent of the contract, after which no additional retainage will be withheld; with the approval of the Architect, subject to notification and approval of the Surety.

ARTICLE 7

FINAL PAYMENT

Final payment, constituting the entire unpaid balance of the Contract Sum, shall be paid by the Owner to the Contractor Thirty days after Substantial Completion of the Work unless otherwise stipulated in the Certificate of Substantial Completion, provided the Work has then been completed, the Contract fully performed, and a final Certificate for Payment has been issued by the Architect.

ARTICLE 8

MISCELLANEOUS PROVISIONS

8.1 Terms used in this Agreement which are defined in the Conditions of the Contract shall have the meanings designated in those Conditions.

8.2 The Contract Documents, which constitute the entire agreement between the Owner and the Contractor, are listed in Article 1 and, except for Modifications issued after execution of this Agreement, are enumerated as follows:

Drawings
Specifications
Addendum No. 1, 2, and 3.

This Agreement executed the day and year first written above.

MR. CHRISTOPHER read the following letter from Ed Christopher, Tax Assessor:

TO: LIMESTONE COUNTY COMMISSION

Gentlemen:

Mr. Sonny Schofield, County Appraiser, broke his leg nearly two weeks ago. His sick leave has expired.

He can work at home pricing land from the land class maps, for a period of what he and I estimate will take three or four weeks.

If this is permissible both he and I will appreciate it.

Edward Christopher

THE COMMISSION discussed the matter and it was agreed the records should not leave the Courthouse.

MOTION was made by Max M. LeCroix and seconded by Raymond Wales to authorize the Chairman to write a letter denying this request. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes and Max M. LeCroix. Nays: None. The Motion was approved.

MINUTES, LIMESTONE COUNTY COMMISSION, MARCH 28, 1980 (CALLED MEETING)

THE LIMESTONE COUNTY COMMISSION was called for a special session by the following letter:

Members
Limestone County Commission
Athens, Alabama 35611

Gentlemen:

There will be a special meeting on Friday, March 28, 1980, at 2:00 P.M. to consider the sale of \$350,000.00 in warrants for renovation of the Washington Street Annex.

PRESENT: Mark Barnes, Max M. LeCroix and Dave E. Davis. Absent: Raymond Wales. C. R. Christopher, Chairman, presided.

THE CHAIRMAN advised the Commission of the following proposals for the sale of warrants.

First Alabama Bank 9 1/4%

Central Bank of Alabama 9 3/4%

THE WARRANTS will be sold to mature within two years so that the County can resell them if the interest rate comes down. The County will be responsible for the cost of the bond attorney, printing bonds and other incidental cost.

MINUTES, LIMESTONE COUNTY COMMISSION, MARCH 31, 1980 (CALLED MEETING)

THE LIMESTONE COUNTY COMMISSION was called for a special session by the following letter:

Members
Limestone County Commission
Athens, Alabama 35611

Gentlemen:

There will be a special meeting on Monday, March 31, 1980, at 9:00 A.M. for the purpose of moving the voting location of Beat 4, Box 1 and any other County business deemed necessary.

C. R. Christopher

PRESENT: Raymond Wales, Max M. LeCroix and Dave E. Davis. Absent: C. R. Christopher. Mark Barnes presided as Chairman of the meeting.

MOTION was made by Max M. LeCroix and seconded by Dave E. Davis to approve the minutes of the meetings of March 3 and March 24, 1980. The Chairman asked for a vote. Ayes: Raymond Wales, Max M. LeCroix and Dave E. Davis. Nays: None. The Motion was approved.

MR. FRANK LAYTON requested the Commission maintain the road to property he purchased at 72 Bait Shop from Limestone Land Company.

MR. JERRY BARKSDALE, one of the developers of Mr. Layton's subdivision, said Limestone Land Company bought the old Ball farm and at the time there were no sub-division regulations. They sold 4 acre lots and thought they had done everything that was required for the County to accept the roads for maintenance.

MR. LECROIX told Mr. Barksdale if the County Commission had previously agreed to take the road, he will maintain it.

MR. BARKSDALE said he discussed the sub-division with Jim Birch and Elam B. Hamilton. Mr. Birch said he did not recall a conversation concerning this property and sub-division regulations were in effect at the time of construction.

MR. BARNES suggested Mr. Barksdale meet with the county engineer to see what needs to be done before the County can accept it.

MR. BARKSDALE said, "We were told to build the road to certain specifications and we did that but it wasn't put in the minutes of the Commission."

MAX LECROIX said he had looked at the road and there are no ditches and drainage pipes are insufficient to carry the water.

MR. BARNES stated, "It is private property and we cannot maintain it until sub-division regulations have been met and the road accepted by the Commission."

MR. BIRCH and Mr. LeCroix must recommend that the Commission accept this road.

MAX LECROIX told Mr. Barksdale the road needs ditches pulled and a 24 inch pipe installed to carry the water.

MR. BARNES asked Mr. Birch to write a letter to Mr. Barksdale outlining what needs to be done before the Commission will accept the road for maintenance.

MOTION was made by Max M. LeCroix and seconded by Raymond Wales to direct the engineer, Mr. Birch, to inspect the road and make recommendations to Mr. Barksdale. The Chairman asked for a vote. Ayes: Raymond Wales, Max M. LeCroix and Dave E. Davis. Nays: None. The Motion was approved.

MOTION was made by Max M. LeCroix and seconded by Raymond Wales to request the Justice Department's approval to move the voting place at Beat 4, Box 1 from Pettusville to Elkmont High School since the building at Pettusville has been sold to a church. The Chairman asked for a vote. Ayes: Raymond Wales, Max M. LeCroix and Dave E. Davis. Nays: None. The Motion was approved.

MOTION was made by Dave E. Davis and seconded by Raymond Wales to approve merit increases for the following:

Felix Patterson
Glenda Holmes

Buford Broadway
Gary Pitts

James W. Cooper
Marion Smith

The Chairman asked for a vote. Ayes: Raymond Wales, Max M. LeCroix and Dave E. Davis. Nays: None. The Motion was approved.

DAVE E. DAVIS, Commissioner of District 4, presented his resignation, effective noon, Wednesday, April 9, 1980.

MINUTES, LIMESTONE COUNTY COMMISSION, APRIL 7, 1980

Honorable Fob James
Governor, State of Alabama
State Capitol
Montgomery, Alabama 36104

Honorable Charles R. Christopher, Chairman
The Limestone County Commission
Courthouse Annex
Athens, Alabama 35611

My Fellow Commissioners
The Limestone County Commission
Courthouse Annex
Athens, Alabama 35611

Gentlemen:

Last Fall, I was charged with 14 different counts of fraud. After two long trials, a jury determined that I was not guilty of 13 of those charges. The prosecution claimed that I illegally received \$515.40 from the transaction made the basis of this remaining count. I was not guilty of the 13 charges for which I was acquitted; likewise, I am not guilty of the one remaining charge; however, I feel that I should conclude my term as a member of the Limestone County Commission.

Therefore, I hereby resign as a member of the Limestone County Commission, District 4, effective at noon, April 9, 1980.

My family and I deeply appreciate the tremendous concern, support, love and kindness shown us during this horrible ordeal.

Sincerely yours,

Dave Davis

MOTION was made by Max M. LeCroix and seconded by Mark Barnes to accept Dave E. Davis' resignation, effective at noon, April 9, 1980. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes and Max M. LeCroix. Nays: None. Dave E. Davis: Abstained.

MR. CHRISTOPHER expressed his regrets over the situation and said he had enjoyed working with him.

MR. CHRISTOPHER recommended the District 4 Toolshed, which is on Dave Davis' property be sold to him for a cost of \$10.00.

MOTION was made by Max M. LeCroix and seconded by Mark Barnes to sell the District 4 Toolshed to Dave E. Davis for a cost of \$10.00. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes and Max M. LeCroix. Nays: None. The Motion was approved. Dave E. Davis.: Abstained.

THE CHAIRMAN asked Mr. Davis to advise him when the inventory can be checked and all equipment and supplies can be turned over to the County Shop. Mr. Davis stated he can check the inventory on April 8, 1980.

MOTION was made by Max M. LeCroix and seconded by Raymond Wales to put Mr. Birch in charge of District 4 until a new Commissioner has been appointed. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Nays: None. The Motion was approved.

MOTION was made by Max M. LeCroix and seconded by Mark Barnes to adjourn at 10:40 A.M. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes, Max M. LeCroix and Dave E. Davis. Nays: None. The Motion was approved.

THE LIMESTONE COUNTY COMMISSION was called for a special session by the following letter:

Members
Limestone County Commission
Athens, Alabama 35611

Gentlemen:

There will be a special called meeting on Tuesday, April 15, 1980 at the Courthouse Annex, South Jefferson Street, at 9:00 A.M. for the purpose of approving claims against the County and any other business deemed necessary.

C. R. Christopher

PRESENT: Raymond Wales, Mark Barnes and Max M. LeCroix. Absent: None. C. R. Christopher, Chairman, presided. Also present was James O. Birch, Engineer.

MOTION was made by Max M. LeCroix and seconded by Mark Barnes to approve the minutes of the meetings held on April 7 and April 11, 1980. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes and Max M. LeCroix. Nays: None. The Motion was approved.

THE following persons were present:

Ed Lindsay	James M. Reece
Aubrey Todd	Mutt Bates
Ray Miller	Bill Mitchell
Donald Peek	James W. Todd
G. W. Sims	William Schueler
Jeff Peek	Douglas Sides
Eddie Holland	

MR. ED LINDSAY, spokesman for the group, objected to the Commission moving District 4 equipment from Mr. Davis' toolshed. He stated the Commission should have rented the toolshed and left the equipment in the District.

MR. LINDSAY further stated they feel District 4 will not be adequately represented by the County Engineer being appointed to oversee the road program in District 4.

CHAIRMAN CHRISTOPHER told the group the Commission does not have the authority to appoint a Commissioner. He stated that the County Engineer can work throughout the County and that Mr. Davis had given the engineer a list of work to be done in District 4. Mr. Birch assured Mr. Davis he would see that the work was done, if at all possible.

MR. BIRCH assured the group he was available at any time to hear their complaints. They can call him at the office.

MR. BARNES told the group that Mr. Davis did not object when the subject of moving the equipment from his Toolshed was discussed. He said that he thought the new Commissioner, when elected or appointed, would be the one to decide whether or not to rent Mr. Davis' toolshed.

MR. CHRISTOPHER said the Commission would like to purchase 2 or 3 acres in District 4 on which to construct a Toolshed. He further stated the heavy equipment is in District 4 and only the dump trucks have been taken to the shop on Elm Street.

MR. CHRISTOPHER stated he had heard a rumor that District 4 equipment was being used in other districts, but this is not true.

THE CHAIRMAN said the diesel tanks at Mr. Davis' Toolshed had a leak and Mr. Davis asked that they be removed so his well would not be contaminated.

A DISCUSSION was held concerning possible sites that might be purchased for a Toolshed.

MR. CHRISTOPHER assured the group road work will be continued in District 4 and that the equipment will not be used in other Districts.

MR. LINDSAY thanked the Commission for their attention to the group's complaints.

MOTION was made by Mark Barnes and seconded by Max M. LeCroix to pay Reid Clubhouse \$15.00 for a voting site. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes and Max M. LeCroix. Nays: None. The Motion was approved.

MOTION was made by Max M. LeCroix and seconded by Mark Barnes to authorize the Chairman to have emergency lighting installed in the Courthouse Elevator at a cost of \$395.00. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes, and Max M. LeCroix. Nays: None. The Motion was approved.

MOTION was made by Raymond Wales and seconded by Max M. LeCroix to approve a merit increase for John M. Cooper. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes and Max M. LeCroix. Nays: None. The Motion was approved.

MOTION was made by Mark Barnes and seconded by Raymond Wales to pay Griffis Realty \$45.00 for an appraisal of approximately 1 acre at the Fairground. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes and Max M. LeCroix. Nays: None. The Motion was approved.

MOTION was made by Mark Barnes and seconded by Max M. LeCroix to authorize the Chairman to execute an option with Bill Burgreen for 1 acre at a cost of \$22,875.00 with the understanding that the existing building will be salvaged by the County.

MINUTES, LIMESTONE COUNTY COMMISSION, APRIL 21, 1980

THE LIMESTONE COUNTY COMMISSION met in a regular meeting on Monday, April 21, 1980 at 9:00 A.M. at the Courthouse Annex, South Jefferson Street, Athens, Alabama.

PRESENT: Raymond Wales, Mark Barnes and Max M. LeCroix. Absent: None. C. R. Christopher, Chairman, presided.

MOTION was made by Max M. LeCroix and seconded by Raymond Wales to approve the minutes of the meeting on April 15, 1980. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes and Max M. LeCroix. Nays: None. The Motion was approved.

LAWRENCE HENDRIX, with the Farmers Market, requested the Commission consider concreting the market @ \$31.00 per yard by Burgreen Contracting Company, approximately 44 yards for a total of \$1,364.00.

MOTION was made by Raymond Wales and seconded by Mark Barnes to concrete the market at a cost of \$1,364.00. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes, and Max M. LeCroix. Nays: None. The Motion was approved.

MOTION was made by Max M. LeCroix and seconded by Raymond Wales to approve the expenses of Bonnie J. Strain, Vera Ostiguy, and Bonnie J. Key to attend an accounting workshop on June 4, 5, and 6. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes, and Max M. LeCroix. Nays: None. The Motion was approved.

MOTION was made by Mark Barnes and seconded by Max M. LeCroix to approve payment of Police Academy expenses, in the amount of \$337.25 each for James Harrison and Toney Hastings. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes and Max M. LeCroix. Nays: None. The Motion was approved.

MOTION was made by Mark Barnes and seconded by Raymond Wales to approve job classification change for Carolyn Steele from Clerk I to Clerk II. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes and Max M. LeCroix. Nays: None. The Motion was approved.

MOTION was made by Max M. LeCroix and seconded by Raymond Wales to approve merit increases for Vivian Davis, Charles Pylant, Adron Ball and Carolyn Steele. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes and Max M. LeCroix. Nays: None. The Motion was approved.

MR. BIRCH presented cost estimates for paving at present asphalt prices.*

He advised the State Highway Department has received word that federal road funds have been frozen.

THE COMMISSION discussed the loss of \$57,000.00 in revenues for the first six months of this year. Mr. Christopher said he feels the State will leave the Counties out of any gas taxes levied by the legislature.

MAYOR GARRETT read Act 79, 630, 1979 Section 1 authorizing the cities to contract with counties to identify voters of the City of Athens.

MR. CHRISTOPHER said the County will start identification of all voters, changing precinct lines, get approval from the City and submit the plan to the Justice Department for approval after the general election in November.

MR. GEORGE STEELE, JR., of Pine Ridge Road, requested the commission pave the Pine Ridge Road. The group wanted to know why the road has not been paved and the water lines have not been paved and the water lines have not been run. He said the Commission stated several times this work will be done. He said according to the financial statement, the money is available.

MR. BARNES outlined the financial statement and the funds allocated to each District and stated that District 3 has only a balance of \$13,626.45 at his disposal.

MR. STEELE told the Chairman this should have been the first priority for the past three years. He asked why District 3 Toolshed had been built, when the road is graveled.

---------------	---	--------

MR. CHRISTOPHER told him the road has been drained, graded and graveled and that he felt it was up to Mr. LeCroix to decide to spend the money allocated in his district.

MR. STEELE asked why everything done in the black community has to be done with federal money and white communities use County money.

MR. CHRISTOPHER told the group most systems took five or six years before construction was begun and that it's not the truth that we have taken money earmarked for Pine Ridge and used it in other parts of the County.

MR. STEELE said it's the Community's feeling that the road and water lines should have been completed before now.

MINUTES, LIMESTONE COUNTY COMMISSION, MAY 26, 1980 (CALLED MEETING)

THE LIMESTONE COUNTY COMMISSION was called for a special session by the following letter:

Members
Limestone County Commission
Athens, Alabama 35611

Gentlemen:

There will be a special called meeting on Monday, May 26, 1980, at 9:00 A.M. at the Court-house Annex for the purpose of approving payment of claims against the County and any other county business deemed necessary.

C. R. Christopher, Chairman

PRESENT: Raymond Wales, Mark Barnes and Max M. LeCroix. Absent: None. C. R. Christopher, Chairman, presided.

MOTION was made by Mark Barnes and seconded by Raymond Wales to approve the minutes of the preceding meeting. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes and Max M. LeCroix. Nays: None. The Motion was approved.

WINSTON LEGGE, County Attorney, advised the Commission of the legal aspects of running the Farmers Market. He said the Constitution states the county cannot spend money on projects run by private individuals; furthermore, they cannot lease county property without sufficient rent (not \$1.00 per year). Lauderdale County operates their own market.

He said there were two ways to operate the market.

1. The county operate it.
2. County pay all bills for establishment the first year, then lease it to a corporation.

He recommends the county run it for the first year.

MOTION was made by Mark Barnes and seconded by Max M. LeCroix for the County to operate it for the first year if this is approved by the Department of Public Examiners. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes and Max M. LeCroix. Nays: None. The Motion was approved.

DON HAYS, Chamber of Commerce, asked the Commission to consider an appropriation from the lodging tax for:

1. Tourism brochure.
2. Labeling historic homes and sites and develop a map showing the historic sites in the County.

No action was taken.

BOB CLEM, Veteran's Officer, thanked the Commission for their support the last 35 years. He stated 6,424 veterans in the county last year and \$3,234.738.00 came into the county through programs.

HE invited the Commission to Memorial Day activities on May 31, 1980, to be held on the Courthouse grounds at 11:00 A.M.

HE requested 118 more flags for the square at a cost of \$270.00. The cost for the county will be \$67.00.

MOTION was made by Max M. LeCroix and seconded by Mark Barnes to approve payment of \$67.00 for the county's share for the purchase of 118 flags for the Courthouse grounds. The Chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes and Max M. LeCroix. Nays: None. The Motion was approved.

BARBARA ANDERSON, Clean Community Commission, requested an increase in this year's appropriation of \$2,200.00 to operate the recycling center.

THE COMMISSION directed the Chairman to contact the Department of Public Examiners for approval to appropriate money to the Clean Community Commission.

BIDS were opened on Proposal Number 605 (40' concrete arch pipe), as follows:

Brown Pipe Company	Concrete	71.45
	Metal	37.75
Choctaw Pipe	Metal	\$18,029.52

THE chairman asked for a vote. Ayes: Raymond Wales, Mark Barnes and Max M. LeCroix. Nays: None. The Motion was approved.

MR. CHRISTOPHER outlined the proposal by the State Department of Revenue for another re-appraisal of property. This will be done as an in-house project "by the Tax Collectors Office and is to be completed by September 1982." This has been brought about by a pending suit by utility companies who state they are being discriminated against by the 30% evaluation and the inequality of ad-valorem tax between counties.

MR. SPENCER BLACK informed the Commission of the safety program held Friday, June 13, 1980. There were approximately fifty in attendance. He asked the Commission to set-up a schedule for these meetings on a continuing basis.

MR. REDUS BARNETT appeared before the Commission concerning Barnett's Sub-Division. The Chairman directed the County Engineer to check into this matter.

THE CHAIRMAN said the Association of County Commission has voted to have a self-insured health insurance program. The cost for this insurance will be Single: 32.29; Family: 91.38. More information will be forthcoming from the association.

BIDS were opened on Proposal No. 610 (Metal Pipe): as follows:

Allied Concrete	\$9,308.00

MINUTES, LIMESTONE COUNTY COMMISSION, JULY 2, 1980, (Called MEETING)

THE LIMESTONE COUNTY COMMISSION was called for a special session by the following letter:

Members
Limestone County Commission
Athens, Alabama 35611

Gentlemen:

There will be a special meeting on Wednesday, July 2, 1980, at 9:00 A.M. at the Courthouse Annex for the purpose of discussing location of a new industry in Limestone County.

C. R. Christopher

PRESENT: Raymond Wales and Max M. LeCroix. Absent: C. R. Christopher. Mark Barnes presided as Chairman.

CHARLES DURHAM of the Athens-Limestone Industrial Development said 10 acres had been acquired by an industrial prospect that will provide approximately 60 new jobs. He asked the Commission to approve site work and bed fills for a railroad spur. There are no access roads to build, possibly creek gravel for plant pads. The City will pay for labor, gas & oil with industrial development grant.

THE COMMISSION discussed additional work being requested by industry after site work is completed.

CHARLES DURHAM suggested the Commission refer all requests to the Committee and do only what is recommended by the industrial development committee.

MOTION was made by Max M. LeCroix and seconded by Raymond Wales to approve site work for new industry located in Breeding Industrial Park. The Chairman asked for a vote. Ayes: Raymond Wales and Max M. LeCroix. Nays: None. The Motion was approved.

MEETING ADJOURNED.

APPROVED:

THE CHAIRMAN read the following letter from the U. S. Treasury Department:

Dear Mr. Christopher:

This Office is in receipt of the County's annual report, employee roster and Personnel Policies and Procedures under cover of a letter dated September 18, 1979.

A review of the data submitted disclosed that the current level of employment for blacks is 16 or a 14.3% increase since the September, 1977 investigation. During the same period of time, there was an increase of 12 or 20% women in the County's workforce. Of significant note is that since this Office's investigation while there have been increases in the number of blacks and females, the total work force has declined 4.3%. I note the efforts thus far made by the County toward the recruitment of blacks especially for the Sheriff's Department. Although all of the employment actions taken by the County are adequate to demonstrate compliance with our requests, the County must continue its diligent recruitment efforts to hire blacks to the Sheriff's Department and females to all levels of employment. Also in regard to the funding of the waterline project in the Pine Ridge Community, the County should inform this Office of its status with the submission of its next annual report.

I appreciate the progress and cooperation demonstrated thus far by Limestone County. I also anticipate continued progress by the County in its future endeavors to provide equal opportunity to all its citizens. The County's next annual report is due June 15, 1980.

If you have any questions regarding this matter, please contact Mr. Horace J. Burnett, Southeastern Branch Chief at (202) 634-2226.

Treadwell O. Phillips, Manager
Civil Rights Division

JIM BIRCH informed the Commission will have a meeting on August 5, 1980, at 3:30 P.M. with the federal representatives concerning a flood insurance study.
