

STATE OF ALABAMA
BOARD OF ADMINISTRATION
MONTGOMERY

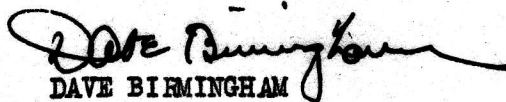

November 2, 1936.

Hon. Harry Walker,
Speaker, House of Representatives,
Athens, Ala.

My dear Mr. Walker:

Mr. Charles Bauman was in this morning and asked me to write you with reference to his son, Charles Bauman, Jr., 704 Sayre Street, Montgomery. This old man is a close friend of the Governor and has a fine boy. He is desirous of having him used as a page during the special session of the Legislature if same is called. Knowing Mr. Bauman as I do, and his loyalty to the Administration I recommend to you very highly his son.

Yours truly,

DAVE BIRMINGHAM
