

THE ALABAMA LEAGUE OF MUNICIPALITIES  
FOURTEEN SOUTH HULL STREET  
MONTGOMERY, ALABAMA

OFFICE OF  
THE EXECUTIVE DIRECTOR

Tuesday

Dear Mr. Walker:

I went to the Governor's office to take care of your amendment matter today. Kate Simmons at first said they would not be able to get out vouchers until the middle of next week. I told her it would be a special favor to you to handle it quicker. She fixed up her part of the matter, and I then went to the Comptroller's office. I had a little trouble getting them to make an exception for you, but finally they agreed to have the voucher ready tomorrow at 11 o'clock. I'll pick it up and send it on special delivery.

Your friend,

  
ED E. REID
