## Grand Pa,

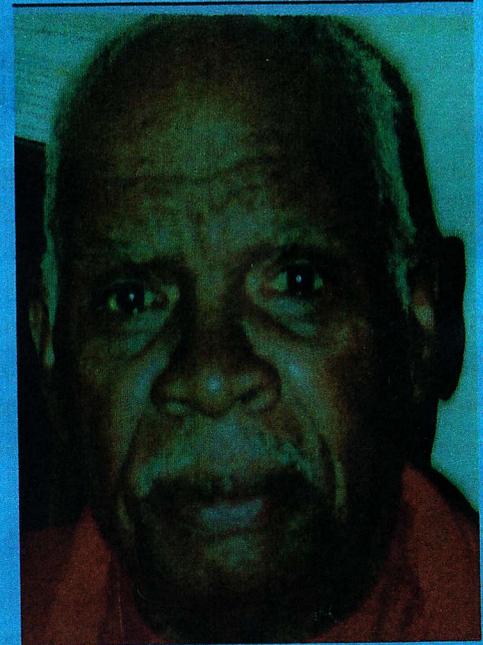

*You know we are feeling a little sad  
 We have lost our grand pa, our friend and our dad  
 Grand pa would want us to know he's in a good place,  
 he's watching over us with a smile on his face  
 In all of our lives grand pa played a special part  
 These memories we will treasure and keep in our hearts*

*And we thank the Lord above for blessing us with a  
 grandpa full of kindness and love  
 We know when God called,  
 you had to go but we want you to know  
 We will miss you and we love you  
 Your great-grand daughter*

*Nikki*

Grand Pa, I'm going to miss the good times we had together, especially when you gave me money and told me to get a hamburger

Love you Raiken

Grand Pa, had a lot of jokes, and some to spare, he could tell you stories from 1942 LOL, Heck, I can't remember where I went last Tuesday I remember asking grand pa could fight, he said he was the man and used to fight on 47<sup>th</sup> Street and one day he had a match against some man but I for got his name of course grand pa remembered, the way he described the guy, he sounded like Joe Fraiser, lol. So I asked did you fight Joe Fraiser grand pa, he say yes I ain't no punk,

My grand pa once told me that he would not have been here on earth as long as he was had it not been for his very special friend Ruth and his neighbors. I want to say thank to you all for loving my grand pa

Love you , Darrell
