

JOHN A. SANKEY
ATTORNEY AT LAW
SECOND FLOOR HILL BUILDING
MONTGOMERY, ALA.

August 29, 1933

The Limestone Democrat,
Athens, Ala.

Gentlemen:

On June 7, 1933 I sent you a parole notice in the case of Miles Edmond to run in your paper once a week for two weeks and asked that you send me affidavit of publication and bill. I have received neither.

On July 31, 1933 I sent you a parole notice in the case of Willie Jenkins which I requested you to publish once a week and send me certificate of publication after the second week, and bill, and I would remit check. I have not heard from you.

I wish to cancel these two notices as it is too late now for them to do me any good, and you have failed to acknowledge them, or give me any service whatsoever.

Yours truly,

JAS:FP
