Mr. R. H. Walker

Dear Sir:-

Answering your letter regarding Federal Taxes on the Greenbrier land I have gone over this matter with all interested parties and as near as we can figure, it will cost from twelve to fourteen hundred dollars in the matter of these taxes-The interested parties at this end of the line wants the matter definitely closed on some definite basis at the time the deed is made so far as the buyers are concerned.

Under the above circumstances they authorize me to settle this matter on a basis of the buyers paying \$1000.00 on these taxes.

If you will wire me your agreement to this tomorrow, it will definitely close everything that we know of.

You understand this \$1000.00 against these taxes must be added to the cash payment, leaving the deferred payments unchanged.

I trust you will wire me your approval of this tax change and your agreement to pay same tomorrow.

Yours very truly,

*A. Boyd*
