Birmingham, Ala.

Dear Mr. Smith:

Coming down Monday night Senator Shelby Fletcher asked me to submit an offer to you of fifty-five dollars (\$55.00) per acre for the George Parvin farm belonging to the L. C. Hightower estate.

If I remember correctly this is the valuation Mr. Glaze and I put on it when we made an appraisal of the Hightower property. If you are not willing to accept this price please make me the best price you can in order that I may submit same to Senator Fletcher Friday as we go back to north Alabama.

I would like to have your best price on the brick yard property belonging to the Hightower estate as soon as it is convenient to give me same.

Sincerely yours,

R. H. Walker.
